ZIONISTS DIGGING U.S.A. GRAVE

U. S. will emerge a defeated and degraded nation in a Middle East War fighting as ally of Zionists to help thieves hold onto Palestine plunder

By BENJAMIN H. FREEDMAN
Founder 1950, Christian Anti-defamation League

(PART I)

Four Presidents of the United States pledged the armed forces of the United States to Zionist supporters, to fight in Palestine as an ally of Zionist usurpers in illegal possession of eighty percent (80%) of Palestine since 1948, in effect and in fact to fight as the ally of Zionists in Palestine to help Zionist thieves hold onto their Palestine plunder, treason to our tradition.

Four Presidents of the United States jeopardized the lives of countless Christians in the armed forces of the United States, pledging the armed forces of the United States to fight in Palestine to do the dirty work there for Zionists throughout the world, solely as a political pay-off to Zionist supporters in the United States for expensive and extensive political support in their four successful election campaigns.

Solely as a political pay-off to Zionist supporters, for expensive and extensive Zionist support in successful election campaigns, four Presidents of the United States pledged the armed forces of the United States to Zionist supporters to fight in Palestine, wearing uniforms of the armed forces of the United States, and under the flag of the United States, in an unjust war the United States cannot conceivably win, and from which the United States must emerge as a defeated and degraded nation, in their considered judgment by the most eminently qualified authorities upon this subject, holding that view based upon fact.

Each day the news from the Middle East supplies more and more evidence of the certainty of an imminent outbreak of hostilities in Palestine, to liberate the eighty percent (80%) of Palestine in the illegal possession of Zionist usurpers since 1948. Palestine's 1,350,000 exiled Christians and Moslems, uprooted from their homes and expelled from their ancestral homeland, without provocation or justification, with only the clothes on their backs, in the 1948 armed uprising by 650,000 Zionist usurpers, have sufficient reason today for taking whatever measures they consider necessary, under the circumstances, to regain possession of their homes, and to forever retain possession peacefully of their ancestral homeland, without fearing for their future.

It is reasonable to anticipate that Palestine's 1,350,000 exiled Christians and Moslems may be compelled, by the force of circumstances in 1965, to resort to the same measures in 1965, to regain possession of their homes, and peacefully retain possession of their ancestral homeland, to which transplanted Zionist usurpers resorted in 1948, to usurp possession of eighty percent (80%) of Palestine, which Zionists occupy.

of Representatives in Washington, begging them not to drag Christians in the armed forces of the United States away from their mothers and fathers, away from their young wives and little children, away from their colleges and their jobs, to fight in Palestine to help Zionist thieves hold onto their Palestine plunder, doing the dirty work in Palestine for Zionists throughout the world, Christian victims of a political pay-off as consideration for expensive and extensive Zionist support in successful election campaigns held in the United States.

Write your letters today, tomorrow may be too late. The life you save may be your own . . . son or husband! Let your letters prove the straws that break the camel's back. Write your letters before you go to bed tonight. The fate of your family is in your hands as you read this. Help them!

The reason Great Britain transplanted 600,000 Zionists from eastern Europe into Palestine between 1920 and 1948, behind a shield of 200,000 British troops stationed by Great Britain in Palestine in 1920 for that purpose, will also explain the reason why the United States was railroaded by Zionists into World War I in 1917 as Great Britain's ally to rescue Great Britain from defeat by Germany with United States help.

The World Zionist Organization concluded their notorious 1916 London Agreement with the British War Cabinet in the Fall of 1916 in London. Under that notorious 1916 London Agreement, Great Britain unconditionally agreed to turn over Palestine to Zionists, for their future Zionist sovereign state, after the defeat of Germany by Great Britain, as Great Britain's compensation, to Zionists for successfully putting Zionist pressure upon the United

States, railroaded the United States into World War I as Great Britain's new ally!

The three principal officers of the World Zionist Organization, who in 1916 proposed the notorious 1916 London Agreement to the British War Cabinet, were Dr. Chaim Weizmann, first head of the future Zionist "sovereign state" when so "proclaimed" in 1948, Mr. Nahum Sokolov and Mr. Samuel Landman, three eastern European Zionist so-called Jews of Khazar historic ancestry.

Samuel Landman, at that time Secretary of the World Zionist Organization, with a first-hand knowledge of all the facts, wrote about the negotiations for their notorious 1916 London Agreement. In the one published in the New Zionist Publication of London in 1933, under the title "Great Britain, the Jews and Palestine," Samuel Landman stated frankly, among many other amazing events never before made public: "DURING THE CRITICAL DAYS OF 1918 . . . JEWRY AS A WHOLE WAS AGAINST THE CZARIST REGIME AND HAD HOPES THAT GERMANY IF VICTORIOUS WOULD IN CERTAIN CIRCUMSTANCES GIVE THEM PALESTINE . . . ATTEMPTS TO BRING AMERICA INTO THE WAR ON THE SIDE OF THE ALLIES BY INFLUENCING INFLUENTIAL JEWISH OPINION WERE MADE AND HAD FAILED . . . MR. JAMES A. MALCOM SPONTANEOUSLY TOOK THE INITIATIVE TO CONVINCE FIRST OF ALL SIR MARK SYKES, UNDER SECRETARY TO THE WAR CABINET . . . THAT THE BEST AND PERHAPS THE ONLY WAY, WHICH PROVED SO TO BE, TO INDUCE THE AMERICAN PRESIDENT TO COME INTO THE WAR WAS TO SECURE THE COOPERATION OF ZIONIST JEWS BY PROMISING THEM PALESTINE AND THUS ENLIST AND MOBILIZE THE HITHERTO UNSUSPECTEDLY POWERFUL FORCES OF ZIONIST JEWS IN AMERICA AND ELSEWHERE IN FAVOR OF THE ALLIES ON A QUID PRO QUO CONTRACT BASIS . . . THUS AS WILL BE SEEN, THE ZIONISTS HAVING CARRIED OUT THEIR PART AND GREATLY HELPED TO BRING AMERICA IN, THE BALFOUR DECLARATION OF 1917 WAS BUT THE PUBLIC CONFIRMATION OF THE NECESSARILY SECRET 'GENTLEMEN'S' AGREEMENT OF 1916 . . . AND NOT MERELY A VOLUNTARY ALTRUISTIC AND ROMANTIC GESTURE ON THE PART OF GREAT BRITAIN . . ."

It is now an accepted fact at the highest government levels throughout the world, that the notorious 1916 London Agreement was solely responsible for the entry of the United States into World War I as Great Britain's ally. The alibi was not Germany's sinking of the Lusitania, two years before United States declared war against Ger-

1,350,000 Christians and Moslems rejected United Nations unjust "recommendation" for their future Government of Palestine.

The Zionist-dominated world-wide media for mass communication, publicized United Nations November 29, 1947 resolution as United Nations "Palestine Partition Plan." The world was given to understand by the Zionists that Palestine's 1,350,000 Christians and Moslems refused to implement United Nations "Palestine Partition Plan," justifying Zionists 1948 unilateral action.

United Nations Charter does not authorize the United Nations General Assembly, United Nations Security Council, or any other United Nations body, to "partition" a sovereign state for any reason, which is not fully understood in the United States.

A United Nations "Palestine Partition Plan" really never existed, except in the imaginations of Zionist propagandists. It was a fraud upon the world for Zionist propagandists to describe United Nations General Assembly November 29, 1947 resolution, only "recommending" a plan for a government in Palestine, as a compulsory United Nations "Palestine Partition Plan."

United Nations Charter, Article 11, is the article in United Nations Charter, limiting United Nations to "recommendations."

"The General Assembly may discuss any questions relating to the maintenance of international peace and security brought before it by any Member of the United Nations, AND MAY MAKE RECOMMENDATIONS WITH REGARD TO ANY SUCH QUESTIONS TO THE STATE OR STATES CONCERNED OR TO THE SECURITY COUNCIL OR TO BOTH."

Great Britain had many irons in the fire in Palestine in 1916. Great Britain was obligated to turn over Palestine to Zionists for their future Zionist sovereign state, under the notorious 1916 London Agreement, after termination of World War I. Great Britain could never escape that obligation to Zionists, with Lord Rothschild, world's No. 1 Zionist, ruler of the rulers of Great Britain, Zionist uncrowned king.

Great Britain had other reasons also for implementing the notorious 1916 London Agreement. The Zionist hierarchy had assured Great Britain that the future Zionist sovereign state in Palestine would arrange to become a member of the British Empire as soon as the political dust settled, on the Zionist sovereign state in Palestine.

Great Britain planned to cut a canal through the future Zionist sovereign state, connecting the Mediterranean with the Red Sea, from Gaza to the Gulf of Aquaba, that empties into the Red Sea, thus providing Great Britain with a canal in perpetuity, passing through British territory, something Great Britain badly needed, as much then as now, so vital to Great Britain's survival.

Great Britain was well aware the Suez Canal concession, given deLesseps by Egypt in 1856, would finally end in ninety-nine years, when the Suez Canal would revert to Egypt. That day would be a black day for Great Britain. Great Britain planned in 1916 to construct a modern two-lane two-way canal from Gaza to the Gulf of Aquaba, that would forever end Great Britain's dependence upon the one-hundred year old one-lane one-way Suez Canal, the weakest link in Great Britain's vulnerable lifeline.

Great Britain also badly needed a member of the British Empire in the heart of the Middle East oil area. Oil was rapidly replacing coal for fuel in Great Britain's navy and merchant marine, and Great Britain's colonies could not provide. Great Britain with oil. Great Britain planned in 1916 that the future Zionist sovereign state in Palestine would provide Great Britain with a member of the British Empire in the heart of the Middle East's big oil reserves.

Great Britain also planned in 1916 to control the mineral wealth of the Dead Sea

in Palestine. The British Colonial Office appraised the value of the mineral wealth of the Dead Sea at Six Trillion Dollars, or at Six-thousand Billion Dollars, (\$6,000,000,000,000.), actually billions of tons of potash, and five other important industrial minerals. By comparison, the national debt of the United States in 1965 is a mere Three-hundred and Twenty-five Billion Dollars (\$325,000,000,000), one twentieth.

By coincidence, the family of Herbert Samuel, Palestine's newly appointed High Commissioner, happened to control Shell Oil Company, and were the largest stockholders in Imperial Chemical Industries of England, the world's largest chemical empire, with world-wide political ramifications, and eyes on the Dead Sea minerals.

On the very first day after Herbert Samuel's arrival in Palestine, he granted Palestine Potash Company, Ltd., a wholly-owned subsidiary of Imperial Chemical Industries of England, the concession to extract the minerals from the Dead Sea, in spite of the fact he knew there was already an existing concession for the Dead Sea, then in existence for twenty years. That was a good first day's work for one of the world's most important Zionists, second only in importance to Lord Rothschild, their No. 1 Zionist, and the uncrowned ruler of rulers.

As an illustration closer to home of what took place in Palestine between 1920 and 1948, assume that between 1920 and 1948 the Soviet Union illegally transplanted 4,000,000 unwanted and unwelcome penniless Mexicans into the State of Texas, with the cooperation of corrupt United States immigration officers stationed on the Mexican border to implement that conspiracy.

Assume the 8,000,000 population of the State of Texas was totally disarmed by State of Texas authorities, to eliminate the possibility of armed opposition by Texans to the influx into the State of Texas of unwanted and unwelcome penniless Mexicans, each secretly armed upon arrival.

Assume the 4,000,000 unwanted and unwelcome penniless Mexicans, transplanted into the State of Texas, were secretly armed with the world's most modern weapons, free of charge to them, at a cost to the Soviet Union of Two-billion Dollars (\$2,000,000,000.), to be used against Texans.

Assume to avert a civil war between the 8,000,000 native Texans and the 4,000,000 transplanted Mexicans, United Nations "recommended" a plan under which the 8,000,000 native Texans, owning ninety-six percent (96%) of the State of Texas, were to cede sovereignty over fifty percent (50%) of the State of Texas to the 4,000,000 transplanted Mexicans, then owning four percent (4%) of their State of Texas.

Assume the 8,000,000 native Texans rejected United Nations proposed plan, and assume the 4,000,000 heavily armed Mexicans thereupon uprooted the disarmed and defenseless 8,000,000 native Texans from their homes, and expelled them from the State of Texas, without provocation or justification, with only the clothes on their backs, to survive in Arizona desert camps.

Assume the 4,000,000 transplanted Mexicans then "proclaimed" their armed uprising in the State of Texas the "Republic of the Alamo," misrepresenting themselves.

Assume the Soviet Union "recognized" the "Republic of the Alamo," one minute after it was "proclaimed," and many Soviet Union satellites quickly followed the Soviet Union, all then exchanging ambassadors.

Assume United Nations then admitted the "Republic of the Alamo" as a member of United Nations, on promises never kept.

Can any sane person assume that the 8,000,000 Texans, uprooted from their homes and expelled from the State of Texas, would accept the "Republic of the Alamo" as a "fait accompli," and go in search of new homes in which to settle in Nevada, Utah or Nebraska, and abandon all their worldly goods to those Mexicans?

Can any sane person assume that the 175,000,000 other persons in the United States would do nothing to help 8,000,000 native Texans regain possession again of their stolen homes in the State of Texas?

The United States lost the confidence, the respect and the friendship of the world on May 15, 1948, when President Truman "recognized" the "kangaroo" regime of an armed uprising in Palestine, by 650,000 Zionists usurpers transplanted into Palestine, one minute after it was "proclaimed."

How crooked or how crazy must a government be to "recognize" as a sovereign state, the "kangaroo" regime of the armed uprising by hostile aliens, and not recognize the governments of East Germany, North Korea and the mainland of China?

It is true that the governments of East Germany, North Korea and the mainland of China were imposed upon the populations of East Germany, North Korea and mainland of China by foreign interference.

It is also true that the "government" in Palestine was imposed by Zionists on the entire population of Palestine by foreign interference, from Zionist ruled countries.

In the case of East Germany, North Korea and mainland of China, the governments imposed upon their populations in those countries, were imposed upon the indigenous populations, upon populations which had inhabited those areas for thousands of years before foreign interference.

In the case of Palestine, the Zionists transplanted into Palestine uprooted the indigenous population from their homes, and expelled them from their ancestral homeland, by cruel torture and massacres.

In the Congo, the United States spent hundreds of millions of dollars fighting secession by Katanga, when that province seceded from the Congo, "proclaiming" Katanga an independent sovereign state, but was soon forced to rejoin the Congo.

But what happened in Palestine? United States supplied billions of dollars, directly and via Germany, to finance the existence of a Zionist "kangaroo" regime, illegally in occupation of eighty percent (80%) of Palestine, political pay-off to Zionists for support in four election campaigns.

tion from Great Britain, acknowledging Great Britain's reciprocal obligation to Zionists, couched in cryptic language. The cryptic language was to conceal, for good reason, the reciprocal British and Zionist obligations under the notorious 1916 London Agreement. The reciprocal British and Zionist obligations, under the notorious 1916 London Agreement, was a very well kept secret from the Christian public in both Great Britain and the United States.

Zionist leaders in London and Washington agreed it was important to couch the communication obtained from Great Britain in cryptic language, because Zionist leaders planned to give the communication world-wide publicity for propaganda purposes at a future time. The cryptic language of the communication would serve to conceal from Christians the reciprocal British and Zionist obligations under the notorious 1916 London Agreement, then still a secret.

The infamous so-called Balfour Declaration was accordingly couched in cryptic language, that concealed from Christians, the fact that Great Britain was obligated to turn over Palestine to Zionists for their future Zionist sovereign state, as Great Britain's compensation to Zionists for rail-roading United States into World War I, as Great Britain's ally to defeat Germany.

Six known drafts of that cryptic communication were exchanged between Zionist leaders in London and Washington, between April 6, 1917, the date the United States declared war against Germany, and November 2, 1917, before cryptic language for the communication was finally agreed upon by Zionist leaders. The cryptic language for their November 2, 1917 draft adequately concealed from Christians the objective of the notorious 1916 London Agreement, still keeping the terms secret.

A copy of the acceptable communication was forwarded from Washington to London, to Arthur Balfour, Great Britain's Minister for Foreign Affairs, with instructions to transcribe the draft onto the official stationery of Great Britain's Foreign Office, and to deliver an executed copy to Lord Rothschild in London, the same Lord Rothschild who assisted in preparing the cryptic communication, Zionist No. 1 master-mind.

The cryptic communication referred to as the infamous Balfour Declaration received that name only from the fact that Arthur Balfour affixed his signature to the letter delivered to Lord Rothschild. By any stretch of the imagination, that cryptic communication was not in any sense a "declaration" by Arthur Balfour. Zionist leaders wanted the signature of Arthur Balfour affixed to that letter as Great Britain's Minister for Foreign Affairs, to lend prestige to that cryptic communication as Zionist propaganda, when the time arrived to use that communication as propaganda.

The infamous so-called Balfour Declaration appears below exactly as written:

Foreign Office
November 2, 1917.

Dear Lord Rothschild,
I have much pleasure in conveying to you on behalf of His Majesty's Government the following declaration of sympathy with the Jewish Zionist aspirations, which has been submitted to and approved by the Cabinet. His Majesty's Government view with favor the establishment in Palestine of a national home for the Jewish people, and will use their best endeavors to facilitate the achievement of this object, IT BEING CLEARLY UNDERSTOOD THAT NOTHING SHALL BE DONE WHICH MAY PREJUDICE THE CIVIL AND RELIGIOUS RIGHTS OF EXISTING NON-JEWISH COMMUNITIES IN PALESTINE or the rights or political status enjoyed by Jews in any other country.

I will be happy if you would bring this Declaration to the knowledge of the Zionist Federation.

Yours sincerely,
Arthur James Balfour

In this day and age, it seems impossible that any sane persons would interpret that infamous so-called Balfour Declaration as a "bill of sale" for Palestine, from Great Britain to Zionists. Great Britain could not honorably promise something which Great Britain did not own, as a consideration in exchange for something of value. In all history from the beginning of time, Great Britain never owned a square inch of Palestine that Great Britain could promise as Great Britain promised Palestine to Zionists, a crime if done by individuals.

In 1920 the League of Nations directed that an election be held in Palestine as soon as arrangements could be made to hold an election, to create the Government of Palestine. The League of Nations also directed that the population of Palestine decide for themselves the country they wished to act as Palestine's "temporary administrator," under which the election to create the Government of Palestine was to be conducted, as provided in Article XXII of the League of Nations Covenant for an election.

In steps taken to select a country to act as "temporary administrator" of Palestine, eighty-two percent (82%) of Palestine's total population asked for the United States to act as Palestine's temporary administrator. The choice was made when there were in Palestine 700,000 Christians and Moslems, and 50,000 Zionists, of whom about one-half were non-Zionist and anti-Zionist, long-resident orthodox religious pilgrims.

Advised of that choice, Great Britain and Zionists immediately took steps to prevent the United States from acting as Palestine's temporary administrator. Great Britain and Zionists saw the danger, that Great Britain would be unable to turn over Palestine to Zionists for their future Zionist sovereign state, if the United States acted as Palestine's temporary administrator, and promptly held the election to create the Government of Palestine, as then required.

If the United States held the election promptly, to elect the Government of Palestine, the Government of Palestine created by that election would surely not be a Zionist sovereign state. With a Palestine population at that time of 700,000 Christians and Moslems, and 50,000 Zionists, non-Zionists and anti-Zionists, the elected Government of Palestine could not possibly become the future Zionist sovereign state.

To insure against any possibility that the United States might act as Palestine's temporary administrator, Great Britain immediately stationed 200,000 British troops in Palestine, to act as a shield behind which Great Britain planned to transplant the necessary number of Zionists into Palestine from eastern Europe, to create a Zionist majority in Palestine's population as quickly as possible, and Great Britain also immediately flew Herbert Samuel from London to Palestine, announcing to the world upon Herbert Samuel's arrival in Palestine, that Great Britain had designated Herbert Samuel as Palestine's High Commissioner, and that Great Britain would thereafter act as "temporary administrator" of Palestine, under Article XXII of the League of Nations Covenant. This was bad news to Palestine's population, to the United States and to members of the League of Nations.

The opposition by Palestine's 700,000 Christians and Moslems made little difference to Great Britain or to Zionists. The King-Crane Report, on Great Britain's double-crossing of United States, strongly condemned Great Britain and Zionists for their interference in Palestine's affairs. President Wilson had ordered the King-Crane investigating committee to report to him in person, after visiting Palestine to obtain the facts first-hand for him. The King-Crane Report was withheld from President Wilson, who died several years later without ever having seen the King-Crane Report, so successfully kept secret.

If the recommendations made in the King-Crane Report had been implemented, the election to create the Government of

Palestine would have been promptly held, also honorably conducted, under United States supervision, without complications.

The stories created by propagandists (telling about German soldiers promiscuously shooting Red Cross nurses, and German soldiers spearing infants on their bayonets as a pleasant pastime, were all proven to be untrue. Propagandists concocted the most fantastic lies about atrocities never committed by German soldiers, to inflame the public in the United States against Germans, and to provoke the United States thus into declaring war against Germany.

In the United States, President Wilson was desperate to find a pretext to enter World War I as Great Britain's ally. President Wilson found the pretext in the 1917 story of the "sinking" of the Sussex in mid-channel, after a long search for a pretext.

With the story of the "sinking" of the Sussex, President Wilson went to Congress for a declaration of war against Germany. After the declaration of war against Germany, our allies discovered the Sussex had not been "sunk," nor that United States "lives had been lost," as had been reported.

During the twenty-eight years between 1920 and 1948, when Great Britain was in Palestine, as "temporary administrator," officially as the Mandate Government in Palestine, under Article XXII of the League of Nations Covenant, no election was held by Great Britain to create the Government of Palestine. However, during those twenty-eight years, between 1920 and 1948, Great Britain transplanted into Palestine 600,000 Zionists from eastern Europe behind a shield of 200,000 British troops, stationed in Palestine for that purpose, a demand by Zionists upon Great Britain.

During the twenty-eight years between 1920 and 1948, Palestine's Christian and Moslem population increased from 700,000 in 1920 to 1,350,000 in 1948. In the same twenty-eight years, Palestine's Zionist population increased from 50,000 in 1920 to 650,000 in 1948, which included the 400,000 Zionists transplanted by Great Britain into Palestine from eastern Europe between 1920 and 1948, for their Zionist majority.

In 1946 Great Britain had abandoned all hope of ever being able to create a Zionist majority in Palestine's population. Great Britain could not very well hand over Palestine to Zionists, for their future Zionist sovereign state, with Palestine's 1,350,000 Christian and Moslem population, and with Palestine's 650,000 Zionist population. The outlook in 1946 was not very encouraging, for the creation by Great Britain anon of a Zionist majority in Palestine's population.

In 1946 Great Britain decided to dump the responsibility for creating the Government of Palestine into United Nations lap. United Nations went through the motions of studying the problem in Palestine, United Nations sent a ten-man committee to Palestine to study the problem on the ground, but their ten-man committee had in it nine Zionist stooges. After ten days in Palestine, they returned bringing with them a one-hundred and sixty-eight page report, which took seventy Zionist experts three years time to compile and complete.

Thereafter, on November 24, 1947 United Nations General Assembly passed a resolution, with a rigged majority, in the positively most crooked election ever held anywhere in the world. That November 29, 1947 United Nations General Assembly resolution "recommended" the one-hundred and sixty-eight page report as the basis for the long-delayed Government of Palestine.

United Nations General Assembly's resolution "recommended" a government for Palestine, under a plan wherein Palestine's 1,350,000 Christians and Moslems, owning ninety-six percent (96%) of Palestine, were to cede fifty percent (50%) sovereignty in Palestine to Palestine's 650,000 transplanted Zionists, in 1946 owning only four percent (4%) of Palestine. Palestine's

many. The Lusitania sinking by Germany in February 1915 was justified under international law by the facts. German submarine warfare in the Atlantic was being conducted by Germany in all respects under the provisions of the 1907 Hague Convention for the conduct of submarine warfare.

Christians in the United States were kept in ignorance of that notorious 1916 London Agreement by the tight control exercised by Zionists over media for mass-communication in the United States. In spite of that fact, a sufficient number of authentic documents have come to the attention of the Christian public in the United States recently, establishing the existence of notorious 1916 London Agreement beyond all question of any doubt. That cat is now out of the bag for the first time in the United States. The facts remain a secret no longer.

The Zionist leaders who negotiated the notorious 1916 London Agreement, wrote many accounts confessing their responsibility for railroading the United States into World War I in 1917, as the price Zionists paid for Palestine. Christians in the United States have evidently been too occupied, making money and having fun, to find time to peruse those revealing accounts, which leave nothing to the reader's imagination.

The infamous so-called Balfour Declaration corroborated existence of the notorious 1916 London Agreement, but for many years Zionists hawked around the world their big lie, Great Britain gave the infamous so-called Balfour Declaration as Great Britain's reward to Zionists, for Chaim Weizmann's discovery how to manufacture a better acetone, an important ingredient used in the manufacture of high explosives in World War I. But Zionists discarded that fable as Christians dug up the truth about the notorious 1916 London Agreement, undeniably the reason for the infamous so-called Balfour Declaration.

Based upon their history, Zionists have no basis for asserting a legitimate claim to Palestine as their "ancient homeland" now for any reason. Eastern European Zionist so-called Jews of Khazar historic ancestry, have neither a historic, nor ethnic nor a spiritual identification with the Holy Land in Bible history, or since Bible history times, to justify Zionist usurpation of eighty percent (80%) of Palestine from Palestine's Christians and Moslems, the lineal descendants of Palestine's indigenous population for over seventeen hundred (1700) years.

Eastern European Zionist so-called Jews of Khazar historic ancestry never had an ancestor who set a foot in the Holy Land in all Bible history. The so-called Zionist movement was organized in 1898, strictly a political movement, by eastern European so-called Jews, motivated by their frequent differences with Czarist regimes in Russia.

The Zionist movement was planned to win Christian support for "repatriation" of "God's chosen people" to their "Promised Land," their "ancient homeland," as their future Zionist sovereign state in Palestine. Eastern European Zionist so-called Jews of Khazar historic ancestry aimed to resurrect their ancient Khazar kingdom, of necessity not again in Russia, this time in Palestine.

The Jewish Encyclopedia confirms this undeniable historic fact, eastern European Zionist so-called Jews of Khazar ancestry, found today in all countries throughout the world, more than five million (5,000,000) in the United States alone, are descendants of an ancient Asiatic Mongoloid tribal nation of Turco-Finn ethnic origin, which invaded eastern Europe about the 1st century B.C. where these Khazars became converts from their pagan phallic worship, to their alleged religious faith, actually then as today Talmudism, in the 8th century A.D.

Space here will permit only a brief quotation from Volume IV, pages 1-5, in the Jewish Encyclopedia, establishing the historic, ethnic and spiritual background of eastern European Zionist so-called Jews of Khazar historic ancestry throughout the world, heirs today to Khazar traditions:

"KHAZARS: A PEOPLE OF TURKISH ORIGIN WHOSE LIFE AND HISTORY ARE INTERWOVEN WITH THE VERY BEGINNING OF THE HISTORY OF THE JEW OF RUSSIA... DRIVEN ON BY THE NOMADIC TRIBES OF THE STEPPES AND BY THEIR OWN DESIRE FOR PLUNDER AND REVENGE... IN THE SECOND HALF OF THE SIXTH CENTURY THE KHAZARS MOVED WESTWARD... THE KINGDOM OF THE KHAZARS WAS FIRMLY ESTABLISHED IN MOST OF SOUTH RUSSIA LONG BEFORE THE FOUNDATION OF THE RUSSIAN MONARCHY BY THE VARANGIANS (855)... AT THIS TIME THE KINGDOM OF THE KHAZARS STOOD AT THE HEIGHT OF ITS POWER AND WAS CONSTANTLY AT WAR... AT THE END OF THE EIGHTH CENTURY... THE KING OF THE KHAZARS AND HIS GRANDES, TOGETHER WITH A LARGE NUMBER OF HEATHEN PEOPLE, EMBRACED THE JEWISH RELIGION... ABOUT THE NINTH CENTURY IT APPEARS AS IF ALL THE KHAZARS WERE JEWS AND THAT THEY HAD BEEN CONVERTED TO JUDAISM ONLY A SHORT TIME BEFORE... THE PEOPLE WERE INSTRUCTED IN THE BIBLE, THE MISHNA AND THE TALMUD... THE RUSSIAN VARANGIANS ESTABLISHED THEMSELVES AT KIEV... AFTER A HARD FIGHT THE RUSSIANS CONQUERED THE KHAZARS... MANY EMIGRATED TO SPAIN... SOME WENT TO HUNGARY... BUT THE GREAT MASS OF THE PEOPLE REMAINED IN THEIR NATIVE COUNTRY..."

The greatest authority on the origin of the Khazars, also the emergence of their Khazar kingdom as the greatest power in Europe, and on the disappearance of the Khazar kingdom from European history, is the venerated Professor H. Graetz, himself an eastern European so-called Jew of Khazar historic ancestry. In Professor Graetz's classic work on the subject, "History of the Jews," on page 141, Professor Graetz, explodes the hoax that eastern European so-called Jews of Khazar historic ancestry, found throughout the world, ever were or now are "God's chosen people." Only very few sentences can be quoted here at this time owing to the limited space available:

"THE KHAZARS PROFESSED A COARSE RELIGION WHICH WAS COMBINED WITH SENSUALITY AND LEWDNESS... AFTER OBADIA CAME A LONG SERIES OF JEWISH RULERS, FOR ACCORDING TO A FUNDAMENTAL LAW OF THE STATE ONLY JEWISH RULERS WERE PERMITTED TO ASCEND THE THRONE... FOR SOME TIME THE JEWS OF OTHER COUNTRIES HAD NO KNOWLEDGE OF THE CONVERSION OF THIS POWERFUL KINGDOM TO JUDAISM, AND WHEN AT LAST A VAGUE RUMOR TO THIS EFFECT REACHED THEM, THEY WERE OF THE OPINION THAT KHAZARIA WAS PEOPLED BY THE REMNANT OF THE FORMER TEN TRIBES."

Palestine was recognized in 1919 as an autonomous independent sovereign state by all the nations of the world assembled in Paris for the Versailles Peace Conference. At that time and for the very same purpose, recognition was then extended to Syria, the Iraq, Lebanon, Saudi Arabia, the Kingdom of Yemen and Trans-Jordan as autonomous independent sovereign states. All of these, with the single exception of Palestine, have continued their existence since 1919 as autonomous independent sovereign states, and they are all now members of United Nations, with the exception of Palestine.

The "delegation" of Zionists to the Versailles Peace Conference in Paris, called the fact to Great Britain's attention, that Zionists in the United States had performed their obligation under the notorious 1916 London Agreement, and Zionists demanded Great Britain to perform their reciprocal obligation. The Zionist "delegation" to the Versailles Peace Conference kept driving

Great Britain to immediately take what steps were then necessary to turn over Palestine to Zionists for their future Zionist sovereign state, avoiding double-crossing.

The Zionist "delegation" to the Versailles Peace Conference in Paris in 1919 demanded that Great Britain turn over Palestine to them then and there, as Great Britain unconditionally agreed to do under their notorious 1916 London Agreement.

The Germans learned for the first time of the existence of the notorious 1916 London Agreement at the Versailles Peace Conference in Paris in 1919. The Germans learned there in 1919 for the first time why Germany's 1916 victory over Great Britain was suddenly transformed into Germany's 1918 ignominious defeat by the unexpected entry of United States into World War I, Great Britain's new ally, on April 6, 1917.

At the Versailles Peace Conference in Paris in 1919, the Ottoman Empire was treated as a defeated ally in World War I of a defeated Germany. Great Britain was determined to slice the Middle East into seven small and weak autonomous independent sovereign states. Great Britain forced upon the Middle East the historic British foreign policy to try to "divide and rule."

The Zionist "delegation" to the Versailles Peace Conference in Paris in 1919 claimed one hundred and seventeen (117) Zionist "delegates," from countries throughout the world. The Zionist "delegation" to the Versailles Peace Conference in Paris in 1919 was largest of all "delegations" there. Bernard M. Baruch headed the Zionist "delegation," and served with distinction, representing Zionists of the United States.

Bernard Baruch was President Woodrow Wilson's most trusted and his most constant counselor. Bernard Baruch master-minded the 1912 National Democratic Committee, electing Woodrow Wilson the President of the United States to his amazement, and the nation's, for which President Wilson always gave Bernard Baruch the full credit.

The Zionists "delegation" to the Versailles Peace Conference in Paris in 1919 dragged in the infamous so-called Balfour Declaration, to amplify Zionists claim to Palestine under the 1916 London Agreement. That infamous so-called Balfour Declaration was a letter addressed to Lord Rothschild in London by Arthur Balfour in his official capacity as Great Britain's Minister for Foreign Affairs, and was written under the following questionable circumstances, forever to Great Britain's shame.

After the entry of the United States into World War I as Great Britain's ally, on April 6, 1917, Zionist leaders in London and Washington had reason to suspect Great Britain might not honor Great Britain's reciprocal obligation, to hand over Palestine to Zionists for their future sovereign state, after the termination of World War I, with good reason to suspect them.

In 1915 Great Britain had unconditionally pledged liberation to the Middle East, totally from the Ottoman Empire, after termination of World War I, as consideration for Middle East assistance in the defense of the Suez Canal in 1915, threatened at that time by advancing Turkish forces. Zionist leaders in London and Washington were informed in 1915 of Great Britain's 1915 pledge, total independence for the Middle East, a year before the Zionists ever proposed their notorious 1916 London Agreement, to the British War Cabinet.

Zionist leaders in London and Washington no longer trusted Great Britain to hand over Palestine to them after the termination of World War I, for their future Zionist sovereign state, without complications arising from Great Britain's 1915 pledge, to recognize Middle East independence from the Ottoman Empire, after the termination of World War I. But complications arose.

After the entry of the United States into World War I as Great Britain's ally on April 6, 1917, Zionist leaders in London and Washington obtained their communica-

Dear Mr. Hoover:

You will probably be interested in the enclosed material I received today.

In my opinion, it is neither patriotic or Christian--it sounds wildly subversive itself. It certainly doesn't preach the doctrine of love we were taught in Sunday school (note anti-Semetic material) and it certainly isn't the free and democratic patriotism we were taught at home and in school. It comes across as hateful and frightening and I certainly don't want it in my home.

I have no idea how or why it was addressed to me. A wild guess might be because of an anti-Communist letter I wrote to our local newspaper.

In any case, here is all the material--postmark included--in case you might need it.

Would be interested in your findings if you are free to give them.

Thank you--and advise me further if you see the need.

Very truly yours,

NEGROES VICTIMS OF FALSE LEADERS DIRECTED BY COMMUNISTS AND ZIONISTS
TRUE LEADERS OF AMERICAN NEGROES APPEAL FOR REASON IN PRESENT STRIFE

By Archbishop C. C. Addison
African Universal Church
3802 Third Ave., Bronx, N. Y.

FOR THE GREAT DAY OF WRATH IS
COME:
WHO SHALL BE ABLE TO STAND?
(Rev. 6:12-7 verses)

The devil has indeed taken over the churches of today (St. John, 8:24 through 46 verses). The churches of today are engaged in everything but those things which pertain to righteousness; they are fighting everything but sin (Rom. 6:23). The churches of today approve of everything which leads to sin and corruption; and they try hard to condemn every just cause.

The devil is a murderer. How many people have died because of this integration scheme, including possibly the President of these United States of America (St. John 8:44)? The leaders of the American People cause them to err, and they that are led by them are destroyed (Isa. 9:13 through 17 verses). Seemingly the leaders of our churches are blind. They are following the devil. They have compromised with the devil and surrendered all to him. Our churches are rapidly becoming the devil's organizations, for the devil is the controlling factor in our religious institutions today. No wonder our children have gone wild. What else could we expect? (Isa. 56:10-11-12)

People are destroyed for the lack of knowledge (Hosea 4:6-7-8). The leaders of our churches appear to be blind, the blind leading the blind (St. Matt. 15:14). We neglect giving our children the proper discipline and training. (See Prov. 22:6, 22:15, 23:13-14; St. Matt. 18:1-6; Psa. 127:3-5). We have neglected our essential duties toward our children. We are abandoning them to the influence of Communist-inspired agitators, who are promoting lawlessness and disorder. Are you willing to do anything about this deplorable situation?

**THE COMMUNISTS CONTROL OUR SPENDING.
THEY ALSO CONTROL OUR THINKING.
THEREFORE THEY CONTROL OUR ACTIONS.**

The Afro-American is now spending—according to records and reports—28 billion dollars a year!

It is currently reported that the annual negro income in the United States is about twenty-eight billion dollars! This figure is equal to the combined annual incomes of Canada, Norway and Sweden, three entire countries. But even with this tremendous sum of money passing through the hands of the American negro, he continues to be on the begging list.

How can any people be beggars who are handling \$28 billion yearly?

What the American negro badly needs is to be educated on how to spend his money.

Archbishop C. C. Addison, fearless patriot, outstanding Christian clergyman, whose philosophy and program represents a practical solution to the racial question.

May this indeed be why Communist and Jewish groups are so eager to integrate the negro? So that he will never learn the art of spending money? (See St. Matt. 25:27 through 30 verses; St. Luke 19:23 through 27 verses).

Are we supposed to believe that these people and the deceiving white man are really interested in helping the poor negro?

The deceiving white man is only interested in the negro votes. The Communist and Jewish integrationists are only interested in the \$28 billion that the negro spends yearly. This vast sum of money has them so disturbed that some of the integrationists are willing to die along with negroes to prove the point. Yes, they are willing to die to put the negro out of all of his business enterprises so that they may become the total controlling factor in the business world. These people who really know the value of money in the full sense of the term, will go all out after it, using any means, right or wrong. People who do not know the value of money—and the power of money—will just give it away, as the American negroes are doing, claiming that it is their "constitutional right."

The American negro begs for everything he needs, (such as employment, industrious enterprises, his own schools from kindergarten to universities), but he buys what he wants and pays the price for it.

Negroes are the great spending power of America. It is reported that during the course of a year in New York City alone, negroes spend \$80 million for intoxicating liquors and their women spend \$50 million for wigs! Yes, the so-called "saints" buy wigs, too. They are in the business! Negroes spend \$150 million per year for automobiles

in New York City alone. Yes, the negro buys everything he wants, and begs for everything he really needs! He begs for: accommodations in the white man's motels and hotels; a table in the white man's restaurant; a swim in the white man's waters; and—worst of all—the white man's classrooms for the negro's children, regardless of what it may take and how much hardship may be involved to achieve this, instead of establishing his own. You see, the negro has been so deceived by Communist propaganda that he thinks that by sitting in the same classroom with white children, he can obtain an equal education. This is a lie from the devil! The negro's "equal education" can only come through black teachers in a black classroom.

The American negro is trying very hard to get away from himself, even if it takes a year to do it. The American negro has experienced a terrible falling-out with himself, and he is out to do something about it, even if it means self-destruction.

The American negro is committing mental, intellectual, economic, spiritual and physical suicide, claiming that it is his "constitutional right" to do so.

There is shocking evidence that through the communistic integration plot, millions of Americans are suffering severe problems and even death.

The negro intellectual parasites and the communist integrationists must be stopped now or we will all soon be dead.

America, because of its increasing adherence to communist ideology, is rapidly becoming a land of vagabonds. Law and order are disappearing. (Habakkuk 1:4-5).

Be Proud Of Your Own Race

I have written several leading magazines supported by the NAACP, but have yet to see anything in print or a word of acknowledgment, so once again I turn to my white friends to get action.

I have taught many colored children in the Deep South, and was born and raised in the cotton field myself. To some this may sound like a starved, inhuman existence. Let me say here that those were the happiest days of my life.

I am getting on in years now, my health is gone. I long to spend my last days and be buried in Mississippi soil. I want my own kind of people to lay me away in a Christian manner in a free church yard.

Eleven years ago I heeded the wild tales down there of the wonderful North. I came to Chicago with the hope of being a society lady like I had heard so much about. But what I want to tell my people, the colored people of Mississippi, is this: Just being allowed to sit up front on the crowded buses and to see here and there a colored child in school with the white does not mean and will never mean that the respectable white

people will take you into their hearts and homes fully and freely as they do one of their own kind.

And the white that will and do are just mixed trash that any self-respecting negro will do well to shun.

I beg you to listen to one who knows about these things. For our own sake, the welfare of the coming generation, do not push integration. Stop and think these things through.

It just means giving up your own life, and one of us can never be happy trying to adjust and conform to the rigid rules laid down for us by white society.

When you give up your own schools and churches you are giving up your last hold on your precious freedom. Down there you can meet and mingle, serve and sing if you feel like. Here you would get thrown in jail if you attempted to shout to God in church or anywhere else.

Down there you can have your entertainment in your own way. Nobody disturbs you so long as you don't disturb the peace. You have as good schools there as anywhere in this world and a lot more freedom than you will find on Northern trails.

If you can't be anything worthwhile in a segregated school, you certainly won't amount to anything in an integrated school.

One other thing I have learned I want to pass on to you—nine out of every ten dollars you hand over to the NAACP goes to pay the white agitators of newspapers and magazines. This is no hearsay. I've worked for them and I know. The price is high. They are well paid to peddle their agitation and stir up trouble. And all they care about is the money you hand them. Just try paying them a social call. In fact, the whole North, both black and white, is sick and tired of the mess it's made of this entire integration business.

Stick to your own way of life. Be proud of your own race instead of trying to push and shove into places where you won't be happy. Today I have no regrets I was born black. I have done what I could to help my race improve their way of life. Don't ever blame the white race or any other race for any of your failures. The fault is purely your own. We all have the same opportunity. It's up to each race to rise or fall.

You've never had it so good as you have in dear old Dixie today. God being willing, I'm coming home to Mississippi where black is black, white is white and all a friend to men.

Dream of Separate Development

Greenwood Commonwealth
Greenwood, Miss.
Dear Sir:

In these days of racial turmoil and strife I am wondering if we as negroes are thinking seriously of where our so-called leaders are attempting to lead us.

When we clamor to patronize white establishments we are saying that we are inferior to the white man. We are saying that we do not have the ability to build establishments for ourselves. This I cannot believe to be true.

The NAACP, CORE, SNCC, Martin Luther King and Aaron Henry are using us for their own personal gain. While they have grown rich and famous, the negro masses grovel in frustration and reap the ill will created by these leaders and organizations.

I concur in part with the Muslims. I believe in the integrity of the races and believe that racial amalgamation would destroy both the black and white races that God created. I believe in black people. I am proud to be black. Perhaps the NAACP meant to help us at one time but someone got the idea that they could use the negro as a political football to gain for themselves power and wealth.

GOD BLESS THESE AMERICAN NEGRO PATRIOTS

Julia Brown

Manning Johnson

Zora Neale Hurston

Julia Brown
Former member of the Communist Party and later undercover agent for the FBI, testified before the House Committee on Un-American Activities that the American communists preach racial equality but do not practice it.

Manning Johnson
Former communist, who was lured into the red movement by way of the American Negro Labor Congress, one of the many front organizations set up by the communists to trap the naive, un-

wary, unsuspecting and idealistic negro. Johnson suffered a "mysterious" death for exposing the communist conspiracy.

Zora Neale Hurston
A distinguished novelist and playwright, graduate of Barnard College, deplores the Segregation decision. She believes in "Growth from within, ethical and cultural desegregation . . . It is a contradiction in terms to scream race pride and equality while at the same time spurning negro teachers and self-association."

I have a dream about my people. I dream of separate development for the races. I dream of the day when I can live in a community that is all black and whose municipal government will be operated by black people. I dream of negro lawyers, doctors, engineers and other professional people that are serving an all negro community.

I dream of negro hotels as fine as any in the land, I dream of fine negro exclusive restaurants for those negroes who are exclusive and wealthy enough to patronize them.

We can accomplish this if we work together, pool our resources, and direct our talent and energy in the proper way. We can build business establishments and factories and we can operate them ourselves eventually.

Right now and in the foreseeable future we need the white man and he needs us; but separate development for future geographical separation is a goal both black and white can work towards.

The little city of Mound Bayou proves that we can operate our own municipalities. In Mound Bayou they do not have a jail. This proves that negroes behave better when left to their own environment and without the frustration caused by integrated leadership like they have in the Northern cities.

I do not agree with the Muslims when they say "Hate the white man" but I do agree that black should remain black and white should remain white. We should be proud of our race. Many negroes are descended from royal lineage in Africa and we can point with pride to hundreds of famous and wealthy negroes.

How long will we let Martin Luther King cause innocent negro children to be used and killed needlessly? He and the NAACP must share responsibility for the death of the Birmingham children. Let's face facts. The white man fought the Indians for this country and they are not going to have it snatched away from them. The negro would have no hope to win in violent warfare since he is outnumbered ten to one even if all other factors were equal.

I would like to make an appeal to all negroes to stand on their own two feet and tell these integrationist organizations to get out and stay out. I propose that when these organizations send their professionals to picket and demonstrate in the South, Southern negroes should voluntarily counter-

picket. It would be appropriate and would be a good means of expressing how the Southern negro really feels.

I further propose that when the "Invasion" of the South takes place this Summer, Southern negroes act. I propose that when these white students start mingling and mixing in negro establishments, the proprietors call the police and ask that they be removed. These outside white agitators should be told by Southern negroes that their presence is neither desired nor needed.

Replace Destructive Marches With Constructive Aid

Major Hughes Alonzo Robinson, retired Army officer of Fort Valley, Ga., is a Southern Negro educator who is willing to speak out against the fallacies and excesses of the civil rights movement.

In a recent article, Major Robinson had this to say about one of the leaders of civil rights:

"If the Rev. Dr. Martin Luther King Jr. were really interested in the conditions of the negroes in Birmingham, Ala., for example, he would have spent the \$300,000 that he claimed he spent on the demonstrations there some time back building hotels, motels, restaurants and factories in which his people would have been given the jobs he seeks for them, and at the same time meet the need of public accommodations. As it now stands, no one has anything to show to the public for the \$300,000. The publicity seekers such as Dr. Martin Luther King Jr. operate for personal glory, and wealth at the expense of their victims.

"Those who devote their time and energy in sponsoring activities that create disturbances in various parts of the country have ignored entirely the basic needs of the minority group with which they identify themselves. They have developed a technique for exploitation of the negroes unknown to past generations. They have not added one cent to the economic stability of the negro race.

"There were in the excess of 1,800 demonstrations in 1963, aside from those of 1964, and thousands of arrests of demonstrators for whom bail had to be provided and legal defense made available. Between \$500,000 and \$1 million was needed for the above purpose. With this sum of money, together with the matching funds from the Federal Government, the negroes could have built first-class hotels, motels and factories in several states of the United States employing hundreds of thousands of other negroes, and adding millions to the wealth of the negro race.

"As it now stands, the demonstrators and integration leaders have not added one cent to the negro or made available to him any employment by other negroes. On the contrary, the ill feeling engineered by the civil rights leaders deprived thousands of other negroes of jobs they would otherwise have had."

Beware of Wolves In Sheep's Clothing

By J. W. Jones

Negro Editor of Community Citizen
Box 212, New Albany, Miss.

Communism is a secret conspiracy to take over the world. In Russia in 1928 it was decided by top communists to use the negro Civil Rights movement to bring America under communism. They decided no other issue would bring about as much hate, fighting and bloodshed as forced integration.

It is the communists alone who have created the vicious campaign of hate which is weakening and dividing American people. Without hate a communist is like a soldier without ammunition. Don't fall for this bait. The negro is being used by the communist to do his dirty work.

Don't let communists tell you they are for equality. Africans who went to college in Russia found out that, behind a mask of friendship, the communists have tricked leaders in Africa, Asia and the United States. Communism is a way of life which makes slaves of all—both negroes and whites. Negroes are segregated in Russia.

Learn about communism, and what it really is.

Nearly 20 million negroes in America own more automobiles than all the 150 million negroes in Africa, plus all of the 200 million Russians in Russia! America is the greatest nation on earth and offers more to the negro than any nation in the world. "Beware of Wolves in Sheep's Clothing."

PRO-COMMUNIST NEGROES SACRIFICING THEIR PEOPLE

Martin Luther King

Ralph Bunche

James Farmer

Martin Luther King

Karl Prussian, former counterspy for the F.B.I. had this to say regarding Martin Luther King in a sworn statement:

"I further swear and attest that at each and every one of the aforesaid (Communist) meetings one Martin Luther King was always set forth as the individual to whom Communists should look and rally around in the Communist struggle on the many racial issues."

Ralph Bunche

High official in the UN, has long record of pro-Communist writings and activity, given credit by communist high-command as being one of chief organizers of National Negro Congress, com-

munist instrument to subvert American negroes.

James Farmer

National Director of CORE, a "non-violent" direct action group whose every action incites violence, also former Field Secretary for the Student League For Industrial Democracy. Farmer's "non-violent" attitude is expressed as follows in the publication "Revolt."

"The League For Industrial Democracy is a militant Socialist educational movement which challenges those who would think and act for a new social order. This is a revolutionary slogan. It means that the members think and work for the elimination of Capitalism as we know it in America and substitute for it a new Socialist World Order."

Thank God For Our Blessings

In view of the growing race agitation, it is heartening to read the testimony of a negro who recognizes the great privilege he and his family enjoy as American citizens. It would be well for those of the white race who are so misguided in their thinking, and use the issue of "slavery" to bolster their erroneous position, to ponder testimony of this negro who is daily thankful to God that his ancestors were brought to this country, even as slaves. This letter was written by Zeke Crumpton of Hampton, Virginia, and originally published in the Christian Science Monitor.

"I am glad that my ancestors were negro slaves. The first shipload of slaves reached our shores in the year 1619 some 344 years ago. In the year 1828, Congress passed a law prohibiting the importation of slaves. So those members of my race whose ancestors reached America on the slave ships have been exposed to the civilization of the white man for 135 years.

"My race has made tremendous progress since they came to live in this country. I own my home, which is neatly furnished and is fitted with all modern electrical appliances. My three children graduated from college, have good jobs, and live in homes of their own.

"After years of steady employment and hard work as a section hand, I shall retire next year on a good pension from the railroad. I enjoy good health and have no grievances. My family has always had plenty to eat. For Sunday dinner we can afford such foods as: black-eyed peas, grits, cabbage, corn muffins and fried chicken.

NEGRO EDITOR SPEAKS OUT

A negro newspaper editor, George S. Schuyler, of the Pittsburgh Courier, has this to say about Martin Luther King's Nobel Peace Prize:

"... neither directly nor indirectly has Dr. King made any contribution to the world (or even domestic) peace. Merit of the Lenin Prize would have been more appropriate for him, since it is no mean feat for one so young to acquire 60-communist front citations, according to the U. S. government. Only W. E. B. Dubois and Paul Robeson surpassed that record—if we exclude Eleanor Roosevelt."

"Had my ancestors not been slaves, life for me would be different. I would be living in the jungles of tropical Africa, exposed to the diseases and insects found in that region. I would walk around in my bare feet with a metal ring in my nose, and around my waist I would wear a loin cloth—if I could afford one."

"At night I would try to sleep on a dirt floor of a one-room mud hut. Then on holidays we would feast on elephant stew, roasted grasshoppers, and the milk of a coconut.

"I get on my knees each night and thank God for permitting my ancestors to come to America as slaves. That was the great blessing to our race, and I am thankful for it. Since members of my race have traveled from the status of headhunters and cannibals to that of members of Congress in Washington, in less than 344 years' time, there should be no question about the abundance of opportunity for the negro in America."

"Let Us Really Liberate The Black Man"

By Ray Crabtree

3 East 65th St., New York, N. Y. 10021

This is solely the idea and action of philosophy, a nonpolitical-religious plan.

With your support, my will is to present to the world a program of constructive action. I will establish places of business, build factories, create jobs, build up the black neighborhoods and present schools of proper education, teaching works of the great masters of philosophy and music, ridding the blacks of their ignorance, illusions and exploitation, thus bringing light, peace and joy to the world. This program will cause the blacks to see, feel and strive towards something of their own; it will give them pride, self-respect and dignity, without integration, agitation, hate preaching, or the use of guns. Let's do something worth while right here in the USA and stop supporting all the crackpots that are about.

Ray Crabtree, to the best of his limited financial ability, has made great strides in helping the negroes of New York, arranges concerts and musicals, and strives to better the lot of his brothers through constructive action. He deserves the support of both blacks and whites.

Prejudice Is Not Illegal

Excerpts from annual address by Dr. Joseph H. Jackson of Chicago as President of the National Baptist convention, the world's largest negro church organization, Sept. 1959.

No Right to Force

"No American negro has the right, under the laws of our land, to seek to force himself upon a congregation of white Christians who do not invite or welcome his membership among them.

"The struggle for first class citizenship is not a struggle for so-called race-mixing. The mixing, or better still, the fellowship among peoples of different groups and races must always remain a matter of personal choice and group preference.

Prejudice Not Illegal

"In a democracy like ours the law never dictates who shall be your companion, your friend, your associate and your house guest.

"The truth is, under our form of government it is no legal offense to practice racial prejudice. There is no law on the statute book of the United States of America that can prohibit one man from thinking he is better than another and from feeling he has the right to discriminate against other races so long as said practice is restricted to the field of private associations, clubs, and fraternities . . . it is not legally wrong until a person attempts to have his prejudices condoned by law and supported by the government.

Notes Racial Bars

"The struggle for first class citizenship does not involve the right to worship in a church that has a tradition of racial segregation or discrimination. Under the laws of our land churches may, if they will or wish, draw the line as to who shall be members and who shall not be.

"He who seeks membership for racial reasons is just as un-Christian as those who deny him membership for racial reasons.

"It is both un-Christian and unfair to seek to force ourselves upon others and to enjoy the fruits of their sacrifices and labor without a willingness to pay the price."

Enhance The Negro Image

Negro millionaire S. B. Fuller has held a press conference in Chicago and announced that his race should "halt demonstrations, go to school with their own, stop suing, and start selling."

Fuller stated that he did not agree with any part of the present civil rights bill.

This millionaire industrialist said, "I would resent anybody forcing me to hire someone I didn't want."

Concerning sit-ins, protest marches and other demonstrations, he said, "all the street demonstrations in the world, backed up by all manner of civil rights legislation, will not improve the racial situation."

Fuller pointed out that "you cannot legislate men's thoughts. Yet any negro who does not think his salvation lies in the civil rights movement is looked down upon by the entire race."

"Negroes must gain economic equality through their own initiative before they can achieve racial equality." He then continued, "the negro's economic plight was not primarily discrimination so much as it is the negro's lack of desire to improve his lot."

Fuller suggested that civil rights leaders might better spend their time encouraging negroes to get off public assistance rolls and into jobs.

"If we don't stop the relief trend," he said, "over 50 per cent of the negro population will be living on Government reservations within the next 20 years."

Fuller then spoke to the press gathering about the education problem. "It makes little difference whether negroes obtain education in all negro or integrated schools. If a white person gets a good education going

Make A Place In The Sun For Ourselves

A. B. Baker, a negro "nationalist" wrote this comment in the June 13, 1964 issue of the Chicago Colored Crusader:

"We think we can say without any fear of contradiction that we the nationalists don't want integration, we want repatriation to the land of our heritage, Africa. Then, we say to the Caucasian, leave our continent alone and let us build a government of peace and love between ourselves at home and abroad where we can learn from our history the things that will enable us to do what we think is right for our country . . ."

"Blackman, stop and think, we are the ones to make a place in the sun for ourselves and our children; in our opinion, not in the west, but in Africa where we will be first class citizens in the land in which we live. Let us not make the same mistakes in the future and present as we have in the past, believing that we will get equality with the Caucasian in the United States. This will not happen. When we merge with our kin in a government on the dark continent of Africa, we will be equal.

"We are opposed to integration. It is a bad thing and we condemn it. Why should we destroy our identity? We love our black skins and we are proud of our heritage. President Tubman of Liberia, West Africa, said that Liberia would be open to all people of African descent."

Our \$3.00 a year subscription rate is the best investment in your country that money can buy.

Our daily mail brings messages of appreciation and encouragement, which we value highly. Many ask what they can do to help. Well, we suggest:

(1) Renew promptly on receipt of renewal notice. Postal regulations require removal from mailing list of those not renewing promptly.

Better still:

(2) Send in your renewal remittance when due. This saves our mailing out notice and, with our lack of staff, is a real help.

NATIONAL COUNCIL OF CHURCHES ZIONIST FRONT DOMINATED BY COMMUNISTS ACTIVE IN DESTRUCTION OF CHRISTIANITY

The following is the COMPLETE text of the censored version of a broadcast made over station WSGA by Rosalind Frame, Executive Director of Doorstep Savannah, Savannah, Georgia, an organization created to educate the public through Americanism programs.

Have Communists Infiltrated The National Council Of Churches?

The subject of the National Council of Churches of Christ in America is such an extensive one that it could take several programs. Today, I shall present a few of the high spots and I shall let you listeners be the judge as to whether there is Communist infiltration in the National Council of Churches.

The United States Air Force brought out a training manual from which I quote:

"Does any sizeable group of Americans ever fall for the Communist line, you may ask. Unfortunately, the answer is 'Yes.' On 3 June 1959 an editorial appeared in a large daily newspaper which first of all provided the following background . . .

"Terror, torture, the murder of 30,000,000 people. Those are the sickening facts of the methods used by the Communist rulers of China to make their people a faceless, mindless, soulless, mass harnessed to the state's use.

"The details of the Chinese Reds' suppression of humanity have been revealed by the House Un-American Activities Committee; which has heard testimony by religious leaders of Asia. The Red campaign has been using every weapon at hand to wipe out Christianity among the Chinese, the missionary witnesses reported.

"The editorial then went on to recount the fact that the governing body of a prominent Protestant church group had just called for 'mutual understanding' with Red China . . ." and had urged that the Peking regime be recognized by the United States and admitted to the United Nations. The editorial concluded:

"It makes us wonder what kind of dream-world wishful thinking dominates the General Assembly of the . . . Church.

"There is something topsy-turvy about the guiding body of a Christian church asking that the U. S. and the world clasp the bloody hand of a regime which seeks to exterminate Christianity.

"The implications of this editorial are clear—Communists and Communist fellow-travelers and sympathizers have successfully infiltrated into our churches. The foregoing is not an isolated example by any means; it is known that even the pastors of certain of our churches are card-carrying Communists! The extent of Communistic activities in religious groups is further detailed below.

"Communism in Religion. From a variety of authoritative sources, there appears to be overwhelming evidence of Communist infiltration

religious activity in the United States through the infiltration of fellow-travelers into churches and educational institutions.

"The National Council of Churches in the USA officially sponsored the Revised Standard Version of the Bible. Of the 95 persons who served in this project, 30 have been affiliated with pro-Communist fronts, projects and publications.

"In its own brochure, the National Council of Churches listed the names of the Revision Committee and the Advisory Board. Among these were Walter Russell Bowie of Grace Church, New York; Henry J. Cadbury of Harvard University; George Dahl of Yale University; Frederick C. Grant of Seabury-Western Theological Seminary; and Leroy Waterman of the University of Michigan. All of these men were affiliated, for example, with the National Federation for Constitutional Liberties (NFCL).

"The House Committee on Un-American Activities said of the NFCL: 'There can be no reasonable doubt about the fact that the National Federation for Constitutional Liberties . . . is one of the viciously subversive organizations of the Communist Party.' Former Attorney General Francis Biddle described the NFCL thus: 'Part of what Lenin called the 'solar system of organizations,' ostensibly having no connection with the Communist Party, by which Communists attempt to create sympathizers and supporters of their program.'

I leave the text of the Air Force Manual here to state that these above-mentioned men—Bowie, Cadbury, Dahl, Grant, Waterman and another man, Fleming James, also a member of the Bible Revision Committee, —have together been cited for affiliation with Communist fronts, a total of 198 times. (2) I again quote from the Air Force Training Manual:

"Dr. Harry F. Ward, long a recognized leader in the National Council of Churches, was a Professor of Christian Ethics at Union

Theological Seminary in New York City for some 25 years, during which time he influenced thousands of theological students. Dr. Ward was identified by Louis Francis Budenz (an ex-Communist) before the Senate Internal Security Sub-committee as a member of the Communist Party. Ex-Communist Leonard Patterson testified that Dr. Ward, himself, Earl Browder and others were assigned to a top policy-making body of the Communist Party. Ex-Communist Manning Johnson referred to Dr. Ward as the 'Red Dean of the Communist Party in the religious field.' To show the thinking of Dr. Ward, in a radio broadcast on May 21, 1954, he stated: 'The Soviet Union is progressing and growing up economically and politically since the time of the Czar, while capitalist society is starving and going down.' Neither Dr. Ward nor his works have been repudiated by the Union Theological Seminary, an interdenominational seminary highly rated in National Council circles."

I again leave the text of this report to add that when Karl Prussian, former counterspy for the FBI, was in Savannah last year, he reported that the Communist Party in Michigan tried to recruit him to the Protestant Ministry while he was a student at Wayne University. He said he was told that Dr. Ward at Union Theological Seminary would make all arrangements for him to enroll as a student at the seminary (3.); I again resume quoting the Air Force Manual:

"Communism and Religion in Red China and North Korea. Rev. Shih-ping Wang, East Asia Director of the Baptist Evangelization Society International, appearing before the House Un-American Activities Committee on March 1959, described at some length the commune system recently instituted in Red China.

"The family unit is broken up. Husbands and wives are separated into different barracks. The children are taken away from the parents and placed in government-run nurseries. Husbands and wives may meet only once a week for two hours—they have no other contact. Because these places of meetings are few, couples must stand in line at the special rooms waiting their turn. After they have finished, they must report to the commune group leader to tell the date and time and how long they stayed together. They must also report what they said and did together. The parents may see their children once a week and when they see them they cannot show affection towards the children. The idea is to have the children and the family sever their affection and direct it towards the state. Names are taken away from the children and they are given numbers. There is no individual identity. The basic unit of social life in the commune is the commune itself.

National Council of Churches

—o— Continued from page 1 —o—

"Reverend Wang was questioned further by the interrogator for the House Un-American Activities Committee: 'Do families try to meet at other times between the approved once-a-week meetings?' In reply, Reverend Wang stated: 'They cannot meet because they are not consigned to the same place and do not have freedom to travel. They come to work in a group, eat in a group, work in a group and return in a group. There is no opportunity for individuals to get away and see their families. Husbands and wives are placed on different communes. Travel between communes is only possible if the traveler has a pass. There is no contact between the once-a-week meetings.'

"The commune system," the Reverend Wang continued, "is destroying morality in Red China: 'There is no morality because the love of the family is taken away. There is no honesty and respect among men or between men. There is no human dignity; they are all like animals. There is no guilt associated with the murder of individuals for the improvement of the state. In Communist Party circles, a woman must submit herself to any Party member who desires her favor. If the woman refuses a Party member, she may be thrown into jail or stripped and nailed to a wall until she dies. Another punishment is to cut the breasts off the woman who refuses.'

This Air Force Manual report consists of 20 pages of facts—many are terrifying; all are documented truth. It ends with this paragraph of advice to the man in the Air Force:

"From all of the foregoing, you can judge for yourself how much you must be alert, and how carefully you must evaluate any conversation, speech, article, sermon, or book which you may have occasion to hear or read if the subject touches adversely upon any aspect of the American way of life—our religion, our morals, our social lives, or our political and economic institutions. We believe in the dignity of man—in the right of every individual to choose his manner of living, worship, his occupation, in short, everything that he does, so long as the rights of other individuals are respected. In contrast, the Communists believe the state to be supreme—in individual lives, in family life, in morals, in religion, in government and in the economies of making a living."

On February 11, 1960, James Wine, Associate General Secretary of the National Council of Churches, addressed a letter to Secretary of Defense, Thomas Gates, enclosing a copy of this Air Force Training Manual, complaining that the manual was in "patent contravention" of the first amendment of the Constitution of the United States. Dudley Sharp, Secretary of the Air Force, testified he had "immediately started an investigation but found that the manual had been withdrawn on the morning of the same day that James Wine wrote his letter." What unseen power could have sufficient force to command immediate withdrawal of this manual?

It is interesting to note here that Secretary of Defense, Thomas Gates, is a member of the Council on Foreign Relations, part of the Invisible Government in America, an organization dedicated to a one-world socialist system, making America a part of it. (4).

It is the reference to the Revised Standard Version of the Bible that stirred the wrath of the leaders of the National Council of Churches; yet, strange as it may seem, the National Council of Churches has made no challenge of the factual material offered in the manual concerning the Communist-front identity of 30 of the 95 translators (5).

The National Council of Churches in the USA was created in 1950, with headquarters in New York, with a budget of 13 million dollars. The National Council of Churches took churches into its membership without consulting various parishes or priests. They cover 35 denominations, which do not include Catholic and Jewish.

National Council Fronts For Zionism

Bishop Bromley Oxnam

Reinhold Niebuhr

Bishop James A. Pike

Bishop G. Bromley Oxnam, taught Communism openly in his school, once called God "a dirty bully," belonged to at least 36 Communist fronts. As Zionist tool, worked hard to have removed all Biblical passages unfavorable to Jews.

Dr. Reinhold Niebuhr, who never pretended to be a theologian, vice-president of notorious Union Theological Seminary,

shared the platform on many occasions with the infamous Harry Ward at Communist rallies.

Bishop James A. Pike, friend of the Jews, received the Medal of Valor by the State of Israel for his activities on behalf of the Jewish state, denied the Virgin Birth of Christ. His wife is the daughter of a Russian-born Jew.

The Revised Standard Version of the Bible, copyrighted by the National Council of Churches of Christ in the USA, was presented to the public with much fanfare on September 30, 1952. Three thousand, four hundred rallies were held under the auspices of the National Council and its local Councils of Churches. These celebrations occurred before the public had an opportunity to examine the Bible. This Revised Standard Version, or modernized Bible, has fundamental changes that many leading theologians claim "reinterpret" the role of religion, demoralizing the church by injecting some things that do not belong there, and bringing about confusion and contradiction. This modernization eliminates from the actual text:

1. The Virgin Birth, inferring that our Blessed Mother was just another woman—that her Divine Son was not conceived by the Holy Ghost, in effect that Jesus Christ was not the second person of the Holy Trinity; that He was merely a prophet.

2. Consistent reference throughout the key passages in the Old and New Testament reveal that the NCC translators removed or toned down reference to Christ's deity. The effect of these 1800 revisions includes the denial of the fundamental teachings of Christianity.

The Air Force Manual uproar also brought to life a very interesting pamphlet published by the Department of Racial and Cultural Relations of the National Council of Churches of Christ in 1957. Congressman Donald Jackson, of California, deserves a formal vote of thanks. On April 20 he took the floor in the House of Representatives and read into the Congressional Record a long expose of the NCC pamphlet, the name of which I will not mention in this program, in keeping with the policy of this radio station. ("Negro American"). Congressman Jackson's devastating expose of the type of books recommended in the National Council's reading list of some 260 titles stressed that these titles were selected after elimination of many more because they "are safe to recommend for children." The following well-known Communists, veteran Communist-fronters, or fellow-travelers, were authors recommended by the NCC:

"Victor Perlo, W. E. B. DuBois, Geno Wolfish, Benjamin Bolkin, E. Franklin Frazier, Ruth Benedict, Eleanor Lattimore, Bucklin Moon, Herbert Aptheker, Shirley Graham, Langston Hughes, Alan Lomax, Gunnar Myrdal, Margaret Halsey and Benjamin Mays.

"Perlo has been identified in sworn testimony, not only as a Communist, but a member of a Soviet spy ring . . . Aptheker is one of the chief theoreticians of the Commu-

nist Party and editor of one of their leading magazines, 'Political Affairs' . . . DuBois has one of the longest front records ever achieved by an American . . . His wife (Shirley Graham) has also been identified as a Communist Party member."

Congressman Jackson concluded that several of the National Council of Churches recommended books contained passages so lewd and shocking that he could not conceive "that any man who wears the cloth of any church in this country can read these lines without repugnance." (6) Incidentally, the particular books we have just mentioned are so obscene that some of them are forbidden to be sent through the mails. Strange business for so-called churchmen to engage in.

Another author the National Council of Churches recommends for reading is the identified Communist, Langston Hughes. (7). They recommend six of his books for reading. I shall quote from his so-called poem, "Goodbye Christ" in order to give you an idea what this author writes:

"Listen, Christ, you did all right in your day, I reckon, but that day's gone now. They ghosted you up a swell story, too; called it the Bible, but it's dead now. The Popes and the preachers've made too much money from it. They've sold you to too many kings, generals, robbers and killers; even to the Czar and the Cossacks; even to Rockefeller's church, even to the Saturday Evening Post. You ain't no good no more. They've pawned you till you're done wore out. Goodbye, Christ Jesus Lord God Jehovah, beat it on away from here now. Make way for a new guy with no religion at all—a real guy named Marx Communist Lenin Peasant Stalin worker, me—I said, me; go ahead on, now. You're getting in the way of things, Lord, and please take St. Gandhi with you when you go, and St. Pope Pius, and St. Aimée McPherson, and big black St. Becton of the consecrated dime. And step on the gas, Christ, Move. Don't be so slow about moving. The world is mine from now on and nobody's gonna sell me to a king, or a general, or a millionaire. Goodbye Christ, good morning, revolution."

Time forbids my going into detail on many subjects, such as the NCC's sponsoring the breakdown of neighborhoods, (a fact every real estate man should find interesting), the NCC's request to the Clergy that they not show the J. Edgar Hoover sponsored film, "Operation Abolition," presented as documentation by our House Committee on Un-American Activities; (8) the establishing of bail bond for demonstrators, some of whom don't believe in God. (9) There are literally dozens of shocking practices to which the NCC are instigators (or are party to), which benefit our enemy, the Communists. Gus Hall, ex-convict head of the Communist Party, USA, outlined the building block voting in America,

saying:

"The Communist Party can depend on the NCC and their affiliated churches to carry out Objective No. 4. Dr. Eugene Carson Blake and Martin Luther King have this well in hand." (10).

Do the people in the pews endorse this activity in their church?

Eight months ago, a study of the National Council of Churches was made by the Staff of the Alabama Legislative Commission. This report begins with the following paragraph:

"The National Council of Churches of Christ in the USA has set itself up as promoter, director and screening committee for racial demonstrations in the South during this summer."

"The NCC, on June 7, 1963, set up a Commission on Religion and Race 'to engage the churches more directly in the present racial revolution.'"

On page 2 we find that Savannah is one of 12 cities named for "delegations of church leaders to visit on fact-finding trips and negotiations for justice." It says that:

"Over 90 people have been released on bail from arduous and severe prison situations, the youngest in his early teens, and the oldest over seventy."

"The Commission, with the assistance of the Lawyers Committee for Civil Rights under Law, were able to secure the services of a national lending company for the first time, to put up money for (bail) Civil Rights cases in Mississippi."

"Currently, in cooperation with local and state councils and churches, teams of Civil Rights and Religious Leaders are touring six mid-western states . . ."

Nearly five of this seven page report quotes the actual words of the National Council of Churches. The Alabama Legislative Commission has this to say:

"The NCC and its racial committee will be promoting, directing and helping to finance racial demonstrations this summer . . . approves; fosters and urges the breaking of laws which it considers to be unjust; that students are being hired off college campuses to lead the invasion of Dixie."

Should anyone doubt the last statement, I can give them a copy of an uncanceled check made out for \$339.85 by the National Council of Churches for the purpose of: "grant for student participating in student-interracial ministry program." (11).

This Alabama report quotes Richard Arens, Staff Director of our Government Investigating Committee, the House Committee on Un-American Activities:

"Thus far, of the leadership of the National Council of Churches of Christ in America, we have found over 100 persons in leadership capacity with either Communist front records or records of service to Communist causes. The aggregate affiliation of the leadership, instead of being in the hundreds, as the chairman first indicated, is now, according to our latest count, into the thousands, and we have yet to complete our check, which would certainly suggest on the basis of the authoritative sources of this committee, that the statement that there is infiltration of fellow-travelers in churches and educational institutions, is a complete understatement." (12).

"On October 15, 1953, the NCC held a testimonial meeting at Carnegie Hall to honor Dr. Harry F. Ward on his 90th birthday. Dr. Ward, founder of the Methodist Federation for Social Action (officially identified as a Communist front) was long active with the NCC and its predecessor, the Federal Council of Churches. He has been officially identified as a member of the Communist Party; was a close friend and confidant of Eugene Debs, Founder of the U. S. Socialist Party, and William Z. Foster, head of the Communist Party of America. He was head of Union Theological Seminary for many years and is credited with influencing many ministers towards his 'Social Gospel' and the Communist Party."

The report further states:

"In 1961 the United Youth Movement of the NCC published a pamphlet by William Cole Graham, called 'The Meaning of Sex

RED TRIUMVIRATE

Reverend Wm. Howard Melish (center), Episcopal minister, expelled from his Brooklyn Holy Trinity Church because of his open association with communist causes, shown with two of the world's top reds, Very Rev. Hewlett Johnson (left) and Paul Robeson (right). Johnson, the infamous Red Dean of Canterbury, has defended the entire Communist program. Paul Robeson, Stalin Peace Prize winner in 1952, Honorary Professor of Moscow State Conservatory of Music in 1953, was denied a passport in 1956 on the grounds that he was a Communist. Here is a typical statement of Rev. Melish:

"Russian methods are strange but we know she is a going concern . . . her system works. It's Christianity that must seek a deliberate reconciliation with Russian Communism."

in Christian Life.' In slang expressions, this pamphlet virtually advocates the flouting of sex standards by unmarried teen-agers, and endorses their revolt against such standards. To quote from one paragraph of the pamphlet:

"Our culture declares that all sexual activity within marriages is legal, proper and good, while any such activity outside marriage is illegal, sinful and wrong. This is to ignore the personal dimensions of life, to seek to force everyone under massive legal umbrella. You know and I know perfectly well that there are many marriages that are simply matters of convenience, that such sex as goes on within them is selfish, exploitative, and evil."

"We know further, that there is sexual contact between unmarried couples that is motivated by love and which is pure and on occasions beautiful."

Such filth and corruption! However, this is not found in a smutty, pornographic book—it is found in a publication of the National Council of Churches, a so-called religious organization, which is advocating the breaking of the Ten Commandments. The Alabama Legislative Commission summarizes the NCC report with the following:

"Contrary to popular belief, The National Council of Churches does not operate as a 'Super Church' and is more of a political pressure group than a religious federation. It maintains a strong lobby in Washington. It is deep in political meddling and social irresponsibility, as shown by its clear history, and enjoys the status of a tax-exempt institution. It was active in support of abolishing public prayer in schools."

"Further proof of its deep and direct involvement in the often violent and always lawless social demonstrations has just been furnished this Commission by Police Chief Virgil Stuart, of St. Augustine, Florida. Police there obtained documented evidence that the financial backing for the demonstrations was sent to St. Augustine in large money orders by the NCC from its National Headquarters. Cashier checks in the amount of nearly six thousand dollars were sent back unused to the NCC from St. Augustine."

"The conclusions are clear. The citizens who support their churches from a feeling of reverence and responsibility, are also being unwittingly used by the NCC in its attack on

racial integrity and individual freedoms in the South."

I should like to let these be the final words of today's program; however, I feel it is necessary to bring to you a quotation from two men. The first is Joseph Zack Kounfeder, former member of the International Secretariat of the Communist Party and graduate of the Lenin School of Political Warfare in Moscow. He says in his speech, "Communist Deception in the Churches."

"In order to fight an enemy effectively, one has to study his ideology. Hence I learned more about religion . . . than I ever had before, but of course it was for the purpose of destroying it . . . In 1929 it was decided that for 'special purposes,' they would instruct certain party members to rejoin the church and ask those in the church to remain there for special purposes. This was based on the old Bolshevik theory that where the masses are, the Communist must be, and that it is stupid to miss an opportunity of infiltrating and indoctrinating the churches. The new objective thus became to get at the millions who are in the churches. Hence, it became necessary for the Communist to go back to church, to recruit in the church, and to carry on the process of 'reinterpretation' and 'demoralization.'"

Another man, Manning Johnson, had something to offer along these same lines in his testimony during the investigation of Communist Activities in the New York area. He had this to say:

"Once the tactic of infiltrating religious organizations was set by the Kremlin, the actual mechanics of implementing the new line was a question of following the general experiences of the living church movement in Russia where the Communist discovered that the destruction of religion could proceed much faster through infiltration of the church itself . . . In the earliest stages it was determined that with only small forces available it would be necessary to concentrate Communist agents in the seminaries and divinity schools. The practical conclusion, drawn by the Red leaders, was that these institutions would make it possible for a small Communist minority to influence the ideology of future clergymen in the paths most conducive to Communist purposes . . . The Communists had some small forces in the seminaries and under the leadership of Harry F. Ward . . . The plan was to make the seminaries the neck of a funnel through which thousands of potential clergymen would issue forth, carrying with them (in varying degrees) an ideology and slant which would aid in neutralizing the anti-Communist character of the church and also to use the clergy to spearhead important Communist projects. This policy was successful beyond even Communist expectations. The combination of Communist clergymen, with a pro-Communist ideology, plus thousands of clergymen who were sold the principle of considering Communist causes as progressive, within 20 years, furnished the Soviet apparatus with a machine which was used as a religious cover for the overall Communist operation ranging from immediate demands to actually furnishing aid in espionage and outright treason . . . It is my conviction, as a former leader of the Communist Party, that those who lead our Nation must expose this plot and the Communist pattern of operation within our churches."

We have just heard a former top official of the Communist Party claim the Communists have had more success in the past 20 years, through infiltration of the churches, than they ever dreamed could come to pass. Can you, the listener, name any single religious group which furthered the Communist conspiracy more than the National Council of Churches?

Reflections On The National Council Of Churches

There is one outstanding influence which penetrates all organized efforts to destroy Christianity. It is the real source of all this diabolical confusion — The Zionist Invisible Government.

Our last issue carried an article dealing with the Jewish penetration of the Ecumenical Council. The same subverting force operates in all Protestant affairs, especially The National Council of Churches.

For years it has been known that the largest contributor to Federal Council of Churches has been the B'nai B'rith. What about the National Council of Churches today? Is the same influence evident? Read the following from the Brooklyn Tablet, Jan. 21, 1956, commenting on the American Jewish Committee publication, the "Report-er."

"The drive to abolish the observance of Christmas in public schools across the nation, after having achieved only scattered success in the past, will be more closely organized in the future to attain greater effectiveness.

"This was revealed in 'Committee Reporter,' publication of the American Jewish Committee, with headquarters at 384 4th Ave., N. Y. C. in an article titled 'Christmas in July.'

"The AJC blames the lack of greater success in the anti-Christmas movement partly on the delay in raising the issue until Christmas is approaching and recommends that discussions of it be started in July."

Now let's look at another document published by the same American Jewish Committee, a document published only for its fellow Jews. This is the 280 page AMER-

CAN JEWISH COMMITTEE BUDGET for 1953. This report reveals that the same American Jewish Committee (affiliate of the ADL), which is working so diligently behind the scenes to guide its people in wiping out Christianity in the schools, at the same time has infiltrated the biggest organization of Christian ministers in our country, the National Council of Churches (formerly Federal Council of Churches), and the content of the report shows not only the intent, but actual details of how it is warping and "rewriting," using and destroying Christianity from within.

Following are just a few quotations taken from the American Jewish Committee Budget 1953:

TV, RESOURCES OUTSIDE THE AGENCY

"Our primary resource group within Protestantism is the National Council of Churches of Christ's two major divisions—Christian Life and Work; and the Division of Christian Education. In the former, the following four departments cooperate closely with us: Racial and Cultural Relations; International Justice and Goodwill; Research; and, most frequently, Central Administration. Within the Division of Christian Education, our major contacts are with the Dept. of Intergroup Education, established cooperatively by the American Jewish Committee, the ADL and the National Council of Churches; and the Departments of Leadership Education, Curriculum, Audio-Visual Aids, and Publications.

"Our primary Catholic contact is with the National Catholic Welfare Conference, particularly the department of Education and Press. We also work with the National Catholic Biblical Association, Catholic University of America, other Catholic universities, and individual chanceries.

"Other sources include the World Council of Churches, in connection with such issues as Israel, DP legislation, immigration; State and City Church Councils and Ministerial Associations, in dealing with local problems; the Religious Education Association; the Catholic and Protestant press; the Protestant Film and Radio Commission; National Conference of Christians and Jews . . ."

And from page 100 of the 1953 AJC Budget we find:

"1.—The establishment of a Dept. of Intergroup Education within the National Council of Churches, beginning July 1, 1951, represents a firm commitment on the part of Protestant educators to intergroup education in religious training."

"Why should the B'nai B'rith contribute to the NCC, Protestant Branch of a religion they hate and are sworn to destroy? Religion is just one phase of their subverting influence in this world-wide conspiracy. They back religious groups for the same reason they back every Civil Rights Movement and Labor group. We must be mindful that Zionism and Communism are interchangeable terms, twin prongs of world-wide Marxism.

We close with the following quotes, which speak for themselves.

Bernard Lazare (a Jew) in his book "L'Antisemitisme," asserts (translation), p. 350:—

"The Jew is not satisfied with de-Christianizing, he Judaizes, he destroys Catholic or Protestant faith, he provokes indifference but he imposes his idea of the world, of morals and of life upon those whose faith he ruins: he works at his age-old task, the annihilation of the religion of Christ."

"Nationalities must disappear, religion must be suppressed. But Israel must not disappear for this little people is the Chosen of God."

—Adolphe Cremieux, president of L'Alliance Israelite Universelle, in "Les Archives Israelites," Paris, Nov. 25, 1861.

"Therefore know, my dear Christian, that next to the devil you have no more bitter, more poisonous, more vehement

an enemy than a real Jew who earnestly desires to be a Jew.

"It all agrees with the judgment of Christ that they are poisonous, bitter, vindictive and malicious serpents, assassins and children of the devils who kill and inflict injuries by stealth because they cannot do so openly."

—Martin Luther in his book, "The Jews and their Lies."

WRITE YOUR SENATORS AND CONGRESSMEN TO INVESTIGATE THIS FRONT FOR COMMUNISM.

Joseph Dunner, Zionist Jew, in "The Republic of Israel" page 10, October 1950 stated the following:

"To Christians of all denominations Jesus is the symbol of all that is pure, sacred, and lovely. To Jews from the fourth century, Jesus became the symbol of anti-Semitism, of libel, of cruelty, of violent death."

"The Jewish religion is hostile to Christianity in general and to the Catholic Church in particular."

—M. J. Olgin in "The Morning Freiheit," N. Y. daily, Jan. 10, 1937. (Jewish newspaper)

COLLECTIVISM CHALLENGES

CHRISTIANITY By Verne Paul Kaub

The late Verne Kaub, former President of the American Council of Christian Laymen, arch foe of Natl. Council of Churches, unmasks liberal Christianity under which Marxism has made its greatest strides. This book puts Christian thought in its proper focus in making the following points: the deadly enmity between Christianity and Marxism; compromise by Marxism is for expediency only. The theme throughout proves incompatibility of Christianity with all forms of collectivism. Price \$1.00

SEATO TREATY EXPOSED

**Vietnam — Smokescreen for UN War designed to further world government
U. S. committed to "No Win" police action. Peace, not victory, stated goal.**

(This letter is addressed to the Governors and members of the various State Legislatures, based upon the assumption that it is too late to alter the course being taken by our Congress, but that ALL SOVEREIGNTY IS VESTED IN THE SEVERAL STATES and we have but to awaken them to their responsibility to preserve our form of government.)

OPEN LETTER TO
GOVERNORS AND LEGISLATORS
OF THE SOVEREIGN STATES:
GENTLEMEN:

The Federal Agency in Washington has now admittedly engaged the Nation in all-out war. And, they have finally told us why — or did they? The President has stated that we are at war in Viet Nam in compliance with our "solemn commitments" under the (U.N.) SEATO treaty; that South Viet Nam had asked us to save her from the "communists", and we are going to save her.

"Just WHO asked for our help?" The Diems? And "we arranged the assassination of the anti-"communist" Diems who were WINNING the war, and have been losing ever since. Is this the NEW American Way?

Surely no responsible citizen believes the Federal Agency has acted in good faith with the Viet Nameuse, or with Americans in the Viet Nam situation. In the first place, they have not asked Congress to declare war as required by law. They have used the Diems as excuse for committing our men to an illegal war, for very dubious objectives. If the objectives were honest and tolerable, they would have presented their case to the Congress and the People frankly. And this they have not done. The President's off-side remark that we are in Viet Nam in fulfillment of our "solemn commitments" under the SEATO treaty is the ONLY CLUE we had as to what we are trying to do in Viet Nam. He LET THE TRUTH SLIP OUT during a press conference, and there has been dead silence about the SEATO arrangement ever since. Nobody in Washington wants us to know about SEATO and the U.N. connection with the Viet Nam war. They have repeatedly denied this is a United Nations war. And this is the most reprehensible lie they have ever told.

A SEATO WAR IS A UNITED NATIONS WAR. SEATO is a United Nations Regional Agency, and under Article 53 of the United Nations Charter:

"The Security Council shall, where appropriate, UTILIZE such regional arrangements (the U.N. war is a regional arrangement, - ed.) ... But NO enforcement action shall be taken WITHOUT THE AUTHORIZATION OF THE SECURITY COUNCIL.

Next we offer Article 54 of the U.N.

"There is no substitute for victory."

General Douglas MacArthur

"I could have won the war in Korea in a maximum of ten days, with considerably fewer casualties . . ."

The UN prevented victory in Korea; it will do so again in Vietnam.

Charter:

"The Security Council shall at all times be kept fully informed of activities undertaken or in contemplation under regional arrangements or by regional agencies . . ."

And Article 4 of the SEATO treaty completes the picture of authority for the war and conduct of it:

"Measures taken under this paragraph (enforcement - ed.) shall be IMMEDIATELY REPORTED to the Security Council of the United Nations."

The HEAD of the Security Council of the United Nations is Mr. Vladimar Suslov, a Russian. Once the SEATO treaty was invoked, and the President has said it was, the whole war operation came under the top direction of Mr. Suslov. This is why the Washington Government cannot, and dare not, admit the SEATO treaty is in effect.

If you will re-read Article 53 you will see that we, as signatory members of SEATO could not go into Viet Nam EXCEPT UNDER THE AUTHORIZATION of the Security Council. Can you picture Mr. Johnson or Mr. McNamara going on T.V. and telling the American people this fantastic truth — that their sons are being sent to the sink holes of Asia to "fight 'Communists'" while every action taken OR CONTEMPLATED is reported to the Russian Suslov, sitting in United Nations Headquarters in New York?

But let us see how it was done in Korea, then we will know what to expect in Viet Nam. Keeping in mind always that the Russian Suslov now has complete AUTHORITY to SURRENDER our troops, we can decide whether such a surrender in Korea was not actually contemplated and was averted only because of MacArthur's incomparable Inchon Landing.

Unquestionably the Korean War was a Council on Foreign Relations project. Their member agent, Dean Acheson, law partner of Donald Hiss, set the whole thing up by publicly declaring "we" would not defend South Korea. Then, when the North Koreans attacked, the United Nations declared "peace" against North Korea, called up our troops, as they are authorized to do under the Charter, and the same disreputable crew in the State Department then that we have now, and when the war was authorized by U.N. and its Security Council, the State Department hands had the proclamation prepared and in due time President Truman issued it. Congress was not consulted then either. We were in the United Nations and had agreed in Article 24, viz:

"In order to insure prompt and effective action by the United Nations its members CONFER UPON THE SECURITY COUNCIL primary responsibility . . . and agree that in carrying out this responsibility the SECURITY COUNCIL ACTS ON THEIR BEHALF."

Under the United Nations Charter to which we are totally committed, we have TRANSFERRED RESPONSIBILITY for taking this Nation to war FROM CONGRESS TO THE SECURITY COUNCIL of the U.N. The "Constitution Be Damned."

Having transferred full control of our Armed Forces to the United Nations, let us examine the manner in which these troops were employed in the Korean War. The war was planned well in advance; even the provocation was planned and invited.

And as soon as the war was started, the Russian Lt. Gen. Vasiliev, who was at the time CHAIRMAN of the United Nations MILITARY STAFF COMMITTEE, took a leave of absence, and went to Korea to

SEATO TREATY

LEAD THE RED CHINESE TROOPS AGAINST THE UNITED NATIONS ARMY, principally OURS.

Gentlemen, this is a **PROVABLE** fact. This is the sort of hell-inspired outfit **OUR NATION** has been delivered up to **YOUR** United States Senate. This is the treacherous enemy of civilization now in full control of the war in Viet Nam.

In Korea, as in Viet Nam, all activities of **ACTIONS CONTEMPLATED** were reported to the Security Council whose head was **ANOTHER RUSSIAN**—Constantin Zinchenko. It was he who received reports from Gen. MacArthur, apparently through the **STATE DEPARTMENT**, passed upon the reports, and the "actions contemplated", then informed the "communist" commanders in the field.

In previous letters we quoted extensively from the sworn testimony of our highest military commanders, **WHO WERE THERE**, and from the declassified Defense Department document dated May 15, 1954 captioned "The Truth About Soviet Involvement In The Korean War." This document admits that **VASILIEV**, the on-leave chairman of the U.N. Military Staff Committee, commanded the enemy troops.

Secrecy and duplicity are keystones of the United Nations. **THIS MUST BE**. They could not exist otherwise. So during the Korean War they feared the highly intelligent Commanders in the Field would become aware of the Top Command back in U.N. headquarters, and in order to conceal the position and performance of Mr. Zinchenko, the Secretary General, Trygve Lie, who himself had spent much time in the Soviet Union and was rumored to have served on the Presidium, established a three man committee known as the Executive Military Authority which would have **secret powers**—under Zinchenko, of course, **MANDER-IN-CHIEF** which was the U.N. title conferred upon General MacArthur, and **TO REPLACE HIM**. Details of this performance are recorded in the famous Senate Document No. 87, pages 653 to 659.

In Trygve Lie's book "In the Cause of

Peace", Page 334-5, he tells how he needed "a closer contact" with General MacArthur, and he sent for a very special person — resident of Africa, Col. Alfred G. Katzin who had served in **ALLIED INTELLIGENCE** during the Second World War. Anything the American Commanders failed to report to the Russian head of the Security Council would be taken care of by the Watch-Dog Katzin. General MacArthur had discussed his idea of an Inchon Landing with Mr. Katzin who opposed it and when MacArthur decided to make the landing, he did not tell Katzin anything about it.

At the time the Landing was decided upon, the top-side directions of Zinchenko had forced our troops into a position where there seemed to be no alternative to surrender, except to be pushed into the sea. And the Inchon Landing which saved the day was the reputed reason for the "firing" of General MacArthur.

Senate Document 87 on Page 654 relates that "the executive military authority should be authorized to designate the Commander-in-Chief of the United Nations forces (in this instance MacArthur - ed.) and to replace him." Thus you will see that President Truman did not "fire" MacArthur. He could not "fire" the Commander-in-Chief of the United Nations armed forces. The executive military authority under Zinchenko had the sole authority to do this. They **DARED NOT** let the American People know this, as they **DARE NOT** let us know who is running the war in Viet Nam, so **AFTER THE DECISION WAS MADE**, they had Mr. Truman speak **FOR THEM**.

So here we are once again fighting a United Nations war. The questions now arise: **WHO** is the Vasiliev in North Viet Nam? **WHO** is the Katzin? **WHO** is the Commander-in-Chief in that war? The Red Herrings chasing their tails around Washington have **ABSOLUTELY NO AUTHORITY** over the Viet Nam war. The Russian Suslov has ultimate authority there. **HE** is the man through whom **ALL CONTEMPLATED ACTION** must be cleared. He knows how many of our troops will be deployed and **WHERE**. He will know every move we make, and he will relay all infor-

mation **IN ADVANCE** to the "Communists".

This is only **PART OF THE STORY**. All the talk about using atom bombs is sheer nonsense. In addition to top-control of U.N. Military affairs, Mr. Suslov is in **COMPLETE CHARGE OF ALL ATOMIC ENERGY** and **DISARMAMENT**.

The Representatives of the Washington government could not wait to get our atomic power transferred to this Russian dominated agency. Within six months after the U.N. was organized a meeting of the U.N. Atomic Energy Commission was held at Hunter College, New York, June 14, 1946, and there the Special Representative of the United States Government, Mr. Bernard Baruch, offered to turn over to this U.N. Commission control of atomic energy which was held by the United States alone.

In his book on page 92, Mr. Lie makes these comments: "The International Atomic Development Authority which he (Baruch) proposed, went far indeed in the direction of real world government . . . It would be a super-national monopoly controlling all production and use of nuclear fuel from the uranium mines to the finished product in all countries. To such an International Authority, once it was established, the United States was prepared to turn over both its stock-pile and its know-how."

This, Gentlemen, is Trygve Lie, the top executive of the United Nations telling his readers what **YOUR GOVERNMENT** and **OURS** was doing in the secret conclaves of the United Nations. Mr. Lie had been the candidate of the Russian delegation for his post as Secretary General, and he continued in office long after his term had officially expired because the Russians would not accept a successor. They liked Lie. So, let Lie tell you what happened. The Baruch Plan went far beyond the United Nations Charter in its call upon the National Governments to yield substantial elements of sovereignty to supranational authority. It was a remarkable proposal for any great power to make, and especially remarkable for the United States. Here was a country, for the time being, in **SOLE POSSESSION** of what many considered as the "ultimate" weapon, proposing to give it up. And to whom would this country of "free enterprise", this country which was the symbol of Capitalism to so much of the world, give up this knowledge and this power? To an agency which would represent a **BOLD EXPERIMENT** in a worldwide cooperative movement, almost socialism. This would be a case not merely of one government taking over the means of production, but of all governments joining together to create a world monopoly of a revolutionary new source of power and agreeing in advance to yield all rights to veto over the decisions of **THE WORLD AUTHORITY**.

Later Mr. Lie comments: "There was an ironic aspect of the debate that followed, with the Soviet Union standing up on the Conservative side upholding the thesis that national sovereignty must be preserved unimpaired, while the United States took the radical, internationalist position."

There it is. You have Mr. Lie's word for it. Is this the activity of a debating society dedicated to keeping the peace? As it turned out, the Soviets did not agree to it. They were busy assembling the atomic plants turned over to them by Harry Hopkins and his superiors during World War Two as recorded in Major Jordan's Diaries. They were not about to turn over their atomic energy to anybody. The Soviets quite evidently have more sense than Americans. But the traitors in the Federal Agency never quit. They have already turned over all our atomic submarines to the United Nations NATO agency, and all other nuclear weaponry through Geneva Agreements.

Insane is really not the word for it. — **TREASON** is. Suslov is in charge of all **NON "Communist" atomic energy**. **HE** de-

LET'S EXAMINE THE FACTS

WHEN WILL HCUA INVESTIGATE LAW-DEFYING, HATE-PROMOTING, VIOLENCE-INSTIGATING GROUPS SUCH AS NAACP, CORE, SNCC, ZOA, ET AL — ARMS OF THE COMMUNIST OCTOPUS IN USA

As the spotlight beams heavier on the Ku Klux Klan, and the House Committee on Un-American Activities, one finds a complete absence of the tactics that plague every appearance of the House Committee on Un-American Activities—pickets, mock decision, open defiance. Where are the long lines of rabbis and gentlemen of the cloth protesting this invasion of Civil Rights? No page ads in metropolitan dailies by outraged Americans protesting this federal invasion of privacy.

For the moment, what was black becomes white; what was un-American yesterday is today American; what was unconstitutional is now constitutional! For now the HCUA is investigating not the **INTERNATIONAL COMMUNIST CONSPIRACY** with its spy penetration in our own government, and its stated aim to **BURY US**, but is investigating an organization whose avowed purpose is to save Christianity and destroy communism.

Why not investigate the **ZIONIST ORGANIZATION OF AMERICA** (Foreign Agents for the Illegitimate State of Israel?) whose members are in key positions in our government? This invisible government has furnished a vast amount of convicted traitors — its diabolical hand is corrupting our country from top to bottom. Let the

HCUA also investigate the **ZIONIST ORGANIZATION OF AMERICA** and publish findings of both the Klan and the Zionists — and let Mr. and Mrs. America know the whole truth about both of these organizations.

Recently, while watching the "CBS Report" give a highly biased and slanted TV showing on the KKK one wonders why do they not present similar "white papers" on the Communist Party? If they did, it would be just as untruthful, distorted and unreliable, no doubt, as those already given upon the poverty of Appalachia and the farm workers of Florida.

Without holding a brief either for or against the KKK, it appears that Charles Kuralt's description of the enemies of this nation better fits the Communist Party. It, too, is an "invisible empire;" it also conceals its membership; and it does not reveal its assets. Katzenbach's suggestion that required registration of all Klansmen would serve to control them, overlooks his own dereliction of duty in failing to enforce the present law which requires the Communists to register. If registration is so effective we would suggest that he get busy, as Congress directed the Justice Department to do some time ago, and either register the Communists or prosecute them.

A FEW FACTS ABOUT THE KLAN

"I'll bet you will find more good Americans in the Ku Klux Klan than in the A.D.A. (Americans for Democratic Action)." — Edwin A. Walker.

After silence had fallen over the bloody battlefields of the Civil War, came an era in American history so black with human misery and despair that even the passing of a century has been unable to erase this turning back the clock of human progress. From this era, as every honest American knows, the Ku Klux Klan rose to assume the leadership of the Southern people and enable them to regain their rightful places in society.

By 1877, order had been restored in the South, and the Ku Klux Klan was dissolved by proclamation, but with the condition that if ever needed, it could be brought to life once again to engage any and all enemies of the South or this Great Nation.

On Friday, March 26, 1965, President Lyndon Johnson warned every Klansman to get out of the Ku Klux Klan and to join a "decent" society as the Klan was going to be investigated and destroyed. Subsequently, the House Committee on Un-American Activities, of which Rep. Edwin Willis is Chairman, began closed hearings on Klan activities and scheduled open hearings for October.

However, more than a month before LBJ's public statement on "getting the Klan," Louisiana State Senator Jesse Knowles, Chairman of the Louisiana Joint Legislative Committee on Un-American Activities, received this letter, dated February 10, 1965:

"Since reading an article in the Shreveport Times last Saturday, February 13, under dateline Washington and AP, I have been somewhat perplexed. It concerned an investigation of the Ku Klux Klan, a general term, along with three other organizations.

"Now, Mr. Knowles, I have invited Mr. Edwin E. Willis, whom I understand you know, and have welcomed an investigation of United Klans of America, Inc., and have requested that the findings of HCUA be published:

"By virtue of your relationship with the Joint Legislative Committee on Un-American Activities, I also invite your committee to investigate our organization also and make public your findings.

"If you would be so kind as to encourage Mr. Willis to investigate us and publish his findings, I would appreciate it very much. Yours for God and Country,

(Signed)

J. M. Edwards - Grand Dragon United Klans of America, Inc."

The Louisiana Joint Legislative Committee on Un-American Activities took Mr. Edwards up on his invitation to investigate

his organization, and on July 26, 1965 they released Report #7 — "Activities of the Ku Klux Klan . . .", based on hearings held on June 16, 1965 at Baton Rouge.

The Louisiana Committee found that there is no such thing as "The Klan." According to their report, there are about 14 different groups using the name "Klan," operating in the Southern and Central United States. The Legislative Committee investigated the four Klan groups which are active in Louisiana.

Of these four Louisiana Klan organizations, the largest is known as "The Original Knights of the Ku Klux Klan." The head of this latter organization is Murray Martin, who furnished the Legislative Committee with a policy statement containing "50 reasons why you should be a member of the original Ku Klux Klan." Here are a few sample reasons:

"20. Because it believes that Judaism is not the religion of the Bible, but that it is a set of principles for the purpose of elevating the Christless Jew beyond the White races.

"40. Because it is unalterably opposed to the Zionist Jew program.

"41. Because it is opposed to the Anti-Defamation League in all respects.

"42. Because it knows the United Nations Charter has usurped the Constitution of these United States, and we are trying to get the United States out of the U.N."

The three other Louisiana Klan organizations are known as The United Klans of America, Inc., The Louisiana Ku Klux Klan, and The Original Ku Klux Klan of America, Inc., led by Houston Morris. Mr. Morris submitted a policy statement to the Louisiana Legislative Committee which said in part:

"The Original Ku Klux Klan is not and never has been the enemy of the Negro people. However, it does oppose and will continue to oppose all so-called Negro 'civil rights' organizations, Communists, and all others who sow the seeds of discontent throughout our great Nation, pitting one race against the other, attempting to mongrelize the races . . .

"The White race has always been the only true friend to the Negro in America, but they are now being misled by the wild promises of the Zionist Jew who know that these promises can never be fulfilled, but are using the passions of the Negro as a tool for their own enrichment.

"The Original Ku Klux Klan always has been and always shall be opposed to Communism in all its forms . . .

"No Zionist Jew may ever obtain membership in the Original Ku Klux Klan of America because we accept only those who profess and practice the tenets of Christianity. Christ is the Klansman's criterion of character and such would be incompatible with the Zionist Jew's religious convictions."

KKK VS. ADL

It is apparent that the Ku Klux Klan's "unalterable opposition" to the Zionist Jew program and the Anti-Defamation League of B'nai B'rith has made the Klan a target for destruction by none other than the President of the United States.

In June, 1965 the A.D.L. released a "Report on the Ku Klux Klan," written by Ben Epstein and Arnold Forster, who also co-authored the smear book on right-wing groups, "Danger On The Right," which was released last October prior to the national election.

In official Klan literature, the symbol of The Cross is stated to be "a constant reminder that CHRIST is our criterion of character, and His teachings our rule of life . . . We added the fire to signify that 'CHRIST IS THE LIGHT OF THE WORLD' . . ."

The A.D.L. Forster-Epstein "Report" on the Ku Klux Klan sees it a little differently. On page 17, it is stated that the "Anti-

Defamation League played a leading role in drafting model legislation" which led to the passage of anti-cross burning legislation in 52 key Southern communities following World War II.

On pages 30 through 40 of this A.D.L. Klan Report, under "Violence and Intimidation in the South," are listed various acts committed in the South from September 1962 to April 1965. Here are some of the acts of violence and intimidation committed in the State of Louisiana during that period, according to the A.D.L.:

"Sept. 1, 1962 — Crosses were burned by the Klan in front of the state capitol in Baton Rouge.

"Sept. 1, 1963 — Crosses were burned in front of several schools, one night after a Klan rally.

"Nov. 16, 1963 — Over 1,000 Klansmen assembled amid the glow of burning crosses.

"Feb. 15, 1964 — Klan burned a cross at a meeting.

"Aug. 1, 1964 — A 50-foot cross was burned at a Klan meeting.

"Aug. 15, 1964 — Several crosses were burned."

In 1924, the Louisiana State Legislature passed a Statute (Title 12, Section 101) which required that all secret organizations in Louisiana submit to the Secretary of State annually a membership list, stating the names and addresses of all the members. In 1957 or 1958, the State of Louisiana applied this Statute to the N.A.A.C.P., and the Statute was challenged in the Federal Courts.

In the case of "State ex rel Gremillion vs. NAACP" (reported at 65 Supreme Court Reporter 1373), the United States Supreme Court on May 26, 1961, overthrew the Louisiana Statute, and declared that it was an unconstitutional violation of civil rights.

It is ironic that the NAACP which, among other so-called "civil rights" groups, is so anxious to "unmask the society or hooded bigots," yet was willing to go all the way to the United States Supreme Court in a succeeded effort to keep from revealing the names and addresses of its membership in the State of Louisiana.

At the beginning of their investigation of the Ku Klux Klans in the State of Louisiana, the Joint Legislative Committee on Un-American Activities sent a letter to every District Attorney in the state asking these three questions:

"1. Do you know of any cases resulting in conviction in your jurisdiction within the last five years wherein a criminal act was proven to be instigated or carried out by a Klan organization?

"2. Do you know of any such case wherein it was proven that a criminal act was aided, abetted, counseled, or procured by a Klan organization?

"3. Would you please inform us of the results of the prosecution in any such case?"

The Louisiana Legislative Committee received a totally negative reply from the District Attorneys of the State, with one exception. This case involved a man who was apprehended for painting "KKK" in red paint on walls, garbage cans, and lamp posts in Bossier City, La. He was fired from the Shreveport Police Department and has been expelled from the Ku Klux Klan.

In passing judgment on the Ku Klux Klan, let us remember that our heritage of Americanism is being seriously threatened by a ruthless, anti-Christ, Communist conspiracy, aided and abetted by an ever expanding "Great Society" welfare state.

Americanism is humanity's most glorious experiment in the science of living. If this experiment should fail, civilization itself may well perish.

Have you done your part in this fight to preserve our individual freedoms as free men and women, and to insure our children a free and Christian Nation, in which to be reared??

sides when to use it and WHOM to use it against. Just how crazy can we get — WE who submit to this? How long are we going to sit here in full knowledge of the facts and wait for the Soviet controlled Security Council to surrender OUR ARMED FORCES or bomb them into submission? A terrible responsibility rests upon every State official, — and a terrible responsibility rests upon the People to COMPEL STATE RESPONSIBILITY where it is so criminally lacking.

The United Nations is at war with us. They are out to destroy the States and all State Government. The Federal Agency in Washington has joined them and is even now offering up our young men in Viet Nam in the cause of THEIR World Empire. Can you reconcile the Viet Nam war and the Washington Government's conduct of that war with any American standard or principle? Do you believe 'we' are "fighting communists" in Viet Nam? Do you UNDERSTAND that the U.N. Secretary General, U. Thant, has already stated that NOBODY will win that United Nations war? Is this satisfactory to you? If not, WHY do you not assume the responsibility of State Officials and launch State investigations into the policies and purpose of the United Nations?

The Sovereign States NEVER AGREED to the Charter of the United Nations. It is UTTERLY UNCONSTITUTIONAL AND ILLEGAL AND IT IS PURPOSELY DESTROYING AMERICA. YOU have an obligation, a far more "solemn commitment" to protect the People in your State than "we" have to advance the SEATO program in Viet Nam.

It is within your power — and your obligation to us, to convene yourselves in legislative assembly to inquire into Federal policies which are patently being concealed. You must realize there IS A REASON for this concealment and it is your duty to

learn that reason. If you cannot or will not act to protect the sons of your States, the People are going to be forced to compel such action. When outraged citizens begin to occupy State Capitols to discuss and demand redress for their grievances, personal cowardice and political expediency will surely be overridden. We, the People, are going to adopt the United Nations approach and tell you, as U.N. tells the Washington agency, IF YOU DON'T DO IT — WE'LL DO IT FOR YOU! We cannot, and we will not permit our Representatives to evade the responsibility to protect OUR YOUNG MEN wherever they are. We can no longer evade OUR OWN RESPONSIBILITY for this U.N. war and all the others to come.

We would greatly desire to work WITH YOU, to cooperate with you as WE ALL explore our desperate situation, and willingly support your every effort in this direction. It is YOUR DUTY TO LEAD. If you fail, the People in the States must take over. We cannot remain leaderless any longer. SOMEBODY MUST GET OUR TROOPS OUT FROM SECURITY COUNCIL CONTROL. We must release them from Mr. Suslov's command. And SOMEHOW — WE WILL!

DICTATORSHIP OF THE CONSTITUTION?

Executive Orders viewed as bid for absolute power

By P. A. del Valle

President, Defenders of the American Constitution

A brilliant editorial by David Lawrence appearing in the Los Angeles Times, Sunday, 23 March, 1965, begins with this question: "Will the American Constitution — now being arbitrarily transformed by Congress and the Supreme Court without regard to the amending process — be utilized some day by a future President to build a dictatorship within a centralized government in Washington?"

Mr. Lawrence then gives three factual examples of these un-constitutional "amendments" which place the federal government; 1: in control of the business and economic affairs of the entire nation regardless of state lines and jurisdiction; 2: uses an arbitrary interpretation of the 14th Amendment to intervene when state laws happen to be disliked by certain pressure groups; and 3: uses the 15th Amendment as a means of federal control of all elections.

All this is true — tragically true. But there is more on the books than meets the eye. Let all who still care whether we shall be slaves under a dictatorship or a free people under our divinely inspired Christian Constitution, go to their libraries and ask to see the Executive Orders in the "Federal Register."

Initially originating in the Kennedy administration and now firmly imbedded as law, these Executive Orders may be placed into operation whenever a President decides that there is an unstable international situation or a financial crisis. See for yourself!

We shall give you some idea of the significance of these Executive Orders, for they implant the dictatorship and abolish the Constitution on pretext of an "emergency."

The federal authority becomes absolute and ubiquitous. Your home is not yours at all — you may be moved from it, or obliged to house persons indicated by the "authorities." (In Cuba, Castro moved all the well-to-do from hotels and residences and put the "proletariat" into them.)

You may be moved with or without your family and put to work elsewhere as suits the federal agency concerned. You may not go from place to place without a permit.

All vehicles public and private become virtually federal property. Your car may be seized for whatever purpose the federal agents see fit.

Fuel will come under complete federal control, as will all else, food, water, medicine, railways, bus lines, air lines, business of all sorts, the exercise of a profession. But no need to expound what you may yourself read by going to your library. Pray do so, and if you prefer liberty to slavery, make certain the Congress hears your objections by wire, by mail or by a march on Capitol Hill. We are teetering on the edge!

EXECUTIVE ORDERS STILL IN FORCE!

e.o. No. 10995 — Take-over of communications media.

e.o. No. 10997 — Take-over of all electrical power, petroleum and gas, fuels and minerals.

e.o. No. 10998 — Take-over of food resources and farms (including all equipment for farming).

e.o. No. 10999 — Take-over of all modes of transportation and control of highways, seaports, etc.

e.o. No. 11000 — MOBILIZATION — of all civilians into work force under government supervision.

e.o. No. 11001 — GOVERNMENT take-over of all health, education and welfare functions.

e.o. No. 11002 — Designates Postmaster General to operate a national registration of all persons.

e.o. No. 11003 — Government to take over all airports and aircraft.

e.o. No. 11004 — Housing and Finance Authority to relocate communities — build new housing with public funds — designate areas to be abandoned as unsafe — and establish new locations for populations. (Complete integration will be enforced hereby under J.F.K.'s latest executive order against discrimination in housing built with public funds.)

e.o. No. 11005 — Government to take over railroads, inland waterways and public storage facilities.

e.o. No. 110051 — Designates responsibilities of office of emergency planning, gives authorization to put all other executive orders into effect in times of increased international tension or economic or financial crisis.

Part One — Sec. 101 d — herein states (the Director) is to — perform such additional functions as the President may from time to time direct.

Facts: These Executive Orders are duly recorded in the Federal Register and have been adopted or approved by the Congress.

Significance: THIS CAN ONLY MEAN ONE THING. The Congress no longer stands in defense of the people it represents, but has become something like a rubber stamp. It has surrendered its powers to the Executive.

Under these edicts, the complete take-over of the United States from within can take place at any time the Executive declares an "emergency." Emergencies have been manufactured before, and can be again. The only thing that stands between this country and complete socialist slavery is the will of the Executive. There are swarms of advisors surrounding him to keep him from knowing what people think.

Actions Indicated: 1. Flood the Congress with protests calling for the withdrawal of the Executive Orders.

2. Reproduce this alert and pass it on to as many others as you can, asking them in turn to do the same.

3. Bombard the White House with so many protests that the President cannot fail to notice.

4. Pray as you've never prayed before that Almighty and Merciful God may save our country.

LBJ's Voting Bill Communist Inspired

Directed particularly to end Southern White rule and form a "Black Republic"

FEDERAL DICTATORSHIP GOAL OF
CIVIL RIGHTS REVOLUTIONARIES
Communist-Liberal Coalition Initiating
New Reconstruction

By W. HENRY MacFARLAND
American Flag Committee
2834 Almond Street, Philadelphia 34, Pa.

For all intents and purposes, the government of these United States of America is now in the hands of the high command of Communist and liberal agitators whose professionally organized mobs have been set loose upon the American People and their duly elected local, county, state and national representatives. The U.S. Constitution is in almost total de facto abeyance as these self-admitted revolutionaries, aided and abetted by agents and collaborators who have infiltrated every level of legislative, judicial and executive authority, strive for its final overthrow at the point of the Federal bayonets.

Fortas, who helped Alger Hiss and Dexter White draft the UN charter, figured prominently in drawing up the Gesell Report that helped wreck the armed forces. FLAG COMMITTEE published the 173 public report on the Communist Party's "Lincoln Project," which blueprint in specific detail the provisions of the currently pending "voting rights" bill and the tactics pursued at Selma, Alabama, to prompt its introduction into Congress. The Lincoln Project, calling for mass demonstrations, marches and provocations to public disorder aimed at imposing Federal control over local and state elections during the hundredth anniversary of the death of Abraham Lincoln, was hailed by Radio Moscow in its shortwave English transmission to North America on the evening of February 12, 1957, and was incorporated into the indoctrination and training courses conducted at the Communist Highlander Folk School at Monteagle, Tennessee, during the summer of the same year. It was during one of these sessions, on Labor Day, 1957, that Lincoln Project leader Martin Luther King was photographed as he received classroom instruction in the company of Abner W. Berry, key member of the all-powerful Central Committee of the Communist Party, U.S.A.

In this report on the Lincoln Project, two paragraphs should suffice to underscore the precision of the long-range planning which culminated in Red success at Selma and produced a bill so close to the specifications demanded by the plotters nearly a decade before its introduction into Congress this year.

"To implement the (Lincoln) Project, the Communist Party's Central Committee will begin dispatching specially trained agents to eleven southern states next month (January, 1957) to work with local Party leaders in surveying for twenty counties, any one of which might be ideally suited to be selected as the target for provoking the preplanned initial disorder early in 1965. This survey will continue through 1957, the Central Committee making the choice of twenty counties after analyzing the reports of its

agents early in 1958. Thereafter, the Party will intensify recruitment and organizational operations in the counties so designated, with the final selection of a single target location being made on the basis of the most favorable conditions prevailing in 1965."

—Page 2, THE LINCOLN PROJECT
Blueprint for Chaos

"The legislation which the (Communist) Party will seek to extort from Congress in 1965 has already been prepared by its legal staff. It provides for the elimination of all educational requirements, including minimum literacy tests, as qualifications for voting in federal, state and local elections; voids residence requirements with respect to counties, municipalities and other political subdivisions within a state; and establishes a system of direct Federal supervision and control of the entire local, county, state and federal elective process."

Page 3, *ibid.*

In the eight years which have passed since the Communist Party initiated its plans for "memorializing" Abraham Lincoln by triggering the civil strife and bayonet rule which followed his assassination, three Administrations (Eisenhower, Kennedy and Johnson) have lived with the knowledge of what was to come. President Johnson is especially culpable in this respect, since he has ignored the urgent and repeated reports of FBI Director, J. Edgar Hoover, supplying him with precise information on Lincoln Project operations over the past twelve months!

The truth, of course, is that the leaderships of both the Democratic and Republican Parties are striving to counter the rising conservative tide by capturing the mass voting support of at least several millions of illiterate, semi-literate and "activist" Negroes throughout the South, while at-

tracting the support of the extreme liberals of all ethnic backgrounds elsewhere. As in the case of the Civil Rights Act of 1964, the Democratic high command has no chance of forcing enactment of the current "voting rights" bill without topside GOP collaboration. Again, as was the case last year, Senator Everett Dirksen has joined the extreme Republican liberals to assure that the bill will pass.

To note how closely the "voting rights" bill follows the specifications of the model legislation prepared by the Communist Party in connection with its Lincoln Project back in 1956, one has only to examine the language of H.R. 6400 and S. 1564, which are the numbers of the Administration's measure in the U.S. House of Representatives and the Senate.

First of all, the bill is clearly aimed at those southern states which Johnson lost to Goldwater last year, since the criteria for determining applicability of its provisions are specifically related to a fixed date, November 1, 1964. Moreover, the bill establishes no provisions for the uniform and equal enforcement of its punitive measures wherever violations may occur. Instead, Section 3(a) gives the U.S. Attorney General supreme and exclusive power to "determine" the particular states, counties, cities, townships and lesser political subdivisions (school districts, for example) against which he wishes to take action. Indeed, Section 3(a) is so worded as to permit him to ignore the denial of registration or voting rights in any state or subdivision whose officials are friendly to, or otherwise collaborating with, the Johnson Administration in Washington!

The bill purports to enforce the 15th Amendment to the U.S. Constitution by giving the U.S. Attorney General authority to cause Federal "examiners" to be appointed (in limitless number) by the U.S. Civil Service Commission, to be dispatched

to states and communities which the Attorney General "determines" to be in violation of the law. These examiners are to have the power to certify individuals to vote who have failed to qualify under state or local laws. The precise procedures to be followed by these examiners are not set forth in the bill, but are, by its terms, to be promulgated by the U. S. Civil Service Commission at a later date.

The Attorney General is empowered to act with respect to any state or political subdivision wherein less than fifty percent of the persons of voting age were registered as of November 1, 1964, or, even if registered, failed to vote in the Presidential election on November 3, 1964, if he alone determines that such state or subdivision maintained on November 1, 1964, "any test or device as a qualification for voting." Section 3(a) provides that such "test or device" shall not be applied to qualify any individual for voting in any state, federal or local election, if so designated by the Attorney General, although the same "test or device" may be applied to prevent individuals from voting in any state or political subdivision which it suits his purpose not to so designate! In short, the Attorney General is left free to select the states or counties or townships against which he wishes to apply the punitive sections of the bill. If a state, county, or township is "voting right" in the estimation of the Federal Administration in power, it may pursue any "discriminatory" test or "device" which, in an adjoining state or subdivision whose voting results are not so pleasing, the Attorney General may nullify!

Section 3(b) defines "test or device" as any requirement that "a person as a prerequisite for voting or registration for voting (1) demonstrate the ability to read, write or understand any educational achievement, or (2) possess good moral character, or (3) prove his qualifications by the voucher of registered voters or members of any other class." This means that, in those states and subdivisions which the Attorney General chooses as targets for punitive action, he may compel the registration not only of total illiterates who cannot so much as write their own names, but of mental defectives whose brain damage is so extensive as to make it impossible for them to "understand" any matter, including the purpose and manner of voting itself! Such persons would obviously be incapable of either selecting candidates or performing the physical actions required to cast a ballot, yet they could be brought to the polls and, presumably, rendered "assistance" by some obliging Federal agent whom the bill empowers to supervise registration and voting practices!

Section 4(a) provides that the Civil Service Commission may appoint as many Federal "examiners" as it may choose to have sent into any state, county, township or school district against which the Attorney General has decided to move. These Federal agents may be brought in from any state or territory of the United States, need not be qualified under existing civil service laws nor the Classification Act of 1949, and may be selected exclusively from the ranks of the NAACP, CORE, SNCC, SCLC, or any other organization whose coercive tactics have compelled Congressional consideration of the bill itself.

Section 5(a) gives the U. S. Civil Service Commission full authority to prescribe the regulations under which the Federal examiners shall process applicants for registration, and it is specifically provided that the requirement that an applicant allege that he has been denied the right to register or to vote under state or local law may be set aside by the Attorney General!

Taken together, Sections 5(b) and 6(a) give the Federal examiners and the Civil Service Commission whose employees they

are, full and absolute power to qualify individuals to vote under regulations and procedures which the bill empowers the Commission to promulgate. Section 6(b) extends this authority to include the designation of times and places for application and listing of the voters by the examiners.

Section 7 is so worded as to be interpreted by the U. S. Supreme Court to authorize Federal poll watchers to be appointed for election day duty and direct participation in the vote count, and provides grounds for Federal litigation of the results of even a local school board election!

Section 8 requires that affected states, cities and townships may not enforce any ordinance concerning voting qualification, or procedures until such have been approved by the Federal District Court for the District of Columbia!

In Section 9, a fine of \$5,000 and/or five years imprisonment are provided for violations of pertinent provisions of the bill. Section 9(e) permits the denial of certification of an election on the complaint of a single individual, if the U. S. Attorney for the district in which the election has been held wishes to entertain the action. Section 9(f) gives Federal District Courts original jurisdiction in cases involving such allegations of denial of voting rights, permitting the complaining individual to wholly ignore the

legal remedies available to him under municipal, county or state statutes.

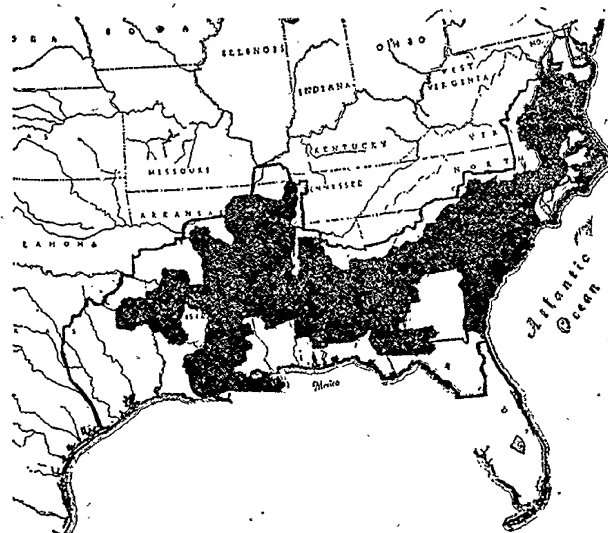

Section 10 permits this wholesale Federal invasion of the field of state, county and local elections to continue at the pleasure of the U. S. Attorney General. And, by provision of Section 3(c), states and subdivisions against which the Attorney General has moved may seek relief only by filing action for a declaratory judgment against the United States Government in a three-judge Federal District Court convened in the District of Columbia, from which the sole appeal is to the U. S. Supreme Court.

Although not spelled out in the bill, the total and sweeping nature of its federalization of broad areas of our state and local election processes will, we predict, be interpreted by the U. S. Supreme Court to apply to both state and local primary elections and to nominating conventions in states where party candidates are so selected. By this simple device, the U. S. Attorney General would obtain the authority to dispatch examiners and establish Federal control over almost every state and voting district and precinct in these United States, since few there are in which anything like fifty percent of those of voting age take part in primary or convention balloting.

As the Administration's bill now stands, at least three-quarters of the Communists' proposed Lincoln Project legislation is about to become law. This represents the broadest step yet taken by the liberal-internationalists who now firmly control both of our major parties to reduce our fifty states to mere administrative districts of an all-powerful Federal regime.

But, the frightening fact is that this "voting rights" legislation is but the initial assault upon what little remains of the historic constitutional bulwarks which once protected both our political and individual liberties. With the barely-concealed collaboration of the President, the Attorney General, and Members of the Congress, the reins of government have been delivered into the hands of a vicious and ruthless political underworld whose chieftains will henceforth dictate the "laws" which the Federal power will, at bayonet point, require us to obey. For thirty years, Congress has been, for the most part, the rubber stamp of the Chief Executive. It is now to become the obedient handmaiden to the organizers of mass civil rebellion against the entire governmental structure which its Members are foresworn to preserve.

SELMA - SAGA OF DEBAUCHERY AND IMMORALITY

Published by Cinema Educational Guild
Box 46205, Hollywood, Calif.

In the past we clearly revealed the kind of Negro riotings and "Demonstrations" that had been blue-printed for action in 1965 (after the election) to throw our entire nation into chaos and anarchy — in order to bring about "Martial Law" under (final) UN direction. We stressed that the riotings were to be "commanded" by Negro Leaders with Martin Luther King to be the KEY Leader — with Johnson's blessings!

The reason King is the "Key" to this entire "CIVIL RIGHTS" plot is that he is a so-called "Reverend" — but, more important, because Johnson's door is wide open to this would-be Black Dictator! Moreover, this black man openly breaks laws and defies Court Injunctions, but is shielded by the Washington powers-that-be from the kind of prosecution that no White Southerner, not even a Governor, can escape.

It has been fully established that King has been directly affiliated with more than 50 Red Front groups and that he and his "demonstrations" are financially supported by the One-World plotters who are deliberately using the Negroes to accomplish their objectives.

So now we submit at least two incidents in Alabama that distinctly PROVE that the Washington authorities (Johnson and Katzenbach) will do nothing to stop the brazen lawlessness of King and his mobs, that, in fact, they encourage and sustain it — and that all of our Mass Communications Media frenziedly "hush-up" all that lawlessness and betrayal!

On Friday, March 19, 1965, Columnist Morde Ryskind published in the L. A. Times, a review of King's "non-violent" demonstrations in Selma and Birmingham (in defiance of Court Injunctions). He stated: "... the question was: WAS IT NECESSARY WAS IT REALLY?" He went into all the aspects of the Civil Rights and Desegregation movement. In the past (and even in that Column) Ryskind frequently deplored the "persecutions" supposedly suffered by the Negroes — and the need for "amelioration" of their "wrongs." But, at one point, nauseated by the vile acts of the "Marchers" in Alabama, he stated:

"But was the Cause really helped when 75 of those picketing Gov. George Wallace demonstrated by rising at a given signal and urinating in the streets?"

That act was, at the very least, indecent exposure and public nuisance — both criminal acts! Nothing was done about it by the Authorities — and no mention of it was made by ANY of our Mass Communications Media except by Ryskind.

Now for another, and even more reprehensible and foul (Criminal) act: Immediately after the issuance of the Desegregation Decision, a group of Negroes forced their way into a restaurant. Thus the place was filled with Whites and Negroes. At a given signal, all the Negroes grabbed the sugar bowls off the tables, stood up, and urinated into them, and then, amid howls of laughter, replaced the bowls on the tables.

That act, (and it was repeated in other eating places) was not only indecent exposure and public nuisance, it was a menace to public health — and a distinct CRIMINAL act! Yet, nothing was done about it by the authorities — and was completely ignored by all of our Mass Communications Media!

Now, the following is concrete PROOF that our Mass Communications Media DELIBERATELY refuse to reveal all these horrendous acts — and DELIBERATELY keep the truth from the people, even when brought to their attention, and thus actually encourage the Negro-Communist atrocities; to wit:

On March 21, at the conclusion of the "MEET THE PRESS" TV show, Lawrence

Spivak, owner of the show, announced: "Our next distinguished guest will be Rev. Martin Luther King."

Thereupon we promptly wrote him about the above mentioned incidents, with a verbatim quote of Ryskind's PUBLISHED statement . . . Spivak has always assured that: "all questions and opinions expressed by our panel (and himself) are not their own personal opinions — they merely seek to provide the public with impartial facts, views and UNBIASED news."

Quoting his own statement in our letter, we appealed to him to direct two vital questions to King: 1) "Repeat the Ryskind charge and ask him (King) if he approved of such a 'demonstration.'" Assuming that King would "piously" proclaim disapproval, I urged Spivak to ask him if he would be willing to deliver the perpetrators of that foul act to the authorities for proper prosecution? — or would he call that "POLICE BRUTALITY?"

We also urged Spivak to ask King the same questions about the foul acts committed by his "persecuted" Negroes in the restaurants.

Spivak received our letter in plenty of time. We KNOW THAT — we have his (Post Office) signed receipt. But neither Spivak nor any of his panelists asked either question!

Instead, they leaned over backward to provide this black saboteur of our nation with an "image" of piety and righteousness — as follows:

As we know, there was a rigid Court Injunction against the (demonstrating) Marches in Selma and Birmingham — and, as we know, King had scornfully defied the "Injunctions" and ordered the Marches to proceed. . . one of the panelists asked him, in view of his (King's) proclamations that all of his activities are non-violent and law-abiding, why he had defied the Court Injunction. King "piously," but loftily, declared that he scorns civil laws that are not in accord with (his idea of) moral laws. This, from a black man whose innate instincts still are savagery, . . . and all but one of the panelists nodded approvingly!

Now, this is not the only time "MEET THE PRESS" has provided a nation-wide forum for vicious haters of America — the despicable Krishna Menon was one of them.

So now I will let YOU appraise this "MEET THE PRESS" in your own way . . . I will let YOU decide which is more important: a "MEET THE PRESS" and others of that ilk on TV and Radio, who delude, deceive and brainwash the people — or the safety and salvation of our nation. But I earnestly suggest you watch the next "MEET THE PRESS," so as to get the names of their local Sponsors and let them and MEET THE PRESS and the NETWORKS know how you feel — and what you will do about it.

Now, to remove even a remote doubt that my criticism of "MEET THE PRESS" is too harsh, I will stress an even far more vicious and heinous feature of the "CIVIL RIGHTS" demonstrations in Alabama:

We KNOW that more than 30,000 individuals participated in those "Marches" — many, if not the vast majority, were non-residents of Alabama. Many of them were teen-agers and in the 20 and 30 year brackets. They were lured there by the Communist Negro and White "Leaders" by promises (fulfilled) of \$10.00 per day and free room and board, plus promises (fulfilled) of SEX ORGIES and freedom to commit other lawless acts — and they were promised protection of all their lawlessness by Federal troops and Federal Marshals . . . and they WERE protected by FEDERAL TROOPS, ON JOHNSON'S ORDERS!

All of that was documented by Congressman William L. Dickinson. In a speech to

the House, he stated: "Drunkenness and sex orgies was the order of the day in Selma, on the road to Montgomery and in Montgomery. The participants in the March consisted of Negroes, do-gooders, Communists and human flotsam such as adventurers, beatniks and prostitutes . . . The Communist Party, with a powerful assist by the 'National Council of Churches,' gave those groups cohesiveness, MONEY and direction (by King and similar 'Reverends') — and they were promised all the sex they would want from opposite members of either race . . . Free love among this group was not only condoned — it was ENCOURAGED. They were told that only by the ULTIMATE sex act with one of another color can they demonstrate they have no prejudice." The Congressman backed up his speech with leaflets and "bulletins" issued by the "Leaders" of the "Demonstrations."

To remove ALL doubt that the "National Council of Churches" FULLY support the Kings and the Racial strife, I quote from a statement by our "President" Johnson, who stated that "the first grants of funds for RADIO TOUGALOO ASSOCIATION, (a flaming Red outfit) was made by the NATIONAL COUNCIL OF CHURCHES."

This is the kind of people, sex-crazed savages, beatniks, prostitutes, perverts, homosexuals who are screaming for "Civil Rights" and "Equality" for the Negroes — and are encouraged and protected by our "President," who is fully aware of all of the above. But that should not be so astonishing — after all, Johnson's palsy-walsies throughout his career are known crooks, swindlers, congenital liars, political charlatans, homosexuals, etc. Now, do you realize why every self-respecting American MUST demand Congressional action to clean such men out of Washington? Do it, NOW — write your Representatives and Senators — and enclose a copy of this issue.

That Dwindling Gold Reserve

By CONG. FRANK T. BOW (R., Ohio)

Americans are being urged to "see America first" this year and curtail their foreign purchases and investments as a means of saving our dwindling gold supply, but the real culprit in our desperate balance of payments situation is seldom mentioned.

The foreign aid program, which is pouring American dollars into 99 foreign nations and nine territories this year, has been the primary reason for the flow of gold to other nations.

We have spent well over one hundred billion on foreign aid since the end of the second war, and there is nearly ten billion in the foreign aid "pipeline" available to be spent during the current year.

The President has asked authority to add \$3.8 billion to this foreign aid checking account for fiscal year 1966.

In checking the effect of foreign aid on our balance of payments and the outflow of gold, 1957, the last year in which we had a favorable balance of payments (and the only year in the past 15) is a good base point.

Since 1957 our gold supply dropped \$7,261,000,000 and virtually all of this amount was purchased by 57 nations who were beneficiaries of our foreign aid program. During the six-year period, these 57 countries received \$12,436,400,000 in foreign aid, and they purchased \$6,977,800,000 of our gold.

It seems to me that this is evidence enough of the effect foreign aid has had — and will continue to have — on the stability of the United States dollar. Something must be done to protect our remaining gold reserves, and soon.

Voting Bill Communist Inspired

—Continued from page 2—

H. R. 6400 (S.1564) will be enacted into law without substantial amendment. We can not be honest and hold out any hope for its defeat. Moreover, the relief from mob assault upon the peace and order of our cities and towns, which perhaps the vast majority of our citizens believe that its enactment will bring, is not to be. From this moment until the Republic is either wholly restored or totally destroyed, the mobs will become more numerous, swell in number, incite greater disorders, provoke fiercer hatred and deeper bloodshed, menacing body and limb, street and home, church and courthouse. The struggle is joined, the Communist underground and the liberal-internationalist establishment have found a common artillery for the demolition of those constitutional pillars which they both so heartily loathe. Each of the partners has different final goals, but constituted law, order and the American heritage of divided governmental powers are equal hindrances to both. Together, in the twilight of the transplanted jungle, they will strive to sweep aside the common obstacles . . .

"Civil rights demonstrations" will henceforth coerce Congress into enacting every piece of legislation which the leftist extremists wish to have passed. The mobs and their leaders will be immune from the law, while we who protest will be damned, persecuted, and possibly even jailed and silenced, as "fascists," "bigots" and "racists."

Those who refuse to surrender the struggle for renewed Liberty in the months to come will have to be morally and spiritually prepared for the knock on the door at midnight . . .

Truth On War Crimes

By AUSTIN J. APP, Ph.D.

Professor Oberlaender, former Bonn Minister of Expellees and now member of the Bundestag, is an acquaintance of mine. Therefore, what is called "The Oberlaender Case" from the beginning had my attention. The book illustrates frighteningly how the Communists will simply fabricate charges against any opponent important and brave enough to impede their plots.

There are many facts in the book which should be widely understood. This would help the peoples of the West to withstand the "hate-Germany" propaganda campaign which is perpetually waged against the German people, so as to permanently divide Europe against itself.

Here are some passages taken from the book:

When on June 22, 1941, the Wehrmacht invaded Russia, Moscow ordered all political prisoners evacuated "eastward at any price." When the German advance was too fast "to follow this order, shootings of prisoners started." (p. 47)

After German troops on June 30 entered Lwow, for example, the townspeople, looking for their imprisoned relatives, found "in three prisons of Lwow, mountains of male and female corpses, which were horribly mutilated . . . The number of people killed . . . may be estimated at about 3500." (p. 41)

"Generally, all these bodies showed heavy and multiple injuries . . . Many of the women had been raped, their breasts had been cut off. Also, the private parts of males had been the objects of bolshevik perversion." (p. 52)

Thus, we see Communists in action. That is how they raped and murdered in 1945, in Budapest, Vienna and Berlin! So far, the hypocritical Morgenthauists, who once would have had Germany's population reduced 20 million by starvation, and Germany converted into a goat pasture, and who now picket and agitate for more and bigger atrocity "trials" against Germans, have failed to urge any trials at all

for the vastly greater and fouler atrocities of our war-time allies!

Other documents show that the Bolsheviks killed many thousands of innocent people before they retreated and that the outraged native population, after the Wehrmacht arrived, wreaked its wrath on local Jews who had cooperated with the Soviets. Of course, these latter atrocities are blamed on the Germans. Even the Katyn Forest massacre was blamed on the Germans. Can this be because the Morgenthauists realize that only West Germany can be shamed — or blackmailed — into paying huge indemnities for any and all atrocities, most of which, it becomes increasingly clear, were not committed by Germany at all!

Disarmament — Final Step Before Takeover

Senate Bill 1592 would disarm the citizens of America.

If you happen to be a shooter, hunter, or gun collector passage of this bill could make you a criminal as well.

THIS BILL DOES ALL OF THE FOLLOWING, AND MORE.

1. Prohibits the mail order sales of all guns, of all types and antique as well as modern.
2. Restricts the carrying of any arm, including shotguns and rifles, to another state, without excessive red tape and restrictions.
3. Prohibits the sale of any arm to any non-resident.
4. Restricts the shipping of any arm, even for service or repairs.
5. Importation of all foreign arms prohibited or restricted.
6. Licensing of dealers restricted, with a \$100.00 license for those approved.
7. \$1000.00 (one thousand dollars) license required for manufacturers of ammunition. Do you reload your own ammo?
8. Makes illegal the possession of all firearms, except shotguns, with a 1/2 inch or more. This includes all the Civil War carbines, the Civil War rifles and many of the older collectors items.
9. The provisions of this bill include all firearms, including the most ancient of antiques and the finest collection pieces.

Don't say it can't happen here. It is happening here. This is serious. This is the administration bill. You know the power that carries. It is being considered now by a judiciary committee of the Senate, members listed below.

James O. Eastland, John McClellan, Sam J. Ervin, Thomas Dodd, Philip A. Hart, Edward V. Long, Quentin Burdick, Birch E. Bayh, Edward M. Kennedy, J. D. Tydings, Jacob Javits, Everett M. Dirksen, Roman L. Hruska, Hugh Scott and Herman L. Fong.

Write to these men in protest! To the Senate Office Building, Washington 25, D. C. Tell your friends and neighbors to write. Don't put it off. Do it today. After the Bill has passed it will be too late.

This bill strikes at the honest man only, it sets up anyone interested in firearms as a criminal. It will not effect the real criminal since they steal most of their arms. But it will be the finest "insurance policy" that the criminals have ever received, guaranteeing to them that their victims will be disarmed.

If you are interested in THE STORY OF SELMA or "THE OTHER SIDE OF THE COIN" write to The Dallas County Chamber of Commerce, Selma, Alabama. This booklet reveals what the controlled press does not.

Passing of a Patriot

George Deatherage who passed away on March 31, 1965, at Daytona Beach, Fla. was a veteran patriot whose record of fighting for God and Country goes back to the thirties and the infamous sedition trial.

His untiring efforts, his lofty ideals and his undaunted courage through the years will long be remembered.

The patriotic cause has suffered an irreparable loss and we here at Common Sense have lost a good friend.

CHRISTIAN EDUCATIONAL ASSOCIATION

The Christian Educational Association of 530 Chestnut Street, Union, New Jersey, is the publisher of "Common Sense", a tabloid size newspaper published twice monthly except once each during July and August. On August 6, 1965, [redacted] advised that she has been acting manager of "Common Sense" since the death of the editor, Conde Mc Ginley, on July 1, 1963. She stated that she was associated with Conde Mc Ginley for seventeen years and since his death has been continuing his editorial policy.

On December 17, 1954, the Committee on Un-American Activities of the United States House of Representatives published a "Preliminary Report on Neo-Fascist and Hate Groups" in which their growth and objectives are discussed at length. This report indicates that "Common Sense" has a circulation which fluctuates between 30,000 and 100,000 copies an issue. It describes "Common Sense" as a "hate sheet" vehicle which publishes "some of the most vitriolic hate propaganda ever to come to the attention of the Committee".

According to the report, "Common Sense" depicts communism as Judaism and devotes its pages almost entirely to attacks on the Jewish and to a lesser extent, the Negro minorities in the United States. Sympathy for the former Nazi government in Germany is also shown in the paper.

THURGOOD MARSHALL
Solicitor General

A temperate statement by Thurgood Marshall shall without prejudice: "We've negotiated too quietly and too reasonably for too long. We've made up our minds to harass the legal hell out of the school boards. From here on out, we're going to be unreasonable, undecent, and uneverything else."

HONEST ABE FORTAS, Supreme Court
Justice

"I have never, would never, could never misrepresent directly or by implication anything to a committee of the Congress or a court, or I hope to anyone else..."
(Abe Fortas before Senate Committee 8/5/65)

ARTHUR J. GOLDBERG
U. S. Ambassador to U. N.

Goldberg stepped down from the Supreme Court for the lesser position of U.S. Ambassador at the suggestion of LBJ who told him: "There has never been a Jewish Vice President. If you will step from the Supreme Court, I promise you the vice presidential nomination in 1968. You will therefore have a chance at the Presidency in 1972, when I can no longer run."

Leaders in LBJ's Great Society

THURGOOD MARSHALL

That Thurgood Marshall has been appointed Solicitor General of the U.S. should surprise no one! LBJ obeys only his Zionist Invisible Masters in their plot to eliminate altogether white Christian Americans from any major national appointive office.

Marshall is a dedicated Marxist with a red record. It includes the following:

AMERICAN LEAGUE AGAINST WAR AND FASCISM: Rally speaker. This League is the Comintern's most powerful arm in promoting racial agitation and violence in the U.S. The League was founded by pro-communist James Waterman Wise, son of Rabbi Wise. According to the arch red, Rev. Harry F. Ward, the chief purpose of the League is "to promote a wider understanding of the Soviet Union and to co-operate with other agencies to prevent an attack on the Soviet Union." (Baltimore area Testimony, House Committee on Un-American Activities, Part 3, p. 4145).

"SPECIAL REPORT ON UN-AMERICAN ACTIVITIES," 75th Congress, 1938, 3rd Session, p. 90, states:

"Throughout the nation, meetings sponsored by the AMERICAN LEAGUE AGAINST WAR AND FASCISM are raising funds for the SPANISH PEOPLE'S ARMY... It manifested unyielding opposition to loyalty oaths for tea-

ABE FORTAS

Abe Fortas has been nominated and approved for the Supreme Court, by all but a few dissenting voices. On the surface, the appointment was utterly incredulous, and perhaps the greatest insult to jurisprudence in years. It is all the more inconceivable because, as one release put it: "FORTAS HAS A RECORD OF FAR LEFT ACTIVITY CHRONICLED IN THE FILES OF CONGRESS."

The following report of the Senate Judiciary Subcommittee hearings (Daily News, 8/6/65) indicates the tenor and attitude of the committee:

"Fortas went through an intense but friendly quizzing by the Committee whose approval, THOUGHT CERTAIN, was delayed at the request of Senator Javits."

Why "friendly" and "approval thought certain." If the man's record is so perfect it will not bear scrutiny, why have a hearing at all, and waste the committee's time and the TAXPAYERS' MONEY? If a hearing is warranted, how can it be objective and at the same time "friendly" with "approval thought certain"?

Goldberg assumes the U. N. Ambassadorship, lacking in these qualifications as he was for the High Court appointment. Goldberg won his service stripes as counsel for such well-known Marxist labor leaders as

"Abe Fortas . . . New Dealer was a friend of Hiss."

(Chicago Tribune 7 30, 65)

HARRY DEXTER WHITE, Soviet Agent
On Jan. 4, 1945, Fortas wrote White: "I am delighted the President nominated you to be Assistant Secretary of Treasury . . ."

OWEN LATTIMORE, "a conscious, articulate instrument of the communist conspiracy."

Speaking of Fortas, Lattimore wrote in his book: ". . . I now had more than a lawyer; I had a friend and we believed in each other."

—o— Continued from page 1 —o—

he had been 'significantly connected with communists and communist fronts over a considerable period of time.'"

THE RECORD SHOWS

Abe Fortas has belonged to the following Communist Fronts:

1. NATIONAL LAWYERS GUILD (YAF May 1964 "Report on The Left")
2. SOUTHERN CONFERENCE ON HUMAN WELFARE. (Congressional Records show that Fortas joined SCHW in 1947, three years after a Special House Committee declared it subversive.)
3. AMERICAN LAW STUDENTS ASSOCIATION (APPENDIX IX, p. 1098)
4. INTERNATIONAL JURIDICAL ASSOCIATION (APPENDIX IX, p. 795)
5. Congressional Records show that Fortas joined the WASHINGTON COMMITTEE FOR DEMOCRATIC ACTION in the early 1940s. Attorney General Clark later listed the group as "subversive and communist." ("REPORT ON THE LEFT," YAF, May 1964)

WHAT FORTAS SAID TO THE COMMITTEE

When Fortas was accused of being associated with the cited Communist Front, INTERNATIONAL JURIDICAL ASSOCIATION, he stated that he never had any connection with it whatsoever.

THE RECORD SHOWS:

On page 795, Appendix IX, Special Committee on Un-American Activities Report, we read:

"The following persons are officers or national committeemen of THE INTERNATIONAL JURIDICAL ASSOCIATION:"

In that list, which also includes such notorious Marxists as Nathan Witt, David Niles, Lee Pressman, Abraham J. Isserman and Shad Polier, we find the name of Abe Fortas.

WHAT FORTAS TOLD THE COMMITTEE

Fortas testified with regard to the Jenkins affair that he only wanted the WASHINGTON EVENING STAR to hold up publication of the affair, not to squash it.

THE RECORD SHOWS:

According to the WASHINGTON EVENING STAR, Fortas wanted the story KILLED not HELD UP. "It was Mr. Fortas who tried to squelch the Jenkins story by urging a Washington newspaper not to print it." (Cong. Hall, Missouri, before the Senate Committee 7/27/65)

REGARDING THE FORTAS DENIAL

Abe Fortas' statement denying that he had been "significantly connected with communists and communist fronts over a

considerable period of time" leaves much to be desired. A properly functioning committee would find it difficult to accept Fortas' statement as a satisfactory answer to the testimony against him. Serious charges were made. The above statement is not sufficient to clear Fortas of a background of communist and communist front associations that would force the committee to vote against his appointment.

FORTAS AND HISS

The following comes from the CHICAGO TRIBUNE, July 30, 1965: "ABE FORTAS NOMINATED TO HIGH COURT. NEW DEALER WAS FRIEND OF HISS." According to an editorial in the same issue Fortas "helped Alger Hiss and Dexter White, Soviet Agents, to draft the United Nations Charter."

FORTAS AND LATTIMORE

OWEN LATTIMORE was perhaps Fortas' best known client. The SENATE INTERNAL SECURITY COMMITTEE reached the following conclusion regarding Lattimore, as recorded in their 1952 Report No. 2050, on the INSTITUTE OF PACIFIC RELATIONS.

"OWEN LATTIMORE WAS FOR SOME TIME, BEGINNING IN THE 1930s, A CONSCIOUS, ARTICULATE INSTRUMENT OF THE COMMUNIST CONSPIRACY."

Consider the following excerpt from Lattimore's book: "ORDEAL BY SLANDER," (this statement was made after Lattimore learned that Budenz would testify against him)

"Abe," I (Lattimore) said, "I don't see how we can do any pussyfooting on this. I want to meet this thing head on and slug it out . . . I owe it to myself and the issues that are at stake . . ." Abe said nothing, but I could see from his face that I had more than a lawyer. I had a friend and we believed in each other."

Congressman Ashbrook, speaking of Fortas' association with the INSTITUTE OF PACIFIC RELATIONS, stated:

"At a meeting of the Washington Institute of Pacific Relations Advisory Committee, held at the home of Owen Lattimore, on March 25, 1946, a number of suggestions were made for building up the Washington chapter. One of the suggestions was to build 'first class programs' around headlines."

"Who was suggested as one of those headlines? Abe Fortas. The Institute of Pacific Relations hearings show the name Abe Fortas in many connections — not just the counsel for the witness."

ABE FORTAS AND HARRY DEXTER WHITE

On January 4, 1945 (See INTERLOCKING SUBVERSION IN GOVERNMENT DEPARTMENTS, PART 111), Fortas wrote the following letter to Dexter White, later exposed as a Soviet agent.

Jan. 4, 1945

Dear Harry:

I am delighted that the president nominated you to be Assistant Secretary of Treasury. Your promotion is completely deserved and it will strengthen the government considerably.

My very best wishes,

Sincerely yours,

Abe

Undersecretary

White had been reported SIX TIMES to President Truman, by the FBI as a COMMUNIST AGENT! It was during 1944 that White's treasonous deal of giving our money engraving plates to Russia came to light. Are we to believe Fortas did not know what kind of man White was?

FORTAS AIDS RBDS IN STATE DEPARTMENT

"Fortas has been a severe critic of the Government security program." A story in the Nov. 3, 1950 DAILY WORKER (Communist paper) was headlined: "Three ex-government officials hit State Department firings." The WORKER revealed that Fortas, a former New Deal bureaucrat, had joined two colleagues to blast as "unfair and un-American" the dismissal of certain State Department employees accused of disloyalty. Fortas said the firings smacked of a "police state."

A paragraph from Arthur M. Schlesinger's book "THE COMING OF THE NEW DEAL," reveals the following:

"What we need," he (Jerome Frank) told Peek, "are brilliant young men with keen legal minds and imagination." In a short time he brought together a remarkable group — among them, Thurman Arnold (later to become Fortas' law partner) and Abe Fortas from the Yale Law School; Adlai Stevenson of Chicago; and, from the Harvard Law School, ALGER HISS, LEE PRESSMAN, JOHN ABT AND NATHAN WITT."

The last four have been identified in sworn testimony before Congressional Committees as communists!

IS FORTAS IMPECCABLE?

Charles Callas, research assistant to the Senate Internal Security Subcommittee at the time of the Lattimore investigation, accused Fortas before the committee of pressuring Bella Dodd, while she was still a Communist, INTO MAKING A FALSE AFFIDAVIT, USED TO DEFEND LATTIMORE — THE AFFIDAVIT ACTUALLY BEING PREPARED BY FORTAS AND AN IDENTIFIED COMMUNIST!

This is a serious charge. WHY WAS THE MATTER NOT PROBED? If false, why was not Callas punished and Fortas' name cleared? If true, why did the Committee recommend the appointment? ABE FORTAS AND GESELL REPORT

During Lyndon Johnson's Vice Presidency, Fortas served as head of the EQUAL

EMPLOYMENT OPPORTUNITY COMMITTEE. He was an influential advisor on two Civil Rights bills LBJ pushed through the Senate in 1957 and 1960. Fortas played a major role in the drawing up of the Gessell Report, which was written by the PRESIDENT'S COMMITTEE ON EQUAL OPPORTUNITY IN THE ARMED FORCES, to which he was appointed in 1962. The implementation of this Report, carried out by a dangerous Marxist, Yarmolinsky, helped create havoc in the Armed Forces — which it was designed to do. Yarmolinsky has been quoted as saying that he didn't give a damn whether they (the Negroes) wanted to be integrated or not, THAT THEY WOULD BE INTEGRATED. (Congressional Record, Aug. 7, 1963)

WHAT OTHERS SAY

SENATOR STROM THURMOND, on the Fortas appointment:

"After careful examination of the available information on the nominee, Mr. Fortas, I am convinced that he is totally lacking in judicial temperament. Both his public conduct and his words demonstrate a disdain for absolute values, and that he holds a philosophy based on relativism."

"I oppose the confirmation of Mr. Fortas as Associate Justice of the Supreme Court."

The following statement was made by **CONGRESSMAN JOHN ASHBROOK** of Ohio:

"If the President were to have searched out a person who would be least qualified to sit on the Supreme Court of the United States, he could not have done much better

than in his selection of Abe Fortas." Fortas has been a "quiet participant in some of the more dubious transactions involving the Johnson Administration..." (Congressman Durward Hall, Missouri, before Senate Comm. 7/27/65)

According to **ESQUIRE** magazine (June, 1965) "... he (Fortas) is a fixer, the man who takes jobs too delicate to be done by anyone in official status; he's always on hand, either actually, or at the other end of the phone line, suggesting, reacting, developing;..." One top White House aid says "HE'S AS CLOSE TO JOHNSON AS BOBBY KENNEDY WAS TO JACK". It is clear that when an emergency arises in the Johnson family, it is Fortas who is called first."

The following paragraph from the same magazine indicates Fortas' closeness to LBJ goes far deeper than most people realize:

"The incident (the Washington Star's agreement not to print the Jenkin's story) illustrates several things about Fortas. First, his role in the official family: when beset by the blackest trouble man can imagine, Jenkins literally ran to him. Second, his high status: **ALTHOUGH HE HAD NOT BEEN IN TOUCH WITH THE PRESIDENT, HE WAS ABLE TO SAY CONFIDENTLY IN THE CONFERENCE WITH THE STAR EDITORS THAT JENKINS WAS FINISHED AT THE WHITE HOUSE — AND THEY KNEW HIS WORD HAD THE STAMP OF AUTHORITY.**"

Fortas' role as counsel for Bobby Baker, his part in establishing the trust for LBJ's

extensive radio and television properties, his masterminding of the legal brainpower that turned defeat into victory in the now scandalous Texas Senate election of 1948, not to mention his intimate knowledge of Lyndon Johnson's personal financial position, should automatically rule Fortas out. As Iowa's Representative Gross put it, the Fortas nomination "is inconceivable under the circumstances." (Senate Comm. Hearing 7/27/65)

Abe Fortas was appointed to the Supreme Court in spite of his definite red background. Remember that Fortas is a Zionist. The Zionist Invisible Government will keep him there — that is, unless a sufficient number of Patriots raise their voices in protest.

The record outlined here speaks for itself. If you're convinced the appointment of Abe Fortas was a tragic mistake, let your voice be heard. Though he has been approved, you can still act. You can remind your Senator what a serious mistake he made, and that you're through with him. You can publicize the Fortas record. We've only scratched the surface here. Remember a sufficiently aroused public opinion cannot be ignored.

PRESERVE OUR PRESENT IMMIGRATION LAWS

The most urgent task before us — at this writing — is to defeat any changes in the present **WALTER - McCARRAN IMMIGRATION LAWS.**

In August, the House of Representatives voted to change our Immigration Law.

At this writing, H.R. 2580 is pending in the United States Senate where action is expected within the next few days.

The sabotage of our Immigration Barriers will flood the U. S. with millions of undesirables — the jetsam and flotsam from Asia and Africa!

These millions of "colored beatniks" will create unemployment... add more millions to our relief rolls... increase your taxes for welfare!

But... worst of all, it has reliably been reported that 750,000 trained revolutionaries are ready and waiting to swarm into the U. S. on a first-come first-served basis... to lead the race rioters and demonstrators in a nation-wide revolution! They plan to capture all telephone companies, TV and radio stations, power plants and water works, all bridges and tunnels, all city and state capitals, — and to hold your wives and children as hostages and playthings, to make you surrender!!

Your business is at stake!
Your churches and schools are at stake!
Your homes are at stake!
You, yourself, and your wives and children are in dire peril!! — Right now!

By the time you read this warning, the Senate might have already enacted these changes to our Immigration Laws.

If so, flood your Senators with telephone calls, telegrams and airmail letters.

Demand that they act fast to repeal this sellout to Communism, or else you will hold them "personally responsible" for the loss of your business, your home and your loved ones!

And, above all, get out and work against them — day and night — and at the polling booths!

And... circulate petitions to recall them from their posts!

Communism is intrinsically wrong, and no one who would save Christian civilization may collaborate with it in any undertaking whatsoever.

chers, and the organization was called upon to raise five thousand dollars from among its members for the support of the SPANISH PEOPLES' FRONT, which is the organization in control of Spain, who are destroying Churches, Monasteries and property and slaughtering priests and nuns."

INTERNATIONAL JURIDICAL ASSOCIATION: Member National Committee (See p. 88 of House Document No. 398, 87th Congress, Second Session). We quote from Attorney General Cook's address given in Atlanta, Georgia, before the 55th annual convention of the PEACE OFFICERS ASSOCIATION OF GEORGIA:

"He (Marshall) is listed as a member of the Communist Front, International Juridical Association, which has actively defended Communists, and consistently followed the Communist Party line. He was among a group of attorneys, who, in 1947, protested the issuance of contempt citations against pro-Communist Hollywood writers who refused to testify before the House Committee On Un-American Activities."

NATIONAL LAWYERS GUILD: Member Executive Board 1949-1950. (See Report No. 3123, Sept. 17, 1950, House Committee On Un-American Activities.) Attorney General Eugene Cook, made the following statement regarding the Guild:

"The NATIONAL LAWYERS GUILD has been described as the foremost legal bulwark of the Communist Party, its front organizations and controlled unions. Since its inception, the Guild has never failed to rally to the defense of the Communist Party and the individuals including known espionage agents. And as a member and policy-making official of this Communist Front, Marshall has served as Associate Editor of the 'LAWYERS GUILD REVIEW' and has opposed this nation's loyalty program."

THURGOOD MARSHALL AND THE NAACP

Marshall is the former chief counsel of the red-controlled NAACP and represented it in over thirty cases. Marshall argued the controversial 1954 Desegregation Case before the U.S. Supreme Court. He became NAACP's chief counsel in the 1940's. IS NAACP A COMMUNIST FRONT?

THE NAACP WAS FOUNDED BY REDS AND SOCIALISTS. Arthur Spingarn, a Jew, has been the president of the NAACP for the past 23 years.

"COMMUNISM AND THE NAACP," a report by the Georgia Commission on Education, in giving a breakdown of their officers (1958), stated:

"One hundred and forty-five (over sixty percent) ... have been involved in one way or another with 2,200 affiliations of public record! Forty-six of these national officers have had one or two Communist affiliations; 99 have had three or more such affiliations; 52 have had ten or more; and 46 have had 15 or more."

If the NAACP isn't a cited Communist Front, it certainly should be for red frontiers cling to it like bees to the honey comb. Their chief counsel, Thurgood Marshall collaborated with the late, self-confessed Communist, W. E. B. DuBois, in preparing a brief for the convicted spies Julius and Ethel Rosenberg.

The question crying for an answer right now is: How can a man with his violent Partisan background possibly manifest the objectivity and impartiality so indispensable in a judge? Marshall's statement in Sept. '61, quoted in NEWSWEEK furnishes the answer:

"We've negotiated too quietly and too reasonable too long. We've made up our minds to harass the legal hell out of the school boards. From here on out we're going to be unreasonable, un-decent and un-everything else."

GOLDBERG

— Continued from page 1 —

David Dubinsky and Mike Quill. Goldberg has never been on a bench — federal, state or local, and is a newcomer to foreign affairs, totally without experience.

Below is part of Goldberg's pro-red record which should disqualify him as a candidate to any government appointment, much less to represent our interests in the U. N.

Arthur Goldberg was a National Committee member of the NATIONAL RELIGION AND LABOR FOUNDATION, set up by Sidney Hillman (an identified communist) in 1932. Forty-five members of this Marxian-Fabian front wrote FDR in November 1935, asking him to "socialize the country's resources, nationalize its basic industries, and build an inclusive labor movement." The FBI and the House Committee on Un-American Activities have referred to the NRLF as "One of the most vicious communist organizations ever set up in this country."

In 1957 Arthur J. Goldberg was a member of the Executive Board of THE RELIGION AND LABOR FOUNDATION, a communist front, which published the sacrilegious cartoon of Christ depicting Him as a wanted criminal. Co-board members then included, among others, communist-fronters, Henry Hitt Crane, Jerome Davis, Benjamin Mays and A. Phillip Randolph.

CONFERENCE ON CONSTITUTIONAL LIBERTIES IN AMERICA. Goldberg was a sponsor of this Washington, D. C. conference, (June 7-9, 1940), a cited communist front enterprise. (APPENDIX IX, P. 6537.)

NATIONAL EMERGENCY CONFERENCE, Washington, D. C., May 13-14, 1939. Goldberg was a sponsor of this affair, a cited front enterprise (APPENDIX IX, P. 1206).

NATIONAL LAWYERS GUILD, frequently referred to as "The communist front for attorneys." Goldberg was president of its Chicago chapter, according to Sullivan's Law Directory, 1939. Two of the national directors of the guild at that time were Isaac E. Ferguson and David J. Bental, co-founders of the Communist Party, U.S.A.

CHICAGO CONFERENCE ON RACE RELATIONS, July 22, 1939. Goldberg was also a sponsor of this communist front operation. (APPENDIX IX, P. 610)

Goldberg also was a member of the Board of Directors for the leftwing FUND FOR THE REPUBLIC and CARNEGIE ENDOWMENT FOR INTERNATIONAL PEACE, as well as a member of AMERICANS FOR DEMOCRATIC ACTION.

The early forties found Goldberg chief of the Division of the thoroughly Communist OFFICE OF STRATEGIC SERVICES.

Goldberg was hired as General Counsel of the CIO at the urging of JACOB S. POTOFKY, long-time Communist-fronter.

As Secretary of Labor, Goldberg appointed Walter Gellhorn as official arbitrator for the International Organization of Masters, Mates, and Pilots, which almost controls our Merchant Marine. GELLHORN HAS BEEN IDENTIFIED BY LOUIS BUDENZ AS A COMMUNIST. (House Committee Investigating Tax Exempt Foundations, 12/23/52, page 725).

Apart from his leftwing and definite red background, there are other considerations with regard to the Goldberg appointment. The St. Louis Globe-Democrat referred to the new Goldberg assignment as follows: "He has no background whatever in diplo-

Thurgood Marshall also was reported to have said, in effect: When us Negroes get in charge, every time a White man breathes, he will be fined!

"Do you intend to 'keep on breathing?' WAKE UP, AMERICANS, WAKE UP! Protest the appointment of THURGOOD MARSHALL as Solicitor General. Let your Senator and Congressman know how you feel. Your voice is important, when it adds to a chorus of millions of voices!

macy or the world of foreign affairs. For the last three years, his talents have been devoted to support of the leftist majority of the U. S. Supreme Court. Such work hardly qualifies Mr. Goldberg for matching wits and defending American national interests."

The mere fact of his Zionist background alone, should stamp the appointment a political "mistake"! An incensed Arab world will be harder to deal with and driven that much further toward the Soviet orbit! Arthur Goldberg has the added "distinction" of having served as a member of THE BOARD OF DIRECTORS OF THE A.D.L. OF B'NAI B'RITH, Washington, D. C. The ADL is the most dangerous red front in America! The ADL cabal of 2000 Zionist Gestapo-type "spies" is the hidden power behind communism in the U.S.! Jewish pressure prevents Congress from naming the ADL as a 'red front'! Their chief counsel — Arnold Forster (Fastenberg) — is a former member of a spy ring (Congressional Record Oct.-20, 1951).

There is, however, one ray of hope in this gloomy picture. Arthur Goldberg greeted the announcement of his appointment with these significant words, "THROUGHOUT MY LIFE I HAVE DEDICATED MYSELF TO THE RULE OF LAW." Perhaps now we can look forward to an easing of tensions in the Middle East and an ultimate solution to the Palestine question. It remains unsolved solely because "the rule of law" has not been applied.

If this article indicates to you that Arthur Goldberg's record and "qualifications" are against America's interests in the UN "Tower of Babel," then write and ask your Senator how and why he voted to confirm Arthur Goldberg's appointment!

Dear Colonel Monell:

Your letter of August 4th and enclosure have been received in Mr. Hoover's absence from the city.

Please be assured your communication will be brought to his attention when he returns; however, I know that he would want me to inform you that he is unable to answer your inquiry regarding "Common Sense" since information in FBI files is confidential, due to regulations of the Department of Justice. I am sure you can understand the reasons for such policies.

Sincerely yours,

Helen W. Gandy

NOTE: There has been limited prior correspondence with Colonel Monell dated back to 1951. He has in recent years, been described as a trouble maker and fraud who uses his title to impress people with his importance. He applied for the position of Special Agent in 1928 and has been with numerous Government agencies in the past. (67-9926, 62-1254 and 63-528-9). He encloses a folder he received through the mail containing issues and advertising material of "Common Sense," well known to the Bureau for its anti-Semitic views.

MAY GOD SAVE OUR NATION FROM TRAITORS WHO RULE HER

By P. A. DEL VALLE, President
Defenders of The American Constitution
To judge us, both our friends and our
Enemies need only to look at the record.
We began life as a nation under our di-
vinely inspired Constitution.

This basic law of the land stemmed natu-
rally from Christian ethics. With very few ex-
ceptions, the Founding Fathers were devout
Christians who invoked the Deity for each
important step they took; prayer was natural
to them in everything they undertook. Hence
all our institutions began the day's work with
a Christian prayer; we, as a nation, "sought
the Kingdom of God and its Justice." The
reward was, as the Gospel says: "And all
these things will be added unto you." They
were, and the world beheld a nation incred-
ibly free and prosperous, carved in a few years
from a wilderness.

George Washington left to us a precious
heritage, both in word and action. First of all
he refused to be made our King, because, he
said, "We already have a King, our Lord
Jesus Christ. You may make me your
President if you wish." And they made him
President; but after two terms he refused the
power and honor of a third term and thus
set an example that was not dishonored un-
til Franklin Delano Roosevelt's questionable
ethics and the public's madness permitted
him to be elected to four terms. From
George Washington we received, as part of
our heritage, his Farewell Address. Had we
followed it, we would have saved ourselves
from the succession of unprincipled men
whose technique was so ably described by
Harry Hopkins, one of Roosevelt's New
Dealers: "Tax and tax, spend and spend, and
elect and elect."

Since we may assume it was not for this
un-Godly end that Providence guided the
heads and hands of those who founded this
great Christian Republic, and we know that
"God will not be mocked"; then we must con-
clude that the time is not far when Divine in-
tervention, in whatever form, will overtake
these destroyers of His handiwork.

But where do we stand now? In what way
do we appear to the rest of the world as a
nation of imbeciles? Briefly, one may sum-
marize by saying that it is because we have,
as a nation, abandoned the worship of God
for the worship of Mammon. But those who
may read this may ask: just what do I mean
by this cliché?

We take you back to the year 1913. Wood-
row Wilson was President. Mammon came
in the persons of the Warburgs, foreign
bankers, who sold Wilson, his Secretary of
the Treasury, William Gibbs McAdoo and
Congressman Carter Glass the bundle of
boodle they called the Federal Reserve Act.
The Founding Fathers had placed control of
our currency in the hands of the Congress
under Article 1, Section 8, Paragraph 5 of
the Constitution. Nothing in the Constitution
gives the Congress the power to divest itself
of this control. Therefore, when on 23 De-
cember, 1913, the Congress, by passing the
Federal Reserve Act, surrendered this sover-
eign right and duty to a consortium of

private bankers, most of them foreigners, it
acted unlawfully and outside the powers
granted to it by the Sovereign States.

Since, historically, any nation that does
not issue and control its own currency is
doomed to destruction, this act on the part of
the President and the Congress was suicidal.
It is only a question of whether these men
acted knowingly or un-knowingly. If the for-
mer, they were venal; if the latter, they were
imbeciles. The reader will ask why?

I can also ask why. Why was this act
passed surreptitiously, on the eve of Christ-
mas, when most legislators had gone home?
Did the foreign bankers find a handful of
Congress assembled on that day by chance,
or was there a quid pro quo enjoyed by these
members for their services? Would this
fraudulent act have been passed had there
been present a majority of the Congress? The
reader may fill in his own answers. I con-
tent myself by remarking that anyone who
sells his own country's sovereign right to con-
trol its currency to a group of international
bankers is not only venal but also imbecilic.

In 1944 this monster we created, the Fed-
eral Reserve Corporation, delegated its il-
legal right to the control of our money to The
International Monetary Fund. Thus we have
surrendered our country to international con-
trol by means of our unlawful fiscal system.

From 1913 to 1964 the use of these bank-
ers' notes issued by the Federal Reserve has
cost the American taxpayers the formidable
sum of three hundred ten billion, five hun-
dred seventeen million dollars in interest.
Had we used United States certificates, such
as the so-called Lincoln Greenbacks, the tax-
payers would have been saved that much in
taxes. Lincoln saved the tax-payers 49 bil-
lions by refusing to pay the international

P. A. DEL VALLE

bankers exorbitant interest (usury) on the
\$400 million he needed to bring the War to
a close. Lincoln was no imbecile! But those
who are content to do nothing to restore the
control of our money to Congress certainly
must look like imbeciles to the wily bankers
who are fleeing the Republic. Congressman
Louis T. McFadden of Pennsylvania, who was
for ten years the chairman of the House
Banking and Currency Committee, accused
the Federal Reserve on the floor of the
House of Representatives, of looting the Fed-
eral Treasury of over 100 billion dollars in
the year 1928 alone. And McFadden was no
imbecile; but the members who dared not do
what was necessary to bring an end to this
highway robbery most certainly deserve that
title, along with that of moral cowards.

The United States Government does not
own a single share of stock in the Federal
Reserve Corporation, which was named "fed-
eral" in order to mislead people into think-
ing it was a government institution. The fact
that the Federal Reserve is not a government
institution, but a private one, is proved by the
Federal Reserve Act itself, for it contains a
clause whereby the Federal Reserve Corpora-
tion may be purchased by the government.
And I accuse the government of imbecility
for not doing so. The value of the stock is
now just under half a billion! Lopped that
off the other imbecility which goes under
the name of "Foreign Aid" and buy the Fed-
eral Reserve Corporation and its assets, and
the tax-payers' bills will be slashed over fifty
percent in the first year alone! So who are
the imbeciles who will not even discuss this
in the Congress? Due to their neglect of duty,
we tax-payers must continue to pay the in-
ternational bankers, who own the Federal
Reserve Corporation, interest amounting
now to nearly 13 billions annually. Why? Be-

**TALMUD IS CALLED
CIVIL RIGHTS GUIDE**
Rabbi Cites Relevancy for
Social Problems Today
The Talmud, ancient code of Jewish civil and canonical law, was the early forerunner of a modern civil rights manual, according to Rabbi Haskel Leuchter, spiritual leader of the Jewish Community Center in New York City, who spoke yesterday at the opening of the annual convention of the National Jewish Post-Opinion Council.

A few "gems" from the Talmud will give some idea of the inspiration behind the Civil Rights movements.

"The robbing of a gentile is allowed as they are not our brothers."—Baba mezia 61. (Brotherhood?)

"A Jew is permitted to rape, cheat and perjure himself; but he must take care that he is not found out so that Israel may not suffer."—Schul. Aruch, Jore D. (Civil Rights?)

"A Jew may violate but not marry a non-Jewish girl."—Gad. Shas. 2:2. (Integration?)

The 1966 CIVIL RIGHTS BILL is a vicious Talmudic-sponsored piece of legislation which must be defeated. Write, wire or telephone your Senators and Congressman. Urge your friends to do the same. Every vestige of freedom you still have hangs in the balance.

ZIONISTS DIRECT MONETARY FRAUD

JACOB H. SCHIFF, financed 1917 communist revolution, Rothschild agent in Kuhn Loeb & Co., sent to U.S. to replace August Belmont (Schoenberg) as U.S. agent for Rothschild world-wide financial dynasty. **PAUL WARBURG**, Rothschild representative of Kuhn Loeb & Co., who master-

mindful illegal Federal Reserve Act and was later removed from Federal Reserve Board because of communist connections. **HARRY DEXTER WHITE**, headed communist conspiracy in U.S. government and was most important architect of U.S. monetary system.

(Continued from Page 1)

cause the Federal Reserve under the "Act" (imbecility, I should call it) of 1913 has the right to require the U.S. Treasury to have their fiat money printed at cost (about one dollar per million) and turn that bundle over to the Federal Reserve Banks. These banks then gladly buy our government bonds with this money which cost them nothing, and charge the imbecilic government interest! And what made the Federal Reserve raise the interest rate recently? Dear reader, you can figure that out for yourself. You will feel it in your next income tax bill.

Under the mellifluous title of "Foreign Aid", bastard progeny of Lend Lease of ill repute, dripping with graft and malfeasance of officers, there now comes under the microscope for the examination of "you know who", yes, you Tax Payers who can stomach this outrage in ignorance of its portent, the microbe of our fiscal dissolution.

Who but an imbecile would tax his countrymen to "aid" the sworn enemies of his country? Yes, you reply brightly, a traitor. Well, gentle reader, have a look in the microscope, where Foreign Aid, the germ of our undoing, can be clearly seen.

During November, 1964, with presidential blessing, the executives of some sixty U.S. business firms met in Moscow with the Communist Party Executive. Some of these firms produce strategic materials. Thus our imbecile, or worse, authorities are encouraging the Communist World Conspiracy by providing them with the sinews of War from our own factories. A happy meeting in Moscow, where ways and means of circumventing the restrictions placed by Congress upon this trade were agreed upon with the apparent knowledge and consent of the administration. Altogether a good business for the International Bankers, who are no imbeciles, and can see that this will lead to a big War. And who gains wealth in any big or little War? You guessed, dear reader. And who pays with his treasure and the blood of his sons? Of course, "you know who", the Tax Payer.

Observe the "Works" of our curious "government." If it were really concerned with fighting communism, would it begin in Viet Nam and Korea, thousands of miles away? Or do you think it would, before sending our tax-payers' sons to die in the Far East, do some of the following:

1. Sever diplomatic relations with all communist governments.
2. Recognize governments in exile as the legitimate governments of the communist dominated countries.
3. Stop propping up the economy of communist countries with our Foreign Aid.
4. Clear the communists out of our government, our colleges and our courts.
5. Clear the communists out of Cuba, Panama and Santo Domingo.

We contend that unless the government takes these steps first, it has no business sending the Tax Payers' sons out to die in wars all over the world which are being waged without the authority of a declaration

of war by the Congress, as provided in the Constitution. We have every reason to believe these are the Wars of Mammon, the international modern Pharisees who have somehow got control of our government. And this leads naturally into our next imbecility: the so-called United Nations.

Born under the mid-wifery of Alger Hiss, Harry Dexter White and Gromyko, this illegitimate monstrosity would have died aborning had not President Truman and his Senate committed malfeasance and joined it. We are Tax-Payers to it in spite of the fact that it involved a surrender of our sovereignty, for which there is no authority under the Constitution. These men were not all imbeciles — some were just too lazy to read the "Treaty" and the "Charter", and some were allured by our new god, Mammon. But in the overall, we can classify them en masse as imbeciles. For, who but an imbecile would surrender his country's sovereignty, its right to manage its own affairs, into the hands of an ill-assorted conglomeration of nations and so-called nations, 90 percent of which are non-Christian? And the nation has earned the title of imbecile also for allowing this fraudulent act to stand un-challenged. They sold it to us as a preventive to wars, but more wars, internal and external have been fought since it came into being than in any like period in history.

Let us place this "thing" under our microscope and let the intelligent Tax-Payer have a good hard look. He should know that the

U.S.A. pays 30 percent of the costs of the U.N. and has but one vote against the many, some of which refuse to pay anything. When France and the U.S.S.R. recently refused to pay for the wars waged by the "peace keeping" U.N. in Africa, up stepped our U.N. Ambassador, Arthur Goldberg and generously paid their share and that of others who similarly refused to pay. Mr. American Taxpayer, you will find this generosity reflected in your next income tax bill. And who benefits? Mr. Tax-payer, send to the U.N. secretariat for the names of officers. It will reveal that this monster is a very Red one and control is in the hands of Mammon.

You will find that the Security Council, the military control machinery, is always headed by a communist, present incumbent, Vladimir Suslov. Under the U.N. Charter, all military operations by member nations or by regional organizations such as N.A.T.O., S.E.A.T.O., etc. must be fully reported to the U.N. Security Council. So you see the communists knew what MacArthur was going to do in Korea before he did it. Only in one instance did he manage to keep a secret — when he made the Inchon landing. Apparently he forgot to notify Washington. Now we are in Viet Nam under the same Charter, going to war for S.E.A.T.O., and telling Mr. Suslov what we are doing before we do it. The Charter does not say whether or not the Security Council may transmit this information to Moscow, Peking, Hanoi, etc. From the results of our efforts thus far I would judge that this imbecility is costing the lives of many American Tax-Payers' sons.

If the preceding record does not convince our readers, let us conclude this examination of the U.N. monster by quoting from a U.P.I. dispatch printed in the San Jose (California) Mercury:

"Congressional Republicans proposed that the United States give up some (sic) of its sovereignty in the interests of forming a 'federal union' with its N.A.T.O. allies. The idea was endorsed by prominent G.O.P. figures." This by way of proving that not all the imbeciles are in the Democratic Party. The Great God Mammon apparently is "bi-partisan". This is but a start of the fascinating subject of why this nation may well be judged by friend and foe as a nation of imbeciles. In conclusion let us elaborate upon an old saw: "A fool and his money are soon parted" to make it read: "A nation of imbeciles and their money and sovereignty are soon parted."

COMMUNISM AT BERKELEY

"No great revolutionary ever made of strategic questions a moral issue. The greatest, Lenin, advocated adopting whatever tactic would bring about the ultimate end."

—From remarks made by Bayard Rustin, convicted sex pervert and adviser to Martin Luther King, at a 7-hour conference on civil disobedience, held on Thursday, November 4, 1965 on the University of California's Berkeley campus. (Daily Californian, November 5, 1965, page 16)

A few years after the Communist Party was organized in the United States it divided the country into 20 districts, California, Arizona and Nevada originally being included in district number 13, with headquarters in San Francisco. The important thing to bear in mind is that the headquarters for the whole of California and adjacent territory has always been situated in San Francisco. The main propaganda outlet for the Communist Party is now at 1408 Market Street, and the party high command continues to operate from the San Francisco Bay Area.

On Thursday morning, October 1, 1964, at 11:45 A.M., JACK WEINBERG (non-student) was arrested in front of Sproul Hall, on the University of California's Berkeley campus. Weinberg was apprehended for soliciting funds at a Campus CORE table set up in deliberate violation of University regulations. Immediately after Weinberg's arrest, 150 to 200 students invaded Sproul Hall and the crowd, which grew to approximately 500 in number, imprisoned the police car containing Weinberg for a period of almost 34 hours. They were finally dispersed at 7:15 P.M. on Friday evening, October 2nd.

FSM—FREE SPEECH MOVEMENT

During the weekend of October 3-4, the so-called "Free Speech Movement" was created in the 2-room Berkeley residence of ARTHUR GOLDBERG. This particular Arthur Goldberg is described on page 148 of the California Senate Factfinding Subcommittee on Un-American Activities Report No. 13 (June 18, 1965) as follows: "Arthur Goldberg, who was a member of both the executive and steering committees of the FSM received his early Communist indoctrination as a member of the Youth Action Union in Los Angeles. At Berkeley he identified himself openly with the more militant Peking line of the Communist movement."

At 12:30 P.M., December 2, 1964, almost 800 students marched into Berkeley's Sproul Hall, singing "We Shall Overcome", and occupying the building until the arrests began at 3:30 A.M. the following morning. These individuals were tried and found guilty of unlawful invasion and assembly in Berkeley Municipal Court during June-July, 1965.

Following is a partial listing of those arrested in the Sproul Hall invasion of Dec. 2-3, 1964: MARK AARONSON, BETTINA APTHEKER, ABRAHAM BOOKSTEIN, MARTIN COHEN, SANDOR FUCHS, JERRY GINSBURG, ARTHUR GOLDBERG and his sister, JACQUELINE, LEE GOLDBLATT, DAVID GREENBERG, PETER ISRAEL, HAL ROSEN, EDWARD ROSENFELD, LAWRENCE SHAPIRO, BERNARD STEIN, JACK WEINBERG, etc., etc.

The apparent "front man" for the Dec. 2 FSM demonstrations was Mario Savio, who had no previous subversive record. Other leaders included STEVE WEISMAN, JACK WEINBERG, and the afore-mentioned ARTHUR and JACQUELINE GOLDBERG.

The first charges of police brutality came on December 4. PETER ISRAEL said that he was slapped; Arthur Goldberg said the police "beat the hell out of him." Jack Weinberg had screamed and cursed as he was taken into custody the morning of December 3rd.

The previously cited California Senate Factfinding Subcommittee on Un-American Activities Report No. 13 (June 18, 1965) states on page 147 "that there was increasing Communist control of the FSM immediately prior to and after the invasion of Sproul Hall on December 2, 1964." The subcommittee also stated on pages 116-117 that "after the Sproul Hall invasion it became crystal clear

BETTINA APTHEKER, daughter of Herbert Aptheker, one of leaders of riots at University of California, Berkeley Campus. In sworn testimony at recent Senate Hearings, she was identified as a Party member at the time she was leading the campus riots.

HERBERT APTHEKER, notorious communist, directs the American Institute for Marxist Studies in New York City, considered one of the top communist theoreticians in the United States.

that the main leaders were Arthur Goldberg, Mario Savio and Bettina Aptheker."

Bettina Aptheker was at that time a well-indoctrinated member of the Communist Party, as she admitted more than a year later. (California Alumni Monthly, Dec. 1965, p. 41). In his testimony of March 4, 1965, before the Subcommittee on Appropriations, FBI Chief J. Edgar Hoover termed Bettina Aptheker "a close advisor of Mario Savio."

FSM—FILTHY SPEECH MOVEMENT

The Free Speech Movement suddenly became the Filthy Speech Movement on March 3, 1965 when a non-student strolled across the Berkeley campus with a sign on which was a 4-letter word for sexual intercourse. Arthur Goldberg was quoted in the Daily Californian (March 4, 1965) as saying that "a guy had a right to express himself like he wants."

The strolling sign-bearer was arrested as was another non-student, EDWARD ROSENFELD, who displayed a sign: "Support the F—— Cause."

VIETNAM DAY COMMITTEE

According to the May 6, 1966 California Senate Factfinding Subcommittee on Un-American Activities Supplemental Report No. 13 (page 79), "Professor STEPHEN SMALE, of the Berkeley campus Mathematics Department, and JERRY RUBIN, a non-student, take credit for having started the Vietnam Day Committee and anti-Vietnam demonstrations throughout the country."

On Friday evening, October 15, 1965, between 10 and 14 thousand marchers attempted a torchlight parade from Berkeley to the Oakland Army Terminal. About 2,000 made the same attempt on Saturday, October 16th. The Senate Internal Security Subcommittee (Document No. 72, October, 1965) had this to say concerning the October 15-16 national Vietnam protest movement: "The control of the anti-Vietnamese movement has clearly passed from the hands of the moderate elements who may have controlled it at one time, into the hands of the Communists and extreme elements who are openly sympathetic to the Viet Cong and openly hostile to the United States, and who call for massive civil disobedience, including the burning of draft cards and the stopping of troop trains. This is particularly true of the national Vietnam protest movement scheduled for October 15-16."

BEHIND THE SCENES CONTROL

The statements recently published by MORRIS WILLS, who defected to Red China and has returned to the United States, reveal that there is an elite group of English-speaking residents in Peking who have master-minded the campus demonstrations throughout the world. There are about 15 Americans in the group, and its leader is ISRAEL EPSTEIN.

Contacts are maintained through England, and as American visitors to that country come and go, they receive instructions from the hard-core coterie of Red Chinese Communists. SIDNEY SHAPIRO is another who takes a leading part in these actions. Wills described the operation in the February 22, 1966 issue of Look magazine (pp. 85 and 91): "When the Americans began bombing North Vietnam last year, MICHAEL SHAPIRO called a meeting of all foreigners in Peking. He indicated the Central Committee of the Party wanted them to show more enthusiasm for Chinese support of the North Vietnamese. They discussed what more they could do to develop the movement in America—on campuses, among the Negroes and everywhere else—to bring Americans into the chain. They were mainly interested in professors and students. The Chinese Party envisioned the Vietnamese war coming to an end because of the movement in America."

FACULTY "ADVISERS"

From 9, 1961 until 6/1964, LEON WOFSEY was employed as Assistant Research Biologist at the University of California's San Diego campus. Wofsey is described by the California Senate Factfinding Subcommittee on Un-American Activities (Report No. 13, June 18, 1965) as follows: "From 1937, certainly through the next eighteen years, he (Wofsey) was one of the most active and important Communist officials in the United States... he unquestionably is the top expert in the field of organizing Communist youth movements..."

Leon Wofsey invoked the 5th Amendment 53 times during his appearance before the House Committee on Un-American Activities. (Transcript of Testimony, "Investigation of Communist Activities, New York" Part II—Youth Organizations, March 16, 1953, pages 219-229.)

Wofsey claims to have left the Communist Party in 1956. However, the official Communist Party newspaper, "The Worker" (June 6, 1956), had this interesting article concerning the 2nd national meeting of the Labor Youth League, headed and organized by Wofsey in his capacity as Youth Director of the Communist movement: "After seven years of outstanding leadership, Leon Wofsey, national chairman of our organization, was granted a leave of absence pending the next national convention. The gratitude and affection of the entire league was expressed to him as he left to take on other responsibilities in the people's movement."

In July of 1964, Leon Wofsey applied for the position of Associate Professor of Biology on the Berkeley campus of the University of California. Wofsey arrived at Berkeley in September, 1964, just prior to the "free speech" demonstrations, having come highly recommended by a fellow professor at the San Diego campus, MARTIN KAMEN.

PROFESSOR KAMEN

Beginning in 1941, Martin Kamen was employed at the Manhattan Project (for atomic research) which was under the general direction of J. Robert Oppenheimer.

On the evening of July 2, 1944, at BERNSTEIN'S Fish Grotto in San Francisco, Martin Kamen attended a dinner at the invitation of two Soviet agents. Kamen was at that time still employed at the Manhattan Project. Certain aspects of the secret Manhattan Project were discussed and classified information was passed on to these two agents by Martin Kamen. Kamen admitted all this under oath before the House Committee on Un-American Activities on Tuesday, September 14, 1948.

Martin Kamen was later dismissed as a security risk from the Manhattan Project. (HCUA Reports—"Hearings Regarding Investigation of Communist Activities in Connection with the Atom Bomb", September 9, 14 and 16, 1948, pp. 11, 18; "Report on Soviet Espionage Activities in Connection with the Atom Bomb", September, 1948, pp. 181-182; U.S. Senate Judiciary Subcommittee on Immigration and Naturalization, September, 1949, pp. 801-823.)

ELI KATZ

Besides having Martin Kamen for a pal, Leon Wofsey is related by marriage to ELI KATZ. From July 1, 1963 until June 30, 1964, Eli Katz was an Acting Assistant Professor of German on the University of California.

COMMUNISM AT BERKELEY

(Continued from Page 3)
 California's Berkeley campus.

In their report No. 259, published April 3, 1959, the House Committee on Un-American Activities discussed Eli Katz in this manner: "Katz is a member of the District Council, Communist Party, Southern District of California. He was a delegate to the Los Angeles County Communist Party convention on January 5-6, 1957, and to the California State Convention, Communist Party, on January 19-20, 1957. . . . Katz appeared as a witness before the committee on September 4, 1958, and invoked the fifth amendment in response to questions concerning Communist Party membership and activity."

At a luncheon meeting held on April 17, 1964, the subject of Eli Katz was brought before the University of California's Board of Regents by University President Clark Kerr. The minutes read in part: "He advised that a responsible Federal agency has reported that Katz is considered to be a Communist, but the matter of membership in the party is such that it does not permit them to make a public statement concerning the case."

The Budget Committee of the University of California reviewed the academic qualifications of Eli Katz, and reported on January 9, 1965, that his work was mediocre, represented duplication of effort in the field, contained errors of fact, and that not much in a scholarly way could be expected from him.

University Chancellor Edward Strong had talked to Eli Katz and as of September 24, 1964, was not satisfied that he could be rehired in view of the University policy against employment of Communists. However, on January 2, 1965, the Chairman of the University's Board of Regents informed Chancellor Strong that he could either resign, be dismissed, or accept an indefinite leave of absence. (Letter of Chancellor Strong, February 9, 1965). Chancellor Strong had refused to give in to the demands of the so-called "free speech" demonstrators in December, 1964, and was replaced "because of health" on January 3, 1965, by Acting Chancellor Martin Meyerson.

By May 10, 1965, Meyerson had reversed the position of former Chancellor Strong and was ready to rehire Eli Katz without any further discussion of his academic and political background as described above. The local press reported on December 18, 1965, that Eli Katz had decided to accept the offer to return to the Berkeley campus of the University of California as Assistant Professor of German, effective July 1, 1966.

Martin Meyerson is slated to become president of the Buffalo campus of the State University of New York later this year. According to a study released on May 14, 1966, by the American Jewish Committee, not one president picked out of an estimated 1,000 vacancies at publicly supported colleges and universities since 1949 was a Jew. Martin Meyerson will become the first breakthrough in the New York system, although one third of the students and faculty are Jewish. (New York Daily News, May 15, 1966).

One cannot help but wonder whether or not the Buffalo campus of the New York State University, like the Berkeley campus of the University of California, will now become encumbered and "heavy laden" with the likes of Professors Wofsy, Kamen and Katz?

ARTHUR J. GOLDBERG, U.S. representative to the U.N., at a meeting of the U.N. economic and social council July 6, 1966, announced the United States would sign the International Convention on the elimination of all forms of racial discrimination adopted last December by the U.N. general assembly.

Goldberg described the convention, or treaty, as being in accord "completely with the policy of my government and the sentiments of the overwhelming majority of our citizens."

The treaty states: "All human beings are equal before the law and are entitled to equal protection of the law against discrimination and against any incitement to discrimination."

The treaty defines racial discrimination as any attempt to deny full enjoyment of human rights and fundamental freedoms for reasons of race, color, descent or national or ethnic origin, which "enjoyment" extends to the political, economic, social, cultural or any other field of public life.

According to U.N. officials, twenty nations have already signed the convention. Goldberg will sign for the U.S.

So the UNITED NATIONS, the illegitimate government of the United States, will accomplish throughout the entire nation what the New Jersey and other state legislators have been unable to do. Is Arthur J. Goldberg speaking for you when he says this treaty is in accord with the "overwhelming majority of our citizens"?

The treaty will not become effective until it has been ratified by the United States Senate. Judging by past performance of the majority of our Senators, no time will be lost in ratifying this treaty, thus paralyzing all effective opposition to the diabolical Marxist forces destroying this nation.

Let your Senator know how you feel and that Arthur Goldberg is definitely NOT speaking for you. Will you remain silent while traitors annihilate you, your dignity, your personality, your right to live? What ever happened to the "discriminating person" so admired up until a few years ago? The right to discriminate is a basic right inherent in man. For a Christian, it is not just a privilege, it is a moral duty to discriminate.

TO SIN BY SILENCE WHEN WE SHOULD PROTEST, MAKES COWARDS OF MEN.

FEDERAL RESERVE CONSPIRACY by Eustace Mullins. (Fourth Reprinting). A daring expose' of plot behind passage of Federal Reserve Act of 1913, which meant the abdication of Congress and the creation of the money trust placing the nation's banking reserves in the hands of the Jewish International Banking Mafia for the purpose of carrying out their nearly fulfilled world dictatorship plan. The book purports to show that this Zionist money power brought on two world wars, created two depressions, and led us directly into our present world crisis.

Communist Fronter Heads N.Y.C. Civilian Police Review Board

New York papers recently carried the names of Mayor Lindsay's newly appointed civilian Police Review Board. The news was shocking.

This civilian dominated and controlled review board will destroy police efficiency and bring about a complete breakdown in law and order. **ALGERNON D. BLACK**, who was recently appointed chairman by Mayor Lindsay, was born in New York of Russian Jewish parents. His father's name was Balachowsky. He is a board member of the CONGRESS OF RACIAL EQUALITY (CORE) and the NATIONAL ASSOCIATION FOR THE ADVANCEMENT OF COLORED PEOPLE (NAACP), and belonged to at least 60 Communist Fronts.

There is no question but that the NAACP is a Marxist Front. As to CORE, (an offshoot of the FELLOWSHIP OF RECONCILIATION, a cited front) the following words of Sen. James O. Eastland, spoken on the Senate floor, July 25, 1961, best describe it: "The movement (Freedom Riders descending on the South) was directed by an organization called CORE. This organization is the war department of those who sell hate, collect donations and sow the seeds of discord in this country. Since its inception its creed has been lawlessness, its tactics have followed the pattern set by Communist agitators the world over. . . . In my judgment one of its objectives has been to raise money from the dupes for the International Communist conspiracy."

Algernon Black, the man who has been selected by the Marxist-Zionist dominated Mayor of New York, John Lindsay, to serve as Chairman of a Civilian Police Review Board, can be counted on to deal out justice in true Talmudic fashion. The other civilian members of the Board consist of two Negroes, who have been active in the civil rights movements, and a Puerto Rican.

MISSISSIPPI CRISIS PLANNED TO PUSH 1966 CIVIL RIGHTS BILL THRU CONGRESS

Following is an analysis of the most abominable Bill ever demanded by a President of the United States ... and if passed will affect every citizen in the Nation ... It is the CIVIL RIGHTS ACT of 1966, HR 14765, S 3296, now being considered by Congress.

This Bill is so worded that you would not even dare express yourself against Communism ... because to do so would subject you to one year in jail, \$500.00 fine, and pay damages for any mental pain caused the Communists.

Spread the word about the true meaning of this so-called "Civil Rights Package" and its potential effects on everyone who rents from, or sells or rents to, others.

THIS IS THE WORST BILL TO EVER BE SERIOUSLY CONSIDERED IN CONGRESS IN 177 YEARS OF AMERICAN HISTORY. IT MUST BE DEFEATED!

It can be defeated. Here is how you can help:

(1) WRITE YOUR CONGRESSMAN: Express your thoughts about the Bill and urge him to fight it. Make a carbon copy of your letter and send it to Judge Howard Smith, Chairman, Rules Committee, Room H 313, Capitol Building, Washington, D. C.

(2) IF YOUR SENATOR IS ON THE JUDICIARY COMMITTEE, try to flood his office with letters and wires from his constituents protesting this Bill. The members of the Committee are: Chairman, James O. Eastland (Miss); John L. McClellan (Ark); Sam J. Ervin, Jr. (NC); Thomas J. Dodd (Conn); Philip A. Hart (Mich); Edward V. Long (Mo); Edward M. Kennedy (Mass); Birch Bayh (Ind); Quentin N. Burdick (ND); Joseph D. Tydings (Md); George A. Smathers (Fla); Everett McK. Dirksen (Ill); Roman L. Hruska (Neb); Hiram L. Fong (Hawaii); Hugh Scott (Pa); Jacob K. Javits (NY).

(3) IF NEITHER OF YOUR SENATORS ARE ON THE COMMITTEE, write both of them a letter and urge them to fight the bill with all they have. Make carbons of your letters and send them to Senator Eastland, the Chairman of the Senate Judiciary Committee.

IF BACKED STRONGLY BY THE GRASS ROOTS, THESE COMMITTEES WILL NOT BREAK UNDER LEFTIST PRESSURE. LET US BEGIN OUR CAMPAIGN NOW. WE CAN WIN! OUR INFLUENCE COUNTS IF WE USE IT!

ACT NOW ... the Freedom you preserve will be YOUR OWN.

LIBERTY LOBBY

ANALYSIS OF CIVIL RIGHTS ACT
OF 1966, HR 14765, S 3296

TITLE I: Federal Court Jury Selection. Forbids discrimination on account of race, etc. in selection. Worst feature: Requires prospective jurors to give information on race, sex and religion, even while forbidding selection based on these factors. May be used to "pack" juries.

TITLE II: State Court Jury Selection. Forbids giving jury officials "undue discretion to determine" juror qualifications. Worst feature: May prevent the desirable practice of

James Meredith and Jack Greenberg

James Meredith, of University of Mississippi infamy, was wounded recently by a stranger from Tennessee. (No doubt some horrible Right Winger out to bring down his prey with birdshot!) Is this part of the Zionist strategy to push the passage of LBJ's Civil Rights Bill and set the stage for a march on Mississippi which will make last year's march on Selma look like a picnic? We can't expect to get facts on this matter when we still haven't been told the truth about the murder of President Kennedy.

The above photograph gives an idea from whom Meredith gets his orders. Jack Greenberg, Chief Counsel to the NAACP, headed the eleven New York lawyers who pushed Meredith into a tragedy which cost the U.S. taxpayers untold millions. Meredith is just another stooge for the Zionist-directed groups of revolutionary lawbreakers who have descended upon the South bent on violence, destruction and bloodshed.

Most Negroes do not now and never did want integration, nor are they concerned about voting, so the Zionists had to force these issues upon them. Even today, with all roadblocks removed, most Negroes are still not voting. As Adam Yarmolinsky told some protesting Negroes: "You're going to be integrated whether you like it or not."

carefully selecting "blue ribbon" grand juries for secret investigations of politicians, etc., as well as being an unconstitutional interference with the power of the people to establish their own juror qualifications.

TITLE III: Amendment to Title III of 1964 Civil Rights Act. Gives Attorney General power to institute suits against those he accuses of interference with integration of schools.

TITLE IV: Federal "Fair Housing." Prohibits anyone from choosing among prospective tenants or purchasers of residential prop-

erty on the basis of race, religion or national origin, with no exceptions. Would apply to religious rest homes, condominium apartment buildings, spare rooms in private homes, college dorms, everything ... including shared rooms.

Prohibits any consideration of race in the determination of qualification for credit, downpayment or other financing aspects of all sales and rentals, including the financing of home improvements and repairs.

Prohibits any advertising that shows intent to prefer one race or religion over another in connection with rental or sale of any living space including shared rooms.

Prohibits telling anyone, because of race or religion, that a living space is not available if it is in fact available.

Provides that anyone who charges another with having violated his rights under this Title may apply to the U.S. District Court to have a lawyer assigned to him to handle the case with no payment of fees or costs by the complaining person. The court-appointed lawyer will then bring a civil suit against the person charged with violating the Act, and if he wins the case, the person charged with discrimination can be forced to pay the legal costs of the court-appointed lawyer, plus up to \$500 punitive damages, plus whatever damages the Federal Court decides on for the humiliation and mental pain caused to the complainant, without limit.

Provides that if the Attorney General considers a case to be of "public importance," he may intervene with Justice Department lawyers in favor of the complaining person, or even bring the action himself with the United States as the complainant, with the right to collect "damages" just as a private complainant.

Invalidates all state and local laws which permit racial or religious choice in tenants. (Continued on Page 3)

ZIP CODES - A PROBLEM

We are obliged to change our entire mailing list by the end of the year to show zip numbers or lose our second class mailing permit. This tedious and almost impossible task will cost between \$2,500 and \$3,000, and if the New Jersey Legislature doesn't legislate us out of business, the zip codes will.

Help us expedite this job by sending financial assistance so we can buy material to work with and pay the necessary labor. Summer months are difficult at best, but there is a way you can help.

ZIONIST STRANGLEHOLD ON USA TIGHTENING

Leon Trotsky (Real name Bronstein) has been associated in a major way with the history of Russia, but he was not a Russian. He was a New Yorker, trained in the Headquarters of Worldwide Smash-and-Grab, Inc. He very nearly succeeded in the murder of the Russian nation, before being murdered himself. —Leon Trotsky was one of the major monsters of history. He has been the object of numerous flattering biographies issued by the literary charlatans of New York. He has been praised in THE NATION and THE NEW REPUBLIC. In order to throw this picture into balance, let us take a look at some of the things Trotsky actually did.

Trotsky believed in genocide. He undertook the wholesale murder of the native Russian intellectual class. Under the guise of "Proletarian Revolution," he carried out a gargantuan act of genocide. His purpose was to kill all non-Jewish intellectuals in Russia, in order to make Russia dependent upon Jewish management. Trotsky was a bloody mass murderer, and not at all the naive idealist whom the phoney writers of THE NATION and the NEW REPUBLIC have shown to us.

Trotsky pretended to be a "Proletarian Revolutionist," but he was the agent of Jewish banking interests in Europe and New York. Under the "New Economic Policy" in Russia, Trotsky was busily engaged in making Russia a vassal state, dominated by the Jewish Capitalists. Trotsky was only against GENTILE capitalists, not against Jewish capitalists.

Leon Trotsky typified what the October Revolution was really about. It was not a popular movement, not a working-class movement, not a real mass revolution at all. It was a blatant effort by Jewish bankers to grab Russia and make it into a vast private estate of their own. Their eyes were full of insane greed when they thought of the enormous riches which could be squeezed out of the suffering people of Russia. With the wealth squeezed out of Russia, they could buy the complacent governments of the Western nations, and their grip upon the whole structure of world power would be secure. Yet, so skillfully was the Jewish propaganda job done, that for forty years the leadership classes of the United States thought of Marxism as a working-class movement, and, instead of attacking the Jews, leveled their attacks against the ordinary workingman. The Jew does not care how often or how violently you attack the working class. The activities of American "Anti-Communists" do not worry the Jew-Marxists at all. Our attacks always hit far wide of the real mark. American "Anti-Communism" is, in general, false and worthless. Our Congressional Investigating Committees labor mightily and bring forth only mice. We pose before the world as an "Anti-Communist" nation.

Let us look at the real record.

The October Revolution in Russia was financed from New York. World Jewry at that time openly sang the praises of Kuhn, Loeb and Company and the "Dictatorship of the Proletariat." Lenin himself said, "Socialism would have been impossible without the help of the great banks." The ideologists who did the propaganda job which blinded the hapless Russians were trained in New York.

From that day to this, our Government, under strong Jewish influence, has TALKED a good game of "Anti-Communism," and has helped in every major way to spread Marxism. The intellectual forces which keep Marxism in existence, even in Russia, are largely generated in New York. Anyone who reads the New York Times with a knowing eye can discern the "Party Line."

The Party Line goes thus:

"The 1917 Revolution in Russia was wonderful. For a time, it put the Jews into power. Then there was a bit of trouble about a vulgar character named Josef Stalin, who was anti-semitic, and who caused all manner of trouble. He simply did not seem to know that Jews are a super-race, to be treated with respect. We demand de-Stalinization. Once

LEON TROTSKY, New York trained Jew who undertook the wholesale murder of native Russian intellectual class.

Russia is properly de-Stalinized, we can murder again the growing educated class of native Russians, and put our Jews back into power in Moscow. Meanwhile, we will use both Mao and the United States to put pressure on Russia. Our dervishes will whirl, and our wise men will pontificate, and once again we will conceal our vast villainy behind a smoke screen of fraudulent idealism, which the Gentiles will be too stupid to penetrate. We will keep the Goy capitalists busy attacking the Goy workers, and thus prevent any unity from developing among the Goyim. We do not intend to tolerate the Goy capitalists anyway. They will become proletarians. We will even change their racial makeup, by breeding the white and colored races with each other. See! We have shipped thousands of Chinese workers to Poland. Poland is already overpopulated and has unemployment, and needs no Chinese workers. All the same, we are going to interbreed the Europeans with Orientals. So we ship Chinese coolies to Poland. Meanwhile, the Trotskyite ideology dominates American university campuses, where we have set the beards-and-sandals nuts to work demonstrating against the war in Viet Nam. We do not mind American Anti-Communism at all. It is a fine exercise in futility, and will keep the Goyim busy and out of mischief."

The tired and outworn apparatus of American "Anti-Communism" is practically worthless. It ignores too many realities. It tries to pretend that "Communism" is a vast, shadowy conspiracy involving people of many races, a form of idealism to which the working class and the poor are especially susceptible. It forever evades the real fact that Marxism is JEWISH. It also evades the fact that the United States, far more than Russia, has been responsible for spreading Communism around the world. It was American diplomacy which divided Korea, which put Mao into power in China. American diplomacy, under Jewish influence, did its level best to

FATE OF WORKERS UNDER ZIONISM as disclosed in Protocols of Elders of Zion, Protocol III.

7. "We appear on the scene as alleged saviours of the worker from this oppression when we propose to him to enter the ranks of our fighting forces — Socialists, Anarchists, Communists — to whom we always give support in accordance with an alleged brotherly rule (of the solidarity of all humanity) of our social masonry. The aristocracy, which enjoyed by law the labour of the workers, was interested in seeing that the workers were well fed, healthy and strong. We are interested in just the opposite — in the diminution, the killing out of the GOYIM. Our power is in the chronic shortness of food and physical weakness of the worker because by all that this implies he is made the slave of our will, and he will not find in his own authorities either strength or energy to set against our will. Hunger creates the right of capital to rule the worker more surely than it was given to the aristocracy by the legal authority of kings."

bring a Communist Revolution in Italy at the end of World War II. The American taxpayer's money was spent to pay for the murder of Italian Anti-Communists. Men wearing American officers' uniforms contacted the Italian Communist underground and laid plans for a Red takeover in Italy.

The picture which has been drawn in the popular press is a bad joke. We have been given the picture of a "Red Russia" plotting to spread Marxism through the world. The real truth is that, but for Russia, all of us probably would have been living under Marxism years ago. Especially under Stalin, Russia resisted Marxism better than we have. Stalin converted the Communist Parties of the world into instruments of a traditional Imperialism. He forbade them to start successful revolutions, which would only have played into the hands of the Jews. Stalin was no friend of the United States. He regarded us as an ultimate victim of his Imperialist plans. It is important, though, to understand that Stalin was an IMPERIALIST, not a Marxist. Marxism, to Stalin, was for US, not for him. He knew perhaps better than any other man on earth how destructive Marxism could be.

He knew all about the Jewish bankers of New York who financed the October Revolution in Russia, who financed the building of the structure of "International Communism." Stalin hated the United States, mainly because he regarded us as being under "RED" domination. He expressed his opinion of our Jew-Marxists perfectly when he ordered the murder of old Leon Trotsky. The man who actually killed Trotsky was no ordinary murderer. He was a gentleman of culture and quality. He knew himself to be an instrument of history. The killer of Trotsky spent many years in a Mexican jail and never revealed his real name. After his release, he disappeared into Russia and has not been heard from again. This man saved not only Russia, but also the United States, from Marxism, for it was Trotsky's intention to EXPEND Russia in an effort to promote the Jew-Marxist grab for power in the West. The murder of Trotsky slowed the whole Jewish plan for world domination to a walk.

Russia has tried in several ways to deal with the Jewish problem. Russia wants to absorb the Jews and make them disappear. If you are a smart Jew in Russia, you know that the smart thing to do is to marry a Russian, and to stop being a Jew. Sever your connections with the Jewish intellectual clique, and become simply an ordinary citizen. Many Jews in Russia have done just that, and it would indeed be the happiest thing for Jews everywhere. There is really no reason for the existence of the modern Jew, except that the banking and intellectual clique of Nineteenth Century Europe sought to organize the Jews into a power-grabbing clique. This is a procedure which must, finally, end in disaster.

The Jewish effort to dominate the Goyim by sheer intellectual power is foredoomed to disastrous failure. The whole proposition was tried all the way to its bitter end in Germany in the years between 1920 and 1945. The modern Jew, should, for his own sake, understand that he is engaged, under his present leaders, in a high-risk venture, which has no precedent and no good foundations in reality or possibility. The modern Jew is not the maker of the future; he is at the end of his rope. The "Utopian" schemes which proliferate among the Jewish intelligentsia are simply the expressions of a suicidal mentality. The suicidal Utopian is the heir of a bankrupt tradition. The Jews are not going to sit on the throne of the world. As of now, they are headed for some dark new Auschwitz, which even now exists at some future point in time. It exists primarily because it has been created by the Jews themselves.

The central problem of the modern Jew is that he has parted company with reality.

that is to say with sanity, and has become engrossed in impossibilities. The loss of sanity is always disastrous, and it will be no less disastrous for the Jews than for anybody else. Leon Trotsky was the great archetype of the modern Jew, attempting indeed great things, and failing disastrously as a matter of course, and ending up dead, as the majority of Jews now living certainly will do, if they continue on their present course of action. It was not the perversity of Stalin which killed Trotsky. It was reality which killed him, and which threatens the very existence of the Jews as a people. The modern Jew has become unreal, and when you become unreal, you are destined to disappear from the scenes of reality. Reality will go marching on into the future, but the suicidal Utopian falls by the wayside. Again, the destruction of Jewish power, which began under Hitler and will continue under somebody else, was not merely an act of perversity on the part of the Goyim. There is always a precise relationship between that which is destroyed and that which is ripe for destruction. The modern Jew is fully ready for destruction. Therefore, he steers his course into destructive channels. He is incapable of real constructive action or leadership in any field.

The Jews are quite capable of dragging their host nation along with them to destruction, and this is what the Jews of America are doing with great success today. The U.S.A., under Jewish control, is a doomed and defeated nation. It is incapable of significant action, because the Jews direct policy. There is no national policy, no folk culture, no unifying principle, and, increasingly, no public morality or order. Courts, press, and legislatures are prostituted. Moral confidence ebbs rapidly when the Jews take power.

The future will be possessed by those who, in any part of the world, fling down the gauntlet, and fight the Jewish power grab. For them shall be the victory, the glory, and the power to build the future.

INTRODUCING "THE NEW PATRIOT"

An encouraging development in recent months has been the appearance of The New Patriot, a quarterly literary magazine devoted to a responsible but penetrating enquiry into every aspect of the Jewish question. This is a new American publication which strives to perpetuate the high literary traditions of the now defunct British publication, The Patriot, which was originally founded in the 1930's, by the Duke of Northumberland and appeared regularly for two decades before finally being driven off the market by failure to obtain advertising support.

The British Admiral Sir Barry Domville, who was closely associated with the earlier publication The Patriot, in which he used to write under the pen name of "Canute," is a member of the Editorial Advisory Board of The New Patriot; the other four members being distinguished Americans, with a predominantly military background.

Heading the list of Advisory Board members is Rear Admiral John G. Crommelin, a leading fighter for the truth in America, and we are also pleased to note that an even more senior American patriot, Lt. General P. A. Del Valle is also associated with The New Patriot. Other members of the advisory board are the well known journalist Westbrook Pegler, and another distinguished military officer, Brig. Gen. William L. Lee. Legal Counsel to the publication is the Honorable Jack B. Tenney, who as California State Senator was head of the Tenney Committee on Un-American Activities, and has since written the famous Tenney Reports, which are summarized in his latest anti-Zionist book, "Cry Brotherhood."

Under the guidance of Editors Stephen Langton and Walter White Jr., The New Patriot is published from Post Box 2861, Hollywood, California 90028, and costs \$5.00 per annum. The March issue contained stimulating articles on such subjects as "Searchlight on the Vietnaks," exposing Jewish influence behind the anti-Viet Nam War campaign, and "The Rise of Negro Anti-Semitism," a phenomenon which is worrying Zionists considerably. The June issue highlights "The Anti-Defamation League," "Torah Umesorah" and "Zionist Influence Behind the Suez Affair."

Within two months of appearing in print, The New Patriot was sued for \$600,000 for alleged "unfair competition" by The Council on Foreign Relations (publishers of "Foreign Affairs" magazine) but has weathered this storm and is a significant contribution to that small body of magazines which dare to publish the truth.

JEWS — THE DESTROYERS!

"We, Jews, we, the destroyers, will remain destroyers forever. Nothing that you will do will meet our needs and demands. We will forever destroy because we need a world of our own."

Thus wrote the prominent Jew, Maurice Samuel, in his book "You Gentiles," page 155. Published by Harcourt, Brace and Co., New York, U.S.A., 1924.

CALLING ALL PATRIOTS! AMERICANS WAKE UP! YOUR SONS ARE DYING IN VIET NAM, NOT FOR THEIR COUNTRY, BUT FOR THE COM- MUNIST CONTROLLED UNITED NATIONS

FACTS: The Southeast Asia Treaty Organization (SEATO) is a control apparatus through which the United Nations Security Council directs the conduct of the war in Viet Nam.

SEATO, signed at Manila on 8 September, 1954, binds the signatory nations, including the United States, to the United Nations and to the provisions of the United Nations Charter.

Article One of the SEATO agreement states:

"Reiterating their faith in the purposes and in agreement with the principles set forth in the Charter of the United Nations" the SEATO participants undertake to refrain in their international relations from the threat or use of force in any manner "inconsistent with the purposes of the United Nations."

Under paragraph one, Article IV, the SEATO agreement further directs that "Measures taken under this paragraph shall be immediately reported to the Security Council of the United Nations."

SEATO is, therefore, a "front" organization or regional arrangement FOR THE UNITED NATIONS military command in New York City and the articles of the UN Charter apply as they did during the Korean war.

It should be noted parenthetically that the North Atlantic Treaty Organization (NATO) contains identical wording, thus providing the UN Security Council strategic control over American military forces stationed in Europe as SEATO controls US forces in the Far East.

Operational control of the UN Security Council, the war-waging arm of the United Nations Organization, is exercised by the Executive Officer of the Security Council. This Executive Officer also holds the title of Under Secretary for Political and Security Council Affairs. He is the custodian of all United States plans for self-defense and he controls all military forces placed at the disposal of the United Nations in consonance with UN Charter Articles 44, 45 and 46. The Under Secretary for Political and Security Council Affairs is easily the most powerful man in the United Nations.

The individual now holding this UN military post is Vladimir P. Suslov, a Soviet Communist. Suslov is the third member of the UN Marxist "troika" consisting of U Thant, Ralph Bunche and Suslov.

On Tuesday, 13 July, 1965, President Johnson told the American people that American soldiers are dying in Viet Nam because of United States commitment to the SEATO agreement. "We expect to keep that commitment," said the President, "Our national honor is at stake."

SEATO authority over Americans in Viet Nam was confirmed by Secretary of State Dean Rusk on 18 February, 1966.

The accuracy of President Johnson's statement is beyond question for Article 25 of the UN Charter directs that:

"The members of the United Nations agree to accept and carry out the decisions of the Security Council in accordance with the present Charter."

America's soldier sons in Viet Nam are committed to a United Nations "no-win" war under the same kind of UN-programmed scenario as existed during the conflict in Korea.

SIGNIFICANCE: 1. With the signing of the UN, NATO, SEATO and other "regional" treaties, the President and the Senate of the United States surrendered the sovereignty of our country to a Communist controlled World Government.

2. No authority exists in the Constitution of the United States, from which the powers and duties of the President and the Senate are derived and for the support of which they,

JEW'S TAKE AIM AT DETROIT EXECUTIVE JOBS

Lately the press has been full of stories about cars which are alleged to be "Unsafe at any Speed." What is really unsafe for the Country is the speed with which Jews are moving to get a monopoly on executive jobs in Detroit. Anyone who understands Jewish propaganda campaigns can see at a glance that they are preparing to move in on Detroit in a big way. Pretty soon, auto-making will be like song-writing, book-publishing, and the cinema industry. The ticket of admission to a good job will be a Jewish pedigree. Gentiles need not apply.

The Jew, when he moves with consummate cynicism to destroy Gentile leadership and seize power, always moves forward behind a smoke screen of false idealism. He always pretends to be "Doing Good," improving safety, and working for human welfare.

We have seen what has happened to book publishing. Every Jewish dullard can be a "Great Novelist," and sometimes it seems that most of them are. One shudders to think of the contemptible cowardice with which Gentile publishers and literary agents cringe before the power of the Jewish machine in New York. What is called "American Literature" today is headed down the sewers, and, considering the sorry quality of it, we must agree that this is the proper place for it. American Jewish literature extolls rapists like Caryl Chessman, who seems to be the sort of hero American Jews are most readily willing to admire. There is no room for character and integrity.

We are now being told that American cars are "Unsafe at any speed." This is a flat lie. Our accident rate, per capita, is less than that of France, Germany, or even Yugoslavia.

Yugoslavia kills more people per car-mile than we do. To be sure, it is desirable to reduce the accident rate. Driver education and highway engineering are the primary means of increasing safety. Every driver should know that a soft-sprung four-door sedan will not corner as well as an understung sport car with a wagon-like rough ride. It is not intended to do any such thing, or to be driven in any such manner. American drivers do indeed need a better knowledge of the limitations of various types of cars. If you want to go to the drag strip to challenge the teenage set for an all-out acceleration test, you need a certain type of car, certain kinds of tires and equipment. If you want to pick up a prospective customer and take him on a business trip, you need something else entirely. It is difficult to design an all-purpose car which can do everything. I myself drive an air-conditioned Pontiac GTO, which comes as near as possible. An arrangement called "Three deuces" satisfies the teen-agers, while the air-conditioner keeps adults cool. This car has been driven two years and 45,000 miles without even a near accident. It has traveled three times from New York to Florida, and back again, and has been raced on a drag strip. I fail to find anything wrong with it. On one occasion, on a special private road, it was driven for 175 miles at speeds around 115 miles per hour. Unsafe at any speed? I fail to see any such symptoms.

The fact is that the Jews are not interested in safety. They are interested in clobbering Detroit for the purpose of opening up jobs for Jews in the executive branch of the industry, which has always been largely a White Christian stronghold. Most of us would not object to a few Jews being hired, on a merit basis. We have, however, learned by bitter experience how these things work out. The Jews clamor for "Fairness," but they do not really want fairness. Once they get a toehold, they will take over the whole business. When a few Jews get jobs where they can hire and fire other executives, they will lose interest in their safety campaign, and will begin to operate their usual system of machine politics. Gentiles will be driven out of the auto industry, just as they have been driven out of the clothing industry, the jewelry industry, the cinema industry, publishing, and many other industries. The Jew does not want fairness; he wants a monopoly.

Jews are now preparing to move in on American heavy industry in a big way.

The ultimate Jewish aim is to proletarianize the Gentile managerial class. In the future there are to be no Gentile executives, no Gentile writers, no Gentile intellectuals. All intellectual activity of every kind is to be a Jewish monopoly. This is the way in which Jews build their power, by wiping out Gentile leadership and putting themselves into its place. Then the Gentile masses, stripped of all leadership of their own race, are helpless before Jewish power. This was the plan which the October Revolution put into effect in Russia. Native Russian leaders were murdered wholesale under the pretext that they were "Bourgeois" and therefore evil, when in fact the real reason for their destruction was that they were Gentile instead of Jewish.

The underhanded chicane which the Jews are now aiming at Detroit is the typical procedure of a Jewish power grab. One would think that the powerful auto executives of Detroit would resist such pressures, and perhaps even fight back.

Of course Volkswagen came in for a smear. The Volkswagen was originally built on the command of Hitler. It was designed by Dr. Ferdinand Porsche who is a renowned expert on automobiles. Nevertheless, the V.W. is distasteful to the Jews. Therefore, it is declared "Unsafe." A recent Volkswagen ad gives a better and more truthful story: "VOTE OF CONFIDENCE FROM 110 COUNTRIES." The V.W. is indeed sold and used happily in 110 countries, but it is German and thus a whispering campaign is started against the German product.

The present "Car Safety Campaign" issued from the poisoned literary world of New York. It has nothing to do with safety. It is a bare-faced Jewish power-grab, aimed at driving Gentiles out of all of the good executive jobs in the auto industry. One would think that some day American Gentile Management would wake up and realize that THEY CANNOT LIVE SUCCESSFULLY WITH JEWS. The Jew has no intention of allowing them to prosper, but intends to wipe them out and proletarianize them. In the future, when Jewish power has been perfected, no Gentile will be able to rise above the common labor level.

Our "Conservatives" continue their assinine futilities. They circulate jejune pamphlets. They make speeches about "The Welfare State" and "Government Spending" and they demand a return to the leisured pace of the McKinley Administration. People who talk in this fashion are not really trying to win. They are surrendering to Judaism. Eighty percent of the huge volume of so-called "Anti-Communist" propaganda in this country is waste effort, because it fails to link Marxism with the world-wide Jewish power grab.

This is the way you get yourself a Jewish master in the future. You will learn that a Jewish master is not only unscrupulous; he is also a suicidal Nihilist who, when he has built his air-castles and housed you and himself in them (Himself in the Master's quarters and YOU in the servant's dungeon), then the whole foundationless edifice will collapse like the house of cards that it is, destroying both you and him. If this country wants to commit suicide, it has only to put itself under the control of the Jews, and the thing is as good as done.

5. When we come into our kingdom our orators will expound great problems which have turned humanity upside down in order to bring it at the end under our beneficent rule.

are bound by oath, for such surrender of our sovereignty.

3. It is obvious that these treaties are null and void and not binding on the American people in whom resides our sovereignty under our form of government.

4. Had we not fought the Korean War under the hostile supervision of the United Nations Security Council, the resulting impossible situation would not now exist in South Asia. MacArthur would have gone over the Yalu River in triumph with a Nationalist Chinese army from Taipei pouring into Red China to end Mao's Red dictatorship.

5. We are now fighting endlessly in Viet Nam under the same hostile supervision, and we can expect the same result; victory for the communists after great sacrifice by the United States of America.

ACTION INDICATED: 1. Bombard your representatives in Congress and State Legislature with this Alert and with petitions for the abrogation of the United Nations Treaties.

2. Send copies of this Alert to three other persons requesting they each send to three others so that the facts in this Alert may reach millions of Americans by the chain letter method.

3. Make it clear in your petitions that our country and our people are determined to make whatever sacrifices may be needed to win a decisive victory in Viet Nam. This can not be achieved with UN supervision. History has no example of any nation being victorious in a war in which its forces were supervised by its deadly enemy!

Summary
The Christian Educational Association of 530 Chestnut Street, Union, New Jersey, is the publisher of "Common Sense", a tabloid size newspaper published twice monthly except once each during July and August. On August 6, 1965, [redacted] advised that she has been acting manager of "Common Sense" since the death of the editor, Conde Mc Ginley, on July 1, 1963. She stated that she was associated with Conde Mc Ginley for seventeen years and since his death has been continuing his editorial policy.

On December 17, 1954, the Committee on Un-American Activities of the United States House of Representatives published a "Preliminary Report on Neo-Fascist and Hate Groups" in which their growth and objectives are discussed at length. This report indicates that "Common Sense" has a circulation which fluctuates between 30,000 and 100,000 copies an issue. It describes "Common Sense" as a "hate sheet" vehicle which publishes "some of the most vitriolic hate propaganda ever to come to the attention of the Committee".

According to the report, "Common Sense" depicts communism as Judaism and devotes its pages almost entirely to attacks on the Jewish and to a lesser extent, the Negro minorities in the United States. Sympathy for the former Nazi government in Germany is also shown in the paper.

For your additional information, a memorandum under the title of "Common Sense" was furnished to your agency on May 25, 1954.

GET THE U.S. OUT OF U.N.

OPEN LETTER TO THE GOVERNORS AND REPRESENTATIVES OF THE SOVEREIGN STATES

Gentlemen:

Need we remind you that there is a savage war raging in Viet Nam? The sons of your States are being returned in flag-draped caskets. Still Washington refuses to tell us why our armed forces are fighting in this far-away land in an undeclared war. We have tried to make you understand that under the United Nations Charter, there can be only ONE KIND OF WAR, a United Nations war.

The Viet Nam war, like the Korean War, is allegedly being fought to bring "communists" to the conference table. It is plainly understood, and so stated, that we do not WANT TO WIN in the war in Viet Nam, not any more than we wanted to win the war in Korea. We just want to get the "communists" to talk with us at the conference table. Is that a proper or sufficient cause to justify the deaths of more than 5,000 of "the cream of the crop," as the Secretary of Defense has described these young victims?

We cannot stress too strongly that Washington IS NOT going to do anything to halt the senseless slaughter of the sons of your States. These unfortunate Americans are NOT United States forces; they are the Special Forces of a UN army — just as they were in Korea. The net result of the Korean War, after more than one hundred thousand casualties had been registered, was that for a full FOURTEEN YEARS the U.S. has been forced to supply 50,000 young men for the occupation forces of the United Nations to guard the borders in Korea.

We have warned you that both the United Nations and the United States, as a SUBJECT STATE of the U.N. do not recognize the EXISTENCE of our 50 States. The former U.S.A. has, through the activities of its own incompetent Congress, become a STATE in a world government, and the 50 States are mere tax collecting agencies for them. You, by your calm acceptance of the United Nations programs, are cooperating in the destruction of all the States in the Union.

You who have written your fork-tongued Congressmen and Senators inquiring just WHY we are in the war in Viet Nam have found your letters transferred to State or Defense Departments for reply. As though under ORDERS, Congressmen and Senators do not attempt to answer these letters for themselves — they must be sent to the Secretaries concerned in order that they may protect their flanks in the States. When your Congressman or Senator cannot answer these questions then you may know there is something very wrong in Washington. We are ALL sitting idly by while our young men suffer and die, while Congress continues to appropriate fabulous sums of money to fight the war and even MORE MONEY to continue the build-up of a World Empire within sight of the battlefields.

The development of the Mecong Valley is one of the most expensive of the thousands

WHY?

of Empire Building projects of the United Nations. The REAL answer as to WHY we are in the war is to be found here. Surely you can realize that we are not spending thousands of millions of dollars transforming the jungles of South East Asia into a gigantic industrial complex right under the noses of the Red Chinese without preparing to DEFEND that investment. Just as 50,000 Americans must be ALWAYS stationed in Korea, there will be many times that number required to protect this investment in South East Asia.

Those of you who are sufficiently concerned about the Viet Nam War to want to understand it, will find your answers ONLY in the Charter of the United Nations and in the SEATO Treaty. Both are very short, deadly documents.

Article 51 — UN Charter: "Nothing in the present Charter shall impair the inherent right of individual or COLLECTIVE self-defense if an armed attack occurs against a Member . . ."

The U.S. is a member of SEATO, and the SEATO Treaty Article 4 provides: "Each Party recognizes that aggression . . . against any (SEATO) State . . . would endanger his own peace and safety and agrees that it will, in that event, act to meet the common danger. . ."

As a Member Nation in SEATO, we were pledged to go to the aid of Viet Nam in case of "communist" aggression against Viet Nam.

**GET THE U.N. OUT OF THE U.S.
AND THE U.S. OUT OF THE U.N.**

Article 52 — UN Charter: "Nothing in the present Charter precludes the existence of regional . . . agencies for dealing with such matters . . . as are appropriate for REGIONAL ACTION provided that such . . . agencies and their activities are consistent with the purposes and principles of the United Nations."

Now we come to the sections of the UN Charter which the Washington Government is trying to evade. They DENY that SEATO is a regional agency of the United Nations; in fact they INSIST that UN has NOTHING to do with the Viet Nam War. Read, and decide for yourselves:

ARTICLE 53 — UN Charter: "The Security Council shall, where appropriate, utilize such regional . . . agencies for enforcement action UNDER ITS AUTHORITY. But NO enforcement action shall be taken by regional . . . agencies WITHOUT THE AUTHORIZATION OF THE SECURITY COUNCIL."

Article 54 — UN Charter — "The Security Council shall at all times be kept fully informed of all activities undertaken or IN CONTEMPLATION under regional . . . agencies . . ."

Article 4 — SEATO Treaty: "Measures taken under this paragraph (enforcement) shall be immediately reported to the Security Council of the United Nations."

Query: If this is not a UN War being fought under the SEATO organization as a "front," just WHY are we required to report to the Security Council? We have a letter from the State Department which assures the inquirer that:

" . . . regarding the meeting of our obligations under Article 54 of the United Nations Charter with respect to Viet Nam . . . the Government of the United States has informed the Security Council promptly and fully of all of our major activities in Viet Nam."

We must repeat here what we have told you heretofore, that the HEAD of the Security Council is the Russian, Nesterenko. There is an admitted agreement that each of the Big Five should hold the TOP POST in the respective Secretariats, and the RUSSIAN drew the MILITARY POST on a PERMANENT BASIS. There have been NINE such Secretariat heads in the UN military apparatus and ALL have been Soviet citizens. For the purpose of confusion, the UN has set up the Secretary General as SECRETARY of ALL the Secretariats, admitting, however, in the UN's own publications that the UNDER-SECRETARY IS HEAD OF THE DEPARTMENT. Is it any wonder the Congressmen and Senators cannot answer their own mail?

Surely NOBODY will deny that Russia is a member of the Big Five and the Russian, Nesterenko, as UNDER-SECRETARY of the military Secretariat, has FREE ACCESS to all information coming from the battlefields. The same situation prevailed in the Korean War. The Russian Zinchenko saw General

MacArthur's battle plans and gave the information to the enemy. This is how a United Nations' War is run. This is why we say, STOP IT. FIVE THOUSAND DEAD Americans and several hundred thousand prospective victims join us in the cry—STOP THESE UNITED NATIONS' WARS!

While the Viet Nam War drags along, the UN is having fabulous success with its Civil Rights Revolution in the United States. From the very beginning the UN made a PRIME PROJECT of racial equality, world-wide. Through these race wars it hopes to establish Black governments all over the world, then take over from the Blacks. In furtherance of this plan the UN General Assembly, on December-14, 1960, launched its world-wide race war with the adoption of G.A. Resolution No. 1514. While the original resolution applied to trust territories, the many subsequent resolutions applied to ALL MEMBER STATES in the UN.

Between 1960 and 1963 the UN concentrated its racial fire on South Africa and Rhodesia. Then in 1963, President Kennedy sent a so-called Civil Rights Bill to Congress. This bill met with strong resistance but it was far less stringent than the one that was substituted for it after the assassination. The substituted bill, which became the Civil Rights Law of 1964, was based almost in its entirety upon General Assembly Resolution No. 1904. The UN resolution, adopted three days before the death of the late President, commanded the United States to enact legislation covering the fields of: "civil rights, access to citizenship, education, employment, religion, occupation, and housing."

Resolution No. 1904 also commanded that the government see to it that "All citizens shall have equal access to any place or facility intended for use by the general public without discrimination as to race, color, or ethnic origin." It provided that race cases must be tried in "national" tribunals and the President promptly requested Congress to enact laws creating a horde of new Federal Courts. The government was commanded also to TAKE STEPS and immediate, and positive measures to "prosecute or outlaw" groups or individuals holding views of racial superiority. The Congress promptly set to work to find excuse for this legislation by investigating the Ku Klux Klan to lay the groundwork for "implementing" the UN resolution.

Another United Nations resolution, requiring implementation, was the old Universal Declaration of Human Rights which the Senate had refused to ratify. The Human Rights declaration contained the provision (Article 23, par. 3) that any man who works has the right to a decent place of abode and to have his rent SUPPLEMENTED if necessary. This provision is in the 1966 Civil Rights Bill. Another item from the Universal Declaration on Human Rights is embodied in the Covenant, which Ambassador Goldberg promised to sign in August (1966) which provides that (Art. 13, par. 2 of the Declaration) "Everyone has the right to leave any country, including his own, and to return to his country . . . (par. 2) Everyone has the right to freedom of movement and residence within the borders of each State." These will be "implemented" in the 1967 Civil Rights Bill.

The "one man, one vote" law was laid down in the various Rhodesian resolutions. A Com-

mittee of the Congress is now at work to "implement" the insidious Article 8 of Resolution No. 1904 which provides that "all effective steps shall be taken IMMEDIATELY in the fields of teaching education and information (propaganda) . . . with a view . . . PROPAGATING the PURPOSES AND PRINCIPLES of the UN Charter (NOT the Charter itself, but its purposes and principles, whatever they are—ed.), the Universal Declaration of Human Rights and the Declaration on the Granting of Independence to Colonial Peoples and Countries (General Assembly Resolution No. 1514)."

Actually what is BEHIND this is General Assembly Resolution No. 1904, Article 8, which COMMANDS that the government take immediate steps to PROPAGATE in the schools and elsewhere the PURPOSES AND PRINCIPLES of the Charter of the United Nations, the Universal Declaration of Human Rights, and the Declaration on Colonial Peoples. NEW TEXTBOOKS would have to be written for this; — textbooks with NO MENTION of our national heritage or our national documents such as the Constitution and Bill of Rights and the Declaration of Independence.

The Congress is now forced to find a way to "implement" this UN directive, and according to a James J. Kilpatrick report in Miami Herald for September 5, 1966, "the Congress has dutifully buckled down to business."

As usual NOTHING is said in these Committees of Congress about the REAL source of the proposed legislation. In this instance the majority of the Committee quite evidently believed that the whole thing centered around a scheme to "integrate" the textbooks. They had not heard of Article 8 of General Assembly Resolution No. 1904 which COMMANDED the President to see that the schools began "PROPAGATING" the PRINCIPLES and PURPOSES of the United Nations, the Universal Declaration of Human Rights and the Declaration on Colonial Peoples and Countries. These Committee Members do not know they are in the act of abolishing from American textbooks all reference to the great American Republic, its incomparable accomplishments and its most sacred documents. With this item "implemented," and with the several pending enactments of Congress the entire text of the INFAMOUS General Assembly Resolution 1904 will have been put into effect as Law of our Land.

Federal officials ADMIT that we hold the same commitments with FORTY other nations that we hold in the SEATO Treaty, i.e. Viet Nam. We hold that a further and an absolutely BINDING commitment to the United Nations exists to permit the UN to call up all or any part of our military establishment for service anywhere in the world. These, gentlemen, are most solemn Treaty commitments. Such commitments mean SUICIDE for the former United States of America.

Won't you PLEASE put aside other things in this hour of "dire peril" and explore a situation which is now plainly opposed to the interests, and probably to the very survival of the nation? Will you not find out just WHAT the sub-committee on South Africa is trying to do before we become involved in a much greater war in Southern Africa?

We are AGAINST ANY MORE UNITED NATIONS WARS. WHERE DO YOU STAND?

U.N. IS NOW GIVING ORDERS TO THE UNITED STATES

By P. A. DEL VALLE, President
Defenders of the American Constitution

FACTS: (1) On 20 November, 1963, the General Assembly of the United Nations adopted unanimously: "The Declaration On The Elimination Of All Forms Of Racial Discrimination."

(2) All 11 articles of this "declaration" are being accepted by our Federal Government as "The Law of the World."

(3) Each one of the 11 articles violates the constitutional liberties guaranteed to American Citizens under the "Bill of Rights."

(4) The unconstitutional acts of the Supreme Court, the Executive and the Congress may be traced to this "United Nations Declaration."

SIGNIFICANCE: (1) In effect, these acts on the part of the Federal Government constitute an elimination of the "Bill of Rights," as the first ten amendments to the Constitution are called. Thus the Federal Government has amended our Constitution unlawfully. Our basic law requires the approval of three-fourths of the States to amend the Constitution. This has not been done.

(2) Such brazen misconduct by our Federal Government agencies cannot be punished by impeachment because it involves a majority of the Congress as well as the Executive and Judicial branches.

(3) The immediate dangers are: (a) Employment of the United States forces and armament by the United Nations against South Africa, Portugal and Rhodesia in obedience to this "Declaration" and Articles 2, 25, 39, and 45 of the U.N. Charter, and, (b) Elimination in our school books of mention of the Constitution and of the heroic acts of our American forefathers by substituting therefor the U.N. Charter and so-called Civil Rights laws, to make them more acceptable to a rabble rousing minority of American Negroes and to the black nations of the world.

(4) Unless the American People act now, these acts of our Federal Government could result in (a) A Civil War quickly degenerating into a Communist "War of Liberation" with the concomitant Red atrocities and terror and the assassination of public figures, or (b) Federal acquiescence to invasion by "Peace Keeping Forces" of the U.N. to counter our own forces and obtain peace by surrender, entailing World Government and World Court, as per the Red Conspiracy, or, (c) A second and bloody American Revolution to reject (a) and (b), instituting a Third Continental Congress to take the place of the absconding Federal Government, starting as did the forefathers with an unencumbered Constitution and new, lawful money.

(5) Since our Federal Government is a creature, and employee of the States, as specified in the Constitution, its elimination, ipso facto, eliminates the Federal Government. What remains, then, are fifty sovereign, independent States without the instrumentality devised for their Union. The governments of these States being supreme within their jurisdictions are obliged to make a decision: (a) Surrender to the usurpers, or (b) Pass laws nullifying their participation in the United Nations. Any State Government that does not follow course (b) is derelict in its duty and guilty of collaboration with our enemies, the Red World Conspiracy. If free men do not hang together in this crisis, they will surely hang separately after it.

ACTION INDICATED: (1) Because the Congress is responsible to the People, and because some of them may not be aware of the treasonable nature of these Acts, you should swamp your Senators and Representatives with protests backed by copies of this Alert.

(2) Since the minute our Constitution is abrogated there remains no authority save that of the fifty State Governments, let your governors and legislators know in no uncertain terms that theirs is the choice of liberty under the Constitution or slavery under the U.N. Charter. Tell them you want your State out of the U.N.

(3) Watch for local, state and federal

A REVIEW OF OUR SITUATION --- LOOKING FORWARD TO 1967 WITH HOPE

The limitations placed upon the average newspaper are not often understood by the subscribers. A paper such as COMMON SENSE that is exposing the enemies of Christianity and our country has far more problems, particularly since it carries no advertising, the life-blood of any newspaper.

A tremendous amount of coordinated effort is expended to get a newspaper on the press. Mr. Fred Wortham Jr., editor of the New York NEWS-HERALD expressed our feelings when he recently said: "Each page of a newspaper is a costly product in this day and time, and due attention to the economical side of business operations must be focused on all operations. Costs of production are going up just as the cost of living. Without a favorable percentage of advertising, a newspaper would not exist for very long . . . The production expense is a most vital factor and must include payroll, equipment and supplies. Newsprint alone is a big factor and the subscription fee for a daily newspaper does not normally cover this cost . . . There is only so much metal and other material which can be placed in a page of a newspaper . . . When the full mark comes, there is nothing that can be done — not another line of type can go in."

In addition to the usual problems incidental to any small business, we have a few additional ones. Our entire business is one of tremendous detail which we pride ourselves on handling efficiently. While occasional errors do creep in, the fault is not always ours: writing is often illegible, letters unsigned, or no address given.

LOOK, TIME and other publications take several months to place a name on their mailing list; we do much better than that, but it does take time even under the most favorable conditions.

Postal regulations require that all second class mail be zip-coded by the first of the year. In our particular case, this means replacement of our entire mailing list . . . an expensive and time-consuming project particularly when one considers the limited staff and our even more limited financial situation. We are doing our best to complete the job; however, present indications are we will not

be able to accomplish this change-over by the Dec. 31st deadline. In order to allow us more time, we are working long hours to get our issues out as far in advance as possible.

The zip-code has evidently not been very successful in speeding up the mail as indicated in recent news articles. Sen. Daniel B. Brewster, a member of the Post Office and Civil Service Committee, in a speech in the Senate Oct. 13th stated in part:

"I am sure I speak for the vast majority of my colleagues when I say that there is something seriously wrong with the U.S. mails. Every one of us has been contacted by constituents complaining — and rightly — that there are inordinate delays in delivering the mail, and sometimes it is not delivered at all . . .

"I want to cite some specific examples of chaos:

"Chicago, Ill.—In this city the tieup of mail is the worst in its history. More than a million pieces of mail are backlogged — including hundreds of thousands of pieces of first-class mail—and the end is nowhere in sight. The size of the backlog is growing each day . . .

"New York City—First-class mail is being held up in the post office as long as 24 hours, and sometimes longer. Third-class mail is being delayed at least a week, and often longer.

"All I can say to my own constituents — and I say it sadly and bitterly—is that they have not seen anything yet. Just wait. There is a backlog of mail in almost every major post office in the country . . .

"The mail is piling up faster than the employees can handle it. And the Christmas rush has not even started yet. If the employee force cannot handle the present volume, what is going to happen when the annual Christmas rush begins? What is going to happen is collapse and chaos—unless we do something about it in a hurry."

Acting Chicago postmaster, Henry W. McGee, said that the tie-up in Chicago alone had stalled 113,000 sacks of third-class mail, 5,600 sacks of parcel post, and 9,600 sacks of second-class mail. Is the COMMON SENSE you didn't get in one of those 9,600 sacks held in Chicago — or perhaps at some

other point? We naturally receive complaints of non-delivery of papers and parcels, but regardless of where the fault lies, we are always glad to replace orders where possible to do so.

Salaries are kept at a minimum and everyone on our staff is underpaid. Several work twelve or more hours a day, seven days a week. Volunteers and close friends frequently ease our burden in, oh, so many ways. No one is paid for the articles written for COMMON SENSE. All expenses are kept at a minimum and only those items necessary to staying in business are purchased. Anyone visiting our headquarters can see we are not wasting money on luxuries. Practically all our equipment was purchased second-hand; our press is more than fifty years old, and about ready to "retire."

During the past few years we were forced as a matter of survival to take many thousands of names off our mailing list, primarily those who had not renewed for a considerable time. Now we are spending every minute of time available and every extra dollar circularizing new readers as we realize an informed public is all that is necessary to turn the tide. The recent election results prove that. Our No. 1 project for the year 1967 is to circularize millions at the grass roots level with the truth in a final effort to take back our country from the diabolical forces that rule her and return our nation to constitutional government.

Because we are printing the TRUTH, we are subject to the most vicious smears, lies, threats, insults, and every effort is being made to put us out of business "LEGALLY." We can't spend precious space publicizing our daily "trials and tribulations," or there would be room for little else.

It is difficult for the average person to realize what has been accomplished by COMMON SENSE the twenty-one years it has been published. But how much more could have been accomplished if we had had adequate staff and funds to properly handle the tremendous amount of correspondence that reaches us — to do the research necessary to give our readers facts and more facts—to purchase type and other necessities

TAX - SPEND - ELECT

By J. JOHNSTON MCCAULEY

A long time ago, a brilliant political analyst said: "Under a Democracy a country will last until those in power learn that they can perpetuate themselves through taxation. The United States is a Republic, not a Democracy."

Ponder this for a moment, then think back to most of the political speeches, campaigns and rallies. What has been the predominant scheme? Promises made what the candidate would do if elected. And whose money does any political office-holder use to do all these things? The people's money, of course, through taxation. Is it possible for a man to be elected without promising to do more and more things for the American people through government? Is there any way in which these things can be done except through taxation?

When a person has earned a dollar, he feels that he is free to spend it as he wishes—all of it. In activating a lesson in arithmetic, we might place a dollar in change on a table and then count the coins for taxes and set them aside. If this dollar represents one of two thousand one earns annually (without dependents), subtract 20¢ from this dollar; the other 80¢ is the taxpayer's. Out of the \$2,000 figure, subtract \$400 for income tax, leaving \$1,600; but many hidden taxes are still to be squeezed out of the remainder. The more a person makes, the higher the percentage that goes for taxes.

Another (with no dependents) who earns eight or nine times \$2000 annually probably pays nearly half of it in income tax. The relatively few who earn \$200,000 or more must pay 91% on most of it in Federal Income Tax. In addition there may be a state income tax, state sales tax, or both.

On income tax derived from dividends, a graduated corporation tax of 52% or more would be stripped off before a person is handed his profit — profit which would be subject to tax itself. Such double taxation is understandably disliked by the people who have shouldered the payment of the Federal Government's bills only to find out what a lavish spender the government is.

The original income tax law — the 16th Amendment to our Constitution — came to just 31 words. From this humble beginning the law has mushroomed so that it now contains 440 thousand words — almost a half million — and is so complex that the average citizen, even with a very modest income, needs professional help to compute his annual obligation to the Federal Government.

The government spends \$200,000,000 of its revenues each year on simply administering the income tax law. There is only about half enough personnel to run down defaulters. When it first became obvious that the Federal Government could not pay its bills through the Federal Income Tax, there came into being the hidden, or indirect, tax. This began as a luxury tax and it began on a very plausible basis. After all, a citizen can choose whether or not he wants to pay a tax because he does not actually need to purchase luxuries. If he chooses not to buy a luxury he therefore prefers not to pay this particular form of taxation. Hidden taxes have become enormously important in the financial and economic structure of our government. They amount to one-fourth of the retail cost of one's automobile, one-third of one's telephone bills, half of the price one pays for gasoline and oil.

What does the American taxpayer get in return for his hard-earned money? How is the annual \$100 billion tax revenue used? The largest items are national defense, foreign aid, and Federal aid to pensioners, schools and the various other agencies which were formerly locally maintained. The largest single item outside of defense is the interest on Municipal, State and Federal debts. This huge indebtedness of over a trillion and a half need never have reached its astronomical proportions had elementary thrift been observed in government management. Perhaps the mounting debts are one of the reasons our young people have such a sense of hopelessness in our times.

We learn from past experience when a nation has a tax burden of 10% of its income

that burden has been easily carried without damage to the economy. History also tells us that when the tax burden reaches 20 per cent of the nation's income the process becomes more difficult and dissatisfaction becomes widespread. But no country in the entire history of the world has ever survived a tax burden that amounted to one-third of its total gross income.

Where do we stand today? We stand roughly 31 per cent — just two percentage marks away from the point of no return. Today, out of every dollar earned in the United States, 31 cents goes to the tax collector. Of course, there are curative measures to our present tax situation. If our people have sufficient energy to earn money and pay huge taxes maybe they will put a legal, restraining hand on the disposition of these funds before our country is rendered insolvent.

There are only two avenues to take. The first is to continue along our present path and go on down the avenue towards bigger and more costly government. This is just what the Socialists would love to see us do, for then we would automatically become a welfare state, with the people demanding more and more from a central government, everyone working for the government and the latter giving back to the people what they must have in basic necessities. The other, is for the people of America to once again shoulder their own responsibilities for the things they now demand. This will permit a cutback in the services government renders and a reduction in the amount of taxation imposed on us today.

This reduction in government spending will not be automatic, however. We in the United States will have to demand it, but first we will have to start taking care of our own resources and responsibilities. Then, and then only, will taxpayers, united and resolved, be able to do something about remedying conditions. Certainly, taxes are a necessity in the operation of all governments, but even the most learned tax experts look upon our tax structure as a legal nightmare. It has grown out of proportion at a phenomenal rate. It needs a complete and thorough overhauling. But so long as we do not raise our voices in protest over unconstitutional functions of our several governments, just that much closer do we come to statism. Do we have the moral stamina

1967 WITH HOPE

(Continued from Page 3)

which would expedite our work — to replace broken down equipment with faster, more efficient equipment—to circularize thousands, yes, millions, of new people with the Truth?

Like Conde McGinley before us, we do not like to beg for money — we would rather close our doors than continually appeal for funds. But we do promise every cent will be used in this fight, and, all above necessary costs to stay in business will be used to reach more people—our No. 1 project for the year 1967. We are trying to save our country and Christianity and we know all loyal Americans will do all they can in this crusade throughout the entire year without constant reminders. We have no "angels" but you—and what we accomplish depends upon you.

We ask each dedicated patriot who loves his country to help according to his circumstances. Money is always needed and appreciated. You can distribute COMMON SENSE and other patriotic literature to your local townfolk, veteran organizations, business associates and keep them informed . . . or we will do it for you (three sample issues, your choice or ours, to ten names for only \$1.00). Stamps are always welcome to help defray the ever-increasing cost of postage. Renew your own subscriptions promptly and interest others in subscribing. If you have complaints, please write us, but do be patient — we are doing our best under most difficult circumstances. Pray as though all depended upon God; work as though all depended upon you. Be modern Paul Reverses in any way possible. And always remember "One drop of ink has made the whole world think."

and strength to remain free? It is entirely up to the taxpayers to declare themselves. If they do nothing about it, they will wake up one of these days and find themselves living under a complete totalitarian government such as the Soviet Union today.

Major Roberts not only answers these provocative questions but also presents the necessary legal action which must be taken to restore to America's valiant sons the promise of Victory.

Startling first person account comprises 60,000 words of text (320 pages, indexed) and includes 35 pages of exhibits: NATO Treaty, State Department Publication 7277, Public Law 87-297, and others.

VICTORY DENIED reveals the system and the men who seek to destroy American religious, economic and social disciplines and erect upon the ruins a Soviet-style collectivist state.

THE NEW "MORALITY"

SOVIET BLUEPRINT FOR TOTAL IMMORALITY UNLEASHED FIFTY YEARS AGO
HURLED THE UNITED STATES INTO ABYSS OF MORAL DEGRADATION.

By CARL F. LYONS

Under modernism a new look is given to religion. The Church is streamlining to promote the fashionable trends, to hold within the fold the element who demand change, change without counting the cost, change to conform to "guidelines" as set forth by review boards or councils of men. Modernism disregards the fundamentals of ancestry, to establish trends in extremism, trends to determine the pattern in transitions, transitions in behaviour and conduct, trends to dehumanize through demoralization.

The fashions of today are designed to meet the expanding energies of youth, and where these energies can be harnessed, those who hold the reins on guidelines determine the course the power flows. This is evidenced by college campus happenings, street demonstrations, and gatherings of any magnitude.

In the world of youth, long-playing records are a multibillion-dollar business each year. The theme generates emotional instability of youth through suggestion of sex, dope and barbiturates. Directly related to the long-playing records is the pornographic literature peddled by irreputable characters who ply their wares to high school and college students. Much of the trend is adopted in higher education as well.

An example in reference is twelve paperback editions of literature by Southern authors which have been a must reading at the University of Alabama by English Major students in their senior year. Included in these books, required reading without a term paper, are Lady Chatterley's Lover, God's Little Acre, Sweet Birds of Youth, Pale Horse, Pale Rider and Lie Down in Darkness. Lie Down in Darkness suggests lying down with the Negro.

One student reported an incident where the professor stated "I'll tell you young ladies now, if you expect to get along in this world you will have to be a whore six days a week and go to church on Sunday." Students who disagree with liberal issues are generally given poor grades; they are jeered by the liberals, and find themselves out of harmony with everything and everyone about them.

Higher education functions for the purpose of advancing the arts and sciences. It was designed to equip peoples with knowledge for the competitions in life and to add to the world's store of cultural endowments; but we must conclude that an educated mind without an educated heart does not meet the standard and the equations of past performance. To so conclude we have only to review the mass murders by youthful degenerates whose prime urge is to kill for thrills, youth whose energies have been misapplied. These are the side-effects from reaction where human compassions are translated into animalistic instincts.

Religion as measured by Christian doctrine employs the mind and emotions to coordinate with the fundamental principles between

HOOTENANNY RELIGION

The above picture shows a rock-and-roll service in the Old South Church in Boston. According to one member, the service was more sacrilegious, if that is possible. Just how much deep religious feeling does one achieve by seculariz-

ing religious services this way? Instead of having the frug and the watusi done in church, shouldn't the clergy, rather, be pointing out the impropriety of much modern dancing, its essential ugliness and savagery?

right and wrong and between fact, fantasy and superstition. The equation was established in the Beatitudes proclaimed in the Sermon on the Mount nearly two thousand years ago. They have endured the test of time, and any deflection from these principles becomes a sad commentary on the clergy and the priesthood of all Christendom. But modernism demands a new look, it suggests that rhyme and reason must surrender to emotional passions to allow the individual full expression of desire. This is a product of psychiatric humbug, a design to undermine the cultural structure of Western Civilization for the communization of the West in the plan for world government.

Here LSD, the controversial drug, is used to emotionalize initiates for blissful hallucinations. The initiate experiences supposedly extra-sensory reverberations and psychic complexes. It is a religious myth with gestures in pantomime and with dances performed in a fashion to correspond to the vestal virgins of Babylonian antiquity. This concourse suggests the salutations of black magic, art and sorcery abhorrent to God in the predawn of revelation given to Abraham for the establishment of the Holy Oracles, and the translation into human understanding for the directives of a life compatible to the Divine Creator.

Modernism incorporates all pre-existing practices of voodooism, Balism, phallic worship and cabalistic stupidities, regarding which the National Council of Churches has never expressed concern or alarm. This silence is indicative of, if not equivalent to, acquiescence with the modernists whose aim

The New Morality

(Continued from Page 1)

is to destroy the formulas for compatible religious felicity and behaviour. In effect the National Council of Churches has never opposed modernism, nor advocated personal self-restraint to attain power over self, or over others.

Modernism suggests self-debasement. It induces lower animal instincts as seen in the miniskirt fashions and topless ensembles. It rationalizes promiscuity as a cult endeavor, and propagates a culture for a captive world for those who would elevate themselves as kings over a degenerated people. This is personified communism. This is the trend to debase the Church and to fade it into oblivion. This is the product of pseudo-messianic claims of a people who despoil civilizations through dialectical disputations to compound confusion and evil. This is the sum total character of a people whom the ultra-pious blindly proclaim as God's chosen people. And this is the problem that, without understanding, will eventually bring the Gentile world into complete slavery through the annihilation of the free enterprise system and the free judicial system.

Many a Gentile-Christian is perplexed over the serious issues in modern trends. The question becomes a big WHY. The answer is found in the proposals and the objectives of political Zionism. Their hate for Christianity becomes a vendetta to annihilate Christianity through war, legislative skulduggery and economic control-machinations which are predetermined criminal assaults upon an unsuspecting people. Every twenty years a new generation is forced into international conflicts through Zionists in high places of government. Through executive measures and directives, a captive United States Congress, without the slightest concept of understanding, implements the program of the secret government, tracing the vendetta blueprint ever closer to the achievement of their messianic dreams.

In retrospection, we find Hiroshima and Nagasaki the center of Christian endeavor in Japan. Korea and Indo-China were the foremost Christian areas of Asia. Christians remember the more than one hundred thousand casualties in the Korean War. Katanga was the greater Christianized area in the Congo, and Americans remember the sadistic account of the United Nations spilling innocent blood of both White and Negroid indiscriminately. Now the Jew Arthur Goldberg goads the Security Council of the U.N. to wage warfare on the Christian governments of Africa. Will American boys be catapulted into this trap? Will American taxpayers sacrifice personal wealth to aid in the machinations of a vendetta—a sacrifice on the altar of Judaism—to enforce the desires of a world government control over all humanity?

Under the World Federalization the International Monetary Fund will issue a world

conformity on monetary values under a one world money system. Gold is currently being corralled in a centralized control through the International Bankers. The Southwest African Nations and Rhodesia mine and stockpile gold independently which threatens the plan of the Internationalists.

Coupled with the African issue is the threat of the Arab states toward Israel. To employ American troops in Africa brings them into proximity to the Israel-Jordan dilemma. This fulfills the commitments of Eisenhower, Kennedy and Johnson who as presidents over the American people, through executive agreements and without consent of Congress, placed American youth in expendable positions for the preservation and advancement of political Zionism.

Paramount in the anti-Christian drive by political Zionism is the decolonization of all world empires for the restoration of national religious beliefs as a means to disfranchise the Christian influence in the African and Asian countries. This effected a spontaneous hate for the missionaries who established the Christian outpost where the benevolence of mankind was freely given to peoples in need of education, medical substance, hospitalization and beneficial gratuities from the heart of the Christian commonwealth.

The sanctimonious Pharisees and Sadducees operate today as in the days of our Lord's sojourn on earth. Traditionally they consider themselves superior to all other races. Their attitude toward the non-Jew is one of contempt. They regard him as a human animal, without legitimacy to the benefits in life, and that such impropriety places him in the category of a human slave. Such is the mind of dialectical disputations of those who despoil the only religious system the world has ever known for creative action and the general welfare of humanity.

Ahead of the American-Christian peoples are darkness and gloom. The year 1976 marks the bicentennial observance of American independence from Great Britain. The Peoples Victory Congress culminating "Operation 76" is timed to announce a World Democracy with Party members assembled in Independence Mall in Philadelphia, Pennsylvania, on July 4, 1976 where, "with one heart and with one voice", the participants will "hall" our nation's participation in the Soviet pattern, with the United States fully integrated in that pattern. The U.S. Senate is expected to ratify this plan in the meantime, and to bring the Nation under control of the Genocide Pact through legislative action masked as civil rights laws.

Into the civil rights areas it is planned to gather minorities. Within ten years, the influx of immigration will upgrade minorities to dominating power numerically. They will have the edge on majority rule, and the Zionists consider this the conquering event to legalize their vendetta on the White Christian race. With America holding political, economical and military control over the na-

tions, this country continues as the "whipping boy" in the struggle for world power.

In the interest of despiritualized religion will come bills to remove all legal restrictions from the manufacture and public sale of marijuana; to provide federal-state supervision of the purchase and dispensation of heroin and other opium derivatives; to place certified drug addicts on a daily maintenance dosage at taxpayers' expense; and to permit lawful use of LSD-25, mescaline, phillucibin and related hallucinationogenic drugs as used today in the ancient occult practices as described above. All federal and state laws prohibiting and relating to pornography and obscene practices, including homosexuality, transvestism, and the entire gamut of sexual deviations included under laws pertaining to sodomy are now being questioned. Each of the rights in practices and activities grouped in these four categories is to be projected as rightly sanctioned by the "NEW MORALITY", whose minority practitioners must no longer be penalized by state laws reflecting prejudice. Red agents in the anti-poverty program and religious organizations, as well as in the traditional civil rights movement, have been instructed to correlate the "struggle" of these mixed "minorities" with that which the Negro and other bias-plagued racial and religious groups are waging against discrimination and public bigotry.

Will the American people, through inaction uphold the devilry of these people; or will they counter with educational programs, and through organized effort force the United States Congress to reassess the seriousness of our plight with a counter revolution in principle by returning to the Scriptures for inspiration and Godly guidance? This is not a problem for one or two. It is a problem for all America.

IS THE "NEW MORALITY" LEGALIZED IMMORALITY?

"You must work until religion is synonymous with insanity. You must work until officials of city, county and state governments will not think twice before they pounce upon religious groups as public enemies."

—Communist Manual of Instructions from Psychopolitical Warfare, as Published in "Brainwashing."

EDUCATION OR INDOCTRINATION

WHAT IS IN YOUR CHILD'S TEXTBOOK?

"...THERE SHALL BE FALSE TEACHERS AMONG YOU, WHO PRIVATELY SHALL BRING IN DAMNABLE HERESIES..." II Peter 2:1.

By Martha Andrews A.B., M.A.

The author is the daughter of a late minister and college president, holds an M.A. degree in religious education, has taught in high school, college, and operated own kindergarten, and has personal knowledge of socialism in churches and seminaries, and in education from kindergarten to college level.

Few parents nowadays bother to find out what their children are being taught. Curious, we browsed through our child's books, believing that his fifth grade texts would probably be a typical spot-check of current trends. What we found was so appalling that this child was transferred to a private Christian day school.

The reading book of THE NEW BASIC READERS series by Gray, Monroe, Artley and Arbuthnot contains no poems whatsoever; no works by well-known American authors — Whittier, Longfellow, etc.; the stories contain no morals. Many stories, with costly, multi-colored illustrations, are about children of other lands and animals. Twenty seven hundred words had been introduced by the end of this book in the series, teaching reading by memorizing the appearance of words instead of by reasoning the sound.

The speller, MY SPELLING by Yoakam and Daw, is on the same order with more emphasis on the use and meaning of words than on phonics and word structure. A dictionary which concludes the speller "defines" the word "Bible" in book four as telling us to love our neighbors.

The language book, OUR ENGLISH LANGUAGE EVERY DAY by Bailey, Barnes and Horrocks, has a cowboy in multicolor on the cover and bucking bronco on the fly leaf, stooping to the child's level. Its units have such titles as "Just for Fun," "What's Your Hobby," "A Trip to the Moon," making learning an entertainment instead of serious business. The "language" study contains instruction on conducting meetings, making introductions, telephone calls, making up riddles, etc. Grammar is presented haphazardly with punctuation, capitalization, kinds of sentences, speaking choirs, etc., conglomerated into one unit.

The arithmetic text, AMERICAN ARITHMETIC by Upton and Fuller, is copyrighted under the "International Copyright Convention," rather than an American work. The book skips about moving to a new subject before an old one is mastered: long division, fractions, back to long division, back to fractions, etc. The word "groups" is used instead of numbers, "as putting together 'groups' of the same thing, making arithmetic a social collectivist matter. Multiplication tables are not taught: instead, the child must memorize "facts":

	2	3
These facts go no	x2	x4
higher than 9's,		
making it easy to count	4	12
on the fingers.		

ADVENTURING IN SCIENCE by Craig and Hill, emphasizes the social utility of Science and not knowledge for knowledge's sake. Emphasis is on experience: students are not just taught that heat rises — they hold a thermometer near the floor, then the ceiling. (In classrooms much blackboard space for drilling is replaced by aquariums, etc., for object lessons). The book teaches as fact the theory (man's guess) that man "evolved" from lower animal, contrary to Bible teachings that God created man in His own image and commanded every living thing to bring forth after (own) kind (Gen. 1). (Evolutionary theories were developed by atheists to explain away God's miracles).

A unit entitled "Animals Live Together," has such subtitles as "Bees are SOCIAL Ani-

mals;" and "Ants are SOCIAL, too." (To communists, man is but a social animal). It pointed out how the GOVERNMENT protects animals with game reserves, hatcheries, etc. (Government tentacles into every walk of life is socialism, baby sister of communism). Then a discussion of city planning ensues (A socialist program).

A study question asks if the community could be more beautiful and livable. (This approach creates criticism and dissatisfaction. True science study is the presentation of facts — not the development of young social reformers). Collectivist ideas were summarized by indicating that although people have different languages, skin or customs, they are alike in many ways and can work together (a communist line with the aim of a one-world, classless society, with one government, one religion, and one race — the "human" race). The science textbook is somewhat of a substitute of theoretical SOCIAL science for absolute science.

The prize goes to the social studies text, EXPLORING THE NEW WORLD by Hamet, Follet and Ahlschwede (why all the foreign-named authors?). It is a conglomeration of history, geography, civics, past and present. Much space is consumed in meaningless conversation while "we" take a voyage through the land which Columbus discovered.

The book pushes the laborer; instead of listing products, it shows how people of various sections "earn money" and asks the student if he would rather work in a factory, mine, or farm, etc. Illustrations depict the working man; industry, for example, is not pictured as towering smokestacks, or anything that would represent management, capital, or free enterprise, but laborers at work. (Communism is a proletarian laborers' revolution).

The text indicates that in 1619 Negroes were first put on tobacco plantations in Virginia. This is a false impression. The first slaves in America were possessed by New England factory owners and were later sold to southern plantation owners. The book gives the impression that the South (land of plantations) was backward in agriculture until the GOVERNMENT stepped in with farm agents to show the South how to farm (propaganda for socialistic government "services").

Following each unit is listed attitude-building activities, books, records, etc. Among records it lists the tear-jerker "Nobody Knows the Trouble I See," and among books Harriet Beecher Stowe's anti-South dissertation UNCLE TOM'S CABIN, a leading factor in agitating the civil war. (Racial agitation is a communist tool).

Nothing is said of all that the South has done for the Negro who pays only a minute portion of tax monies spent on him; that there are more Negro businesses in the South than the rest of the nation combined; that the Negro has made more progress in the South in shorter time than any other peoples in history, at any other place in the world. It does not let the future citizens know that in 1826 there were 143 emancipation societies, 103 of which were in the South, nor that the South fought the war to preserve states' rights and property rights, and not to keep man enslaved. It does not tell of the carpet-baggers who pilfered the war-ravished South, how the conquerors disenfranchised white voters, nor that the "liberators" did NOT provide for the emancipated Negroes but left them penniless, homeless, jobless and ignorant, to be absorbed by a war-depleted South.

"Mistreatment" of the Indian is then wept over, pointing out how settlers took land from them, and wondering if the students could have "lived in peace" (communist line) with the Indians if they had been settlers.

Then a jump from early settlers to United

"Our teachers must write new school textbooks, and rewrite history from the Marxian viewpoint."

—WILLIAM Z. FOSTER,
Former Head of Communist Party in U.S.A.

Nations, which, according to the book, meets to solve problems among nations. Nothing is said of the danger of the Soviet veto, that UN treaties supersede the U.S. Constitution, and that the U.N. is the step before world government and destruction of national sovereignty. (Instead of presenting unbiased facts on all sides of a subject, attitudes are built favorable to socialism).

There ensues a discussion of how immigrants have helped make the United States a great country. (Communists want laws relaxed relative to immigration, the source of much subversive infiltration).

Little information is given about early American heroes or factors in the nation's early history which made it the greatest nation on earth. There is no memory work called for; one activity calls for A student to READ the "Gettysburg Address" to the class.

The social studies text spends several pages on the virtues of the Tennessee Valley Authority, Grand Coulee Dam, etc., (socialistic government operations competing with private enterprise). An activity question was on peacetime uses of atomic energy. (Students are encouraged to discuss subjects before they are completely informed, thus developing potential agitators who are informed of only one side).

There is propaganda for national parks. (The government now owns 40% of the land area of the United States on the road to a total state). The book asks what lessons nations can gain by the unguarded border between the U.S. and Canada (propaganda for disarmament). It states that South American armies would be stronger if they had one great leader instead of many (centralized power). In discussing the Panama Canal, the book does NOT teach that the canal belongs to the United States (communists are trying to internationalize the canal). Selling points are given as to why Alaska and Hawaii should become states, but no points against. (The statehood of these liberal areas, one only 18 miles from Russia, the other made up of orientals, is to communist advantage).

Much stress is placed upon SOCIAL living, "working together," and how the GOVERNMENT helps the poor with housing projects, etc. (Nowhere does the Bible or Constitution give the paternal government such duty, but instead the Bible emphasizes individual responsibility. The government can give NOTHING that it does not first TAKE, but this fact is not pointed out in propagandizing the welfare state).

Projects call for the class to be divided into committees to work on activities. The immature children themselves choose what they want to work on. One child might do the majority of the work, while the "group" gets the credit, destroying individualism, competition, and incentive. One might learn much about Michigan by making a products map, but nothing about Wisconsin, another group's project. The teacher is one of the group (causing lack of respect for authority). Group activities have been blamed for teenage gangs in cities; they lay the foundation

Education or Indoctrination

for communal living and a non-competitive society.

In "social studies" one does not learn chronological history. Boundaries are not taught — we are all supposed to be one big happy world family. National pride is replaced with a broader relationship with all peoples. No threat of communism is mentioned.

The social studies book emphasizes the need of our government's establishing "free" schools in underdeveloped countries. Private education, centered around the Bible, was the 'American system'; the Bible places this responsibility upon parents — not society (Eph. 6:4, Deut. 4:10, 6:7). Public schools, introduced in America in the 1860's, came from Prussia and were advocated by Karl Marx in his COMMUNIST MANIFESTO in 1848. With the Marxian doctrine "From each according to his ability, to each according to his need," public schools are financed by private possessions (tax money) taken from property owners irrespective of their having school children, giving others something for nothing.

So-called "free" public schools have been a blessing in many ways; however, Marx advocated nothing that would not serve the "social revolution." Socialized education not only affords the privilege of compulsory education for everyone, but also provides textbooks which indoctrinate a whole generation.

"Progressive" education originated in Russia and was abandoned for traditional methods after the "reds" completed their takeover. This system was instigated in America by a group of socialists to train for a non-competitive society. Its leaders have long lists of subversive records (John Dewey, George S. Counts, et al). It emanates primarily from Columbia Teachers College which trains teachers of teachers. In most education courses only the "progressive" method is taught and only the virtues of this method. People are not taught how to think, but what to think.

Indoctrination of children begins in progressive kindergartens, where world-mindedness is taught by "group consciousness" and appealing stories of children in other lands; where individuals are not featured in programs, but all must perform en masse; and where even using crayon from a common container instead of individual boxes has its sinister implications.

According to reliable investigations, the field of education is second in subversion only to that of religion. Communists influence education through infiltrating teacher-training colleges and teacher's associations, professional journals, and textbooks. A recent survey by Daughters of the American Revolution reveals that 3 out of 4 textbooks are leftist, slanted or otherwise objectionable.

When parents protest about the materials being used, indoctrinated educators parrot fixed replies: "You are judging the whole system by one example," "Your child has a personality defect," or "is left eyed" or "only professional educators are in a position to decide what is best" (self appraisal). It is never the system. Thus the "incompetent" parents and taxpayers are brushed off.

Upon transfer of our son to a Christian day school, achievement tests placed him at 5th year 2nd month, and nine months later at 8th year 9th month, proving to us that it is the method and not the child at fault. Most Christian schools use traditional methods plus giving a spiritual foundation which builds leaders who can withstand false ideologies, and character which reaps rewards in eternity.

With modern textbooks is it any wonder that children grow up with irresponsible, lack-a-daisical attitudes, without ever learning how to study, with mediocrity being acceptable? Is it any wonder that this nation is developing young socialists without foundation in Christian Americanism who would be push-overs for communism?

Admittedly, progressive education has brought about revolutionary changes during the past twenty years — but the big question is: "To what are we progressing?"

PORNOGRAPHY IN SCHOOLS

Reprinted From Arizona Newsletter

For those, including parents and educators, who are alarmed about the pornography, and downright filth . . . (and to do this assignment you have to have a shock proof personality)! GO TO YOUR PUBLIC SCHOOL AND CHURCH LIBRARY and look for the following list of books and quickly check the pages listed after them. Don't feel that it can't happen in your school, church or public library . . . because it already has! To the surprise of the school authorities, teachers, parents and everyone involved two of these MOST PORNOGRAPHIC books have been found in two Phoenix School Libraries! One was on a Sophomore English Class recommended reading list for a book report! Its contents was as shocking to the teacher who recommended it as the parent . . . it seems that he took the book review as issued by the American Library Association of 50 East Huron Street, Chicago, Ill., as presented . . . It also seems that this Association recommends and reviews books for the school libraries throughout the United States, and it also seems that someone should find out more about this Association and why their word should be accepted by so many schools and just what they are doing . . . AND WHY. Well, lets get on with the assignment, but remember, you will have to be shock proof to read what is being recommended for your children to read and readily available to them through tax supported libraries!!! Here goes . . . and if you wonder why the quotes are not included here . . . well you will learn for yourself . . . incidentally, we have already been called "Book Burners," so don't let that bother you. Also a group has already had the gall to start petitions demanding that this filth remain in the libraries at the expense of the taxpayers, and worse yet, at the expense of our children's minds and morals. Well here goes . . .

"A Field of Broken Stones," by Lowell Naeve, Pages 66, 17, 19, 24.

"Emotional Problems of Living," by O. Spurgeon English, M.D. and Gerald Pearson, M.D., Pages 423, 72, 80, 382, 87, 113, 186, 307.

"American Argument," by Pearl Buck and Eslanda Robeson, Pages, 79, 130-131, 27, 33, 43, 49, 51, 59, 73, 109, 110, 112, 120, 129, 139, 138, 137, 148, 153, 159, 166, 167, 176, 181, 188, 189, 183, 190, 198.

"O Beulah Land," by Mary Lee Settle, Pages 52, 53, 301, 311.

"He is For Heroin," by David Hulbard, Pages 43, 44, 47, 48, 50, 64, 65, 71-75, 86, 110, 120, 114, 116, 121, 122. (This book, supposedly written to discourage the use of narcotics, gives far too much detailed information about how to use them. In my opinion, this is a dangerous book for public consumption as well as High School use . . . yet it is found in some school libraries!)

SEX LITERATURE IN THE CHURCHES

"The Negro American," a reading list published by the Department of Racial and Cultural Relations, National Council of Churches of Christ in the U.S.A. Excerpts from Introduction, page 5; "We have tried to save your time by culling the best. Read for enjoyment and information, remembering to note publication date. Read aloud to your children, or put the books where they will be picked up. Make recommendations to your children's teachers and to librarians. Share your copy of this list with friends. Urge church, PTA, and other organizations to circulate copies."

Now, dear reader, you check these books and then decide for yourself IF YOU WANT TO RECOMMEND AND READ THESE BOOKS TO YOUR CHILDREN.

"Sex And Love In The Bible" by William Graham Cole, Pages 35, 61, 141, 173, 175, 176, 355, 357.

"New Ways in Sex Education" by Dorothy Baruch, Pages 13, 14, 26, 122, 123, 159, 200, 210, 211, 243.

"Without Magnolias" by Bucklin Moon Pages 179, 180, 181.

"Color Blind," by Margaret Halsey, Pg. 25.

"Brave New World," by Aldous Huxley, Pages 55, 80. (This was required reading in Dade County High School)

CAN YOU MATCH THIS?

"When I was a member of the Communist Party, I remember many occasions where I attended meetings that lasted 18 hours, and we listened to messages on one subject. Every three hours we had a 15-minute rest period, and every six hours, 30 minutes for lunch. No one complained. Everyone was happy that he could receive greater knowledge, and be better prepared for the revolution. I wonder what would happen in our Church if a minister proposed such a thing as this?

"I remember many times in the Communist Party, when I lived for a whole week on crackers and water, to give what I had earned to the Party, and this is a common thing among those who are loyal to their cause . . ." — Kenneth Goff, former Communist, from his booklet, "Red Tide."

"Once to Every Man and Nation"

"Though the cause of evil prosper,
Yet 'tis truth alone is strong;
Though her portion be the scaffold,
And upon the throne be wrong;
Yet that scaffold weighs the future
And behind the dim unknown,
Standeth God within the shadow
Keeping watch above his own."

The Director has inquired if there is any factual basis for an article which appeared in the 3/15/67 issue of "Common Sense." This article states that television cameras photographed FBI Agents and police guarding the entrance to the "Dallas Court House" on the morning of 11/24/63 before and during the time that Lee Harvey Oswald was shot by Jack Ruby. It states that the FBI turned back Mrs. Marguerite Oswald, mother of Lee Oswald, from entering the building, but that the FBI and Dallas police allowed Jack Ruby and a "high official of the Justice Department" to enter. It states that this was recorded on film, which was confiscated from the television station by Texas Attorney General Waggoner Carr, who subsequently turned the film over to the Justice Department, after making several copies, to insure smooth future dealings with the Department.

There is absolutely no basis in fact for the above statements appearing in the 3/15/67 issue of "Common Sense." This paper, which is published by the Christian Educational Association, Union, New Jersey, has been described by the House Committee On Un-American Activities as a hate sheet vehicle publishing "some of the most vitriolic hate propaganda ever to come to the attention of the Committee."

Oswald was never at the Dallas (County) Court House, but was being held at the Dallas City Hall. The shooting occurred in the City Hall basement when he was being transferred to the Court House several blocks away. There were positively no FBI Agents guarding the Dallas City Hall or in the basement of the City Hall when Ruby shot Oswald on the morning of 11/24/63. who were in the basement when Oswald was killed were interviewed and asked to identify any other persons whom they knew to be present. None of these persons ever stated that any FBI Agent was present or that any Department personnel were present.

Mrs. Marguerite Oswald, in her testimony before the Warren Commission, which appears in Volume I, Page 159, of the Hearings Before The Warren Commission, stated that at the time Lee Oswald was shot, she and Lee's wife, Marina Oswald, were in a car with Secret Service Agents proceeding to Irving, Texas, to pick up clothes for Marina's children. Mrs. Oswald first learned of the shooting when they stopped at the home of the Chief of Police, Irving, Texas, and were told that Lee Oswald had just been shot. They remained at the home of the Chief of Police until they learned that Oswald had died, and they were then driven by the Secret Service to the hospital to view Lee's body. At no time on that morning did Mrs. Oswald attempt to enter the City Hall building.

A review of our Dallas Office files shows that all film made by television cameras at the Dallas City Hall on the morning of 11/24/63 has been shown publicly and furnished to the Warren Commission. We have never received any authentic report that any film was confiscated by Texas Attorney General Carr or was otherwise withheld from public exhibition.

CONSULAR TREATY TO ALLOW SOVIET AGENTS IN YOUR CITY

TO STOP KATZENBACH PLAN ACTION NECESSARY NOW

Reprinted from Liberty Lobby Letter 71,
300 Independence Ave., S.E., Washington, D.C.
Subscription \$2.00 per year.

The Johnson Administration plan to allow Soviet spy nests in American Cities is with us again after being repulsed by a horrified public outcry in 1965.

With their unrelenting drive for a socialized America slowed down by the 1966 election returns, the Administration planners are now turning their full attention to what they call "building bridges" to the Communist enemy. In the forefront of this appeasement drive will be an all-out effort to ratify the notorious "Consular Treaty."

Consulates maintained by free nations are offices where normal commercial and tourist business is conducted. But, as pointed out by J. Edgar Hoover, the main function of a Soviet consulate is ESPIONAGE.

If the Consular Treaty is ratified by the Senate, American consulates in the Soviet Union will be busily occupied with increasing trade with the enemy, while Russian weapons are being used to kill and maim American boys in Vietnam.

Soviet consulates in this country will be busily engaged in dispatching spies throughout America. And, by the terms of Article 19 of the Treaty, these spies will be immune from prosecution by any American authority, State or Federal.

According to FBI information given to Sen. Thomas Dodd, more than 400 Soviet espionage and intelligence agents would be assigned to proposed consulates in New York, Chicago, Detroit and Los Angeles.

The spectre of this Soviet fifth column, operating with impunity in every part of the country caused patriots to flood the Senate with an unprecedented amount of protest mail in 1965, appealing for the defeat of the treaty. This public demand, inspired by Liberty Lobby, was so great that the Senate leadership backed away from its plan to bring the Consular Treaty up for a vote.

The drive to secure ratification of the "Soviet Spy" treaty is being led by Nicholas Katzenbach, who was moved from the Justice Department to his present post as Undersecretary of State as part of the President's program for "friendship" with the enemy. What better way to begin his new career than to press for ratification of a treaty which J. Edgar Hoover has called "a cherished goal for the Soviet intelligence services?" (Testimony of J. Edgar Hoover before the House Appropriations Committee, March 4, 1965).

The Senate Foreign Relations Committee, headed by Senator Fulbright, is very likely to report the Consular Treaty to the Senate floor early in the upcoming session of Congress.

There are men in the Senate who recognize the danger to our national security posed by this treaty. If you give them enough support NOW, you can STOP the Consular Treaty.

What You Can Do:

Write or wire your two Senators now.

Tell them you feel that a vote for the Consular Treaty would be a breach of faith with our boys in Vietnam, where Russian arms are killing Americans.

Tell them that you are concerned about the possibility of Soviet espionage agents being given freedom to operate in American cities.

Tell them that you do not want Soviet spies living and working in our cities.

Tell them that you and your neighbors would find it very hard to understand how any Senator could ignore the warning J. Edgar Hoover gave in his testimony before the House Appropriations Committee.

Warn your friends and neighbors of the dangers hidden in the Consular Treaty, and encourage them to write or wire their Senators.

Dear Mr. Hoover:

Just recently I received in the mail the enclosed copies of papers entitled Patriotic and Common Sense, unsolicited by me. These papers are evidently published by the Christian Education Association of Union, New Jersey.

I was shocked to read the contents of these so-called Patriotic news facts. It does appear to me from what I have read that this organization is spreading malicious lies and propaganda of an anti-semitic nature which has a ring of neo-Nazism about it. This leaves me quite disturbed as a committed Christian. This type of propaganda can in no way be related to the Christian gospel. Do our laws allow the dissemination of such poison via the mails? In addition, I would also like to know if this organization is one of those that your bureau has listed as being un-American? If indeed this organization does have that kind of listing in your department, what can be done by your department to prevent such malicious representation of fact?

I do not know how this organization obtained my name and address, but I do want to go on record as not being a party to it in any way, shape or manner. I would appreciate an early reply to my questions and do understand how busy your department is, nevertheless, writings of this type should not be allowed to prevail.

YOUR ENEMY IS IN WASHINGTON WAKE UP AMERICA!

Government of the People, by the People and for the People Has Vanished from the U.S.A.

AN OPEN LETTER TO THE AMERICAN PEOPLE

Gentlemen:

Many times in the past we have said or insinuated that "Congress does not know what it is doing." Now, as of September 25, 1967, many badly-shaken Congressmen and Senators agree with us.

A campaign was organized, nation-wide to oblige the members of the United States Senate to face (up to) the fact that they, and ~~neither, control, of nor responsibility for the~~ Armed Forces of the United States; that with power and responsibility had been transferred to the United Nations with the "Commander-in-Chief" himself under mandatory UN discipline.

QUESTION: The nation-wide campaign hinged upon a simple question, viz: "If the United Nations calls up our armed forces for service in South Africa and/or Rhodesia, WHAT CAN CONGRESS DO TO PREVENT IT?"

Tens of thousands of letters poured into Washington repeating "the question" and compelling individual members of Congress to face the fact that Congress could DO NOTHING to prevent such a call-up. Those who had doubts were promptly set straight by the State Department which informed them that the Law of the Land now is:

THE LAW: The President, as Commander-in-Chief of the Armed Forces and as architect of our foreign affairs, has sole authority to deploy the armed forces of the United States.

The State Department had, some months earlier, informed the thoroughly bewildered Congress that the law of the land also is: The President and not the Congress has authority over foreign trade. (This came up when the President ordered the embargo against Rhodesia.) Art. I, Sec. 8, Para. 2 (Commerce) and 11 (to dictate war) had been nullified at some time, and by somebody, and Congress had known nothing about it.

Over the years the Congress has been induced through a smoothly operating program of "gradualism" to call upon the APPOINTED State Department, rather than the lawyers in their own ELECTED Congress, for legal advice and interpretations. The masterminds of state pour out a torrent of gobble-de-gook which even the Rhodes Scholars in Congress now claim they do not understand.

The State Department has not yet explained to the now thoroughly frightened Congress, the source of the new law just coming to light. The Congress remains mystified and bewildered simply because it is a firm policy of the Executive and Judicial branches of government to conceal and protect United Nations authority over the United

COMMUNISM

How much longer will American people stand idly by while their constitutional rights and freedoms are bartered away through secret treaties and United Nations commitments made without their knowledge or consent? -

States government. The present terror in Congress will be greatly magnified when they realize the nature of the commitment they made in enacting the Disarmament Act (S.J. 87-297). If they couldn't understand the simple language of the Tonkin Gulf Resolution, which authorized the half-million man build-up in Vietnam, what, oh what, did they understand of 87-297 whose fork-tongued language authorizes the TOTAL AND COMPLETE DISARMING OF THE UNITED STATES WITH ALL OUR ARMED FORCES TO BE TURNED OVER TO THE UNITED NATIONS?

Gentlemen: the first hand report on how Congress was allegedly tricked into authorizing the President (who says he didn't need their authorization to conduct any kind of war he wants to wage in South East Asia, including full-scale war with China) in our opinion calls for WHOLESAL IMPEACHMENT at the very highest echelons of the Federal Government.

The beginning of our secret involvement in

~~~~~

THE STAFF OF COMMON SENSE

WISHES ITS READERS A VERY

Happy New Year

~~~~~

Vietnam came when the State Department persuaded Diem Ngu, who had been living in exile in New York State for several years, to return to Vietnam to take over the government. Then Diem, whose "government" was not a member of SEATO, invited the United States to come to his aid in fighting "Communists." We began to pour billions of dollars in "Aid" into South Vietnam and to send armed forces personnel into that country to "ADVISE THE VIETNAMESE." Later we were to "train" their armed forces; and still later we were to do their fighting for them.

As the war escalated and the casualties mounted the people began to rebel and an "incident" was needed to promote Congressional involvement. Quite providentially, according to the press and the President, on August 2 and again on August 4, 1964 some small North Vietnam PT boats took a few potshots at our giant destroyer, U.S.S. Maddox in Tonkin Gulf.

The President hastily called before him certain (unnamed) members of Congress and urged the adoption of a "Sense Resolution" directing him to, in effect, do as he pleased and to go as far as he liked in South East Asia. Nothing was said about a Declaration of War and no time was given for an investigation to determine whether there had actually been any attack by the VC on our destroyer and, if so, the extent of that damage. Now, 3 years later, the question is raised.

If there was a man then in Congress who did not know that the Roosevelt administration, needing an incident in 1941 to persuade Congress to declare war, HAD DELIBERATELY ARRANGED THE SINKING OF OUR FLEET at Pearl Harbor, such a man was not sufficiently informed to be in Congress. And if, knowing the facts of Pearl Harbor, these Congressmen did not harbor some skepticism in the Tonkin Gulf "incident" they simply did not have the qualifications necessary to enact a "SENSE" Resolution, as the record will show, and has shown in the attempted sinking of the USS Liberty, where Congressional reaction bordered closely upon, "We're sorry too, Little One. Better luck next time."

On August 7th the "Sense Resolution" was enacted; the President has increased the American forces in South Vietnam from some 20,000 to half a million — the dead, from a few hundred to more than 15,000. In all Congress only 2 men, Senators Gruening (Alaska) and Morse (Oregon) voted against the Resolution while more than 500 voted for it. It was Senator Gruening who, on August 21, 1967, opened the can of worms in Congress and brought to light the fantastic story revealed (and documented) herewith: Senator William J. Fulbright of Arkansas was as-

AN OPEN LETTER

(Continued from Page 1)

signed the task of pushing the "Sense Resolution" through Congress. While he says now he did not know what he was doing. The records show otherwise. When confronted with the record he confessed that he had known what he was doing at the time but had relied upon the pledged word of the President that the unconstitutional and unlimited power conferred upon the President by this Resolution would not be used to escalate the war in Vietnam. Mr. Fulbright is charging now that the President obtained this fateful resolution by fraud and deceit. The slogan-drugged Congress did not remember that President Wilson had "kept us out of war" while he was trying to bait the Congress into declaring war and President Roosevelt had pledged "again and again and again" our sons would not be sent into a foreign war. LBJ pledged both before and after the Tonkin Gulf Resolution that "American boys will not be sent to do the jobs that Asian boys should do," and because Senator Fulbright believed him, the whole Congress (except 2) voted the President unlimited authority for action in South East Asia.

Gentlemen: Read the following Resolve. See if you can understand it. Decide whether YOU would have voted for it:

"The United States is, therefore, prepared as the President determines, to take all necessary action, including the use of armed forces, to assist any member or protocol State in the South East Asian Collective Defense Treaty requesting assistance in defense of its freedom."

Senator Fulbright now says: "We did resolve, we did act, and I have said many times I think wrongly, precipitously, without due consideration to giving authority far beyond that particular attack."

"I regard this as one of the most tragic mistakes in American history. I did not intend to authorize it. Now, I think it is clear that Congress is, in large part, at fault in not being precise."

This "one of the most tragic mistakes in American history" has cost the lives of 15,000 young men with many times that number wounded. The question now is: Will Congress allow that "mistake" to stand or will Congress voluntarily move to correct it? If Congress fails and refuses to act — must our young men continue to die because there is no real representation for them at any level of government? The debate sparked by Senator Gruening came about because of two statements made by the administration in the previous week. The Congress was just beginning to awake from a long, propaganda-drugged sleep, and the import of these statements "got through" to them.

LBJ had stated in a speech to the American Bar Association (a sub-committee of which had ruled unanimously that the actions of the administration in South Vietnam were legal in accordance with the Charter of the United Nations and the SEATO Treaty) that: "We stated then (at the time he ASKED for the Tonkin Gulf Resolution) and we repeat now, WE DID NOT THINK THE RESOLUTION WAS NECESSARY to do what we did and what we're doing."

Undersecretary of State, Katzenbach, has said that Congressional Declarations of War are outmoded. Many members of Congress, apparently a majority, find this statement inconceivable; but, they are wrong. Mr. Katzenbach dropped a hint to the wise which reached no "wise" faculties. He said:

"The use of the phrase, 'to declare war,' as it was used in the Constitution of the United States had a particular meaning in terms of the practices which existed at that time and which existed really until the United Nations Organization." (Congressional Record 8-21-67, page 11883).

Of course LBJ could have taken the action he took and continues to take in Vietnam, provided the UN directed him to do it. Without consulting Congress, a dozen Articles of the UN CHARTER proclaimed the fact, and, as Katzenbach stated, the administration needs no Declaration of War for any military action taken by the President — under Articles 39, 25 and 24, the Security Council and

Since its inception, the UN office of undersecretary-general for political and security council affairs—which coordinates all military, disarmament and atomic energy matters for the Security Council—has been held by an open Communist from a Communist country.

NOT CONGRESS is authorized to decide for us when, where, why and against whom WE go to war.

It is the failure of the Congress to make any effort to REVIEW THE CHARTER OF THE UN TO UNDERSTAND OUR COMMITMENTS under that Charter and the thousands of treaties, agreements and resolutions of the UN, which has led Congress into a full-scale war in Vietnam. Only now does an element in Congress realize they are powerless to prevent a call-up of our Armed Forces for service in a UN Army (and the "Special Forces" SEATO Army in South Vietnam IS a UN Army as surely as was the UN Force in Korea). The STATE DEPARTMENT ADMITS that the field command in Vietnam is complying with Article 54 of the UN Charter and "reports promptly and fully all major activities in South Vietnam" to the Security Council. This same Article requires that activities "IN CONTEMPLATION" must be reported also. So, in carrying out the provisions of the Article WE are informing the UN in advance of what we intend to do. (The Russian head of the Military Department of the UN should be able to use that type of information!) Please remember, the American Bar Association report that "WE" are legally engaged in the Vietnam War, not in accordance with the Constitution of the United States nor by the authority of the Tonkin Gulf Resolution, but in accordance with the Charter of the United Nations and the South East Asian Treaty Organization (SEATO).

An awakening Congress struggling weakly to its feet, surveys the disastrous wreckage evident on every hand. What can they do? Repeal the Tonkin Gulf Resolution with half a million men pinned down in Vietnam? Reveal their own incompetence in an election year? If they suddenly became statesmen and repealed the Resolution, what would happen? The Administration would ignore them. Under the UN law they really did not need the resolution. It was JUST A SCHEME TO INVOLVE CONGRESS IN THEIR CRIME as they have done many times before.

Remember too, Senator Fulbright who pushed the Resolution through Congress now says it was one of the most tragic mistakes of American History. What can Congress do now to stop the tragedy?

There is one thing they could do — in 3 days time or less! Review the UN Charter and examine its treaties, agreements and resolutions. THE MOST TRAGIC MISTAKE IN AMERICAN HISTORY WAS THE RATIFICATION OF THAT CHARTER.

One of the provisions of this fraudulent "charter" which actually, on the face of it, is a Constitution for a new government, is Article 109 setting forth that if the "charter" had not been reviewed and revised by the 10th year, the General Assembly would review and revise it in 1955. This was a TWO-PARTY TREATY; why was the U.S. Senate not required also to REVIEW and REVISE by the 10th year? Because the United States Senate, under this treaty, WOULD NOT EXIST IN 1955.

When the 10th year rolled around the General Assembly decided that if they attempted

to review and revise at this time they might LOSE THE WHOLE CHARTER as they certainly would have done in the face of a 1954 Senate Subcommittee Report that there was not enough of the 1945 Charter left to amend. It had been euchered out of business by the UN itself. Every revision is on the agenda of the General Assembly and each year it is postponed.

This was the most important (and fraudulent) "treaty" ever entered into by the United States. It was not ONE of the most tragic mistakes in American history; it was THE most tragic mistake of all time.

At a press conference, held subsequent to the Gruening-Katzenbach-Fulbright debate, in defense of his unlimited authority, the President asserted that the late Senator Robert A. Taft approved of sending troops to Korea but objected to the way President Truman had done it without the consent of Congress.

The fact is that Mr. Taft, in his book, A Foreign Policy for Americans, reveals his vigorous opposition to the whole Korean war scheme. Senator Taft, we believe, has established very clearly where we parted company with the Constitution. Heed his remarks! "I voted for and supported the United Nations Charter in the Senate on July 28, 1945. I was never satisfied with the Charter and stated my criticism definitely at the time."

"It follows that, except as such policies may ultimately protect our own security, we have no primary interest as a national policy, to improve conditions or material welfare in other parts of the world or to change other forms of government. Certainly we should not engage in war to achieve such purposes."

On page 32, Senator Taft quotes from a letter written by F. D. Roosevelt to Premier Reynaud: "... so long as the French people continue in defense of their liberty ... material and supplies will be sent to them from the United States. ... I know that you will understand that these statements carry with them NO IMPLICATION OF MILITARY COMMITMENTS. ONLY THE CONGRESS CAN MAKE SUCH COMMITMENTS."

President Roosevelt died before the United Nations Charter was approved at San Francisco. Then Harry S. Truman became President and, to settle a dispute at the San Francisco Convention, he wired from Potsdam: "When any such agreement or agreements are negotiated (to provide troops for a UN Army) it will be my purpose to ask the Congress for appropriate legislation to approve them."

At this point, before the UN Charter was approved, Congress still had the power to declare war. As Mr. Katzenbach so tersely stated it: "Until the United Nations Organization." As reported by Mr. Taft, the change in the law became apparent following the organization of the UN. He says:

"On January 11, (1951?) at a press interview, according to the Washington Post: 'Mr. Truman, whose right to send troops to Europe recently was challenged by Senator Robert A. Taft, said that he had the power to send them any place in the world. ...'

"At the President's Conference a week (Continued on Page 4),

Christianity - Not Handouts - Hope of the World

By TOM ANDERSON

Some months ago our President offered the North Vietnamese a ceasefire and one billion dollars if they would form a coalition government and be good. (We have made such trades in Cuba, in China, in neutralist communist Laos and other lost wars too numerous to mention.) Evidently, the North Vietnamese and their Chinese and Russian allies are holding out for two billion.

And now President Johnson has embarked upon a buy-peace program in South Vietnam. He plans to pour so many of our goodies — not his — into South Vietnam that a stable government will result. Then the North Vietnamese will look at their fed-and-fat brothers to the South and cry out for peace and food — and houses and roads and cars and movies and TV and the other goodies of the affluent society. As is par for the course, this theory ignores the fact that Communism has never, anywhere, risen from the starving masses, but has been conceived, born, fed and administered by rich, well-fed intellectuals, from the top down.

The unswerving goal of every Communist, high and low, Russian, Chinese, Yugoslav, Cuban or American, is the destruction and enslavement of the United States of America. And then the world. Therefore, there are no good Communists, except dead Communists. And well-fed Communists are not less dangerous but more dangerous — because they are stronger and more successful. Our goal should not be to feed Communists but to starve them; not to help them succeed, but to make them fail.

A well-fed world would be like the wolf in Little Red Riding Hood — a big mouth, the better to swallow you with, my dear!

"But in every communist country most of the people are not even Communists. We should not allow innocent people to go hungry," the idealists exclaim. True, it is the leaders and the members of the party who are the criminals, not the average little peasant. But the only way, short of war, to free that peasant is to make the regime which enslaved him fail. On the contrary we, the United States of America, have done more in the past 25 years to make Communism succeed than have all the non-communist nations of the world combined. Why? Treason is the reason.

We've given untold billions to Chinese, Russian and other enemies. We've given nothing to our friends in Rhodesia and South Africa — except the back of our hand and boycotts. All they want from us is our friendship.

The only way we'll ever have permanent peace is to surrender to the Comrats: the peace of the prison, the peace after the firing squad has fired, the peace of the mass grave — that's peace, Communist style.

The only true peace the world will ever know is the peace of Christianity. Christianity, not food — Christianity, not the United Nations — is the hope of the world, and the only hope. Naturally, I don't expect Lyndon Johnson, Hubert Humphrey, Dean Rusk, Averell Harriman, Bobby Kennedy, Walter Reuther and Martin Luther King to understand that. But there are many men in leadership positions who do — like Senator Strom Thurmond, the Great American from South Carolina.

Charity is not charity unless it is VOLUNTARY. In Luke 12:13-14 Jesus was talking to a large crowd when a man approached him saying: "Master, speak to my brother that he share his inheritance with me."

And Jesus replied: "Man, who is it that would make me a divider among men?"

Total government planning (The Great Society) has no room for true Christian charity. The best way to reduce the exploitation of man by man is to embrace Christianity. Christianity, not handouts, is the hope of the world.

Zionist "patriots" who drew up blueprint for U.N. charter, the most tragic "mistake" in American history.

THE JEWISH PROBLEM

Since before the time of Christ the world and its leaders have been concerned with the problem of the "Jew."

Cicero, born 106 BC, referred to the "Jews" as a dark and repulsive force. Christ addressed the Pharisees (Jews) as vipers, and drove their money changers from the temple. Mohammed called them devourers of men. Erasmus wrote of their usury and oppression of the poor. Peter the Great of Russia called them crooks and swindlers. Voltaire described them as the greatest scoundrels who ever besmirched the earth. Napoleon spoke of them as the vilest nation in the world, and Maria Theresa of Austria said they commit all deeds which honorable men despise. Count Okuma of Japan stated that Jews all over the world destroy patriotism and healthy state institutions.

George Washington said they were the greatest enemies we have to the happiness of America. Benjamin Franklin warned that they would devour the land (U.S.) if not excluded. General Grant said the Jews had violated every regulation of trade established by the U.S. Treasury Department, and Henry Ford wrote that if the fifty most wealthy Jewish financiers who produce war for their profit were kept under control war would cease.

Expulsions

Down through the centuries the Jews have been run out of one country after another. Following is a partial list of countries which have expelled them in the past. From the accompanying dates it will be noted that some countries excluded them two or three times.

1290	England	1322	France
1306	France	1394	France
1349	Hungary		
1350-1450	German Districts		
1350-1450	Italian Districts		
1350-1450	Balkan Districts		
1420	Austria	1492	Spain
1453	Silesia	1492	Sicily
1492	Sardinia		
1495	Lithuania		
1497	Portugal		
16th Century	Lower Austria		
17th Century	Lower Austria		
1671	Vienna		
18th Century	Louisiana		
1792	Most of Russia		
1804	Most of Russia		
1814	Norway - Sweden		

Now has any other race been denounced by so many world leaders, or been run out by so many different nations?

Can all these nations and great leaders be wrong? Bigoted, biased, prejudiced? Or is there something inherent in the Jewish character that makes them obnoxious and unacceptable to other people? Is the Jew the innocent, persecuted victim he always claims to be or has he by his own behaviour brought down upon himself the wrath of other races? Was it hate or righteous indignation that brought on pogroms in civilized nations? Was it prejudice or self defense that caused country after country to run them out?

Was George Washington mentally ill? Were Peter the Great and Henry Ford irresponsible? And should anti-defamation laws have been passed to muzzle Christ, Shakespeare, Benjamin Franklin, Goethe, and Martin Luther, as well as all the Popes who issued edicts to protect their followers from the Jews?

CAN THE WHOLE WORLD BE WRONG?

THE FAKE VIETNAM "WAR"

If Christ were here in the flesh today, I believe He would say of these living hypocrites who are deceiving our people into fighting this fake "war" in Vietnam . . .

"You scribes and Pharisees, hypocrites! You conscript our finest boys and men and force them into 'involuntary servitude,' 15,000 miles from home, to murder and be murdered by strangers, under pretense of fighting 'Communism;' yet you yourselves are the leaders of the communists, with headquarters in New York, and have moved hell and earth to promote, establish and protect 'communism' all over the world. You have originated communism and financed it from the beginning.

"You scribes and Pharisees, hypocrites! You tax our citizens so heavily you have bankrupt our nation, under pretense of supplying our boys material to fight this 'war;' then you send them inadequate amounts of outmoded, inefficient munitions, and refuse to let them win. You refuse to allow them to bomb key military targets, such as Haiphong harbor, and whine you are afraid this might make Russia and China angry with us. You give our deadly enemies immense supplies of strategic war materiel our boys need desperately, which the enemy use to maim, torture, and murder our half-trained boys in the mud, swamps and disease-infested jungles of Vietnam. This is total treason!

"You scribes and Pharisees, hypocrites! While you force our finest boys and men to leave their parents, wives, children and sweethearts to go 15,000 miles to kill and be killed, under pretense of opposing 'Communism,' you actually protect the communists next door in Cuba, by patrolling their coasts so no one can attack them.

"You Pharisee hypocrites! You sponsored Castro and his cut-throat band of Communists, under pretense that they were Cuban patriots and installed them in power in Cuba. Without your aid it would have been impossible for Castro and his traitors to have taken over Cuba, where today they are busy setting up atomic missiles to destroy U.S. cities, with the aid of Russia.

"You scribes and Pharisees, hypocrites! You pretended the communists in China were merely harmless 'Agrarian Reformers,' then deliberately by force put them in power in China. You now protect them from invasion by the Chinese army of patriots on Formosa, who would free their friends and relatives from Chinese Communist tyranny if you would let them. You patrol the coast of China to protect the communists, while you send our boys 15,000 miles from home to be slaughtered, to make the world safe for Communism. The total casualties of the U.S. in Vietnam is, 253,917.

"You Pharisees, hypocrites, money-changers! From your banking headquarters in New York, you furnished the money that financed the 1917 Russian Revolution. You connived in the murder of the Christian Czar Nicholas and his family in cold blood, and in the murder by torture and starvation of over 50 million white Christian Russians.

"You scribes and Pharisees, hypocrites! You are deliberately doing all you possibly can, to corrupt and destroy the bodies and souls of our Christian youths, and may God our Father, punish you as you deserve!"

COMMUNISM IS TREASON!

THE INVISIBLE GOVERNMENT

By ALTON THATCHER

There are two governments in the United States today. One is visible. The other is invisible.

The first is the government that citizens read about in newspapers and school children study about in civic books.

The second is the interlocking, hidden machinery that carries out, after it has planned, the domestic and foreign policies of the United States. Decisions in peace and war are handled by a small directorate, the name of which is only whispered. The name of this group, even its existence, is unknown outside the innermost circle of the invisible government, the arm-of-the-international-bankers and their pet project the United Nations.

The invisible government established and consolidated its authority during FDR's Administration. Today it is in full command of the federal executive branch, Congress, and the Supreme Court. It also controls the CIA, the National Security Council, the Defense Intelligence Agency, the National Security Agency, Army-Navy-Air-Force Intelligence, the State Department's bureau of Intelligence, the Atomic Energy Commission, the Federal Bureau of Investigation, and our public school educational system.

The invisible government controls every phase of our national government, America's foreign policy, and the valuation and devaluation of the dollar as set forth by the International bankers, who control the English pound and the French francs.

It is the process by which they are shaping the lives of two-hundred million Americans. These decisions are made outside the American public view.

For an illustration of how the dictatorship of the invisible government works in violation of the Constitution of the United States, listen to the following:

On November 23, 1963, during his first full day in office, LBJ was taken by McGeorge Bundy who had been President Kennedy's personal link with the invisible government to the Situation room, a restricted command post deep in the White House basement. There the new President, surrounded by top secret maps, electronic equipment and communications, received instructions from John McCone.

There is no end to the illegal invisible government which functions over our federal government. And there is no end to the extreme political, economic, and racial upheaval in the United States.

We fight a savage war in Vietnam, a war which our hand-tied government will not seek to win. It has cost America over 15,000 lives and over 86,000 wounded on the battlefields. The war could have been ended long ago, and still could by adequate use of power which this country has. But it continues with no design for victory, as we continue to fight under the influence of the invisible government and the United Nations RATHER THAN OUR OWN MILITARY GENERALSHIP.

Besides, we are in the midst of a crime wave in the United States. It is unequalled in our history. Murder, rape, assault, grand theft, even bank robbery are common, and the criminal cesspool continues to rise. The courts, egged on by misnamed sociologists, not only fail to crack down on crime but knock down barriers to make it easier for the criminal.

Schools are closed for fear of racial violence. Black power activists betray their own people into riots, plunder, and murder. And all the while our SEDUCED government stands by, consenting.

College students make demands for peace, often demonstrating for the North Vietnamese, not for the sake of our own soldiers.

Let's do all in our power to make the diabolical character of the Invisible Government better known and hated.

TREASON

"Treason against the United States, shall consist only in levying war against them, or in adhering to their enemies, giving aid and comfort."—Article III, Section 3, Constitution of the United States.

CONSCRIPTION

"Where in the Constitution is it written, in what article or section is it contained, that you may take children from their parents, and parents from their children, and compel them to fight the battle of any war in which the folly and wickedness of the government may engage itself? Who will show me any constitutional injunction which makes it the duty of the American people to surrender every thing valuable in life, and even life itself, whenever the purposes of any ambitious and mischievous government may require it? A free government with an uncontrolled power of military conscription, is the most ridiculous and abominable contradiction and nonsense that ever entered the heads of men."—(Daniel Webster—January, 14, 1816, House of Representatives).

The 13th Amendment of the Constitution states: "Neither slavery, nor involuntary servitude, except as punishment for crime, where the party have been duly convicted, shall exist in the United States."

To conscript our finest boys and men and force them to go on the other side of the world to kill or be killed by total strangers in the name of defending the U.S.A., is "slavery, and involuntary servitude" of the worst kind. Conscription is absolutely unconstitutional.

If one wants to defend his home and loved ones, he should stay here at home and repel any invader, instead of going 15,000 miles away to kill or be killed by a total stranger.

Our real enemy and traitors are here at home within our own country.

The Constitution — that grand old document that so many liars have sworn to uphold!

AN OPEN LETTER

(Continued from Page 2)

later . . . according to the press: 'He repeated that his Constitutional authority did not depend upon the consent of Congress. . .'

"Furthermore, a document was submitted to Congress entitled 'Powers of the President to Send Armed Forces Outside the United States' . . . This document contains the most unbridled claims for the authority of the President that I have ever seen in cold print. In effect, the document asserts that whenever, in his opinion, American foreign policy requires, he may send troops to any part whatsoever in the world. No matter what the war is . . . that may involve us."

The absolute authority of the United Nations to call upon the President to "make available to the Security Council ON ITS CALL, armed forces, assistance and facilities has been understood and recognized by every president from Truman to Johnson — yet Congress knew nothing about it! They have watched the United States forces dragged into undeclared wars in Korea and Vietnam under laws of which they are completely ignorant. Now, as they strive frantically to get our young men out of Vietnam they are blandly and insolently informed by the President and over-educated upstarts from Defense and State that the President has full authority to send them any place on earth and to pin them down for ten to fifty years if he so desires.

It has been demonstrated in the recent dispatch of transport planes and crews to the Congo, that a vocal and outraged Congress can take the starch out of the Administration master-minds. The President found it mighty expedient to call home the transport planes and their crews. After all, Congress still believes it has the power of impeachment, and might try to use it.

Then, there were the Treaties entered into by the President and his counter-part in Panama to give away the Panama Canal. The newly-awakened Congress backed the Administration down on that. And, if Congress obtains the facts on the agreement made by the late J.F.K. with Khrushchev as reported in considerable detail in the President's Report to the Congress on U.S. Participation in the UN. (1962, p. 116) in which J. F. K. guaranteed that there would be NO INVASION OF CUBA BY ANYBODY, INCLUDING THE CUBANS IN EXILE, Congress could con-

ceivably generate enough righteous indignation to blow that infamous agreement sky-high. The Russians never complied with it—they have far more military hardware in Cuba NOW than they had then. It is in CUBA and not Vietnam that OUR national security is threatened.

Congress is in trouble, serious trouble, and needs the help and support of all State Governments and of the People. They have learned enough in the last six months to have kept our armed forces out of a UN African war and, it may well be, that because we will not permit our armed forces to be sent to Africa, the Administration will cooperate in closing out the Vietnam war.

But, whatever the accomplishments now, nothing will be settled on a permanent basis until the United States-Senate-and-the-50 State Legislatures review the UN Charter and inspect the treaties and resolutions. Unless we know where we were we will not know where we are nor how to chart a sensible course to where we are going.

TO THE YOUTH OF AMERICA FACE REALITY - ONLY TRUTH CAN SET YOU FREE

THE COMING BATTLE

Youngsters gravitate to my house. I have things which attract them. First of all, I have gregarious youngsters of my own. I have collections of weapons and military insignia from all the world. I have a collection of ship models. At my dock there are watercraft, and youngsters know that I may take them deep-sea fishing. They also come to borrow tools to work on their automobiles. The youngsters who come to my house are not, generally speaking, part of the "youth problem." They are not alienated. They are doing well in school. They are patriotic. ROTC, National Guard, and Naval Reserve are represented among them. The ages of the youngsters who visit my house have tended to keep pace with the ages of my own youngsters, which means that they are now mostly university freshmen and sophomores.

Recently I attended the funeral of one of the youngsters who had been a regular visitor to my house since the age of twelve. He was killed in Vietnam. I remember well the bright, fresh-faced boy who drove a type of automobile called a "T-Bucket" which he often brought to me for consultation. He was buried with a posthumously-awarded medal on his chest.

These youngsters are willing to fight. But for what? This is the question they always ask me: "WHAT IS THE SOLUTION?" Where is the banner of righteousness to which we may bring our young idealism? Which cause should we espouse? Which political faction should we join? I must confess that I have no answer for them. I myself have been looking for the "solution" for thirty years and have not found it. Most causes, organizations, political organizations, and even churches are today in the hands of an element known in the vernacular as "The Phonies." I tell my young friends frankly that they have been born into a bad time, a fundamentally wicked age in which a great disaster is now virtually inevitable. This seems a gloomy thing to tell young people. If they wish to hear glib, pleasant lies, the communications industry has thousands of people working at the production of such, and they can take their choice. If they can stand the truth, they might as well hear it from me.

Normally, my young friends would be conservatives. They are not the type of people who want welfare handouts. They often ask me, "What has happened to American Conservatism?"

WHAT INDEED HAS HAPPENED TO AMERICAN CONSERVATISM?

Happily, I can answer this question for my young friends. American Conservatism used to be associated with the BIG RICH Gentiles, the tycoons who built railroads, factories, and airlines. These men were universally admired and considered the natural political leaders of the nation. From the time of the Civil War to 1929, the Republican party was the majority party of the nation, and it was the vehicle of conservative political power.

Our Legacy to Youth

Photograph shows some crosses over graves of 13,000 war dead in National Memorial Cemetery, Honolulu, Hawaii. But the crosses are no longer there. Anna Rosenberg, while Asst. Secretary of Defense ordered their removal.

We were a capitalist nation, a private enterprise nation, and we were proud of it. What ever happened to that picture? I will tell you what happened: THE REALLY BIG MONEY "WENT RED" MANY LONG YEARS AGO, INDEED DECADES AGO. The super-rich defected to "The Other Side." The provincial rich did not follow their betters in this defection; indeed it was a long time before they even suspected that such a thing had happened. Their provincial daily newspapers told them that some pesky people called "Workers and Peasants" had started a revolution in Russia, and that the American working class was becoming dangerously affected by the contagion. It was forty years before the provincial rich and the middle class began to suspect that something very odd was going on among the upper echelons of the "BIG MONEY" people.

Why did the BIG RICH desert American Conservatism? There are good reasons. Let us now study these reasons. First, let us consider the provincial rich man. Let us say that he is president and principal-owner of the Podunk Hollow Brick Works, located in a mid-western city. The brick works has been in his family for two or three generations. Town squares all over the middle west have been built with bricks made in his factory. He is worth perhaps two million dollars. This is a

SUBVERSION OF MUSIC

By LINDA LARSON

Is there a Song in your heart? Is it a song of love for America, for the heritage that was given us by God and for the principles which have made us a Nation strong and free? And what about your children, what are their songs?

It has long been a basic tenet of Communist strategy to control for its own evil purposes the explosive force which youth represents. The vigor and vitality of youth groups constitutes a force of immense proportions. Channeled into proper outlets, this force can accomplish immeasurable good. Manipulated into destructive channels, this force can create chaos.

Looking at the demonstrations, riots and chaos that have occurred across the nation, we see that today's youth is being used in destructive channels. Their cultural upbringing is no longer teaching them patriotism, real love of country and a willingness to sacrifice for it. It is no longer teaching them religious faith, integrity and honor. Instead our youth are being brainwashed into believing the Communist doctrine. J. Edgar Hoover stated that the Communists "have infiltrated every conceivable sphere of activity; youth groups, radio, television, and motion picture industries; church, school, educational and cultural groups; the press; nationality minority groups and civil and political units."

The Communists might well be congratulated for their successful infiltration into the subversion of American music, inflicting upon the American public a program announced beforehand and one which they are pursuing at a phenomenal rate. They have contrived a calculated and scientific technique, aimed at creating a generation of immoral and emotionally unstable youth by using Conditioned Reflex Therapy. Conditioned Reflex Therapy involves the use of hypnosis, word conditioning and emotional conditioning.

The understanding of the effects of these three ingredients on human behavior is to know and understand how to control that behavior. The Communists through the use of their educators, scientists and entertainers are using these ingredients and they need only to mass hypnotize American youth, condition their emotions through the beat of their music and then give the word for riot and revolt. The results could be a generation of neurotic and emotionally unstable youth. It may seem "unbelievable" that music could be used to lead us down the path to atheist communism, yet Sidney Finkelstein, "the cultural spokesman for the Communist conspiracy," calls for the breaking down of the barrier between classical music and popular music and concludes that "works will come forth which will inspire the American people in their collective struggles for peaceful

THE COMING BATTLE

very comfortable sum. It secures him and his family against want, affords them a generous standard of living. The president of the brick works is a conservative. He believes in sound money, patriotism, and stable government.

He is practically a pauper by the standards of the "BIG RED RICH." They do not merely "have" a certain amount of wealth. THEY MANIPULATE THE CURRENCY SYSTEMS of 125 COUNTRIES. They are super-rich beyond the wildest dreams of the president of the Podunk Hollow Brick Works. They hire and fire the presidents of great manufacturing corporations worth hundreds of millions of dollars. Money? THEY CAN MANUFACTURE FOR THEMSELVES AS MUCH AS THEY WISH TO HAVE AT ANY GIVEN TIME. They enjoy a virtually unlimited requisition upon the labor and natural resources of the world. Already, for a long time, they have been thinking in terms of a WORLD STATE under their rule, a world religion which will control the people, a world economy which will give up its treasures to them. Why did the big rich go red? Marxism is not, as many people apparently still believe, a proletarian movement. It is the cornerstone of the New World Order, the tool of the big rich, it has never been anything else.

IT WAS THE DEFECTION OF THE BIG RICH WHICH DESTROYED AMERICAN CONSERVATISM. Many of my friends and neighbors are conservatives. Many of them belong to the John Birch Society. They are always pestering me to attend their meetings. I find that life is short, and that I have no time for lost causes. All over the country, thousands of sincere people have joined patriotic right-wing organizations. They are good people, the salt of the earth. Unhappily, they are being led merrily up the primrose path. When the big rich went red, they didn't bother to tell the provincial rich or the middle class about it. They retained control of the American right wing long enough to insure the complete wreckage of it. ~~At last~~ the terms "Right" and "Left" no longer really mean anything at all. At the very top, the SAME PEOPLE control both sides. It is down in the ranks that you find the true believers of both the left and the right. At the top you find nothing but consummate cynicism. A lot of these people at the very top are Jews. The House of Rothschild is often credited with being the inventor of "The System." A lot of rich gentiles also belong to this gang. Henry Ford I was the last real holdout against them. When old Henry Ford was carried to his grave in a Packard hearse, American Conservatism was buried along with him. The defection of the big rich was a blow from which American Conservatism has never recovered.

For many years, I have been urging the loud-mouthed professional anti-Communists: "Come! Let's stop fighting a mere sham battle. Let's go out and fight Marxism as it really is, instead of fighting these mere fictions you are always yammering about. Let's fight the World State, the World Religion, the World Economy which these people are trying to fasten upon us!" The funny little men in the right wing organizations are always terribly annoyed by such suggestions. They suddenly start telling me all manner of "reasons" why such things cannot be done. I do not need to be told. I know why these men won't fight the all-powerful World-State machine. They are YELLOW. They have long since lost all respect in my eyes.

Now, young college freshman, we are beginning to find a dragon for young knights like you to fight. I know that my young friends are brave. As I said before, I recently attended the funeral of one of them who proved it in Vietnam. His parents got a letter from his commanding officer which told a story of valor. I knew this boy from the time he was twelve years old, and was not surprised to find that he was brave in battle.

Bravery alone won't win the battle against the World State which the interests of international gangsterism are building today. The battle requires not only the bravery of the young, but also the sophistication, experience,

and statecraft of the old. Where are the "Elder Statesmen" who will provide the leadership which the idealistic young so eagerly seek? In thirty years, I have not found them. I have reached the conclusion that the poet Yeats was right about our times. We have come to a time when the wicked are full of passionate intensity, while the good lack all conviction.

The great evil dragon of our times is the World State idea. Your university, your mass media, even perhaps your church, will present this idea to you as the ultimate in Idealism. A slab-like building, located on the east side in New York, purports to be the headquarters of the parliament of the world. Professor Arnold Toynbee, the poor man's Spengler, has written a good statement of the One-World idea in the April 20, 1967 issue of Saturday Review, under the title Peace, Empire, and World Government. If this is available in your public library, perhaps you ought to read it. THEN REALIZE THAT THIS WORLD STATE TOYNBEE IS TALKING ABOUT IS THE ANTI-CHRIST. It may be difficult for you to understand this at first. Professor Toynbee presents a polished, intellectually-competent, slick argument for the World Government which he says will save us from atomic war. If you are young and inexperienced, it may be difficult for you to see the holes in Toynbee's arguments.

The "World State Gang" have already proven, during their quest for power, the real nature of their character and intentions. Unhappily, you are not likely to know this. The mass media today are owned by the World State gang. The educational system is dominated by them. The literary world of New York is their private cesspool. Today intellectual integrity is largely a fugitive thing. The centers of power in our civilization have already been captured by the World State gang. The funny little men of the political left and the political right do their bidding. You have grown up in the midst of clamorous din of propaganda generated by them.

There is one place where you ought to be able to find the basic truth. You ought to be able to find it in your church. Unhappily, you won't find it there. Our churches, of whatever faith, have become mass media, and they respond to the same controls which govern the rest of the mass media. As sources of genuine religious faith, they are bankrupt. I know some young people who are always being converted from one religion to another, or from religion to atheism, or vice versa. In these times, they should know that they are not really making much of a change when they make these switches. Today the clergy, and the atheists are both working hard at the same trade: SOCIAL CONTROL. The atheist is not loyal to atheism, any more than the churches are loyal to religion. The atheist claims not to believe in the supernatural, but let somebody set up an idol, and like as not he will bow down before it. Some members of the "World State Establishment" are known to believe that paganism is the best way to con-

trol the people. Christianity is not deemed suitable because of its irksome ethical and moral concepts. Bluntly, the World State wants a WICKED religion, a prostitute religion which will endorse any wickedness which might come into their minds. If you are a young man today, you will see the emergence of such a religion during your lifetime. It will be a dynamic religion, and it will be exploded into the world with great force. It will be supported by the power-holders everywhere. It will be compulsory. It will seek ruthlessly to replace Christianity. It will be promoted by all the mass media of the world. It will be almost universally accepted.

There is said to be a "generation gap" between your college generation and older people. There is indeed a gap, a great, wide chasm. Anyone fifty years old belongs to a time which was called "the modern age." The modern age was a great age, and I shall say, nothing against it. Your generation is the first "post modern" generation, and you are living in an entirely different age from the age in which your parents lived. Let us face it: the modern age is over. It ended rather prematurely, and never fully realized its possibilities. This fact has been duly lamented by Professor Revilo P. Oliver in a series of distinguished articles in the AMERICAN MERCURY and WESTERN DESTINY. These articles ought to be read by every thinking American. I am really afraid though, that Professor Oliver is fighting a lost battle. The treason of the big rich has created a gap in American leadership which is virtually insurmountable.

This is the real evil of Marxism. Marxism gave the big rich a chance to revel in tempting evil, and to blame it all on the poor. Before we upbraid the big rich too severely for succumbing to this temptation, let us face the fact that it was a terrific temptation. It was the same temptation which Satan is said to have offered to Christ on the mountaintop: NOW YOU HAVE THE POWER TO TAKE ALL THE KINGDOMS OF THE WORLD. The big rich, like us lesser mortals, are only flesh and blood, and when they saw this temptation they flew into it like moths flying into a candle.

Some young people have asked me to give them a reading program which will put them squarely atop the real meaning of the events of our time. This I can do. The college freshman should have the following books:

By HENRY ADAMS:

SUBVERSION OF MUSIC

(Continued from Page 1)

progress, express their solidarity with all other struggling people, and be a historic contribution to world culture."

The power of music for good or evil purposes has been known since before the time of Christ. Plato wrote in the Republic that "the introduction of a new kind of music must be shunned as imperiling the whole State; since styles of music are never disturbed without affecting the most important political institutions." In the 1950's came Rock 'n Roll and then in the 1960's came the Beatles with their new sounds and repetitive lyrics. —These new sounds uncovered a mode of music that dates back to ancient Greece and which had remained dormant until unwittingly unearthed. Pythagoras and other Greek philosophers of the 6th Century B.C. worked out this mode of music, characterized by an ecstatic, orgasmic beat. It is interesting to note that this mode of music was eventually condemned by the ancient Greeks as "being too lascivious."

Needless to say, the Communists have not entered into the field of music for any humanitarian purpose. The International Music Bureau, with its headquarters in Moscow announced in 1933 in the magazine "Soviet Music" "... we can be successful in our efforts only if we know how to transplant our political slogans to the sphere of music." This transplanting of political ideas is the Communist Master Music Plan to destroy America. In this plan they hope to create a sick mind. This plan could be called MENTICIDE, a suicide of the mind.

This psycho-political scheme was begun in the United States in 1946. A few of the fronts which were established were recording companies renewing activities for the Communist causes and objectives.

In an official House Committee on Un-American Activities Report entitled "100 Things You Should Know About Communism and Education" the American people were alerted to a number of subversive organizations. Listed as one of the cited organizations was Young Peoples Records. Karl Frusson, a former agent for the FBI within the Communist Party, has stated under oath that within the cell apparatus of the Communist Party this organization was accepted and supported by the Communist cell members. In David A. Noel's book, "Rhythm, Riots and Revolution," he quotes Dr. William J. Bryan Jr., in regard to a record, The Little Puppet, made by a Communist recording Company. Dr. Bryan, Jr., states this record has "a certain power of suggestion and musical arrangements designed to be frustrating and hypnotic." Hypnotic suggestions could include thoughts of world citizenship and against nationalism and patriotism.

Why do we allow the songs of this "new sound" to be played to our children? American homes are flooded with vast quantities of this violent and orgasmic type of music 24 hours a day across the nation by radio. It is a frightening thing to know that the possibility exists whereby our enemies could place our youth into a frenzied, hypnotic state and send them forth into the streets to riot and revolt. We have witnessed this possibility as a reality in this very city during the Sunset Strip incidents. The voice on a record played these days on Rock 'n Roll stations argues "It's our constitutional guarantee" to walk unmolested on the Sunset Strip. The record ends with the singer being hustled into a police car.

Is it their constitutional right to knock out windows with a tire chain, or dent car roofs with a street sign they uprooted, or drop lighted matches into the diesel oil tank of a bus? Is it their constitutional right to hurl rocks and bottles at police officers? What has happened to the respect Americans had for private property and law enforcement officials? Are we falling for the Communist line of abolishment of private property? Are we listening to the words that have come from the mouths of the writers and singers of these songs of the "new sound?" These words boldly declare their communistic and anti-American philosophy. Yet, unknowingly, we allow our children to voice the same anti-American thinking, thinking that can eventually help enslave them.

SUBVERTERS OF MASS MEDIA OF COMMUNICATION

PRESS

SAMUEL NEWHOUSE ✧
The Newhouse empire consists of scores of newspapers, magazines and TV stations scattered throughout the nation with an estimated wealth of over \$200,000,000. By acquiring media for mass communication of every nature, Newhouse is easily able to brainwash Christians with a steady flow of left wing propaganda.

MOVIES

DORE SCHARY ✧
President of ADL (Secret Gestapo in the U.S.), was exposed by the HCUA as the "most contemptuous and un-American of 317 rotten apples in the Hollywood colony." Arrogantly told the committee he would hire "any communist he damned please." Until forced out of MGM, this influential Zionist dominated the entertainment world.

TELEVISION

Board chairman of CBS-TV which pollutes American Christian homes with sex and crime programs. His father, Jacob Palinsky, successful cigar manufacturer, purchased a 50% interest in CBS from Paramount for \$5,000,000 and gave it to his son who now controls the airwaves that brainwash the nation.

We read the words that have come from the folksinger, Joan Baez: "The Star Spangled Banner is just so much trash."

We listen to the words of Pete Seeger, also a folksinger, whose part in Communist activity over the past years substantiates the fact that he has been identified under oath by an FBI undercover agent as having been a member of the Communist Party. Many of the organizations he has participated in have been declared subversive by the Attorney General of the United States. Pete Seeger is presently Associate Editor of the folk song magazine "Sing Out!" This magazine's editor, Irwin Silber, was also cited by the HCUA as a member of the Communist Party and as "a Communist propagandist." Today in the news we find that Pete Seeger has been presented with the Communist East German Peace Medal in East Berlin's Hootenanny Club. Within the pages of Sing Out! we find the promotion of songs by the friend of Pete Seeger, Woody Guthrie, an identified Communist. Interestingly enough, Woody Guthrie, who worked as a columnist for one Communist publication and contributed to another, received the Interior Department's Conservation Service Award in 1965 and Secretary Udall announced the Bonneville Power Sub-Station in the Pacific Northwest would be named the Woody Guthrie substation in his honor.

You might say to yourself, I don't really think the records they play over American Radio Stations are Communist. Have you ever really listened to some of the words? Have you listened to the words of the song, "Eve of Destruction?"

The Eastern World it is exploding,
Violence flaming, bullets loadin'.
You're old enough to kill, but not for votin'
You don't believe in war,
But what's that gun you're totin'
And even the Jordan River has bodies floatin'.

Doesn't this song suggest fear or hopelessness? The fact that this record was taken off the air in Los Angeles at the time of the Watts riots is indicative that the record instills the thought that violence and destruction are condoned.

Recently in the news we find that the Soviet Communist Party newspaper, "Pravda," praised Beate George Harrison for telling a news conference in New York that American troops should not be in Vietnam. It also gave Beate John Lennon, who stirred up a storm by saying the mop-haired quartet was "more popular than Jesus," a pat on the back because

"he liked the Soviet Union very much." Pravda said such statements by popular teenage idols like the Beatles had an important impact on youth.

We also find that "A participant in the recent national convention of the W. E. B. duBois Club reports that during the convention it was stated (1) that they (the Beatles) were backed by the entertainment section of the Communist Party; (2) music was a weapon to win children and young adults to Marxism; (3) Paul McCartney of the Beatles was a member of the Young Communist League."

In the relentless struggle for world domination being waged by the Communists, they are dedicated to the Leninist principle that "youth will decide the issue of the entire struggle." From their earliest days, the communists say, young people must learn to accept the course dictated for them by the rulers of the only god they are permitted to know and worship — the almighty State.

Our youth will decide the issues of tomorrow. From their earliest days they must be taught the principles that have made us the strongest Nation in the world. Our strength is in character and truth and decent living. The majority of our Nation's youth has demonstrated that it deserves our confidence and support. It has shown an increasing awareness of the false appeals of communism, and senses the frauds on men's minds and morals. We must win the struggle with Communism. We must wage a battle against immorality and lift our eyes to our God, for only through Him can we find the moral and spiritual forces which make free men and women. Our victory will be the resurrection of the spirit that made America and the rebirth of the heritage of free men.

"We are taxed in our bread and our wine, in our income and investments, on our land and our property not only for base creatures who do not deserve the name of men, but for foreign nations, for complainant nations who will bow to us and accept our largesse and promise to assist us in the keeping of the peace — these mendicant nations who will destroy us when we show a moment of weakness or our treasury is bare, and surely it is becoming bare.

"They take our very flesh, and they hate and despise us. But when a government becomes powerful it is destructive, extravagant; it is a usurer which takes bread from innocent mouths and deprives honorable men of their substance, for votes with which to perpetuate itself."

THE NEW UNHAPPY LORDS

There are a great many other books which would be useful to you, but I am not trying to turn you into a bookworm. I am merely, trying to list specific antidotes to the poison you will have to imbibe from the mass media, the educational system, the corrupted Apostate Churches, the paganized phoney atheists, the millionaire Marxists, and the other phoney fauna you will encounter on the darkling plain where you are fated to live. A great many people will try to convince you that you are living in a great age, and that by following this or that false banner, you will endure untold ecstasies of idealistic fulfillment. I will tell you the plain, unvarnished truth: You have been born into a bad time. Your life is likely to be a journey on a darkling plain. The initial phases of the battle against evil will be won by the other side. But I shall end on an upbeat note after all: I have faith that the banner of righteousness will indeed be raised again in the world, even in the midst of a great disaster, and those who know the real difference between good and evil will recognize this banner when they see it, and will repair to it. I have found the human species fascinating, in spite of all of their faults. I have some hope that at least two of them, a boy and a girl, will survive the coming disasters, so that the species may continue. I hold firmly to this rather limited hope. As for the other false hopes so many people are spreading around, waste no time upon them; they have no legitimate claims upon you. The One-Worlders will try to waste your time and youthful idealism with their schemes and "movements." The Conservatives will tell you wishfully of their dream of returning to the good old days of the McKinley administration; these are nice people; be gentle with them. Unhappily, as I have told you, they were sold out when the big rich went red many long years ago. Perhaps you should mainly relax and enjoy being young. The world in which you live has come to the point described in a cornball joke I heard many years ago.

In this joke, an Irishman named Pat was applying for a job as railroad signalman. The railroad superintendent tested him with hypothetical situations. The super said, "We have two trains approaching each other from opposite directions on the same track at sixty miles per hour. There has been a slip-up in train orders, and neither train knows about the other. What would you do in a case like that?"

Pat said, "I would set the semaphore signals to stop the trains?"

The super said, "what if they have already passed the semaphore signals?"

Pat replied, "I would run out and signal them with a red flag."

"What if they didn't see the red flag?"

Pat, now thoroughly exasperated and suspecting that his leg was being pulled, said, "I would go and get my wife."

The super snapped, "your wife? What on earth could your wife do?"

Pat said, "she couldn't do anything, but she likes to watch train wrecks."

I sometimes tell this corny joke to youngsters who pester me for a "solution" to the world political problem today. I am of the opinion that there is no such thing as a "solution." The One-Worlders are now bound to have their world state, and it is bound to be a failure. On the far side of that failure, for those who survive it, there will be the job of picking up the pieces and starting anew. I know of no political idea at work in the world today which I consider to have a chance of anything except failure.

I know of many good political ideas advanced by powerless people; but we live in a time when power and goodness are far separated. This is a basic destructive situation. I know of no immediate remedy for it; But I know the power of reality to destroy the unreal frauds of our time. When the present crisis has passed, the earth is likely to be a

BEING LED BY THE NOSE

Keeping the majority of men asleep is populating Hell faster than in any other age by sacrificing quality for quantity.

The cult of conformity, of being one of the crowd, of doing like everybody else, needs only a principle to canonize it—to make it the guiding norm of human action.

That principle has been found in the word democracy. This word has an hypnotic effect on the majority today. By using it as the tempters' chorus, man can literally be led "by the nose" into the fiery regions.

It suddenly dawned on Hell's leaders that the majority of men do not know what Democracy really means. By extending valid political principles into the moral sphere, the tempter becomes a veritable piper, reducing all men to the role of candidates for Hell under the guise of freedom and equality.

By taking advantage of this confusion, the devil is able, by shouting "democratic," to convince men all are equal in every aspect of life. The deceitful conviction, under the guise of democracy, that "I'm as good as you are," reduces all to mediocrity. Striving for superiority comes to an end. This misguided equality never elevates; it always degrades. It is envy with a new slant. The majority cannot excel, so equality demands that the superior be reduced to mediocrity.

If we permit misconception of "democracy" in the moral order to mean following the crowd, we are in danger of adding to Hell's lustreless but exploding population.

MAKES YOU WONDER

The Payroll Deduction for your Social Security has been increased starting January 1, 1967, to 4.4% based on earnings up to \$6,600. Since the employer makes an equal contribution to your Social Security, the payment also increased on that date.

In 1966, you paid 4.2% on \$6,600 or a total of \$277.20 to the Social Security fund. In 1967, with the .2% increase, you will pay \$290.40 into the fund. If you make \$6,600 or more a year, you and your employer put in \$580.80 each year total.

—Let's explore this payment a little further. Suppose you just started work and your age was 21, and suppose you work until you are 65.

If there were no more increases in Social Security payments, that would mean total contributions by you and your employer of \$25,555.20 during the 44 years of your employment.

If the contributions were placed in a trust fund accruing 4% interest per year, the interest over 44 years would amount to approximately \$22,500. That means at age 65, you would have at least \$48,055 in your account. With that amount of money in the bank drawing 4% interest, you could withdraw \$160 per month for the rest of your life in interest alone and never touch the principal.

If you chose to spend all you had accumulated in your account, you could draw about \$560 a month for 10 years before you ran out of funds and in addition you could work and earn as much as you pleased without losing this income!

The maximum amount payable now under Social Security is between \$124 and \$135.90 a month.

Makes you wonder, doesn't it?

CHRISTIAN EDUCATIONAL ASSOCIATION
RACIAL MATTER (ORGANIZATION)

~~The Christian Educational Association of 530 Chestnut Street, Union, New Jersey, is the publisher of "Common Sense", a tabloid-size newspaper published twice monthly except once each during July and August. On August 6, 1965, [redacted] advised she has been acting manager of "Common Sense" since the death of the editor, Conde Mc Ginley, on July 1, 1963. She stated she was associated with Conde Mc Ginley for 17 years and since his death has been continuing his editorial policy.~~

On May 5, 1967, [redacted] advised there has been no change in the above situation and that the paper still does not have an editor.

On December 17, 1954, the Committee on Un-American Activities of the United States House of Representatives published a "Preliminary Report on Neo-Fascist and Hate Groups" which discussed their growth and objectives at length. This report indicates that "Common Sense" has a circulation which fluctuates between 30,000 and 100,000 copies an issue. It describes "Common Sense" as a "hate sheet" vehicle which publishes "some of the most vitriolic hate propaganda ever to come to the attention of the committee".

According to the report, "Common Sense" depicts communism as Judaism and devotes its pages almost entirely to attacks on the Jewish and to a lesser extent, the Negro minorities in the United States. Sympathy for the former Nazi Government in Germany is also shown in the paper.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

YOU HAD BETTER UPDATE YOUR THINKING ABOUT "RED RUSSIA"

Our Survival Depends on Answer to One Question: Do We Have the Military Hardware — Or Don't We?

Russia Moving Toward Military Supremacy — USA Committed to Insane Policy of Disarmament

CURTAIN-RAISER FOR WORLD WAR III

Russia is by far the most reactionary nation in the world today. Her world policy is based upon a profoundly non-Marxian "real-politik." Russia intends to conquer the world, like Genghis Khan or Alexander the Great. She intends to rape, kill, loot, and to plunder the world's treasures. She intends to exterminate other peoples, to clear their land so that it can be filled by her own multiplying population. In other words, Russia intends to do exactly what nations have been doing for five thousand years. She intends to have herself a good and bloody reactionary "romp" through the world, just as Genghis Khan did. Any proper Jew-Marxist writer for the New York Times book review section can tell you that this is no way for a Marxist nation to behave itself. A Marxist nation is supposed to be "progressive." That is to say, it is supposed to submit tamely to the rule of the Jewish international banking machine, and to pour its blood, sweat, toil, and tears into their coffers in the form of profits. Russia apparently pays very little attention to Jew-Marxist writers for the New York Times. Russia follows a purely cold-blooded, cynical, utterly reactionary world policy with single-minded purpose, and with consummate skill which would be a credit to Cardinal Richelieu, Prince Metternich, Talleyrand, or even Nicolo Machiavelli. If you visit Russia, you will find that they have tourist guides who are trained to prattle Marxist dogma, in case you want to hear it. Marxist dogma is never allowed to interfere with serious matters of policy-making. If you have formed the habit of thinking of Russians as "stupid reds", it is time to update your thinking about them. The "stupid reds" aren't in Moscow. They are all in New York or Washington, or on the campus in Berkeley, fouling up American policy, not Russian policy. In Moscow, they couldn't get a job scrubbing floors in the Kremlin. They would be considered too stupid. The worst Communist in the world is not a Russian Communist, or a Chinese Communist, but an American Communist. The American Communist is the biggest fool, the worst psychopath, the most intolerable ass of them all.

Russia is not interested in "preventing" World War III; she is planning to win World War III. Russia regards the Vietnam war simply as a maneuver which is a rational part of her long-range military plan. Russia will attack the United States when, and only when, she feels absolutely sure that she can win a quick and easy victory. Russia will try to persuade us to disarm, of course; it will be ever so much easier to defeat us if we are disarmed. World War III will be preceded by truly amazing ideological developments.

"We have placed our hope in lies and made falsehood our shelter."

REMEMBER THE PUEBLO?

By CONGRESSMAN JAMES B. UTT

Could this be TREASON, or is it incompetence, or is it just plain stupidity? I wish I had the answer but, with the credibility gap that exists within the Administration, you had better not bet your life, although the Administration is demanding that millions of our young men bet their lives in the cause of freedom.

Some of you may have forgotten, but it really happened . . . the Pueblo was captured and towed into Wonsan port, without firing a shot. Somehow, I am not prone to forget a matter like this, but who can write a half-way intelligent report when Ambassador Goldberg tells one story, Secretary Rusk tells another story, and Secretary McNamara has not the slightest idea what happened . . . in his own shop???

My first inclination, based on the intelligence available, was that we should have demanded the release of the ship and the men within twenty-four hours after the seizure, with a warning that, if they were not released unharmed, the port of Wonsan would be obliterated from the earth.

We have electronic equipment which can give the precise position of a rocket traveling to the moon at any split second. Surely, there must be equipment that could have told where the Pueblo was at any minute of the day or night. The Skipper of the ship was under instructions to stay well outside of the

WE MAY BE HEADED FOR ANOTHER 1929 FINANCIAL PANIC

(From the Douglas M. Smith Letter for the timing and selection of stock trading by the Smith Index of Money Factors, World Political and Economic Forces)

"Public psychology and politics played a leading part in the money panics of 1920, 1929-33, and 1937. What is important to understand in the light of our present money troubles is that it was the remedies that came after an event that caused those three great money panics, and the economic depressions that followed." (D.M.S. Letter 12-15-64)

The FIASCO (remedies) that took place over the weekend (Mar. 16, 17, 1968) will be even less effective than that which the great financial leader of Wall Street, J. P. Morgan, called to attempt to stop the 1929 financial panic. Today, there is NO great financial leader in the United States. Yet Morgan and all the great financial houses, only succeeded in temporarily stopping the panic. True, it turned the market up until the spring of 1930, when it became apparent that the vaulted power of the United States and its Federal Reserve Bank were powerless against world opinion.

"The actions that have followed the enactment of the Federal Reserve Act, have been one of greater instability of our money than possibly in any time in the entire history of the United States, with the possible exception of the Revolutionary War." (D.M.S. Letter 12-15-64).

"When the tide turns and the public confidence turns to fear, we will find ourselves once again in a money panic, an economic panic, and a banking panic." (D.M.S. Letter 12-15-64)

The recent Gold Panic was only a rehearsal for the coming event. We have long passed the "point of no return", and neither the Democratic or the Republican Party offer any change, except minor "stop gaps" of little consequence. It will not satisfy the world.

At the end of November, the foreign claims on our Gold stock were \$33.8 billion. According to the Wall Street Journal of March 18, 1968, "at the fashionable George V Hotel in Paris, an Assistant Manager tells an American tourist his dollar Travelers Cheques may not be cashed for francs."

Make no mistake, the world has lost confidence in our Dollar, our President, and Congress (both Democrats and Republicans). It would have been far better at the meeting March 16, 17, if they had raised the price of Gold to \$70.00 per ounce, and left the differ-

We at COMMON SENSE have just about despaired of ever being able to tell the real, whole-hog truth about Communism. We know it, of course. It has been known to sophisticated around the world for fifty years. It is not, however, easy to tell. It is complex. Propagandists of both the right and the left have spun such vast, intricate webs of falsity, as traps for the human mind, that most people are quite unable to think in a clear-cut, rational way about Marxism. People who are caught in a storm seldom take time out to study meteorology. Marxism will blow through the world like a storm; when it is gone, very few people will understand the technical details of what happened. Perhaps few will care. They will know that they have been hit by a disastrous storm; they have been injured; when the storm passes they will simply nurse their wounds.

Seventy-five years ago, Marxism was relatively simple. European Marxism was nothing but a smooth-running department of the Rothschild Bank. The Marxist "labor movement" of Europe was a big "Company Union" into which the workers were herded. Wages were kept low, while prices and profits were kept high. The working class lived at a bare subsistence level, while the Rothschilds waxed fabulously rich. Naturally, the working class became discontented, but this did not matter. Their discontents were channeled and dissipated harmlessly through the Jew-controlled Marxist labor unions. The working class was paid in promises of a future utopia, rather than in immediate cash. The Rothschilds did not fear the "revolution." Why should they have feared it? Were not all of the Marxist leaders on their payroll? Did they not pay the printing bills of the Marxist newspapers? Did they not support all of the sorry lapdog writers and artists who were always prattling of Marxism? Marxism held the European Gentile working man in an iron cage. That was the purpose for which Marxism was originally designed.

Anti-Semites sometimes darkly picture a future in which the world will be ruled by Jews. This simply shows how badly the sense of reality has been impaired in our times. The time when the Jews really ruled the world was fifty years ago. There was a "Red Revolution" in Russia. Jewish writers filled the world with stupid books telling how the "workers and peasants" of Russia had risen up to throw off the Czarist chains, and to hold up before all mankind a bright, new, utopian future. Good, solid gentle middle-class folk were badly worried. Their minds were filled with visions of the dirty, atheistic poor swarming into their pleasant suburbs to loot their nice homes and stop them from clipping the coupons from the bonds. The Rothschilds never worried about such matters. The "Red Revolution" was safely in the hands of those good, efficient Rothschild employees, Lenin and Trotsky. Russia had become a Rothschild colony.

This failed to work out. A nasty little man named Josef Stalin appeared on the scene. We have told our readers in recent issues that Josef Stalin was an Anti-Communist, and a police stool pigeon for the Czarist secret police. Our fan mail indicates that many of our readers have been puzzled by these statements. The confusion arises out of the semantic mayhem which right-left controversy has caused. Many people think that an "Anti-Communist" must always be good, while every "Communist" must always be bad. Stalin was not a Sunday school teacher. When we say that he was an "Anti-Communist," we do not mean that he held the same attitudes which prevail at conventions of the Daughters of the American Revolution. We mean that he was against the policies which Leon Trotsky and V.I. Lenin created for Russia, the policies of the Rothschilds. Trotsky and Lenin did not want Russia to behave like a nation; they wanted Russia to behave like a Rothschild Bank fil.

Stalin insisted that Russia must behave like a nation, not like a mere theory. Stalin almost always did exactly what Cardinal Richelieu would have done under the same

COULDN'T HAPPEN IN RUSSIA

This is New York City in "non-Marxist" America where violence, defiance and subversion are openly tolerated and encouraged. Would Russia tolerate this "Marxist" anarchy?

circumstances. He based his decisions upon "Realpolitik," the geopolitical realities which faced Russia at any given time. Cardinal Richelieu was Catholic; yet he made alliances with Protestant nations against Catholic nations. He never based his decisions upon mere ideological sentiment. Men like Josef Stalin and Cardinal Richelieu are firmly convinced that mere "beliefs" are made for lesser men than themselves; it would be sheer incompetence to allow mere "beliefs" to interfere with practical statecraft.

Mere "beliefs" do not interfere with Russian policy today. Russian policy is based upon the grim eternities, the sad facts of life concerning the relationship between human nations. It is American policy, not Russian policy, which rests upon a firm foundation of hot air, Marxism, and baloney. It is Our Country which talks of "peace" and "disarmament." It is in America, not Russia, where you hear such baloney as "Ban the Bomb" and "One World" and "Get Out of Vietnam." Marxism has far more influence upon American policy today than it has upon Russian policy.

Sometimes, at Anti-Communist meetings, sweet little old ladies of both sexes express to me their fear of the horrors of having to live under Communism. How can one live without private enterprise, without clipping coupons from the nice bonds dear husband left in his will? I tell them not to fret about it. It will never happen. Russia does not intend you to live under Communism. Russia does not want you to live at all. Russia is not questing after the Marxist Holy Grail; she is lustful for World Conquest. The United States is the chief stumbling block in her way. Therefore, Russia would like to see all Americans dispatched to the next world in the form of radioactive isotopes. Russia does not want the American people; she wants the American land. The world is over-populated; there is no demand for people; the demand is for land which has been cleared of people. World War III will be genocidal. There exists in Moscow a detailed plan for the extermination of the American people. Millions will be killed in the first blow; the remainder will be herded into areas where food supplies will be quickly exhausted, so that they will die of famine. This plan was described in intelligence testimony many years ago before a committee of Congress, and was described in detail by a high-ranking defector from the Soviet Intelligence Service, who said, "they

are planning many bitter surprises for you." Don't worry about "having to live under Communism." Sadism, not Communism, is the basis of Russian policy toward the United States.

Russia is moving very rapidly toward unquestioned military supremacy. We will not attempt any detailed discussion of the technological aspects of the Arms plot. It has been done already, by people better than we. General Nathan F. Twining, former head of the Joint Chiefs of Staff, sounded the warning in March, 1967 Reader's Digest and in his "Neither Liberty Nor Safety." Doctor Edward Teller has sounded the warning in testimony before Committees of Congress. One of the best discussions of all appeared in U.S. NEWS AND WORLD REPORT, issue of Feb. 26, 1968, on pages 84, 85 and 86. This was reprinted from the November-December 1967 issue of THE INTERCOLLEGIATE REVIEW. The author is Dr. James H. McBride, of Georgetown University. Dr. McBride is a real professional, connected with the Center For Strategic Studies at the University. He presents cogent arguments showing that Russia will possess enormously superior military power by 1972. In the face of this threat, the United States is following a policy of disarmament which, under the circumstances, is virtually a policy of national suicide. COMMON SENSE could not remotely begin to match the competence and authority of such men as General Twining and Dr. McBride. If you want to read about our policy of national suicide from the standpoint of military technology, we prefer to refer you to the works we have mentioned here, rather than to attempt a detailed discussion of these subjects ourselves.

We think that there ought to be a certain Spartanism in American life today. We think there should be an end, an absolute end, to all social, economic, and political controversy which is polarized between "Right" and "Left." The argument about Marxism has been going on for a hundred years. We think this is long enough. Marxism has been many things to many people. Political candidates have gone riding off like Don Quixote charging at windmills, trying to win elections by means of shallow hoop-la and empty sloganeering about "Anti-Communism." The Rothschild Bank once ruled European labor through the prostituted Marxist parties of the European countries. The braying jackass voices of the Jew-Marxists have filled the land for many years. Our domestic "Communists" and "Anti-Communists" have long since become dependent upon each other. All of this is so much hogwash, and it has nothing whatsoever to do with the survival of the United States.

If we were to wipe out Marxism, and controversy about it, we should run into a certain practical difficulty. A large section of our Jewish citizenry would have to be put into strait-jackets for a while. They would go utterly wild and could not be restrained in any other way. It would be good for them, in the long run, to be cured of the Marxist intellectual affliction. It is high time for them to learn that Marxism is a mere affliction, like stammering or harelip. What is the great fascination which Marxism holds for the American Jew? It is the dream of Jewish power, of course, Jewish power exercised over the Goyim by fraud and deception. The American Jew should face the fact that the time when this dream really worked was seventy-five years ago. Then, Marxism was a really effective tool of Jewish power in the world. Then, Marxism was a smooth-running department of the Rothschild Bank. Back in 1910, German workers flocked to meeting halls to listen in bemused wonder while Jew-Marxist speakers rattled off their Marxist lies. They read the lying bilge printed in the Marxist papers, and never thought to ask who paid the printing bills. (I know who paid the printing bills; in the confusion after World War II, I managed to grab the financial records of some of the Marxist papers of Europe, going back over a period of forty years. Jew-bankers paid the printing bills of these "lab-or" papers.) It was possible in those days for the Jew banker, the Jew intellectual, to wallow deliciously in his sense of superiority over the Goyim Pigs who were so easily deceived. But by 1933, these selfsame Goyim were screaming, "Heil Hitler! Juden Raus!" The American Jew-Marxist should simply face the fact that he is living in the past. You can't hope to get away with a racket like that forever.

Are American Jews plotting with Russia to bring about the defeat of the United States in World War III? Certainly not. The Jew knows that he is well off in America. He knows too that if the U.S.A. is destroyed, Israel will also go down the drain within twenty-four hours. We read anti-Semitic papers which accuse the Jews of plotting with Russia, of spearheading some vast, wicked, monolithic movement called "World Communism." In spite of what the Anti-Defamation League says about us, COMMON SENSE is not a "Dirty Little Anti-Semitic Rag." We are a journal devoted to telling the truth. When we use terms such as "Jew-Marxist," we must qualify them carefully.

The American Jew-Marxist today does not want what Russia wants. The American Jew-Marxist wants what he had fifty years ago. He wants "Jewish Supremacy." Ah! Those were the good old days of Jewish rule! Rothschild spoke and was obeyed. Rothschild was obeyed by David Lloyd George, by Clemenceau in France, by chancellors Von Beulow and Bethmann-Hollweg in Germany, by V. I. Lenin and Leon Trotsky. Jew money and Jewish intellect ruled the world. But that was fifty years ago. It is high time for the American Jew-Marxist to face the fact that he is living in the past; that he is an intellectual bankrupt; that Jew money and Jewish intellect no longer form an effective lever for moving world events.

We have come to the time of the total bankruptcy of mere "ideas." The only thing which counts today is naked force. Your survival or your extinction from the face of the earth will be decided by one question only: "DO YOU REALLY HAVE THE MILITARY HARDWARE OR DON'T YOU?" If you win the arms race against Russia, you can continue to live; if you lose the arms race, you will die. In the future your land will be lived in by other people, speaking a strange language perhaps running across your skull some day in a gully, as we occasionally find Indian bones or arrowheads.

Marxism? For the love of God! Let's hear no more about it! Let us catch all of these yappy speakers who shoot off their mouths about it, and gag them, and send them to a nice quiet rest home where they can, we hope, recover their mental balance over a period of time.

Vietnam is a sort of ideological museum.

Here, the quaint old Marxist ideas which influenced Europe seventy-five years ago are still operative. The Viet Cong peasant believes things which the European worker devoutly and sincerely believed in 1910, and laughed at by 1927. The Viet Cong peasant is the last sucker, the last little man anywhere on earth who can be swindled into holding a strong, naive, sincere, true belief in Marxism. Once upon a time there were millions of Marxists in Germany. The Communists boasted of "Red Berlin." The working-class districts of Berlin always elected a solidly Communist delegation to the Reichstag. If you were not a Marxist, you had no business trying to live in the working-class districts of Berlin; you would clash too strongly with your neighbors. The Berliners were no campus dilettantes like our "New Left" in America. They were the called and chosen and faithful of Marxism, the vanguard of the proletariat. These were people who had shed blood in armed combat for Marxism. What ever happened to Red Berlin? I saw what happened. One day I strolled through the Brandenburg Tor, and along Unter Den Linden Strasse, and saw a parade. I saw the called and chosen and faithful of Marxism, the vanguard of the proletariat, marching in brown shirts with swastika armbands. Today you could not find a corporal's guard of real, true-believing Marxists anywhere in Germany. Even in "Communist" East Germany, the workers laugh at Marxism.

Russia? If you attend enough anti-Communist meetings, you will hear speakers rave about Red Russia. They will tell you that Russia is full of people burning with evangelical zeal to spread Marxism through the world. Most of these speakers have never been in Russia and know nothing about it. The "Russia" of which they speak is purely a hypothesis created for purposes of domestic political controversy. I shall tell you no such pack of lies. I shall tell you the truth. Upper-class Moscow is riddled with cynicism about Marxism. The Russian masses are not burning with missionary zeal to spread Marxism around the world. On the contrary, they would like to do what similar masses of people have been doing since the dawn of history. They would like to invade and conquer, to rape and kill and loot and burn, to exterminate other peoples and occupy their land. These profoundly non-Marxian basic instincts completely dominate Russian policy today.

So where can you find a real true believer in Marxism today?

Only in Vietnam. The Viet Cong peasant is the last real Marxist. Needless to say, the Jew-Marxists of the world are fascinated by the Viet Cong peasant. He awakens nostalgia. Ah, the good old days, when Jew-Marxists held the European working class in their grip! Ah, the dear dead nineteen-thirties, when the peasants and workers of America arose and threw out the wasp tycoons who

had ruled for so long, and made the Jews the new ruling class of America! The American Jewish ruling class is already in its dotage; it is already living in the past; it is hopelessly incompetent to deal with the present situation.

The Jew is willing to disarm us, or at least to let us sink to a second-rate position in military technology, because the Jew still believes that he can dominate Russia, and the whole world, by his power of ideas. When Russia has a preponderant superiority of super-weapons, and can destroy us within an hour, what will the Jew do? He will open his braying jackass mouth and utter some "great, powerful Jewish ideas." We may indeed come to a day when we will have nothing but Arthur Goldberg's braying mouth to protect us against Russian superweapons. It isn't that the American Jew-Marxist is a traitor allied to Russia; rather, he is a bloody fool who is living in the past. Fifty years ago, the Jews could and did dominate Russia by their power of ideas. Fifty years ago, the Jews commanded that the Romanov dynasty should be destroyed, and the Romanov dynasty was destroyed. Fifty years ago the Jews commanded that a phoney "Proletarian Revolution" should take place in Russia, and a phoney proletarian revolution did take place in Russia.

BUT ALL THAT WAS FIFTY YEARS AGO. We do not believe that the "Power of Jewish Ideas" is a good defense against Russian superweapons today. Yet that is exactly the defense which American Jews are trying to force us to rely upon. The Jew is staking your life, and his own, on the "Power of Jewish ideas." We need not worry about the "crimes" of the American Jew-Marxist. As long as the American Jew-Marxist could commit brilliant crimes, and get away with them, world capitalism was safe. The things which the American Jew-Marxist is doing today are worse than crimes; they are blunders.

Russia is not making many blunders today. She is marching a sure-footed way toward world conquest, toward world supremacy. The Vietnam war is regarded by Russia as merely a curtain-raiser to World War III, when all Americans, including the Jew-Marxist writers for the New York Times Book Review section, will be blown over the moon.

The Vietnamese, of course, are caught in the middle. Anyone who really gets to know the Vietnamese is certain to like them. They are sharp, smart, bright-eyed people. The very best of them perhaps are in the Viet Cong. Why? Why does the Vietnamese peasant believe in Marxism? For the same reason the German worker believed in it back in 1910: He simply has not had enough experience with it to discover what sort of fraud it really is. Marxism always sucks in the most intelligent elements of the working class.

Writer Says Soviet No Longer Honors Marxist Ideology

PAULO ALTO, Calif., Oct. 9.—A prominent writer on the Russian Revolution said at a conference today that Marxism was no longer an ideology of consequence in the Soviet Union.

The writer, Bertram D. Wolfe, former Communist and the author of "Three Who Made a Revolution: Lenin, Trotsky, Stalin," said that Lenin, "a romantic juggler with a penchant for dictatorship," began an erosion of Marxism that is now almost complete. "Clearly," he said, "Marxism-Leninism was not an ideology but a conglomerate of ad hoc slogans that changed with each change in the strategic and tactical situation, slogans unified only by Lenin's temperament and will."

Mr. Wolfe's speech opened a five-day conference of scholars on "Fifty Years of Communism in Russia." The meeting is sponsored by Stanford

University's Hoover Institution on War, Revolution and Peace. Mr. Wolfe, who left the Communist party in 1939, is a fellow at the institution. He said Lenin had led "a bourgeois revolution without the bourgeoisie" and had made "the only improvement possible—a proletarian revolution without the proletariat."

Lenin Termed Confused

Lenin had begun the process that led to a totalitarian "ideology of structure" by confusing the people with the proletariat, the proletariat with the party, the party with the party machine and the party machine with himself.

He said that the "ideology of structure," though cloaked in Marxist terminology, was the true official ideology of the Soviet Union today and that Marx was fading as a quoted authority for world Communist leaders.

Gerhart Niemeyer, professor of political science at the University of Notre Dame, agreed that ideology had been eroded in the Soviet Union.

"There is no ideology accessible to all that can be grasped apart from the party," he said. "The party is the sole source of Communist truth."

When will the U.S. free itself of Jew-Marxist rule and start acting like a nation again?

Stalin Died When Politburo Foiled His Move To Exile Jews

DETROIT (JTA).—Joseph Stalin died at a moment of a rage caused when the Politburo opposed his proposal that all Russian Jews be expelled to Siberia, the Detroit News has reported from Washington. It attributed the information to a secret State Department report. The News claimed the report came from a Soviet defector who received the information from Anastas Mikoyan, who witnessed Stalin's death—according to the report, Mikoyan was First Deputy Prime Minister.

The story alleged that Stalin called a secret Politburo meeting to announce a campaign against the Jews. He said measures should be taken to deport Jews en masse to Biro-Bidjan in Siberia. Stalin was quoted as saying "the Jews will be kept hermetically isolated there. There never will be able to come out."

Mikoyan is said to have objected, saying that the Communist movement abroad would lose support and Stalin would be continuing Adolf Hitler's policies. Lazar Ka-

They are bright; they have a good level of native intelligence; yet they lack the sophistication to see through complex ideological frauds. Some day they will become cynical and disillusioned about Marxism; but for a time it holds them in its thrall.

The Vietnam war is the prelude of World War III. In Washington you can hear talk of "peace" and "agreements." Russia does not want peace. She wants to win World War III. Ho Chi Minh does not want peace. (He wants to drive the United States out of East Asia. These people want to destroy you, to exterminate you, why, then, do we have all of this nonsense about "peace" and "one world"? The American Jew still believes that he can dominate the world by his power of ideas. We hear a great deal of talk about a "Communist conspiracy" in the United States. We do not have a conspiracy. We have a decadent and incompetent Jewish ruling class, which has grabbed and holds power which it is not competent to exercise. For their own good, the Jewish-ruling class should abdicate. They are bankrupt; they should call in the receivers.

World War III is already going on in Vietnam. Unless United States world policy is put on a more realistic basis, World War III will soon be as good as lost. Arthur Goldberg's braying mouth will not be an effective weapon against Russian superweapons. We can be saved only by superior military hardware deployed in accordance with sound national policy.

What about Marxism? What about all of those great, powerful, brilliant ideas? Jews and Anti-Semites alike have labored to create the illusion of a great, monolithic Jewish power structure which would rule the world for centuries to come. Today we see the world Jewish power structure as it really is. It is Jerry-built. It is rickety. It is not a monolithic structure at all; it is a house of cards which will be blown away by the first strong wind of change. As a technician of power, the Jew is a quack. The age of Jewish rule does not lie in the future; it lies already in the past. The Jews have ruled the world for a hundred years. They have proven their incompetence, decadence, and corruption beyond shadow of doubt. Their age is ending. Unhappily, because of the great power which the Jews have managed to grab for themselves in the United States it may end in disaster for America.

Very few Americans or Vietnamese really understand Marxism. You do not begin to understand Marxism by listening to the specious arguments of the "Communists" and the "Anti-Communists." Communism and Anti-Communism are merely the opposite sides of the same coin. You begin to understand Marxism only when you understand that it represents, not the rebellion of the lower classes, but the nihilism of the upper classes; not labor, but capital; not an effort to improve the condition of the poor, but a great living lie, a moral cancer which has been eating out the very heart and soul of western civilization for a hundred years. Ho Chi Minh knows this well. He is one of the inner circle of sophisticates of Marxism. If the Viet Cong soldier knew what Ho Chi Minh knows about Marxism, the Vietnam war would end tomorrow. It seems to me that we should have made some effort to tell the people of Vietnam the real truth about Marxism. We probably won't, though. When you begin to tell the real truth about Marxism, you step on some powerful toes, including toes customarily found under important desks in New York and Washington.

These are also the interests which generate the phoney "peace" talk at home. We have had Anti-War Demonstrations and so-called "Teach-Ins" all over the U.S.A. Before he left Saigon, Henry Cabot Lodge said that Anti-War Demonstrations have been a factor in prolonging the war. Quite true, of course. Who organizes these demonstrations? The shabby rabble of so-called intellectuals who do this work claim that they work hard at their full-time jobs as agitators simply because they are filled with idealistic love of peace. The fact is that it costs big money to promote these Anti-War Demonstrations, as

ent currencies at the present parities. We could have paid off our Balance of Payment debts in Gold and interest rates would have fallen. We could then put in strict spending economies and set up a budget which would have included paying off 10% of our National Debt each year, regardless of political complaints. This would mean drastic cuts in the far overstuffed political appointed Federal Government employees and wasteful spending.

John Law, Exchequer of France during the early 18th century, did away with Gold as reserves and adopted Fiat paper currency, as we have just done. The "Louis d'Or", a Gold coin worth 25 francs, was worth 15,000 francs in paper money by 1795, showing what printing press money does to values.

We are still in a money panic which will, in my opinion, get very much worse, and it will be very hard on investors unless they are in securities that will be a hedge against the constant debasement of the dollar.

anybody who has ever done any sort of "organizing" well knows. WHERE DOES THE MONEY COME FROM? Who pays the bills of Organized Treason?

No responsible military commander in Vietnam believes that Ho Chi Minh or his backers want any sort of peace except one involving the defeat of the United States, and the weakening of our position in the world, in preparation for World War III. This is a war which needs to be fought with all our might and won quickly. The timorous policy which corrupt vested interests have forced upon our government in Vietnam is a national disaster. It will cause more suffering and loss of life than a brave, honorable policy which would win and end the war quickly. It is possible for such a policy to be foisted upon us because we have tolerated mere "Communism" and "Anti-Communism" too long, and have never looked deeply enough into the real nature of Marxism.

thirteen-mile limit, and it would have constituted incompetence to have placed a skipper in charge of the ship who would either disobey orders or did not understand navigation. It was stupid not to provide military security for the Pueblo, after it was harassed.

Even if the Pueblo might possibly have been within the thirteen-mile limit, which I think highly unlikely; then, under international agreement, the offended party has only the authority to warn the offending ship to move out. Under these circumstances, if our government pays tribute to North Korea, as we did in Cuba, we have sunk lower than I even dreamed. By tribute, I do not mean cash. I mean any kind of a promise of discussion or apology, at least until the facts are known. First get our ship and our men back, and then talk.

One question that must be resolved is, "Who ordered the Pueblo to surrender without firing a shot?" Could it be a part of our strategy of surrender? Similar suggestions were made in the Phoenix Papers, and there are people in high places in the Pentagon who have long urged that the United States should not have military superiority but only military equality, on the false assumption that no one would start a fight if he had equal military power. The fallacy of this assumption was more than evident in the six-day Arab-Israeli War. "It's not how strong you make it . . . it's how you make it strong." In other words, strategy is more important than power.

It would certainly be treason if the Pueblo had been delivered into the hands of the communists by design, in order to give to the communists our latest, sophisticated electronic devices. You must recall that the secrets of the atomic bomb and fissionable material were given to the communists by Americans in high position.

President Johnson took advantage of the Pueblo crisis to call up the reserves. These are not needed for the Korean crisis, but are, of course, needed in the Vietnam conflict, because we have run low on pilots and low on aircraft. We have been phasing out military aircraft since the creation of the Disarmament Agency, which has proceeded unilaterally to disarm the United States.

We are still paying the price for not having won a military victory in Korea and for removing General MacArthur from the command. We have not won a military victory nor a diplomatic victory since we became a member of the United Nations, and I still insist that it is sheer folly to leave the security of our country in the "tender hands" of this communist-dominated world organization.

Dear :

Your letter of June 19th, with enclosures, has been received.

In response to your inquiry, while I would like to be of assistance, information in our files must be maintained as confidential pursuant to regulations of the Department of Justice.

I am enclosing some material which contains suggestions all of us can use in the fight against communism. You may also want to read my books, "Masters of Deceit" and "A Study of Communism." They were written to help readers gain an insight into the true nature of communist activities, both in this country and abroad. They may be available at your school or local library.

The self-addressed stamped envelope you so thoughtfully enclosed is being returned.

COMMON SENSE

Dear Mr. Hoover:

I am a high-school student. My family has recieved several issues of the enclosed publication through the mail. (We did not request it!) Many things printed in it have disturbed us, particularly the anti-Jew matter which is about all it consists of. I have wondered about the truth or true meaning and significance of many facts which refer to sources such as Congressional Record and F.B.I. files. I would appreciate very much your comments and/or confirmations in reference to parts of this paper which I have marked with red ink or anything else that you see worthy of attention. The paper claims to fight communism. Well, I want to fight communism, but you can fight nothing with misinformation. I have enclosed a self-addressed, stamped envelope for your reply.

JUDAIZED GENTILES

A CURSE TO CHRISTIANITY AND THE WORLD

Gentile "Jews"

The "Judaized Gentile" is one of the types of our times. Sometimes he seems more Jewish than the Jews. Yet he is not a convert to the Jewish religion, but rather to Jewish apostasy. The Jews in whose company he is found are Freudian and Marxian. They say, "Marxism is the modern form of Jewish prophecy." In fact, it is the Jewish form of "Modernism," of secularized religion which no longer believes in God. The modernist, either Jewish or Christian, is an "end of the era" man, having indeed a form of godliness but denying the power thereof. The Judaized Gentile, like the apostate Jew, regards the ancient Jewish religion as a quaint old-time thing, to which a certain lip-service may be given, but in which no sophisticated modern-

Chief Justice Earl Warren and Dr. Louis Finkelstein who instructed this Judaized Gentile in the Talmudic law, under which this nation groans today.

The Judaized Gentile knows a few trick words of Yiddish. He is always a liberal. He is also a rascal. He probably has a good old English name and lives in a house or apartment crammed with "Early American" furniture. He has nothing but contempt for "Early American" political ideas, however, he likes Hepplewhite furniture, but not the Constitution. He believes in "One World." It is all very well to collect Early American furniture, he thinks, but he also believes in liquidating the American Republic and incorporating it into a World State. He is a persistent saboteur of the native American popular culture. If he runs a book publishing house, he publishes only Jewish authors; he hates every manifestation of the American native popular culture. He is vocal in his support of minorities; he has nothing but contempt for the American majority.

There are times when I suspect that the Jews really have lost control of their racket, that it has fallen into the hands of Judaized Gentiles. This may not be quite true; it is difficult to tell whether it is true or not. True Judaism, that is to say a sincere belief in the old Jewish religion, is really quite a rare thing today. "Modernism" has engulfed Judaism just as it threatens to engulf Christianity. Do any of these modern religious quacks really know the meaning of Monotheism, or are they become such lickspittle lackeys of secular interests that they do not even know the meaning of religion? Among the blunted religious sensibilities of our day, the worst rascals of apostate Judaism and apostate Christianity mingle together and strive mainly to please the money power of New York, rather than the ancient days. They whoremonger deliciously together. And on their forehead a name is written: MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH.

One of their greatest abominations is Marxism. There is no proletarian revolution. There has never been any proletarian revolution. There will never be any proletarian revolution. Yet the whoremongering intelligentsia have kept the world busy arguing about a

non-existent "revolution" for a hundred years. The phoney "Communists" prattle about utopia; the phoney anti-Communists point fingers at the working class, at alleged "conspirators." They point their fingers at everybody except the money men of New York who are the real backers of World Marxism.

The world is coming to the end of the "ideological age." In the near-term historical future, the world will return to the ancient military and religious realities. It will make no difference what your "opinion" of these matters may be. We are coming to the end of the age of mere "opinion." The "opinions" peddled by the mass media today are so asinine that it is an insult to ask an intelligent man to believe them, or even to disbelieve them. Why should we take them seriously at all? They are like the gibbering of idiot children. Nevertheless, there are great evils behind this idocy. When we try to describe the evils, we are prompted to borrow Biblical language: "the woman was arrayed in purple and scarlet color, and decked with gold and precious stones and pearls, having a golden cup in her hand full of abominations and filthiness of her fornication." This pretty well describes the so called "intellectual world" of our day. Intellectual integrity is quite unknown in the intellectual world of New York, the center of the "One World" conspiracy. It is all harlotries and abominations. For a hundred years, the Communist parties of the world have talked a good game of love for the poor; yet when the mask is torn away, we see them whoremongering with the international bankers. They whoremonger deliciously with the great harlot who sits upon the many waters. They are liars, dogs, and murderers.

What is called "the conspiracy" is really an amalgamation of the worst of the apostate Christians and the worst of the apostate Jews working together. Their "disbelief" is not based upon a quest for scientific truth, but rather upon a yen for rascality and evil. They

whoremonger with the true accomplishments of man, which spring from the consciousness which a love of God shaped and made aware. They pose as the guardians of "progress," when in fact they represent forces of retrogression and despair. The apostates who whoremonger with the spiritual treasures of mankind are simply the "end man" type; their appearance marks the end of an era, and it will be necessary to liquidate their influence in the world before something really noble and worthy can be reborn. Actually, their plans for the world are nihilistic and self-liquidating. What sort of men are they? They are the kind of men described in the third chapter of the book of Timothy in the Bible: "Know this, that in the last days dangerous times will come. Men shall be lovers of self, covetous, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy, without natural affection, traitors, false accusers, incontinent, fierce, despisers of the good, traitors, heady, high-minded, lovers of pleasures more than of God, having a form of Godliness but denying the power thereof . . ." This is the great archetype of decadent and bankrupt historical trends in the consciousness of mankind. These are the people you see everywhere today: The judges you see sitting on the judicial bench with bribe money in their pockets; the Communists who preach "proletarian revolution" and draw \$100,000 a year from the New York money machine; the anti-Communists who shadowbox with a non-existent "proletarian revolution," but never, never, never point a finger at the men who spent a half-billion dollars to bring off the October revolution. They are the Christian clergymen who talk of an "accommodation" with Marxism. They are the Jews who have substituted Freudian-Marxism quackery for the greatness of monotheism. From such men, what can you expect? They are incapable of significant action. They can only move toward a state of non-existence. They talk of "peace" but they are at war with God.

The reality which they seek to evade is defined in the first verse of the St. John gospel. This is the original and basic reality from which all other reality is derived. The wise men of all great nations for six thousand years have known this in one way or another; but the funny little men who rule the world today know it not.

The funny little Gentiles who try to be so-Jewish may well outnumber real Jews in the intellectual and political cesspools of our time. Our intellectual life today is dominated by the worst elements which decadent Judaism and apostate Christianity can provide. They are indeed "conspirators" of a kind; but they are also hopelessly incompetent because an element of sanity is missing from them; they are not well-oriented to reality. Their computations and plans go wildly astray. Why? "All men are vain in whom there is not the knowledge of God. . . ." This was true when it was first said by the prophet; it remains true today.

MARTIN LUTHER KING--JUDAIZED GENTILE

EXPONENT OF AGITATION, APOSTASY AND ANARCHY

M. L. KING Expendable More Useful Dead Than Alive

By HOUSTON La GARDE

The death of M. L. King was an odious event, the repercussions of which have only begun to make themselves felt in our subverted and strife torn land. It is the contention of this newspaper that Luther King was cut down by the same sinister clique of international conspirators, the same faceless manipulators of naked power, who killed President Kennedy. King was killed, as was Kennedy, in order to create a martyr-figure with which to shore up the collapsing world of "liberal democracy." The liberal democratic state built as it is upon philosophical absurdities and moral perversion, cannot stand without a constant influx of bigger and better lies, usually of a maudlin and sympathy-provoking variety e.g. "The Six Million."

Some day, perhaps in the near future, the entire insane structure will come tumbling down, but right now we Americans are faced with a rapidly decaying society assaulted from below by a mob of frenzied looters and arsonists and from above by the intellectual mafia of Jewish academic shysters who are pumping our students full of drugs, treason and ideological poisons.

What relation does this have to the murders of King and Kennedy? Simply this: M. L. King and J. F. Kennedy were both abject slaves of the Communist-Zionist conspiracy. Every day of their political lives was given over to fulfilling the program of this devious plot against humanity. When both became more valuable dead than alive, they were brutally disposed of. If this is how they treat their friends what can we, the vast majority of Americans of all races, expect from these fanatics whose age-old hatred of the rest of humanity is the root cause of all the horrors that have tortured this world for the past two centuries.

Consider first the assassination of Kennedy: Prior to the assassination, Kennedy was growing unpopular. The Bay of Pigs fiasco, the brutal, tyrannical invasion of the University of Mississippi combined with the ludicrous, regal posturing of the Kennedy clan in general and the vacuous, vacant staring Jacqueline in particular had left a bad taste in America's mouth.

That Kennedy was merely a rich fop who had made a terrible botch of the Presidency was all too apparent to his unseen masters. His murder was followed up with a publicity campaign unique even in the sordid annals of the American press. The fact that it succeeded in placing the blame for the assassination on the "right wing," despite Oswald's communist record, is an appalling testimonial to the political credulity of the American people, even more appalling than the fact that an obvious failure like JFK has been elevated into a veritable saint.

Much the same technique is discernible in the King affair. King was killed with a rifle as was Kennedy. Both were shot down in a southern city noted for its distaste for "civil rights." In both cases the assassins were mysterious creatures — and both disappeared: one killed by a strange Jew; the other, an elusive composite of photos and records, who has not yet been found and who may never be, if indeed such a person exists at all.

Why then was King killed? Simply because he had ceased to be of any use — that is, alive. His messiah image had faded badly of late. Ridiculed by the militants whose doctrine of overt violence represents a more advanced stage of the conspiracy than the covert violence of King's pacifism, barred from the Johnsonian seances in the White House by virtue of his opposition to the Viet war, King was reduced to playing second fiddle in the peace movement to such astounding padlains as "Diaper Rash" Spock and "Claptrap" Coffin the chief dervish at Yale. His idi-

otic "poor people's march" on Washington had all the makings of a giant flop and King himself, lusting and biting rabidly after publicity, was making a monumental fool of himself by his pompous entry into a garbage man's strike in Memphis. Clearly Martin L. was descending fast, and if allowed to continue, might have caused tremendous embarrassment to his masters.

Let us stop briefly to shed some light on King's character. He was in all honesty rather dim-witted. He understood in a vague manner that he was part and parcel of a greater conspiracy; but where that conspiracy began he did not know, and where it led he did not care just as long as glory and honor, influence and fame bathed him in their spotlights. Freely churning up a mixture of Christianity and Marxism, King came to imagine himself an amalgam of the Holy Spirit and Karl Marx. In brief, a fraud of epic proportions but a fraud blessed with the capacity, for stirring up half-wits — not southern negroes or white workers, mind you, but rather these soft heads of democracy: the do-gooding suburban housewives, the hair-brained pedagogues who abound in our schools, the social workers, the mitred buffoons and clerical hacks who have turned Christianity into a miserable bedbuggism of stale slogans out of Karl Marx by "The National Guardian" and all the other damned fools who dream their preposterous dreams and drool and whimper over every blood-spotted criminal who raises his head from out of the gutter and howls for "rights and revolution." Such people are the stuff of decadence and to them King's ponderous oratory was not the same old left bosh absurdly emitted and defectively conceived but rather wisdom of an occult and fabulous kind. To them he was a saint. To us who know his record of cooperation with communists and Zionists he was at best a montebank and at worst a conscious enemy of American freedom.

Following are a few highlights from his career.

M. L. King has either been a member of, or wittingly accepted support from over 60 Communist fronts, individuals and/or organizations which give aid to or espouse Communist causes.

King attended the Communist training school, the Highlander Folk School at Monteagle, Tenn., and speaking at the 25th anniversary of Highlander, on Labor Day weekend, 1957, stated: "I have long admired the noble purpose and creative work of this institution. For 25 years you have given the South some of its most responsible leaders in this great period of transition."

It is well known, and fully-documented in the F.B.I. files that King was a car thief

**"NEVER WRESTLE WITH A PIG
IN THE MUD BECAUSE THE PIG
LIKES IT." - - Abraham Lincoln,**

and operated an extensive car theft ring. (Cong. Record, March 30, 1966). The same files contain documentation on King's personal moral turpitude, his communist connections and the Soviet money he received.

REJECTS THE VIRGIN BIRTH

"What set Jesus apart, he believes, was Jesus' unique goodness. 'I don't think anyone else can be Jesus. He was one with God in purpose. He so submitted His will to God's will that God revealed His Divine plan to man through Jesus.'"

"In this sense, says Dr. King, Jesus was divine. But Doctor King rejects the virgin birth of Christ as literal fact. The early Christians, he says, had noticed the moral uniqueness of Jesus; to make this uniqueness appear plausible they devised a mythological story of Jesus' biological uniqueness." (National Observer, Dec. 30, 1963).

From the above we can see that M. L. King was no saint and no hero. It was unfortunate that he was murdered, for murder is wrong. But if peace is ever to come to this tortured land the records of all servants of the Zionist conspiracy must be exposed to the light of day, particularly one who has left a legacy of violence.

EPITAPH TO M. L. KING

FROM THE FIERY CROSS

Dr. Martin Luther King came to power preaching "non-violence," he won the Nobel peace prize for "non-violence," he has been praised highly by many leaders of this country for his "non-violence," and yet, this non-violent person has left this nation in a state of anarchy unmatched in her history. Chaos, blood, lawlessness and violence lie in the wake of Dr. King's reign.

It matters not who they pull forth to punish for his assassination, for he died when his leaders proposed for him to die. His purpose was to divide the people . . . mission accomplished. His purpose was to create factions of hate throughout the country . . . mission accomplished. His purpose was to create strife, unrest, civil disobedience, riots, bloodshed and much violence . . . mission accomplished. And last of all his purpose was to create confusion amidst hate and sympathy and to give the black man a red martyr during this an election year . . . mission accomplished.

Never before in history has there been such evil all personified into one man, and for certain, the evil that this man did sow we will be reaping for many years to come. It is of no consequence that his skin was black, for black or white, he possessed what few men in history have ever possessed, and that is a heart blacker than the color of any man's skin.

This notorious traitor has delivered his people into the hands of the devil while preaching of love and peace.

This is your epitaph Dr. King, and may God have mercy on your soul!

Prominent Negroes on M.L.K. Prominent Whites on M.L.K. M.L.K. and Non-Violence

"But neither directly nor indirectly has Dr. King made any contribution to world (or even domestic) peace. Methinks the Lenin prize would have been more appropriate for him, since it is no mean feat for one so young to acquire 60 communist front citations . . .

"This is a tribute to Dr. King's mentors: CPUSA member Hunter Pitts Odell and former Young Communist League alumni and professional pacifist; Bayard Rustin, generalissimo of the March on Washington. They coached their protegee assiduously for years. It is all in Uncle Sam's books. Rustin won additional distinction by being jailed for homosexuality in Los Angeles after delivering a rousing speech at a big church rally.

"Dr. King's principal contribution to world peace has been to roam the country like some sable typhoid Mary, infecting the mentally disturbed with perversion of Christian doctrine and grabbing fat lecture fees from the shallow-pated.

"His incitement packed jails with Negroes and some whites, getting them beaten, bitten and firehosed, thereby bankrupting communities raising bail and fines, to the vast enrichment of Southern 'law'n order.'

"With his omnipresent henchmen, Dr. King persistently entered cities (Albany, Ga., Birmingham, Ala., and St. Augustine, Fla.) after local Negro leadership had begged them to get lost. In none of them was anything gained.

"After this 'non-violent' crash program ended with crashing store windows and rifling of goods, the Reverend Doctor joined other self-styled Negro leaders in suspending all demonstrations. He was one of the engineers of the midsummer madness in Mississippi which ended not in peace but in arrest, arson and murder. Instead of improving race relations, they were worsened by these pillkated endeavors."

George Schuyler, outstanding Negro journalist, feature writer for North American Alliance and former editor of Pittsburgh Courier.

"Already he has become an international authority. He is trying to tell the Negroes why these rebellions and everything else are taking place in other parts of the world, without realizing that a lot of this is communist inspired, and a lot of it is inspired by ambitious men who are seeking power in various areas, etc. This (King's) explanation is the same explanation as the Communist Party. This is the Communist Party explanation. I wonder who is giving him the party line . . . ?"

Manning Johnson, Negro, once an official in the C.P. (Joint Legislative Committee on Un-American Activities, Louisiana, Subversion in Racial Unrest, Part II, Page 205).

"The mystery, Negro leaders say privately, is why King assailed the United States as 'the greatest purveyor of violence in the world today' and heaped on his country virtually all the blame for the death and destruction in Vietnam—this despite that he had been warned privately about some of his advisers and begged by other civil rights leaders not to link Vietnam to the Negroes struggle for equality."

Carl Rowan, Negro, April 14, 1967, Cong. Record, April 17, 1967.

"The NAACP, CORE, SNCC, Martin Luther King and Aaron Henry are using us for their own personal gain. While they have grown rich and famous, the Negro masses grovel in frustration and reap the ill will created by these leaders and organizations.

" . . . How long will we let Martin Luther King cause innocent Negro children to be used and killed needlessly? He and the NAACP must share responsibility for the death of the Birmingham children . . ."

Jessie Gillespie, Negro Publisher, Mid-South Informer Walls, Mississippi.

"The more is given, the less the people will work for themselves. And the less the work, the more their poverty will increase." BEHOLD THE "GREAT SOCIETY"

"But whatever may have been the provocations . . . no man or any group or race of men, can be permitted in a government of laws, to take the law, or what they think ought to be the law, into their own hands, for that is anarchy, which always ends in chaos."

Justice Whittaker, of Chicago (on King's lawlessness) from FBI Law Enforcement Bulletin, 9-66, Page 13.

"Ours is an age of lawlessness and irresponsibility when leaders travel thousands of miles across our country to organize activities which must result in bloodshed and violence and speak of their responsibility — not to law and society — but only to a higher law."

O. W. Wilson, Superintendent of Police in Chicago. From "Civic Responsibility," Nov. 14, 1966 Page 4, (In reference to Martin L. King).

"It is just as unacceptable for a clergyman to sit in on someone else's property as it is for a father to buy forged documents to shield his son from the draft."

Senator Roman Hruska, (U.S. News and World Report, June 20, 1966).

"In view of King's attitude and his continued criticism of the F.B.I. on this point, I consider King to be the most notorious liar in the country."

J. Edgar Hoover, (U.S. News and World Report, Nov. 30, 1964).

Joseph Alsop has stated that King's "organization has accepted and is almost certainly still accepting communist collaboration and even communist advice."

"For several years as a seminarian I was in charge of a Negro mission. I am as anxious as anyone to see the Negro progress. But I cannot understand how Catholic people and especially priests and nuns, can continue to back such groups as SNCC and CORE. Or get behind such persons as Martin Luther King. They are disloyal to their country and traitors to their people. Surely the Negroes in America deserve better leadership than this."

Rev. Daniel Lyons, S.J. Congressional Record, May 4, 1967, P. H5094.

The F.B.I. files quote King as telling a group of leftwing students: "We don't need to talk mean, we need to act mean."

From The Allen Scott Report.

"The worst chaos, hatred and violence any nation has ever encountered."

M. L. King predicting what he knew his proposed march on Washington would bring about. George Schuyler Column.

A little publicized UPI story appeared in the Feb. 2, 1965 Evening American (Phoenix) revealing a "master plan" for the civil rights drive in Alabama. The plan, "confirmed as genuine by two of King's top lieutenants," said "arrests should continue over months to create interest in the freedom registration and freedom vote." Anticipating King's arrest, it said "After Dr. King is in jail, a letter dealing with bombings, violence, not being represented, etc., should be distributed to Negroes in Alabama . . ." This type of tactic lays bare the so-called "non-violence" practiced by King and his Southern Christian Leadership Conference.

The private files of this peace-loving Nobel Prize winning agitator are now in the hands of segregationists. The files contain personal correspondence of top-level members of the Martin Luther King organization and the source of financing for his demonstrations, riots and racial agitation (who ever heard of peaceful riots!) Some of the papers show a close financial link with known communists and include plans for King's proposed "Negro Freedom Army."

From Heads Up, May, 1963.

King's advocacy of civil disobedience "is the language of rebellion and anarchy."

Cong. Howard W. Smith, (Arkansas Gazette, April 14, 1965, Page 2-A).

AFFIDAVIT

I, Karl Prussion, a former counterspy for the Federal Bureau of Investigation from 1947 to 1960, do hereby swear under oath and under penalty of perjury, that from the years 1954 through 1958 I attended five county committee meetings of the Communist Party of Santa Clara County, California. (A county committee meeting of the Communist Party consists of one delegate representing each Communist cell in a county.) The meetings were held during the aforementioned period in the following locations:

The residence of Robert Lindsay, Communist, in San Jose, California, 1954; the residence of Mary Field, Communist section organizer, Palo Alto, California, 1955; the residence of Isobel and Edwin Cerney, both Communists, Menlo Park, California, 1956; the residence of Gertrude Adler, Communist, Palo Alto, California, 1957; the residence of Karl Prussion, counterspy for the F.B.I., Los Altos, California, 1958; the residence of Myra White, Communist, Mountain View, California, 1959.

I hereby further solemnly state that at each and every meeting as set forth above, one Ed Beck, Communist, who is presently secretary of the National Association for the Advancement of Colored People of San Mateo County, California, and a member of the Congress on Racial Equality (CORE), presented the directive from the district office of the Communist Party in San Francisco to the effect that:

"All Communists working within the framework of the NAACP are instructed to work for a change of the passive attitude of the NAACP toward a more militant, demonstrative, class struggle policy to be expressed by sit-ins, demonstrations, marches and protests, for the purpose of transforming the NAACP into an organization for the achievement of Communist objectives."

I further swear and attest that at each and every one of the aforementioned meetings, one Reverend Martin Luther King was always set forth as the individual to whom Communists should look and rally around in the Communist struggle on the many racial issues.

I hereby also state that Martin Luther King has either been a member of, or wittingly has accepted support from, over 60 Communist fronts, individuals, and/or organizations, which give aid to or espouse Communist causes.

The Big Burial

By RUDY SIMPSON

Those who in all probability murdered Martin Luther King, Jr. are burying him today for the propaganda and political mileage that prompted their killing of him. There is little if any reason to believe that this was not a liberal political execution, another "inside job" like the Atlanta Temple Bombing (the big takeover kickoff) and the Kennedy Assassination.

With the return of warm weather, rioting on a national scale was to resume anyway, as threatened over and over, but now the liberals can blame the riots on King's assassination. The Democrat Party was splintering and dissolving with disunity, and George Wallace was looming large and formidable as a figure of sense and sanity. Now the liberals can unite the Democrats again with massive sieges of propaganda inferring that conservatives, segregationists and George Wallace are behind King's death. They can also push more of their monstrous, totalitarian bills through Congress.

The international bankers and gangsters who are the hierarchy of liberalism will be "hurting" for more money when their Vietnam War source dries up, so they must push new bills through Congress for vast, fresh sums of money (the taxpayers') to be appropriated in order for them to get their hands on it.

The question is will liberalism's dupes ever wake up to what is going on and how they are being used by the criminally insane and cunning money barons who own and control most of the politicians, all of the mass communication media, big business and big labor. The only way they can wake up is to undertake the painful process of thinking for themselves, and this is a lot to expect when it is so much easier and more profitable (for the short time being) simply to be indoctrinated with the hierarchy's propaganda that daily saturates the TV and radio networks, the press, movies, pulpits, textbooks, etc., ad infinitum.

Some Americans still have the ability to think for themselves. They never lost it. The only thing that will save the nation is for many other Americans to regain the ability to think for themselves. Television is the primary cause of this loss of ability, and of course radio, the press, the motion picture industry and other media of mass communication play major roles in the weakening of American mentality and perspective.

The mass communication media are not owned and controlled by average or poor Americans, but by the very wealthy. The American people do not even know the identity of these money barons, but only because they are not interested in finding out, and have not the faintest conception of their wealth. Too many Americans have forgotten that freedom is everybody's responsibility and that the price of freedom is eternal vigilance. The big money barons and international bankers are multi-billionaires. Who could be so naive and unthinking as to fail to realize that these are the powers that control politics, government, industries, the mass communication media, and even organized labor? Who, indeed, but most of the American people!

Yes, undoubtedly the liberal hierarchy killed M. L. K., and now they are burying him and propagandizing the whole nation. They are the hypocrites, the traitors, the principalities and powers. These exemplars of hypocrisy are defined in the dictionary as those who act false parts and make false professions, and hypocrisy is defined as the false pretense of moral excellence, either as a cover for actual wrong, or for the sake of the credit and advantage attaching to virtue.

Cicero defined such treason and traitors as these immoralities and powers exemplify in these immortal words: "A nation can survive its fools, and even the ambitious. But it cannot survive treason from within. An enemy at the gates is less formidable, for he is known and he carries his banners openly. But the traitor moves among those within the gate freely, his sly whispers rustling through

"POOR" PEOPLE'S MARCH AND CONGRESSMAN RARICK

Without doubt, the most ominous manifestation of the current Marxist-led Black Revolution is the so-called "Poor" People's March on Washington. If our only concern were the farcical aspect of the demonstration, since everyone knows the real poor will not benefit in the least, it would be bad enough. As the program develops, we see that the entire idea was conceived in bitterness and is strictly a vicious "hate whitey" demonstration. It is part of the revolution and it means bloodshed. Will LBJ hold off another 20 hours before he moves to stop arson and murder?

Here in Washington the revolutionists have taken over. This defiant and unlawful takeover gives every indication of breaking out into serious violence. Martin Luther King said it would. The words of Rev. Virgil Wood of Boston, speaking at the recent Newark demonstration, shatters any hope even the most gullible may have entertained about the non-violence of King and his March. Said Reverend Wood: "I defy any white man to ask the poor if they're going to be non-violent? We are no longer non-violent. We are soul force—the soul force of Jesus Christ, Mahatma Gandhi and Martin Luther King Jr."

The redoubtable Congressman John Rarick of Louisiana, already the recipient of several attempts on his life because of his patriotism, is incensed because the government failed to act and deliberately let people get murdered in the recent Washington looting, aftermath of the King assassination. We quote a recent speech addressed to Congress:

"Hundreds of thousands of Americans want to know why some 20 hours elapsed in Washington, D.C. before the federal troops were called to offer an image of concern over the wholesale burning and looting.

"I feel strongly that the House owes a duty to every American citizen to ascertain why, in the federal District of Columbia, the headquarters of the government of all our people, immediate effective action was not taken to protect life and property. For this reason I am today introducing a resolution calling for an investigation of this matter by a Select Committee to be composed of members of both parties appointed by the Speaker."

So that we may still have the right to live, let us back Congressman Rarick in every way. The March may result in violence far worse than that which broke out immediately after King's death.

all the alleys, heard in the very halls of government, and he appeals to the baseness that lies deep in the hearts of all men. He rots the soul of a nation; he works secretly and unknown in the night to undermine the pillars of a city; he infects the body politics so that it can no longer resist. A murderer is less to be feared."

Suggestion from a Reader Welfare for Anyone

... Suppose pressure were put on Congress to amend the present welfare laws in such a way that anyone can get on welfare, aid to dependent children or work for the Federal Government in some capacity; but, when they do, they come off the voting rolls. This could start with say June of 1968 and in effect would forbid anyone to vote in any calendar year in which he has received ANY government money. This would halt the welfare receivers voting for more and more welfare. It would halt the steady march of the Federal Government into private tax paying businesses, and it would prevent the economy from going into a tailspin as would happen if the welfare programs were suddenly halted.

ANARCHY VS. CHRISTIANITY...

"The Jew and his bank are today the masters of all Europe—of Education, of Civilization, of Socialism; of Socialism above all, by means of which the Jew is going to tear up Christianity by its roots and destroy its civilization. And when nothing but Anarchy remains the Jew will put himself at the head of all. For while propagating Socialism among all the Nations, the Jews will remain united among themselves; and when all the wealth of Europe is dissipated there will still remain the Jew's Bank." ... Dostoevski in 1880. (From "DEMOCRACY or SHYLOCRACY")

My dear Commissioner:

I am enclosing copies of recent newspaper articles which I hope will be of assistance to you. "The Thunderbolt" is self-identified on its masthead as being "the official White Racial organ of the National States Rights Party."

In my testimony before the House Subcommittee on Appropriations on February 23, 1968, I described the National States Rights Party as a group composed of former members of Klan-type organizations as well as notorious anti-Semites. Its headquarters are based in Savannah, Georgia, and it has an estimated membership of 125, led by [redacted] who serves as its information director and editor of its publication. Its activities consist of meetings, speeches by Fields and the vice president, [redacted] and demonstrations by members urging segregation and white power.

The Christian Educational Association of 530 Chestnut Street, Union, New Jersey, is the publisher of "Common Sense," a tabloid size newspaper published twice monthly except once each during July and August. On August 6, 1965, [redacted] advised she has been acting manager of "Common Sense" since the death of the editor, Conde McGinley, on July 16, 1963. She stated she was associated with Conde McGinley for 17 years and since his death has been continuing his editorial policy.

On May 5, 1967, [redacted] advised there has been no change in the above situation and that the paper still does not have an editor.

On December 17, 1954, the Committee on Un-American Activities of the United States House of Representatives published a "Preliminary Report on Neo-Fascist and Hate Groups" which discussed their growth and objectives at length. This report indicates that "Common Sense" has a circulation which fluctuates between 30,000 and 100,000 copies an issue. It describes "Common Sense" as a "hate sheet" vehicle which publishes "some of the most vitriolic hate propaganda ever to come to the attention of the committee."

According to the report, "Common Sense" depicts communism as Judaism and devotes its pages almost entirely to attacks on the Jews and to a lesser extent, the Negro minorities in the United States. Sympathy for the former Nazi Government in Germany is also shown in the paper.

It's Time That We, the People Take Back Our Government

The Story of the One Party System with Two Names

Every four years there appears on the political horizon alleged National Conventions, composed of delegates of the two major parties who allegedly, after careful deliberation, select candidates for the highest office in the land representative of their constituents. Time was when such conventions and deliberations contained at least a germ of honesty, and the final selection of candidates often reflected a genuine display of patriotism. Occasionally a Henry Clay would "rather be right than president."

This was before the twentieth century. Unrestricted immigration in the late 19th century opened the floodgates and an alien tide has all but inundated the United States. We are caught in the throes of a Zionist paralysis which has rendered all genuine gentle leadership immobile.

The planning, maneuvering and general promotional technique of this year's conventions has run true to form. They staged the greatest of farces, displaying the sorriest lot of totally inept clowns ever paraded before a convention. Once again we see the spectacle of gentle marionettes dancing to the whims of the same Zionist charlatans pulling the strings. The same Zionist ringmaster is at work at these circuses, cracking the whip as he forces the gentiles to jump through the hoops he has devised!

THE DEMOCRATS

Eugene McCarthy is a complete Zionist too, as was the late Bobby Kennedy. The Zionist coterie, who had been prominent in JFK's cabinet, and controlled McCarthy right along, moved into some interesting manipulations, once Bobby announced he was a candidate for president.

Early on the scene was PIERRE SALINGER to select the delegate slate for the California task force. TED SORENSON, JFK's posthumous biographer and ghost writer, offered to do the same for Bobby. NEWSWEEK (4/1/68) quotes Sorensen: "I told Bob that the next thing I'd work on is his acceptance speech at the convention." ARTHUR SCHLESINGER and RICHARD GOODWIN also figured in the strategy as well as FRANK MANKIEWICZ and speech writer, ADAM WALINSKY.

Robert S. Allen wrote in his column that McCarthy's campaign was Kennedy manipulated from the outset. Goodwin and Schlesinger were foremost. The notorious HARRY BRIDGES and ALLARD LOWENSTEIN, also Zionists, backed McCarthy.

The activities of the Platform Committee were completely Zionist-dominated. At one point, Richard Goodwin, McCarthy's agent, forced the Committee Chairman, Boggs, to permit a dove to speak at the Aug. 19th Vietnam hearings. And who was Goodwin's dove? None other than Roger Hilsman, an inside Zionist in government since the days of John

THE AMERICAN CREED

I believe in the United States of America as a government of the people, by the people, for the people; whose just powers are derived from the consent of the governed; a democracy in a republic; a sovereign nation of many sovereign states; a perfect union, one and inseparable; established upon those principles of freedom, equality, justice, and humanity for which American patriots sacrificed their lives and fortunes.

I therefore believe it is my duty, to my country to love it; to support its Constitution; to obey its laws; to respect its flag; and to defend it against all enemies.

A PRAYER FOR A LEADER

America is a very sick nation, a sickness unto death, unless the present trend is reversed very quickly: unless Constitutional law and Government are re-established under a true and loyal STATESMAN who reveres this Republic above his own life. This Republic has been settled by a host of selfish self-seeking politicians — from the highest to the lowest — like a swarm of devouring locusts. Always personal selfish ambition as well as FOREIGN interests have prevailed over the legitimate interests of the USA. Instead of GOD and His Christ, Satan sits in the seats and councils of the mighty. He goes to and fro in the earth devouring the unwary. TRUTH has been dethroned and falseness enthroned. While fighting a disastrous unconstitutional foreign war, our own Country is engulfed in inner strife and dissension largely

ROAD TO RUIN

A story in U.S. News and World Report recently was headed, "FROM RICHES TO RAGS IN TWENTY YEARS." The story, truthfully told of our twenty-year march from riches to the brink of economic ruin. Our downfall, however, has not been purely an economic downfall. The economic downfall is only one aspect of the matter. We have also suffered cultural and moral ruin which are far more serious. The last twenty years have seen the Triumph of the Phonies in the U.S.A. Our literature is phoney. Our politicians are phoney. The educational system is phoney. The mass media are so phoney that there are today few if any people employed in them who are in any way capable of being anything except phonies. Our Conservatives are phoney; our Liberals are phoney; our Communists are phoney. In fact, the whole city pack of them get to be phoney every day. The more they pretend to be carrying on a battle with each other, the more obvious it becomes, to the discerning eye, that they are really all whores, and are incapable of holding real convictions of any kind. Real issues are not even discussed; they are covered with a conspiracy of silence.

Only one writer in all that time attempted to discuss real issues. His name was Francis Parker Yockey. Our corrupt Society disposed of him.

Many people have read Yockey's IMPERIALISM. He also wrote a profound document called THE PROCLAMATION OF LONDON. This is not generally available. We are reproducing here some highly pertinent sections of this clear-eyed masterpiece:

"During the latter part of the XIXth Century, the Jew embarked upon an invasion of America. When the word went through the Jewish Culture-State-Nation-Race that opportunities were as great there as resistance was less, because of the absence of high traditions. In Europe, it has been impossible for the Jew to annihilate Tradition, which constantly opposed its silent and strong barrier, but in America, because of its colonial origins, there had never been creativeness and exclusiveness, and there were no barriers to the Jew. America was more thoroughly disintegrated by rationalism, materialism, liberalism, and democracy than any European land, because a colony has not, and cannot have, the spiritual profundity and continuity of the Mother-soil of the culture. As a result, the success of the Jew has been greatest in America, and in the year 1933, the entire continent of America passed into the control of the Jewish Culture-State-Nation-Race-People.

"The presence of a Culture-alien generates spiritual, political, economic, and social phenomena of a kind which could never arise from domestic elements and happenings. These phenomena are manifestations of our disease and of necessity arise when human

Kennedy. The following from the Newark News, 8/24/68 is also interesting: "Beginning last Thursday, the McCarthy and McGovern forces sat down to work out a common position meeting through most of Thursday night and Friday morning at the Conrad Hilton Hotel. Pierre Salinger representing McGovern and Richard Goodwin, representing McCarthy, fashioned a McGovern-McCarthy plank."

THE REPUBLICANS

Zionist control and maneuvering was equally present at the convention for the Republican branch of the One Party System with Two Names, but not as manifest. Remember, in this managed farce, the Republicans are supposed to be the "good" guys while the Democrats are the "bad" guys. Both conventions are total frauds. The Zionist element lurked behind the three main contenders. Rockefeller has always maintained a liberal number of Zionist confidants, including the ever-present Jake Javits. Perhaps the main architect of Romney's abortive effort was his experienced public relations assistant, David Goldberg. And what about Richard Nixon? Let us examine the record.

Richard Nixon

We are told Nixon is an anti-communist and a conservative. Many call him "Tricky Dicky." DAN SMOOT (5/30/60) made this observation: "Nixon has no peer as a weather vane who changes with the wind — yet is always working both sides of the street just in case the wind changes again."

Nixon has maintained an honorary membership in the NAACP for 20 years. All knowledgeable people consider the NAACP a communist front, though not officially so cited, but its record speaks for itself.

Nixon has been, and still may be, a member of the notorious COUNCIL ON FOREIGN RELATIONS. Nixon was an errand boy for the CFR. His job was to "get" Senator Joseph McCarthy. He worked hard to have the appointment of Charles Bohlen, CFR member, as U.S. Ambassador to the USSR confirmed, and he pressured McCarthy, without avail, to cease opposing the appointment. Bohlen who was advisor to FDR at the Yalta Conference, has been labelled "architect of the Yalta sell-out" and "grave-digger of Poland."

In October 1957 Nixon wrote an article in FOREIGN AFFAIRS, monthly organ of the CFR. This is the invisible group Nixon allegedly broke with.

In his book "SIX CRISES" Nixon referred to the red revolutionary, Martin Luther King as "a nationally respected leader and symbol of the anti-segregation forces."

The man who aspires to be our leader made this remark in discussing the Cuban problem on Feb. 14, 1964: "It is foolish to talk about an economic blockade of Cuba unless we convince our allies to go along with us." (What allies?)

Speaking in Cincinnati on Feb. 12, 1964, Nixon indicated his position on the civil rights issue by stating: "We oppose segregation in schools either by law or in fact."

Nixon recommended repeal of the Connal-

ly Amendment, a direct slap at conservatives fighting for its retention. He also endorsed the treasonous Atlantic Union Resolution with Javits and Humphrey.

While stumping for Eisenhower in 1956, Nixon took time out to say what a nice fellow Adlai Stevenson, Democratic candidate, was. Stevenson founded the Chicago branch of the AMERICANS FOR DEMOCRATIC ACTION, and was a protege of Jake Arvey, Zionist Democratic boss of Illinois.

In the past Nixon supported federalizing our public schools; is on record in favor of the United Nations, is an arch-enemy of RIGHT-TO-WORK laws, one of the most cherished safeguards in the credo of every patriotic citizen. Nixon is on record for the Eisenhower-Nixon administration — which gave more aid and assistance to the enemy than any administration before or since.

As Congressman, Nixon introduced a resolution in 1950 calling for the establishment of a U.N. police force, to be set up on a permanent basis.

Nixon is for the admission of Red China to the U.N. He stated in FOREIGN AFFAIRS magazine "We simply cannot afford to keep China forever outside the family of nations."

Just how Nixon could always carry water on both shoulders was indicated in his statement at the Hershey Conference of 1964: "I want all Republicans to win; I am just as strong for a liberal Republican in New York as I am for a conservative Republican in Texas..."

In 1962, in his bid for the California governorship he campaigned AGAINST PROPOSITION 24, which called for the outlawing of the Communist Party, in spite of the fact that one half million voters had signed petitions in favor of it.

Nixon has stooped so low as to form an alliance with the ultra-radical black power fanatics of CORE (Congress of Racial Equality), notably FLOYD MCKISSICK, one of the country's most revolutionary black fanatics. CORE has stated that Nixon is the "only presidential candidate who is moving in the direction of CORE's program." (American Opinion 9/68).

The notorious leftist Paul Hoffman (husband of the infamous Anna Rosenberg) picked Nixon as Eisenhower's 1952 running mate. Nixon merited this honor by betraying his own party and working with such characters as Hoffman, Nelson Rockefeller and Sidney Weinberg to form the "REPUBLICAN ADVANCE" movement which was organized to stop nomination of the pro-American Taft and paved the way for the nomination of Eisenhower, Invisible Government stooge.

Nixon made the following statement to the New York Times on March 10, 1968: "I think Dean Rusk would be an excellent Secretary of State..." Dean Rusk was the Far Eastern expert who sold out Nationalist China to the Communists while a member of the Institute of Pacific Relations, officially condemned by the Senate Internal Security Subcommittee.

On Aug. 29, 1961, speaking over ABC radio network, Nixon stated he favored "a long range Foreign Aid plan, financed through multi-year authorizations and annual appropriations." (Dan Smoot Report 9/25/61).

It is an undeniable fact that Nixon is a Rockefeller man. Nelson and Nixon hammered out the platform in the 1960 convention. Not long ago he attended a dinner for arch-Zionist Jake Javits, and stated he would vote for him in any election. Javits is also a Rockefeller man.

Those in the know believe the \$200,000 Nixon receives yearly for "practicing law" comes from a firm of international lawyers, much of whose business comes from global Rockefeller interests! (American Opinion 9/1968).

Nixon can perhaps take more credit than anyone for the passage of the 1968 Open Housing Bill, by far the most radical of all. Dirksen stated that Nixon definitely pressured him into going along with the so-called "compromise" which was nothing more than complete abdication to the demands of the aliens and Negroes.

The WALL STREET JOURNAL 7/29/60

Hubert H. Humphrey

Humphrey and Orville Freeman Team. Note the Clenched Fist.

carried the following statement by Vermont Royster: "In the area of Civil Rights, in welfare legislation and in the acceptance of Big Government spending, the Republican Party is once more seeking to meet the Democratic Party on its own ground in the battle for the peoples' votes."

According to CURRENT BIOGRAPHY 6/1958, Nixon made the following statement: "In the internationalist field, I am an internationalist."

U.S. NEWS & WORLD REPORT, Dec. 6, 1957 commented that Nixon has moved away from his "conservative" past and "has identified himself almost completely with Eisenhower's modern Republicanism."

Nixon and the Jews

Richard Nixon is Zionist oriented. Early in his political career, at a 1946 Quaker meeting, Nixon minced no words in a statement manifesting his thinking along these lines: "We must be vigilant against the doctrines of the Bilbos, the Talmadges and the Gerald Smiths, who are just as dangerous to the preservation of the American way of life on the one hand as are the Communists on the other." (Newark Ledger 9/8/60). Any school boy knows this is strictly the Zionist line. For years his campaign manager was Murray Chotiner, a Zionist. Nixon's communication's chief is Herbert Klein. He has worked closely with Sidney Weinberg, the Zionist who took Baruch's place as top spokesman for the Invisible Government.

While vice-president he bowed to Zionist immigration demands and received an award from Yeshiva University in 1957. He has constantly allied himself with NAACP and CFR, both Zionist dominated. Moreover, the Anti-Defamation League of B'nai B'rith gave him a clean bill of health in 1952, 1956 and 1960!

Hubert Humphrey

It is inconceivable that rational men could have selected such an incompetent clown as Hubert Humphrey as the candidate for the nation's highest office. For those not aware of Humphrey's treasonous record, we present a few highlights.

THE AMERICANS FOR DEMOCRATIC ACTION is an outgrowth of the Dies Committee cited front, UNION FOR DEMOCRATIC ACTION. Humphrey not only is a member of the ADA since 1947 but helped found it. A weak Senate Policy Committee stated: "The ADA's statist program represents a distinct parallel to that of the communists..." We say it is one of the worst Communist fronts in the country, although not cited as such.

Over the years, the ADA has fought all loyalty oaths, opposed the Mundt Subversive Control Bill, attacked the HCUA numerous times and urged its discontinuance, urged our withdrawal from Nationalist China, endorsed the firing of MacArthur, called for an economic boycott of Spain when it was fighting for its life against the communist hordes, favored general and complete disarmament enforced by the UN, strongly supported Supreme Court's decisions against prayer in the schools. "PROGRAMS FOR AMERICA" released annually by the ADA, 1963 edition, contains the following gem: "We recognize that the totalitarian Castro government presents no direct military threat to the U.S."

Humphrey is a member of the still more (Continued on Page 3, Column 1)

The Story of the One Party System with Two Names

(Continued from Page 2, Column 3)
powerful CFR generally considered to be the Zionist Invisible Government in America. Hubert is their errand boy. His work on Civil Rights, Disarmament and in many other fields is a true barometer of how closely he follows their dictates.

HHH supports the pro-communist AMERICAN COMMITTEE ON AFRICA which countenanced murder and wanton destruction in the Congo. (Herald of Freedom 9/11/64).

COPE, the AFL-CIO political arm, arch enemy of every patriot, has always rated Humphrey's voting record 100%.

THE NATIONAL DEFENSE ACT, which opened the door to Federal Aid to Education, was Humphrey's brainchild.

During World War II, Humphrey was known in Minnesota as a "draft dodger." While giving the impression he wanted to get into uniform, he obtained several deferments.

On a trip to Moscow in 1953, HHH had an eight hour private conference with Khrushchev. Shortly after, he decided to run for president.

Humphrey has been very friendly with Adlai Stevenson and Walter Reuther. He also had praise for Ben Bella, the communist murderer of Algeria, and the notorious Sidney Hillman.

HHH has championed the most irresponsible policies; he is the wildest spender and welfare stater in Washington. He co-sponsored the first National Housing Act and engineered passage of the 1964 Civil Rights Act.

The HERALD AMERICAN, dated April 30, 1968, carried the following: "Sidney J. Weinberg, one of the best known names in Wall Street, has disclosed plans for a one-man drive to raise millions for the Democratic Presidential nomination of Vice President Humphrey. Weinberg, the 76-year-old partner of Goldman Sachs & Co., is a frequent White House guest and was seen entering the executive mansion yesterday."

The above is most interesting at this time and further confirms the obvious Zionist control of the entire political spectrum. It was smart of Sidney to do this. Now that Hubert has cinched the nomination, Sidney, the modern-day Baruch, will have a friend in the White House if either Nixon or Humphrey is victor.

Here are a few statements by the man who would be President:

"I've got enough spark in me to lead a mighty good revolt."
(from the book: STOP HUBERT NOW)

"The time has come for America to wash its dirty face. The Negro is going to get justice or this society will be ripped apart." — (NEWSWEEK 4/13/64)

"We must erase the Right completely from American life." —

(COUNTER ATTACK 6/3/66)

HHH and the Jews

Two of Humphrey's closest advisors are WALTER HELLER, former chairman of the Council of Economic Advisors and MARSHAL D. SHULMAN, Director of Russian Institute at Columbia, both Zionists. Humphrey received Hadassah's 1965 Henrietta Szold Award. He was principal speaker at the American Jewish Committee's Appeal for Human Relations Award Dinner, Nov. 24, 1964. He has a Jewish son-in-law, Bruce Solomonson. He has been a close confidant of

Both Nixon and Humphrey arranged busy schedules to fit in a major address before the B'nai B'rith Triennial Convention at Shoreham Hotel, Washington, D.C., Sunday, Sept. 8, 1968. B'nai B'rith is parent of the sinister A.D.L. strong arm of communism in the U.S., the Gestapo whose spies threaten every corner of nation with intimidation and blackmail. Both candidates supported total commitment to the illegitimate state of Israel, stolen from the Arabs, its rightful owners for 1300 years.

Both candidates will gladly risk a third world war for Israel to garner the Jewish vote, but neither will dare come out for a clear cut victory against the communists in Vietnam.

George C. Wallace

Every One Is Against George Wallace But the People.

the late Herbert Lehman and a lifetime pal of Anna Rosenberg.

George Wallace

While there may be a thread of difference between "Tricky Dicky" Nixon and "Humpty Dumpty" Humphrey, the difference is in degree only and it is hard to say who is the most dangerous. The Republican Party is just ONE branch of the Zionist two-ring circus which takes place every four years to entertain the gullible goyim. BOTH PARTIES ARE ANSWERABLE TO THE SAME ZIONIST RINGMASTERS.

Happily for us this year we have decided not to go fishing on election day after all. Before you decide to go, we ask that you take a long hard look at Wallace's beliefs, campaign statements and proposed policies.

We cannot guarantee that George Wallace, if elected, will live up to his promises. Judging from his past experience, his record as governor of Alabama, his integrity and outstanding Americanism, his Christian heritage, and knowing, if elected, he will have the people behind him, the salt of the earth who are fed up with bread and circuses, he may, with the help of God, be able to bring to America a new birth of freedom and return our nation to constitutional government.

EVERY ONE IS AGAINST GEORGE WALLACE BUT THE PEOPLE. The people, however, can elect George Wallace next president of the United States in spite of brainwashing to the contrary. Let us forget our petty differences and unite as one behind the man who at least OFFERS a sane program. A vote for Nixon or Humphrey is a vote for the Zionist Party. If the American Christian patriots elect George Wallace, he will be directly answerable to them.

Compare the following statements publicly made by George Wallace to those made by Richard Nixon and Hubert Humphrey. It's time to run the ZIONIST PARTY out of the country and elect a man who at least promises to reverse the trend!

"Where money has been borrowed, every penny has been invested in the future of our people. It has not been borrowed to build roads in Cuba or to furnish an Egyptian dictator with luxuries or to bolster the economy of a communist country. We do not believe that you can buy love nor purchase respect. We believe that respect is earned by unflinching loyalty to philosophy and by dedication to a standard of morality and conduct."

"Alabama today spends less than five cents of its tax dollars for debt service. Alabama has the lowest per person tax of any state save two."

"No Viet Cong flag flies from a single college in the state of Alabama and as long as we possess the power of decisions — no such flag shall ever fly."

"I recommend that the States of the Union continue to determine the policies of their domestic institutions themselves and that the bureaucrats in Washington let the people in Ohio and New York and California decide themselves . . . what kind of school system they are going to have . . . I recommend

states rights and local government and territorial democracy . . ."

"The first thing I'd do as president is to make an announcement that I'd give my moral support, as president, to the policemen and to the firemen of the country. I'd say, 'We stand behind you because you are the thin line between complete anarchy in the streets and the safety of our person.'"

"It was never intended for federal government to run the policies of the local schools."

"Integration is a matter to be decided by each state . . ."

"Riots have come as a result of the militancy of anarchists, revolutionists and communists who do not love this country . . ."

"Strict law enforcement is what you do to contain riots now and in the future . . . If rioters knew they would get swift punishment, they would not throw a brick."

"We will awaken the nation to the Liberal-Socialist-Communist design to destroy local government in America. Communism cannot survive where there is truth . . ."

"The communist movement has been behind the Civil Rights movement. They wrote the Civil Rights Bill. They advocated in their 1928 platform the identical bills our Congress passed."

"We talk about federal dollars. We talk about federal funds. There's no such thing as federal funds. These are taxpayers' funds."

"The government ought to examine some of the multi-billion dollar tax exempt foundations like the Rockefeller Foundation, the Carnegie Foundation, the Ford Foundation and the Mellon Foundation."

"The decisions of the Supreme Court in many cases set the criminal and the communist free to destroy the fabric of our society. Roosevelt proposed to pack the Supreme Court. I propose to 'unpack' it."

"I believe we need to achieve victory over communism. Let the joint chiefs of staff win the war in Vietnam. There is no substitute for victory."

We can de-escalate the war by escalating the bombing of North Vietnam.

There should be no sanctuary in North Vietnam.

We've got to win this war. If that means stepping up the bombing, step it up! If it means blocking off Haiphong, block her off. BUT THERE'S NO SENSE TALKING PEACE WITH THAT CROWD UNTIL YOU'VE GOT THEM WHIPPED."

AMERICAN PEOPLE "WITHOUT A VOTE"

CLIFTON C. ALSTON

Republicans brought in troops to take schools away from white parents and their children without a vote of the people!

Democrats lowered our National Flag to honor a Communist mouthpiece when our boys were dying in a war against other Communists without a vote of the people!

Both parties seek to create a lower type of mongrel population for the United States of America, instead of recognizing God created extreme differences of two great races without a vote of the people!

Both parties want to buy your vote at the next election with promises of more money for no work, more protection for criminals and more restrictions on the man who works to support his family.

Lets you and I vote for new leaders to keep our country strong, with Christian ideals we honor.

ROAD TO RUIN

(Continued from Page 1, Column 3)

groups are in contact which do not share the same Culture"

Yockey understood, as few other Americans have, the consequences of Jewish whoremongering with our National literature and cultural life. Yockey wrote, "The domestic disease elements within the Culture, which wish to retain the outmoded ideas and methods of the Past, and to fight against the creative spirit which is actualizing a Cultural mission are the forces of cultural retardation. These have been brought into the service of the culture-distorter. Actually these elements simply desire to lead, but are themselves incapable of leadership, and therefore devote their lives to opposition to great formative ideas, creative spiritual currents, and leaders of vision and genius. They are the Churchills, Spaaks, the DeGaulles, the rejects of higher history who offer themselves to the forces of negation and destruction. The most critical form of the disease of culture-retardation is the condition in which it seeks to prevent the realization of the Idea of the Future even at the shame of allying with outer forces, the degradation of becoming their vassal, and the risk of destroying the entire culture . . ."

Today this evil force has been in operation in America for several decades. The powers of the times in America oppose every realistic, worthwhile idea. Our literature is a vast bleating of quack tinpots. The political parties are so corrupt with culture-disease that we feel that we cannot any longer advise our readers to invest any high hopes in any of them.

We have, in our Society today, a great deal of pseudo-controversy between "Right" and "Left." This is styled sometimes as "Communism" and "Anti-Communism," or sometimes as "Liberalism versus Conservatism." All of it is, by and large, a phoney battle, a mere puppet show staged by the Jews who run the mass media. There are not "two sides." There is really only one side. We do not have a "Rebellion of the Masses." We have a corrupt and rotten leadership class, sold out to the Culture-distorters, who rule by manipulating the puppet-strings of the "two sides" which appear to engage each other in dubious battle.

Some people have wanted to know why we persist in scolding the American Conservative. We will tell you, as Yockey told you, that unless the American Conservative changes his ways and becomes really effective, HIS NUMBER IS UP AND HIS DAYS ARE NUMBERED. Yockey put this very neatly: "Blindly, the democratic ideologues continued with their work of leveling and destroying. In the century 1850-1950 they actually succeeded in undermining the State and Society. What succeeded the old order? Nothing that the democrats of the period had sought. The new center of gravity. Life was in economics, and the dominant economic rivalry was between the inorganic capitalist and the financier. All the idea of sacrifice and the equalitarians succeeded in wiping out an organic aristocracy and substituting for it a sordid and vulgar plutocracy . . ."

The Plutocracy has failed to perform the functions of an Aristocracy. YET THE FUNCTIONS OF AN ARISTOCRACY STILL REQUIRE TO BE PERFORMED, IF OUR CULTURE IS TO SURVIVE. Our Culture is like a ship at sea with no helmsman. The wheel spins wildly, moved by the waves, not by the hands of a helmsman. The Plutocracy yammers about "Private Enterprise," yet goes along with the Socialism of the Bankers. There is every vital difference between an Aristocracy and a mere Plutocracy. Our Plutocracy might perform the function of an Aristocracy, if they would try. At present, they are not trying. They are content to shout slogans, to engage in political bit-picking. I know what Aristocracy really is. Back in the 1930's I traveled through East Prussia. Someone has said that East Prussia was not a State; it was an armed camp. For centuries, the Prussian citadel had stood as the Eastern Bastion of Europe. I spent a night in a country house in East Prussia. In fact, it was not an overly luxurious house. I took a bath in a tin tub before a fireplace,

while one side of me roasted and the other side froze. In Palm-Beach, where the Plutocracy holds forth, bathrooms are more luxurious. The Prussian military aristocracy knew the meaning of an Aristocracy which identifies with the Nation, with the people, or, as the Germans say it, the VOLK. The American plutocracy, on the other hand, is interested only in a single-class economic interest. Today this is a losing game all the way, and, unless the American "Conservative" changes his ways, he is doomed and defeated.

There is not, generally available in this Country today, enough intellectual apparatus of real quality to secure the survival of the Nation. The task of repairing damage done by the Culture-distorters is an urgent one. Yet nobody undertakes it.

We, and Yockey, agree with the American Conservative of darkest Reactionary hue about one thing, though. Yockey said, "The instrument of this preparation in America was the monster Roosevelt, who made of his life a study in infamy, and whose name is synonymous with the pinnacle of Jewish power in the world. . . ."

Our American civilization today is engaged in a period of unbridled debacle. We are living amidst chimeras. You may take your choice of chimeras. If you demand a realistic national program of survival, you might die alone in jail, as Yockey did. This is the real measure of our National Disaster.

This nation, in the grip of the Culture-distorter, will kill the man who speaks with the voice of integrity. The preference is for quacks, frauds, charlatans, and swindlers of the worst and lowest kind. So we have economic and political debacle, cultural and moral bankruptcy, the collapse of public order, rioting, crime, and worse, courts and politicians who are against the decent citizen and in favor of the criminal.

This is the legacy of the period of Jewish rule in America.

A PRAYER FOR A LEADER

(Continued from Page 1, Column 2)

because subversion has been fostered by moral cowards, who have scrapped our CONSTITUTION.

NOW IS THE CRISIS HOUR; the National Elections will decide for years to come, the fate of this nation. TIME is rapidly running out: choose ye THIS DAY whether you personally will deliver your own nation over to unmitigated EVIL or whether you will 'quit you like MEN and do exploits' for America. On your decision and action hangs your own fate and that of the USA.

If you never before prayed with ALL your heart, do so now, calling unto our Heavenly Father — the Ruler of this Universe — to send us a true, loyal, dedicated Christian, Constitutional AMERICAN LEADER, of the stature of a Washington, a Lincoln, a Douglas, MacArthur. Only GOD knows where such a man can be found: only HE can call forth a man of COURAGE who will damn all traitors and alien ideologies, and order FULL STEAM AHEAD FOR CONSTITUTIONAL AMERICANISM. This true LEADER must be of the calibre who can electrify, inspire, and truly lead our people aright, and restore genuine justified confidence in our own GOVERNMENT and COUNTRY. None of the small-bore politicians currently on the scene CAN do the job: they lack the necessary greatness of soul and sacrifice. This new LEADER must be loyal first of all to his God and his own soul, then to America and

her Divinely-inspired CONSTITUTION. He must sweep away all the debris of alien ideologies, and must owe no allegiance to any of them or their adherents.

Only GOD knows where such a man may be found to match today's crisis, and so I beseech every sincere AMERICAN to earnestly and continually pray to GOD that He will bring forth such a man to lead our nation. Pray that God will awaken in the hearts of our people true Patriotism, Love and Gratitude for their own Native Land, and the desire to save her, at whatever cost. Pray that GOD will bring to naught the selfish plans of mice and men, and ask His forgiveness for the slothfulness of a stupefied people who permitted America to descend into the Garden of Gethsemane — while THEY slept! PRAY fervently and continually — and perhaps our Heavenly-Father will work a miracle for us, even at this late day — to heal and bless our Land.

Humbly and Prayerfully Signed —
MARILYN R. ALLEN

WORDS OF WISDOM

The only thing necessary for the triumph of evil is for good men to do nothing.

When bad men combine, the good must associate; else they will fall one by one, an unpitied sacrifice in a contemptible struggle.

The people never give up their liberties but under some delusion.

Revolutions are favorable to confiscation; and it is impossible to know under what obnoxious names the next confiscations will be authorized.
